Dear Sir

**PROPOSED Prohibition of Waiting Plasnewydd Street Maesteg**

I wish to object to the above proposal.

As a severely disabled person, living in the Flat 15a Talbot Street Maesteg, which is situated in the unnamed lane lane between Talbot Street & Plasnewydd Street.

The double garages at the point you propose to implement these restrictions, are owned by my neighbours, Mr & Mrs Fiedler they grant me permission to park my vehicle at the front of these garages. It is difficult enough to walk aided from this point to my flat.

Your proposals would deny me this privilege. I have requested a residents permit for plasnewydd street, which has been turned down

These proposals seem unnecessary, as I certainly cause no obstruction with my present parking arrangements.

Yours Faithfully

John C Hockridge
