## **1. Purpose of Report**

- 1.1 The purpose of the report is for the Standards Committee to note the Public Services Ombudsman for Wales' Annual Letter 2022/23.

## **2. Background**

- 2.1 The Public Service Ombudsman for Wales (PSOW) is independent of all government bodies and has legal powers to investigate complaints about public services and independent care providers in Wales. They also investigate complaints that Members of local government bodies have breached their authority's Code of Conduct.
- 2.2 The PSOW reports annually on the number of complaints against public bodies received by its office.
- 2.3 The Complaints Officer is the Contact Officer for the PSOW and the Monitoring Officer is responsible for liaising with the PSOW regarding Member Code of Conduct complaints.

## **3. Current situation / proposal**

- 3.1 **Appendix A** provides the Ombudsman's Annual Letter for 2022-2023.
- 3.2 The number of complaints against the Authority for the period 2022–2023 was 55 compared with 55 in 2021-2022 and 31 in 2020-2021. The figure for 2022-23 represents 0.38 complaints received per 1000 residents. Children's Social Services and Planning / Building Control attracted the largest number of complaints. 10 cases

were out of jurisdiction, 17 were premature, 25 were closed after initial consideration, 4 were settled by working with the Ombudsman for early resolution. One complaint proceeded to investigation and was upheld.

3.3 6 Code of Conduct complaints against the Authority's Councillors were received by the Ombudsman's Office in this period, 5 of which were discontinued and one was referred to the Standards Committee for consideration (which was concluded by the Committee at their meeting on 7 July 2023). 25 Code of Conduct complaints were received against Town and Community Councils in Bridgend County, none of which were referred to the Standards Committee, 23 of which a decision was taken not to investigate, and in 2 cases no action was necessary.

3.4 The Complaints Standards Authority publishes datasets on complaints handled by local authorities. These datasets are published on the Ombudsman's website and on the Council's website. This data shows that last year, 21% of the Council's complaints were referred to PSOW.
