Hi Kirsty

Please see below objections

Protection of Children from harm

The premise is located within the Welfare Park, this is a safe area for the children of Gilfach Goch to play and have fun, how can anyone ensure this will be policed and children are safe guarded at all times.

Prevention of Public Nuisance

Again the premise is located with the Welfare Park, I live [Redacted] opposite the premises, and the noise from the live music and the public gathering of drunken people will have a detrimental effect on the place we call home and more importantly the park in general.

Under age sale of Alcohol – Need I say anymore regarding this

Public Safety

[Redacted]

There is hardly any facilities within Gilfach Goch, and the Welfare Park is one of the only places children can go and have fun.

They also need to feel safe and this is why I, as a parent object to the license

Why should mine or any children of Gilfach Goch be denied this?

Kind Regards

Iain David

Dear Sirs,

I would like to formally object to this licence application my reasons are as follows:-

1 – At the moment there is already casual drinking at the premises during the day and evening (With no licence). – This has resulted in drunk behaviour and even worse people parking and driving home clearly in no fit state. – I suggest the council monitor what goes on and visits.

2 – The location is right next to a children's park [REDACTED] is always extremely busy with children and clearly it is no place for drinking and anti-social behaviour. – Especially with people leaving and driving home it has accident waiting to happen written all over it.

3 – A live music and recorded music licence from 8.00am to 11.30pm 7 days a week is totally unacceptable and unnecessary – [REDACTED] do want music waking me up and going on to that time of night – clearly it will be heard as there is no proper sound proofing at the premises.

4 – This whole thing has no clear benefits to the community at all, apart from the chosen few being allowed to drink and party all hours. - There are enough issues in Gilfach already with them being added too.

5 – A significant amount of people that live opposite to the park are very elderly and do not want disturbances from this licence that will occur.

6 – [REDACTED] I cannot imagine the council responsible other local parks would allow drinking in the middle of the child's playground so I would think that Bridgend council would see common sense and refuse the licence.

I sincerely hope that this licence is turned down based on the issues I have raised above.

Yours Faithfully

Subject: Licensing Application - The Pavilion, Welfare Park Evanstown Gilfach Goch

Good afternoon

I am writing in relation to the New Premises Alcohol application to which I want to object to. I am concerned that given the premises is located in the middle of the childrens park and I believe that the club would be too close therefore could compromising the safety and protection of children,I have small children in our family and am concerned about their safety while playing in the park.

[REDACTED] am also concerned about the noise and the public nuisance that we could be subjected to due to late night music ,people leaving late at night and people drinking outside the club. Public safety is also of concern to me as I myself walk through the park daily but would be worried about doing this if the licence is approved.

best regards

Objection to application for a license at Evanstown Welfare Park.

Dear Licensing Department.

I have just found out today that again an application for a license for Drinks has been applied for [REDACTED]
[REDACTED]

I am aware that the various sports groups have applied for an application to extend the existing sports building situated within the park to be extended into a local hub for various uses this I have no objection to at all. My objection is the right to apply for this to be used as licensed premises to sell alcohol.

[REDACTED]
I cannot understand with whatever changes that have been proposed by a community hub that this would include any alterations to allow a licensed premises to sell alcohol.

[REDACTED]
[REDACTED] The proximity of the children's play area and the ability to allow children to play, grow and have the enjoyment of the local park as a safe haven is still the same a previous and remains unchanged. Children should be allowed to use the park at any time of the day or evening without being subject to being left open to what could be considered to be a vastly changed environment if a license is granted.

How can any fence or lighting provide children with safety from a number of items.

1. How can any licensed premises ensure that glassware and bottles would not enter this location. This could lead to broken glass or bottles right next or in very close proximity to playing children. The risk In Any risk assessment would be greatly increased.
2. How can a fence provide a suitable screen from children playing in a park from the building users under the influence of alcohol. No licensee can assure the local authorities against the the inappropriate behaviour of its users from drinking (language and anti social behaviour from its users once alcohol has or would be served) this does not give small children or indeed teenage children the best experience of using a children's play area or sports area. Surely the two can't be mixed.
3. What assurances can any social hub that serves alcohol give to the local residents and its children that no harm would come to them once they are out playing and having the fun experience that they have received for the many years that children have played within the park as it is at present.
4. Again surely there is a massive difference to the use of the park once a license has been granted. It would not be safe to allow mid range children say 10 and onwards to be left unattended by parents as they can today. Users that are this close to children playing under the influence will give the wrong impression to these children. Who indeed are very use to impress and thus shouldn't be any impression that any local authority should even consider.
5. Presently parents can allow their children to play any time of the day 7 days a week without the worry they would have once a license would be granted.

I feel that parents, grandparents and family members would restrict children's use of the parks facilities without an adult being present with them at all times and even with an adult the possibility of anti social behaviour would not be acceptable and children's time to play and enjoy would be great encroached upon.

[REDACTED]

[REDACTED]

I as one resident would object to the granting of the said license.

[REDACTED]

Please accept my email as my object at present to the current application. I would also duly support any group or groups application to decline this application as well

I'm a very disgruntled local resident of Evanstown that does not accept any group applying for such a license within the community welfare park.

Yours Sincerely,

Andrew Stenner

Subject: Gilfach Goch rugby club moving to Evanstown.

Hi there I am a resident at Glannant road and have been here with my partner and daughter for close to 2 years. We live in a quiet street where there are a lot of families with children and also elderly. There's recently been talk about the Gilfach Goch rugby club moving from its current location (High Street) to Evanstown Welfare park. I want to object against this from happening for more reasons than one. I take My 19 month old daughter to the council park regularly, along with my partner and her grandparents. I have a cause for concern for the welfare of my child and the rest of the children in the street that if the rugby club gets the permission to move from its current location to the Welfare park that the park itself will become a dangerous place for kids to play. As much as the club says it will not allow people to take glasses outside of the building. That can not be promised or guaranteed as it always happens no matter where you are. Broken glass in a child friendly park will prevent my child from using it, or even worse could lead to my child and other children to get hurt. The use of drugs today is rife! People litter their drugs as if they're dropping a chocolate wrapper. Again my worry is that a child (my child) would come across this. The noise levels from the club again would also affect the street. My daughter could potentially be affected by the music, people outside of the club shouting. And if any fights were to take place then that again would be another disturbance. I was in the local rugby club 7/3/20 I'm not a regular at the club it was just a meet up place for the people I went out with that night. [REDACTED]

Many thanks

Bridy

proximity to young children playing in the area set out for them.

The Park is used by children and members of the Public I feel the sale of alcohol deferently should not be in our Welfare Park.

If am sending this in even though I have been told this plan is already going through. If there are any more making well you be good enough to put notices up and not only on Facebook because a lot of people do not have Facebook.

Dear Sir

I am writing in to you to object to your drinks application for your proposed community club, if you [redacted] opposite the building and it is a very peaceful street most of the time this alters sometimes when there are parties on the field but we are used to this. The application states that live music or recorded music will be played, but when the doors and windows are opened they might as well be outside. Also there will be a lot of drinking especially on the weekends and if there is a beer garden a lot of that would be outside. As well it is right next to the childrens

park and even if there is a fence between the noise of drinking and a lot of bad language will be heard by the children. Also the length of the opening hours and this is every day even Sundays is ridiculous. The idea of a community club may seem a good idea, but with all the music everyday and drinking may seem a good idea to many, but these people don't live near to this building when they have had enough of the music and noise they can leave the park and go home. Unfortunately we have no such choice and if really don't want our lives spoilt with all this going on
