Cllr Eugene Caparros to the Leader

I am aware that Welsh Government are introducing legislation which will change the default speed limit from 30mph to 20mph in built up areas from the 17th of September this year. Whilst Members received a briefing on this in March this year, could you please outline the progress to date within BCBC, how the public consultation was received and whether we will be ready for the roll out of this legislation in Bridgend in September?

Cllr Tim Thomas to the Leader

Will the Leader briefly outline his policy proposals to adopt '15 minute towns' within the County Borough?

Cllr Maxine Lewis to the Cabinet Member - Housing, Planning and Regeneration

Where are we with the development of a Valleys Regeneration Strategy, as it is identified in the new corporate plan.

Cllr Ian Williams to the Cabinet Member - Community Safety and Wellbeing

Can the Cabinet Member please give me some indication as to what provision is being made in Bridgend for outdoor play and recreational facilities for older children in Bridgend County and when? At a meeting last December it was agreed to provide a play area in Newbridge Fields for older children but in a recent email I was told that this was not being taken forward at the moment but it could be an option in the future. Could I therefore ask when this important provision will take place?

Cllr Mark John to the Cabinet Member - Climate Change and Environment

Could I have a progress report on the Bridgend Heat Network.

13. Urgent Items

To consider any item(s) of business in respect of which notice has been given in accordance with Part 4 (paragraph 4) of the Council Procedure Rules and which the person presiding at the meeting is of the opinion should by reason of special circumstances be transacted at the meeting as a matter of urgency.
