Summary report

Introduction

1. Anthony Barrett, as Appointed Auditor, is responsible for providing an opinion on whether the financial statements give a true and fair view of the financial position of Catalogue Supplies Service Joint Committee at 31 March 2013 and its income and expenditure for the year then ended.
2. We do not try to obtain absolute assurance that the financial statements are correctly stated, but adopt the concept of materiality. In planning and conducting the audit, we seek to identify material misstatements in your financial statements, namely, those that might result in a reader of the accounts being misled.
3. The quantitative level at which we judge such misstatements to be material for Catalogue Supplies Service Joint Committee is £62,000. Whether an item is judged to be material can also be affected by certain qualitative issues such as legal and regulatory requirements and political sensitivity.
4. International Standard on Auditing (ISA) 260 requires us to report certain matters arising from the audit of the financial statements to those charged with governance of a body in sufficient time to enable appropriate action.
5. This report sets out for consideration the matters arising from the audit of the financial statements of Catalogue Supplies Service Joint Committee, for 2012-13, that require reporting under ISA 260.

Status of the audit

6. We received the draft financial statements for the year ended 31 March 2013 on 24 June 2013, 6 days prior to the agreed deadline of 30 June 2013, and have now substantially completed the audit work.
7. We are reporting to you the more significant issues arising from the audit, which we believe you must consider prior to approval of the financial statements.

Proposed audit report

8. It is the Appointed Auditor's intention to issue an unqualified audit report on the financial statements once you have provided us with a Letter of Representation based on that set out in [Appendix 1](#).
9. The proposed audit report is set out in [Appendix 2](#).

Significant issues arising from the audit

Uncorrected misstatements

10. There are no misstatements identified in the financial statements, which remain uncorrected.

Corrected misstatements

11. There are no corrected misstatements which we consider should be drawn to your attention.
12. We suggested some minor improvements and additions to the disclosures within the financial statements which have all been incorporated into the financial statements by management.

Other significant issues arising from the audit

13. In the course of the audit, we consider a number of matters both qualitative and quantitative relating to the accounts and report any significant issues arising to you. There were no issues arising in these areas this year:
 - **We have no concerns about the qualitative aspects of your accounting practices and financial reporting.** We found the information provided to be relevant, reliable, comparable, material and easy to understand.  - **We did not encounter any significant difficulties during the audit.** We received information in a timely and helpful manner and were not restricted in our work.
 - **There were no significant matters discussed and corresponded upon with management which we need to report to you.**
 - **There are no other matters significant to the oversight of the financial reporting process that we need to report to you.**
 - **We did not identify any material weaknesses in your internal controls.**

Independence and objectivity

14. As part of the finalisation process, we are required to provide you with representations concerning our independence.
15. We have complied with ethical standards and in our professional judgment, we are independent and our objectivity is not compromised. There are no relationships between the Wales Audit Office/KPMG and Catalogue Supplies Service Joint Committee that we consider to bear on our objectivity and independence.

Proposed audit report of the Appointed Auditor to the Joint Committee

Independent auditor's report to the Members of Catalogue Supplies Service Joint Committee

I have audited the accounting statements and related notes of Catalogue Supplies Service Joint Committee for the year ended 31 March 2013 under the Public Audit (Wales) Act 2004. Catalogue Supplies Service Joint Committee's accounting statements comprise the Movement in Reserves Statement, the Comprehensive Income and Expenditure Statement, the Balance Sheet and the Cash Flow Statement, and the related notes.

The financial reporting framework that has been applied in their preparation is applicable law and the Code of Practice on Local Authority Accounting in the United Kingdom 2012-13 based on International Financial Reporting Standards (IFRSs).

Respective responsibilities of the responsible financial officer and the independent auditor

As explained more fully in the Statement of Responsibilities for the Statement of Accounts set out on pages 7 to 8, the responsible financial officer is responsible for the preparation of the statement of accounts, which gives a true and fair view.

My responsibility is to audit the accounting statements and related notes in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require me to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the accounting statements

An audit involves obtaining evidence about the amounts and disclosures in the accounting statements and related notes sufficient to give reasonable assurance that the accounting statements and related notes are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to Catalogue Supplies Service Joint Committee's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the responsible financial officer and the overall presentation of the accounting statements and related notes.

In addition, I read all the financial and non-financial information in the Explanatory Foreword to identify material inconsistencies with the audited accounting statements and related notes. If I become aware of any apparent material misstatements or inconsistencies, I consider the implications for my report.

Opinion on the accounting statements of Catalogue Supplies Service Joint Committee

In my opinion the accounting statements and related notes:

Appendix 2

- give a true and fair view of the financial position of Catalogue Supplies Service Joint Committee as at 31 March 2013 and of its income and expenditure for the year then ended; and
- have been properly prepared in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2012/13.

Opinion on other matters

In my opinion, the information contained in the Explanatory Foreword for the financial year for which the accounting statements and related notes are prepared is consistent with the accounting statements and related notes.

Matters on which I report by exception

I have nothing to report in respect of the Governance Statement on which I report to you if, in my opinion, it does not reflect compliance with 'Delivering Good Governance in Local Government: Framework' published by CIPFA/SOLACE in June 2007, or if the statement is misleading or inconsistent with other information I am aware of from my audit.

Certificate of completion of audit

I certify that I have completed the audit of the accounts of Catalogue Supplies Service Joint Committee in accordance with the requirements of the Public Audit (Wales) Act 2004 and the Code of Audit Practice issued by the Auditor General for Wales.
