## BRIDGEND COUNTY BOROUGH COUNCIL

### REPORT TO SUBJECT OVERVIEW AND SCRUTINY COMMITTEE 1

14 JUNE 2021

### REPORT OF THE CHIEF OFFICER – LEGAL, HR & REGULATORY SERVICES

#### CORPORATE PARENTING CHAMPION NOMINATION REPORT

#### 1. Purpose of report

- 1.1 The purpose of this report is to request the Committee to nominate one Member as its Corporate Parenting Champion to represent the Committee as an invitee to meetings of the Cabinet Committee Corporate Parenting.

#### 2. Connection to corporate well-being objectives / other corporate priorities

- 2.1 This report assists in the achievement of the following corporate well-being objectives under the **Well-being of Future Generations (Wales) Act 2015**:-
1. **Supporting a successful sustainable economy** – taking steps to make the county borough a great place to do business, for people to live, work, study and visit, and to ensure that our schools are focussed on raising the skills, qualifications and ambitions for all people in the county borough.
  2. **Helping people and communities to be more health and resilient** - taking steps to reduce or prevent people from becoming vulnerable or dependent on the Council and its services. Supporting individuals and communities to build resilience, and enable them to develop solutions to have active, healthy and independent lives.
  3. **Smarter use of resources** – ensure that all resources (financial, physical, ecological, human and technological) are used as effectively and efficiently as possible and support the creation of resources throughout the community that can help to deliver the Council's well-being objectives.

#### 3. Background

- 3.1 Corporate Parenting is the term used to describe the responsibility of a local authority towards looked after children and young people. This is a legal responsibility given to local authorities by the Children Act 1989 and the Children Act 2004. The role of the Corporate Parent is to seek for children in public care the outcomes every good parent would want for their own children. The Council as a whole is the 'corporate parent' therefore all Members have a level of responsibility for the children and young people looked after by Bridgend. <sup>1</sup>

---

<sup>1</sup> Welsh Assembly Government and Welsh Local Government Association 'If this were my child... A councillor's guide to being a good corporate parent to children in care and care leavers', June 2009

- 3.2 In order to further develop and enhance the Council's Corporate Parenting role with its partners, a Cabinet Committee Corporate Parenting comprising all Members of Cabinet was established by Cabinet on 4 November 2008.
- 3.3 The inaugural meeting of the Cabinet Committee was held on 27 November 2008 where it was agreed that the Cabinet Committee will meet bi-monthly. The terms of reference for the Cabinet Committee Corporate Parenting are:
- to ensure that looked after children are seen as a priority by the whole of the Authority and by the Children and Young People's Partnership;
  - to seek the views of children and young people in shaping and influencing the parenting they receive;
  - to ensure that appropriate policies, opportunities and procedures are in place;
  - to monitor and evaluate the effectiveness of the Authority in its role as corporate parent against Welsh Government guidance.
- 3.4 At its inaugural meeting, the Cabinet Committee requested that a Corporate Parenting "Champion" be nominated from each of the Overview and Scrutiny Committees to become permanent invitees to the Cabinet Committee.

#### **4. Current situation/proposal**

- 4.1 The Committee is requested to nominate one Member as its Corporate Parenting Champion to represent the Committee as an invitee at meetings of the Cabinet Committee Corporate Parenting.
- 4.2 The role of the Corporate Parenting Champion is to represent their Overview and Scrutiny Committee, partaking in discussions with Cabinet over items relating to children in care and care leavers.
- 4.3 It is also suggested that in this role each Champion considers how all services within the remit of Scrutiny affect children in care and care leavers and encourage their own Committee to bear their Corporate Parenting role in mind when participating in Scrutiny.
- 4.4 Scrutiny Champions can greatly support the Committee by advising them of the ongoing work of the Cabinet Committee and particularly any decisions or changes which they should be aware of as Corporate Parents

#### **5. Effect upon policy framework and procedure rules**

- 5.1 The work of the Subject Scrutiny Committee relates to the review and development of plans, policy or strategy that form part of the Policy Framework and consideration of plans, policy or strategy relating to the power to promote or improve economic, social or environmental wellbeing in the County Borough of Bridgend.

## **6. Equality Act 2010 implications**

- 6.1 The protected characteristics identified within the Equality Act, Socio-economic Duty and the impact on the use of the Welsh Language have been considered in the preparation of this report. As a public body in Wales the Council must consider the impact of strategic decisions, such as the development or the review of policies, strategies, services and functions. It is considered that there will be no significant or unacceptable equality impacts as a result of this report.

## **7. Well-being of Future Generations (Wales) Act 2015 implications**

- 7.1 The Act provides the basis for driving a different kind of public service in Wales, with 5 ways of working to guide how public services should work to deliver for people. The following is a summary to show how the 5 ways of working to achieve the well-being goals have been used to formulate the recommendations within this report:

- Long Term – The establishment of the Corporate Parenting Cabinet Committee demonstrates the Authority's long term commitment to improving and strengthening their role as Corporate Parents to care leavers and Looked After Children.
- Prevention – The Corporate Parenting Cabinet Committee are preventative in their nature and ensure that appropriate policies, opportunities and procedures are in place for all care leavers and Looked After Children.
- Integration – This report supports all the well-being objectives.

- Involvement – Corporate Parent Champions provide practical support and guidance to children in care and care leavers to ensure they achieve their well-being goals.

## **8. Financial implications**

- 8.1 There are no financial implications arising from this report.

## BRIDGEND COUNTY BOROUGH COUNCIL

### REPORT TO SUBJECT OVERVIEW AND SCRUTINY COMMITTEE 1

14 JUNE 2021

#### REPORT OF THE CHIEF OFFICER - LEGAL, HR & REGULATORY SERVICES

##### FORWARD WORK PROGRAMME UPDATE

### 1. Purpose of report

1.1 The purpose of this report is to:

- a) Present the Committee with the proposed draft outline Forward Work Programme (**Appendix A**) for discussion and consideration;
- b) To request any specific information the Committee identifies to be included in the items for the next two meetings, including invitees they wish to attend;
- c) To request the Committee to identify whether there are presently any further items for consideration on the Forward Work Programme having regard to the selection criteria in paragraph 4.6 of this report;
- d) To note that the proposed draft Forward Work Programme and any feedback from the Committee will be reported to the next meeting of Corporate Overview and Scrutiny Committee (COSC).

### 2. Connection to corporate well-being objectives / other corporate priorities

2.1 This report assists in the achievement of the following corporate well-being objective/objectives under the **Well-being of Future Generations (Wales) Act 2015**:

- **Supporting a successful sustainable economy** – taking steps to make the county borough a great place to do business, for people to live, work, study and visit, and to ensure that our schools are focussed on raising the skills, qualifications and ambitions for all people in the county borough.
- **Helping people and communities to be more healthy and resilient** - taking steps to reduce or prevent people from becoming vulnerable or dependent on the Council and its services. Supporting individuals and communities to build resilience, and enable them to develop solutions to have active, healthy and independent lives.
- **Smarter use of resources** – ensure that all resources (financial, physical, ecological, human and technological) are used as effectively and efficiently as possible and support the creation of resources throughout the community that can help to deliver the Council's well-being objectives.

### **3. Background**

- 3.1 The Council's Constitution requires the Corporate Overview and Scrutiny Committee to develop and implement a Forward Work Programme for the Committee.
- 3.2 The Council's Constitution also provides for each Subject Overview and Scrutiny Committee to propose items for the Forward Work Programme having regard for the Council's Corporate Priorities and Risk Management framework, for the Corporate Overview and Scrutiny Committee to then prioritise and schedule.

#### Best Practice / Guidance

- 3.3 The Centre for Governance and Scrutiny's Good Scrutiny Guide recognises the importance of the forward work programme. In order to 'lead and own the process', it states that Councillors should have ownership of their Committee's work programme, and be involved in developing, monitoring and evaluating it. The Good Scrutiny Guide also states that, in order to make an impact, the scrutiny workload should be coordinated and integrated into corporate processes, to ensure that it contributes to the delivery of corporate objectives, and that work can be undertaken in a timely and well-planned manner.
- 3.4 Forward Work Programmes need to be manageable to maximise the effective use of the limited time and resources of Scrutiny Committees. It is not possible to include every topic proposed. Successful Scrutiny is about looking at the right topic in the right way and Members need to be selective, while also being able to demonstrate clear arguments for including or excluding topics.
- 3.5 The Centre for Governance and Scrutiny (CfGS) guide to work effective work programming 'A Cunning Plan?' makes the following reference to the importance of good work programming:

*'Effective work programming is the bedrock of an effective scrutiny function. Done well it can help lay the foundations for targeted, incisive and timely work on issues of local importance, where scrutiny can add value. Done badly, scrutiny can end up wasting time and resources on issues where the impact of any work done is likely to be minimal.'*

### **4. Current situation/proposal**

#### Draft Outline Forward Work Programmes

- 4.1 Following the approval of the schedule of Scrutiny Committee meeting dates at the Annual Meeting of Council on 19<sup>th</sup> May 2021, the scheduling of standing statutory reports to Scrutiny Committees upon: the Medium Term Financial Strategy, Performance, the Corporate Plan, Budget Monitoring, etc. have been mapped to the appropriate COSC meeting dates into a draft Forward Work Programme.
- 4.2 The draft outline Forward work programme for each Scrutiny Committee has been prepared using a number of difference sources, including:

- Corporate Risk Assessment;
- Directorate Business Plans;
- Previous Scrutiny Committee Forward Work Programme report topics / Minutes;
- Committee / Member proposed topics;
- Policy Framework;
- Cabinet Work Programme;
- Discussions with Corporate Directors;
- Performance Team regarding the timing of performance information.

- 4.3 There are items where there is a statutory duty for Policy Framework documents to be considered by Scrutiny, e.g. the MTFs including draft budget proposals scheduled for consideration in December 2021, following which the COSC will coordinate the conclusions and recommendations from each of the Subject Overview and Scrutiny Committees in a report on the overall strategic overview of Cabinet's draft Budget proposals to the meeting of Cabinet in February 2022.
- 4.4 An effective FWP will identify the issues that the Committee wishes to focus on during the year and provide a clear plan. However, at each meeting the Committee will have an opportunity to review this as the Forward Work Programme Update will be a standing item on the Agenda, detailing which items are scheduled for future meetings and be requested to clarify any information to be included in reports and the list of invitees. The FWP will remain flexible and will be revisited at each COSC meeting with feedback from each SOSC reported and any updated information gathered from FWP meetings with Scrutiny Chairs and Corporate Directors.
- 4.5 The Subject Overview and Scrutiny Committee Draft Forward Work Programmes will be reported to the next meeting of COSC, with the feedback from each respective Subject Overview and Scrutiny Committee for coordination and oversight of the overall FWP. The SOSC FWP's will be included in the standing FWP Update report from then on with any feedback on FWPs from each SOSC meeting held included.

#### Identification of Further Items

- 4.6 The Committee are reminded of the Criteria Form which Members can use to propose further items for the FWP which the Committee can then consider for prioritisation at a future meeting. The Criteria Form emphasises the need to consider issues such as impact, risk, performance, budget and community perception when identifying topics for investigation and to ensure a strategic responsibility for Scrutiny and that its work benefits the Authority. There are a number of questions and processes that can help the Committee come to a decision on whether to include a referred topic, some of which are set out below:

#### Recommended Criteria for Selecting Scrutiny Topics:

- |                    |   |
|--------------------|---|
| PUBLIC INTEREST:   | The concerns of local people should influence the issues chosen for scrutiny;   |
| ABILITY TO CHANGE: | Priority should be given to issues that the Committee can realistically influence, and which will result in a Cabinet decision being taken; |

PERFORMANCE:	Priority should be given to the areas in which the Council, and other agencies, are not performing well;
EXTENT:	Priority should be given to issues that are relevant to all or large parts of the County Borough;
REPLICATION:	Work programmes must take account of what else is happening in the areas being considered to avoid duplication or wasted effort.

Reasons to Reject Scrutiny Topics:

- The issue is already being addressed / being examined elsewhere and change is imminent.
- The topic would be better addressed elsewhere (and can be referred there).
- Scrutiny involvement would have limited / no impact upon outcomes.
- The topic may be sub-judice or prejudicial to the Council's interest.
- The topic is too broad to make a review realistic.
- New legislation or guidance relating to the topic is expected within the next year.
- The topic area is currently subject to inspection or has recently undergone substantial change.

Corporate Parenting

- 4.7 Corporate Parenting is the term used to describe the responsibility of a Local Authority towards looked after children and young people. This is a legal responsibility given to local authorities by the Children Act 1989 and the Children Act 2004. The role of the Corporate Parent is to seek for children in public care the outcomes every good parent would want for their own children. The Council as a whole is the 'corporate parent', therefore all Members have a level of responsibility for the children and young people looked after by Bridgend.
- 4.8 In this role, it is suggested that Members consider how each item they consider affects children in care and care leavers, and in what way can the Committee assist in these areas.
- 4.9 Scrutiny Champions can greatly support the Committee in this by advising them of the ongoing work of the Cabinet-Committee and particularly any decisions or changes which they should be aware of as Corporate Parents.
- 4.10 The draft outline Forward Work Programme for this Committee is attached as **Appendix A** for consideration.

## **5. Effect upon policy framework and procedure rules**

- 5.1 The work of the Overview & Scrutiny Committees relates to the review and development of plans, policy or strategy that form part of the Council's Policy Framework and consideration of plans, policy or strategy relating to the power to promote or improve economic, social or environmental wellbeing in the County Borough of Bridgend.

## **6. Equality Act 2010 implications**

- 6.1 The protected characteristics identified within the Equality Act, Socio-economic Duty and the impact on the use of the Welsh language have been considered in the preparation of this report. As a public body in Wales, the Council must consider the impact of strategic decisions, such as the development or the review of policies, strategies, services and functions. It is considered that there will be no significant or unacceptable equality impacts as a result of this report.

## **7. Well-being of Future Generations (Wales) Act 2015 implications**

- 7.1 The Act provides the basis for driving a different kind of public service in Wales, with 5 ways of working to guide how public services should work to deliver for people. The following is a summary to show how the 5 ways of working to achieve the well-being goals have been used to formulate the recommendations within this report:

- Long-term - The approval of this report will assist in the planning of Scrutiny business in both the short-term and in the long-term on its policies, budget and service delivery.
- Prevention - The early preparation of the Forward Work Programme allows for the advance planning of Scrutiny business where Members are provided an opportunity to influence and improve decisions before they are made by Cabinet.
- Integration - The report supports all the wellbeing objectives.
- Collaboration - Consultation on the content of the Forward Work Programme has taken place with the Corporate Management Board, Heads of Service, Elected Members and members of the public.
- Involvement - Advanced publication of the Forward Work Programme ensures that the public and stakeholders can view topics that will be discussed in Committee meetings and are provided with the opportunity to engage.

## **8. Financial implications**

- 8.1 There are no financial implications directly associated with this report.

## 9. Recommendations

9.1 The Committee is recommended to:

- a) Consider the proposed draft outline Forward Work Programme in Appendix A and make any amendments and / or comments;
- b) Identify any specific information the Committee wishes to be included in the items for the next two meetings, including invitees they wish to attend;
- c) Identify whether there are presently any further items for consideration on the Forward Work Programme having regard to the selection criteria in paragraph 4.6 of this report.
- d) Note that the proposed draft Forward Work Programme and any feedback from the Committee will be reported to the next meeting of COSC.
