Can the Cabinet Member for Social Services tell the Council how many community care assessments for residential rehabilitation have been undertaken in the last three years within BCBC and how many resulted in placements in residential rehabilitation centres and which ones?

Question to the Cabinet Member Education and Regeneration from Councillor R Stirman

Bearing in mind Government plans to prohibit the sale of diesel and electric cars in the near future, does the Council plan to implement a strategy for the introduction of electric charging points throughout the County? If so, when will this policy be introduced? Will this also become a consideration in future LDP development? Additionally, what provision will be made for the anticipated increase in demand for the supply of electricity within BCBC?

12. **Notice of Motion Proposed by the Plaid Cymru Group**
Plastic Free Bridgend County

Council acknowledges:

The concerns of the wider community over the amount of plastic waste pollution and its adverse effect upon wildlife and our coastline

Council proposes:

As part of our responsibilities towards global sustainability under the Well-being of Future Generations Act, we support Bridgend County becoming a 'plastic free authority.'

Council highlights:

We will work towards this in the following ways:

1. We will review our own organisation and replace single use plastic items, encouraging the replacement of single use plastic items such as plastic straws, plastic coffee cups with biodegradable items.
2. We will contact County Borough businesses to encourage them to replace single use plastic items, reduce un-necessary packaging and apply principles of sustainability within their everyday businesses.
3. We promote 'Plastic free Bridgend' through social media and other appropriate marketing and communications methods.
4. We will continue to support community initiatives to 'Keep Bridgend Tidy', including our beaches, parks and streets, and promote alternatives to throwing away materials, in keeping with principles of the circular economy and waste hierarchy.
5. We will promote fair trade policies and a shop local scheme.
6. We will write to the Welsh Government Ministers asking them consider what measures, including guidance and legislation, can be introduced to reduce plastic waste across Wales, in keeping with the principles previously outlined.

Council believes:

The effectiveness of the proposed policy should be monitored at least annually to highlight

progress for members as part of the scrutiny process.

13. Urgent Items

To consider any item(s) of business in respect of which notice has been given in accordance with Part 4 (paragraph 4) of the Council Procedure Rules and which the person presiding at the meeting is of the opinion should by reason of special circumstances be transacted at the meeting as a matter of urgency.
