33. DATGAN BUDDIANNAU

Datganodd nifer o Aelodau fuddiant personol yn Eitem Agenda 4, sef eu bod yn Llywodraethwyr Ysgol, ond, dywedwyd wrthynt gan Swyddogion nad oes angen datganiadau o'r fath gan eu bod wedi'u penodi i'r rhain gan yr Awdurdod Lleol.

Datganodd y Cyngorwyr canlynol fuddiant personol yn Eitem Agenda 4 gan fod ganddynt blant sy'n fyfyrwyr mewn sawl un o'r ysgolion y sonnir amdanynt yn yr adroddiad sy'n ymwneud â'r eitem hon:-

Y Cyngorydd C Webster
Y Cyngorydd N Burnett
Y Cyngorydd AJ Williams

34. DIWEDDARIAD AR Y BLAEN-RAGLEN WAITH

Cyflwynodd Cyfarwyddwr Corfforaethol y Gwasanaethau Gweithredol a Phartneriaeth adroddiad sydd â'r bwriad o gyflwyno'r eitemau a flaenoriaethwyd gan y Pwyllgor Craffu a Throsolwg Corfforaethol gan gynnwys yr eitem nesaf a ddirprwywyd i'r Pwyllgor Craffu a Throsolwg Pwnc; i gyflwyno i'r Pwyllgor restr o eitemau posibl pellach i roi sylw arnynt a'u blaenoriaethu, ac yn olaf i ofyn i'r Pwyllgor nodi unrhyw eitemau pellach i'w hystyried trwy ddefnyddio'r ffurflen feini prawf wedi'i chreu o flaen llaw.

Atodwyd yn Atodiad B i'r adroddiad oedd y blaen-raglen waith cyffredinol ar gyfer y PCThPau oedd yn cynnwys y pynciau a flaenoriaethwyd gan y PCThCau ar gyfer y set nesaf o PCThPau yn Nhabl A, yn ogystal â phynciau y ystyriwyd eu bod yn bwysig i'w blaenoriaethu yn y dyfodol.

O ran eitemau yn Nhabl A Atodiad B, amlygwyd bod y Pwyllgor Craffu a Throsolwg Corfforol wedi dirprwyo PCThP 1 gydag eitem Band B Moderneiddio Ysgolion ar gyfer

eu cyfarfod nesaf, wedi ei ddilyn gan Gymorth Cynnar – Gofal Cymdeithasol ar gyfer ei gyfarfod ar 16 Ebrill 2018.

Dyweddodd y Swyddog Craffu, ar ôl mis Ebrill, y dirprwywyd y pwnc yn ymwneud â goblygiadau cyllidebol mewn perthynas â Charchar y Parc i'r Pwyllgor. Ychwanegodd fod yr eitemau pellach y manylwyd arnynt yn Atodiad B yn eitemau a fyddai'n cael eu hystyried mewn cyfarfodydd yn y dyfodol, nad yw'r dyddiadau ar eu cyfer wedi eu pennu eto.

PENDERFYNWYD: Bod y Pwyllgor yn cymeradwyo adborth ac ymatebion o'i gyfarfod ym mis Rhagfyr a nodi'r eitemau a ddirprwywyd iddynt ar gyfer y setiau nesaf o gyfarfodydd.

35. **ADRODDIAD SAFONAU YSGOL – CYFNOD SYLFAEN, CAMAU ALLWEDDOL 2, 3 A 4 AC ÔL 16 – DEILLIANNAU AR GYFER 2016-17**

Dechreuodd yr eitem gydag Uwch-ymgyngorydd Her Consortiwm Canolbarth y De'n rhoi cyflwyniad o'r enw 'Cyfnod Sylfaen, Camau Allweddol 2, 3 a 4 ac Ôl 16 – Deilliannau 2016-2017'.

Yna gwahoddodd y cadeirydd gwestiynau gan bawb oedd yno.

Cyfeiriodd y Cadeirydd at baragraff 4.53 yr adroddiad gan nodi bod safon cyrhaeddiad disgyblion ôl 16 yng Ngholeg Cymunedol y Dderwen ar gyfer graddau A* i C wedi gostwng 20.8% yn 2017 o'i gymharu â 2016 a oedd yn ostyngiad sylweddol yn ei barn hi.

Dyweddodd y Swyddog Arbenigol ar gyfer Addysg a Hyfforddiant Ôl 16 fod hyn yn bennaf yn ymwneud â'r ffaith bod trosiant staff yn y meysydd pwnc allweddol (h.y. Cymraeg, mathemateg, gwyddoniaeth a Saesneg) wedi digwydd yn ystod y cyfnod uchod. Mae'r swyddi allweddol hyn wedi'u llenwi erbyn hyn ac mae prosesau monitro wedi'u rhoi ar waith er mwyn sicrhau bod gwelliannau'n cael eu gwneud y flwyddyn gyfredol hon yn barod at arholiadau AS eleni. .

Gofynnodd aelod beth ddigwyddodd i fyfyrwyr a fethodd eu harholiadau lefel A ac a wnaeth canran uchel o'r rhain ailsefyll yr arholiadau. Gofynnnon nhw hefyd faint o ddisgyblion a aeth ymlaen i addysg bellach.

Cadarnhaodd y Swyddog Arbenigol ar gyfer Addysg a Hyfforddiant Ôl 16, o ran trothwy Lefel 3, i 90% o fyfyrwyr gyflawni rhyw fath o radd hyd yn oed os nad oeddent yr uchaf o ran cyrhaeddiad. Fodd bynnag, ychwanegodd nad yw canlyniadau lefel A mor arwyddocaol i fyfyrwyr ag yr arferent fod, gan fod Prifysgolion bellach yn llai llym nag o'r blaen o ran gofynion mynediad. Gwireddwyd hyn gan y ffaith bod bron bob myfyriwr ym Mwrdeistref Sirol Pen-Y-Bont Ar Ogwr a wnaeth gais am le mewn prifysgol y llynedd wedi'i dderbyn. Ychwanegodd y derbyniwyd rhai o'r disgyblion hyn heb unrhyw gymwysterau lefel A o gwbl, felly nid oes anfantais i'r myfyrwyr hyn o ran eu cais i gael eu derbyn mewn amgylcheddau addysg uwch. Er gwaethaf hynny, roedd staff addysgu ym mhob ysgol am gynorthwyo gyda gwella graddau cymwysterau ar gyfer pob disgybl.

Gofynnodd Aelod a oedd cynlluniau digonol wrth gefn yn eu lle mewn ysgolion pe bbyddai nifer o aelodau staff yno yn gadael ar yr un pryd, er mwyn galluogi disgyblion i wneud y gorau o'u cyfleoedd i gyflawni canlyniadau lefel A da.

Dyweddodd yr Aelod Cabinet dros Addysg ac Adfywio bod modd symud staff o un ysgol i un arall er mwyn cyflenwi at y staff oedd yno, pe bai diffyg yn nifer y staff addysgu yno am ba reswm bynnag. Ychwanegodd ei bod yn haws lliniaru ar absenoldeb staff a

ragwelir a hyd yn oed absenoldeb staff hirdymor, ond bod hi'n fwy anodd rhoi cynlluniau wrth gefn ar waith ar gyfer achosion o absenoldeb byrdymor na ragwelid.

Nododd y Cadeirydd i adroddiad Ysgol Gyfun Pencoed adlewyrchu lefelau perfformiad da iawn ar gyfer disgyblion/addysg ôl 16.

Dywedodd y Swyddog Arbenigol ar gyfer Addysg a Hyfforddiant Ôl 16 fod enw da gan yr ysgol hon ar bob lefel oedran, a bod hyn wedi ffynnu ers i'r ysgol ddod yn bartner i Goleg Pen-Y-Bont Ar Ogwr, ynghyd â'r ffaith bod Pennaeth newydd yn yr ysgol sydd wedi ailysgogi'r ysgol, ei staff a'i disgyblion. Adlewyrchwyd hyn gan y ffaith bod cynnydd wedi bod ym mherfformiad yr ysgol o ychydig llai na 13% yn yr ychydig flynyddoedd diwethaf.

Ychwanegodd yr Aelod Cabinet dros Addysg ac Adfywio fod y tabl perfformiad a ddangosir ym mharagraff 4.53 yr adroddiad yn anodd ei farnu o ran gwir berfformiad yr ysgolion a ddangosir ynddo gan nad yw'n dangos y gwaelodliniau. Er enghraifft, roedd safon cyrhaeddiad ôl 16 ar gyfer Ysgol Gyfun Porthcawl ar gyfer 2017 ar gyfer gradd A* - C (o'i gymharu â 2016) wedi gostwng 0.2%. Fodd bynnag, roedd yr ysgol hon yn dal i gyflawni rhwng 80 - 90% o ran y Dangosydd penodol hwnnw ac roedd hyn yn eithriadol o dda o ran perfformiad. Teimlodd y dylai cymaryddion fod yn fwy clir mewn adroddiadau yn y dyfodol er mwyn rhoi llun llawnach a mwy cywir o'r sefyllfa gyffredinol.

Gofynnodd y Cadeirydd a oedd cymorth yn cael ei roi yn ei le i sicrhau bod llesiant meddwl ac emosiynol disgyblion yn cal ei ystyried, yng ngoleuni'r newidiadau a ragwelir o ran addysg ôl 16.

Cadarnhaodd Pennaeth BASH fod hyn yn rhywbeth a ystyriwyd trwy gyfres o weithdai a gynhaliwyd mewn ysgolion, a byddant yn cael eu cynnal ym mhob ysgol arall a effeithiwyd gan y newidiadau. Ychwanegodd i wasanaethau cymorth myfyrwyr gynorthwyo hefyd gyda cheisio mesur iechyd meddwl myfyrwyr o bob oed ac nid yn unig oedran ôl 16. Roedd rhan o'r gwasanaeth hwn hefyd yn edrych ar ddewisiadau gyfra posibl disgyblion wrth fynd ymlaen, gan gynnwys oedran eithaf cynnar lle bo'n briodol.

Nododd Aelod o'r siart a ddangoswyd fel Atodiad D fod amrywiad sylweddol rhwng perfformiad yr ysgol ar Gyfnod Allweddol 4, o'i gymharu â'r duedd dros dair blynedd, rhai yn eithaf eratig ac hyd yn oed radical, o ysgol i ysgol.

Cadarnhaodd Uwch Gyngorydd Heriau CCD y rhagwelir ac y gwireddir gostyngiad o ran perfformiad mewn ysgolion o ganlyniad i newidiadau a wnaethpwyd i'r Cwricwlwm Ysgol, a oedd yn cynnwys y modd y caiff arholiadau penodol eu marcio. Rhagwelwyd fodd bynnag y byddai lefelau perfformiad yn codi pan fo'r newidiadau hyn wedi'u hymwreiddio. Ychwanegodd hefyd nad yw'r newidiadau sydd wedi'u rhoi ar waith yn caniatáu dull syml o gymharu i gael ei wneud o ran canlyniadau Cyfnod Allweddol 4 rhwng ysgolion bob blwyddyn. Hefyd o ganlyniad i'r newidiadau, cafodd Saesneg iaith a llenyddiaeth Saesneg eu rhannu ac mae bellach angen eu marcio ar wahân yn hytrach nac ynghyd, sydd hefyd wedi cael effaith niweidiol ar lefelau cyrhaeddiad blaenorol gan y dosbarthwyd hwn fel un pwnc.

Ychwanegodd Rheolwr Gyfarwyddwr CCD fod ysgolion, a bod yn deg, wedi wynebu newidiadau sylweddol megis y rhai y sonnir amdanynt uchod, mewn cyfnod byr. Mae hyn wedi bod yn heriol i staff addysgu a disgyblion.

Teimlai'r Cadeirydd y byddai o fudd pe gallai Aelodau o'r Pwyllgor dderbyn esboniad pellach am y newidiadau a gyflwynwyd i'r cwricwlwm, yn ogystal â data a gadarnhaodd y canlyniadau Cyfnod Allweddol 4 cyfredol ym mhob ysgol yn y Fwrdeistref Sirol.

Dywedd Rheolwr Gyfarwyddwr CCD y byddai'n darparu hyn a'i wneud ar gael i Aelodau yn unol â hynny.

Cadarnhaodd Pennaeth BASH, ar wahân i'r newidiadau sy'n effeithio ar iaith/llenyddiaeth Saesneg, fod mathemateg hefyd wedi newid i fathemateg a rhifedd. Ychwanegodd hefyd, er bod y newidiadau wedi arwain at sawl gostyngiad anochel mewn perfformiad, mae gwelliannau hefyd wedi'u gwneud mewn sawl ysgol.

Teimlai Aelod y dylai camau pellach gael eu cymryd o ran addysgu disgyblion heb alluoedd llafar neu glywed, megis addysgu sgiliau mwy sylfaenol llythrennedd a rhifedd iddynt gyda'r cynnig bod hyn yn cael ei ddatblygu mewn ysgolion Arbennig.

Dywedd Uwch Ymgynghorydd Her CCD na chynhyrchir lefelau a dangosyddion perfformiad mewn ysgolion Arbennig fel arfer, er bod hyn yn rhywbeth y gellid ei ystyried wrth fynd ymlaen.

Dywedd y Cyfarwyddwr Corfforaethol Dros Dro dros Addysg a Chymorth i Deuluoedd fod Penaethiaid a'u staff mewn ysgolion yn lladmeryddion ffyrnig dros bob plentyn i gyflawni eu potensial yn llawn yn ystod eu blynyddoedd mewn amgylchedd addysgol. Heriodd staff yn Ysgol Heronsbridge ddisgyblion yno i gyflawni lefelau gallu a sgiliau uchel iawn. Roedd hefyd yn ymwybodol bod Byrddau Rhanbarthol yn rhannu gwybodaeth mewn perthynas ag ysgolion Arbennig, ac ailadroddodd fod hyn yn rhywbeth y gellid edrych arno ymhellach o ran darparu data perfformiad yr ysgolion hyn.

Ychwanegodd Pennaeth BASH fod Uned Atgyfeirio Disgyblion y Cyngor wedi creu data gobeithiol iawn eleni o'i gymharu ag awdurdodau eraill ar sail Cymru gyfan.

Cadarnhaodd Ymgynghorydd Her CCD fod Ymgynghorwyr Her mewn ysgolion yn mesur perfformiad disgybl unigol, yn ogystal â pherfformiad cyffredinol yr ysgolion.

Anogodd Cynrychiolydd Cofrestredig bwyll o ran arholi data gan fod pob ysgol yn addysgu disgyblion â lefelau gwahanol o allu, anghenion, dyheadau ac yn y pen draw berfformiad, ac y byddai hyn yn anochel yn amrywio o ysgol i ysgol. Felly gallai data amrywio'n sylweddol rhwng y gwahanol ysgolion yn y Fwrdeistref Sirol. Teimlodd, yn lle archwilio rhywfaint o'r data hwn yn agos, y dylai dadansoddi o'r fath ganolbwyntio weithiau ar unrhyw ostyngiadau sylweddol mewn cohortau ysgol, heb unrhyw rybudd o flaen llaw neu esboniad rhesymol pam fod hyn wedi digwydd.

Nododd Aelod sylw ar y broses asesu athrawon fewnol megis yr un a geir yng Nghyfnod Allweddol 3 gan ddweud ei bod weithiau'n ddadleuol gan nad yw bob amser yn dilyn lle bod perfformiad yn dda yng Nghyfnod Allweddol 3, y byddai disgyblion yn dangos yr un lefel o berfformiad yng Nghyfnod Allweddol 4. Roedd hi'n teimlo fod hyn o ganlyniad i'r ffaith bod asesiadau mewnol o berfformiad yn fwy trugarog nac asesiadau allanol ar ddisgyblion, a gâi eu cynnal pan gyrhaeddai disgyblion Gyfnod Allweddol 4.

Dywedd yr Aelod Cabinet dros Addysg a Chymorth Cynnar fod gan Ysgol Gyfun Porthcawl systemau cadarn ar waith pan ddaw hi'n fater o dracio cynnydd dysgwyr o un Cyfnod Allweddol i un arall, ac y byddai ysgolion eraill yn y Fwrdeistref Sirol yn gall i fabwysiadu'r prosesau a'r gweithdrefnau a ddilynodd yr ysgol hon.

Gwnaeth Aelod y pwynt fod cymedroli mewn ysgolion bob amser wedi bod yn broblem ac y gellid bob amser gwestiynu gwallau o ran lefelau gallu disgyblion wrth i ddisgyblion ddatblygu o flwyddyn i flwyddyn wrth i gwricwla a lefelau gofynion addysgol ddod yn fwy heriol. Ychwanegodd fod hyn yn hynod gyffredin pan fod disgyblion yn pontio o addysg gynradd i addysg uwchradd.

Cadarnhaodd Uwch Ymgynghorydd Her CCD fod gan bob ysgol Ymgynghorwyr Her ac maen nhw'n sicrhau bod gallu disgyblion o ran eu cyrhaeddiad yn cael ei herio o un flwyddyn i'r un nesaf, yn enwedig wrth bontio o ysgolion cynradd i ysgolion uwchradd. Cyfeiriwyd data a goladwyd mewn perthynas â hyn hefyd at Gonsortiw Canolbarth y De ar sail ysgolion unigol i'w ddadansoddi yn ogystal â Llywodraeth Cymru, gan gynnwys samplau o gymedroli.

Ychwanegodd Rheolwr Gyfarwyddwr Consortiw Canolbarth Y De fod angen tracio pob dysgwr er mwyn sicrhau eu bod yn cael y lefel unigol o gymorth sydd ei angen arno. Roedd o fudd felly i staff mewn Ysgolion Uwchradd weithio'n agos gyda'r rheiny mewn Ysgolion Cynradd er mwyn mesur gallu amrywiol disgyblion gwahanol i gynorthwyo pontio o un i un arall.

Pwysleisiodd y Cadeirydd y pwynt iddi wneud ynghynt fod amrywiaeth sylweddol yn y lefel data perfformiad wrth gymharu ag ysgolion yn y Fwrdeistref Sirol ar Gyfnod Allweddol 4 yn ystod y 3 blynedd diwethaf, a rhoddodd enghreifftiau o hyn o'r wybodaeth sydd yn Atodiad D yr adroddiad.

Cadarnhaodd Uwch Ymgynghorydd Her CCD y golygodd newidiadau diweddar i fanylebau cyrsiau ac arholiadau yng Nghyfnod Allweddol 4 na ellid cymharu canlyniadau o'r TGAU hyn â'r rhai o flynyddoedd blaenorol, ac roedd hyn yn benodol wir o ran cymharu canlyniadau yn y pynciau mathemateg, Cymraeg a Saesneg.

Roedd ystyriaeth yn cael ei rhoi i roi cymorth arbenigol ar waith mewn rhai ysgolion lle bo perfformiad wedi gostwng yn ystod y cyfnod, yn enwedig yn y pynciau craidd y cyfeiriwyd atynt. Ar hyn o bryd, mae dadansoddiad pellach yn cael ei wneud er mwyn deall y rhesymu sydd y tu ôl i pam yn benodol fod rhai ysgolion yn gwneud yn well nag eraill o ran perfformiad yng Nghyfnod Allweddol 4. Pan fyddai'r rhesymau dros hyn yn wybyddus, yna byddent yn cael eu hymgorffori yn Rhaglenni Gwella Ysgol unigol gyda'r bwriad o dargedu gwelliant mewn ysgolion sy'n tanberfformio.

Roedd Rheolwr Gyfarwyddwr Consortiw Canolbarth y De, wrth gydnabod bod y newidiadau yng nghwricwlwm yr ysgol wedi'i gwneud yn anodd iawn ar hyn o bryd i gymharu data'n gywir ar sail ysgolion unigol, yn siŵr y byddai hyn yn gwella gydag amser.

Ychwanegodd Uwch Ymgynghorydd CCD fod y data diweddaraf yn dangos y canlynol, mewn termau cyffredinol:-

- Bod canlyniadau mewn mathemateg a Saesneg wedi dangos gwelliant cyffredinol;
- Bod canlyniadau mewn Gwyddoniaeth yn amrywiol;
- Newid bach wrth gymharu graddau A* - A;
- Roedd canran y disgyblion o oedran ysgol statudol sy'n gymwys ar gyfer prydau ysgol am ddim ychydig yn uwch na chyfartaledd Cymru gyfan.

Ychwanegodd fod y data, mewn perthynas â'r uchod ymhlith eraill yn ymwneud â pherfformiad ysgol, bellach wedi'i ddilysu, ac yn ei dro, y byddai hyn yn cael ei rannu gyda Chraffu'n unol â hynny.

Gofynnodd Aelod am hyd a lled rôl Ymgynghorwyr Her Ysgol a sut maent yn cael eu mesur o ran eu perfformiad.

Dywedodd Ymgynghorydd Her CCD bod perfformiad Swyddogion sy'n cyflawni'r rôl hon yn cael ei fonitro gan Gonsortiw Canolbarth y De a bod rhan fawr o'r gwaith y maent yn ei wneud yn sicrhau bod safonau yn yr ystafell ddosbarth yn bodloni anghenion yr

holl ddisgyblion sy'n cael eu haddysgu yno. Cafodd data disgyblion ei archwilio a'i fonitro er mwyn sicrhau bod eu lefelau perfformiad yn cael ei fesur yn unigol a'i osod ar safon sy'n rhesymol o ran gallu'r disgybl dan sylw. Mae hon yn rôl gefnogol allweddol ac os cânt eu cyflawni i'r safon ofynnol, mae'n cyfrannu at sicrhau bod yr ysgol yn gwella ar y cyd o ran ei pherfformiad cyffredinol. Mae hefyd yn ymwneud â rhannu a lledaenu meysydd gwahanol lle y gellid gwella, h.y. o ran lefelau addysgu, gwneud y gorau o alluoedd dysgu disgyblion, a sicrhau bod y pynciau a ddewisir gan ddisgyblion yn cyd-fynd â'u cryfderau priodol.

Mae hefyd cynlluniau ar waith ar gyfer marcio mwy generig ar bapurau arholiadau, a fyddai'n arwain at fwy o gysondeb o ran canlyniadau ac yn lleihau ar fiwrocratiaeth. Mae cynllun hefyd i rannu hyn ledled rhanbarth Consortia Canolbarth y De ac nid dim ond ar draws Bwrdeistref Sirol Pen-y-bont ar Ogwr.

Ychwanegodd Rheolwr Gyfarwyddwr CCD fod hyfforddi athrawon yn dod yn fwyfwy hollbwysig er mwyn sicrhau y deilliannau gorau posib i ddisgyblion. Byddai hyfforddiant o'r fath yn cael ei ddatblygu trwy Raglenni Hyb, Pathfinder, Ymholiadau Cyfoedion, Grwpiau Gwella Ysgolion, Cyrff Llywodraethu, sesiynau Rheoli Perfformiad trwy waith sy'n seiliedig ar dystiolaeth, er enghraifft addysgu, a meysydd cymorth arbenigol mewn pynciau craidd.

Ategodd Cyfarwyddwr Corfforaethol Dros Dro Addysg a Chymorth Teuluol at hyn trwy ychwanegu bod perfformiad ysgolion yn cael ei fonitro'n ofalus gan Estyn trwy archwiliadau ysgol ac roedd cyberthyniad ac aliniad rhwng Cynllun Busnes Consortiwm Canolbarth y De a Chynlluniau Cyfarwyddiaeth Addysg awdurdodau lleol amrywiol. Mae dyletswydd ar ysgolion hefyd i gael Cynlluniau Amlinellol Strategol lle bu rhaid i'r Pennaeth/staff ganolbwyntio ar 5 maes allweddol a gwybodaeth benodol arall a ddadansoddiwyd wedyn gan Gonsortiwm Canolbarth y De a'r awdurdod lleol. Ychwanegodd fod Cyngor Bwrdeistref Sirol Pen-y-bont ar Ogwr yn dwyn Consortiwm Canolbarth y De i gyfrif o ran ei berfformiad yn yr un modd ag y mae Aelodau yn dwyn Swyddogion i gyfrif yn yr Awdurdod.

Nododd Aelod fod angen i ysgolion gael arweiniad ac arweinyddiaeth effeithiol hefyd gan gorff llywodraethu'r Ysgol. Mae'n bwysig felly nad oes llawer o leoedd gwag ar gyrrff llywodraethu ysgolion a'u bod yn cael eu llenwi gan bobl gymwys a/neu bobl broffesiynol, a byddai hefyd yn fonws pe bai ganddynt brofiad mewn cefndir addysgol.

Dyweddodd Cyfarwyddwr Corfforaethol Dros Dro Addysg a Chymorth Teuluol i'w Hadran ymgymryd â rhaglen dreiglol barhaol o ran hysbysebu lleoedd gwag ar gyrrff llywodraethu ysgolion. Ceisiodd yr Adran lenwi'r rhain lle bo'n bosibl, er nad oedd bob amser yn hawdd cyflawni hyn ym mhob ysgol naill ai o ganlyniad i ddiffyg diddordeb neu'r ffaith na ystyriwyd bob amser fod ymgeiswyr posibl yn addas i gyflawni'r hyn y mae ei angen fel rhan o'r rôl hon.

Holodd Aelod sut roedd ysgolion yn ymdopi o ran perfformiad a chyrhaeddiad yng ngoleuni cyllidebau sy'n gostwng.

Esboniodd Rheolwr Gyfarwyddwr CCD ei fod yn ymwneud â rhoi methodoleg ar waith o ran sut mae gwneud mwy mewn ysgolion gyda llai yn llwyddiannus. Ychwanegodd i Gonsortiwm Canolbarth y De ymrwymo cymaint â 95% o'i gyllideb i ysgolion sydd yn y Consortia er mwyn iddynt allu gwella ysgolion. Helpodd y cyllid mewn meysydd allweddol lle bo angen newid yr ysgol, gan gynnwys unrhyw fentrau/gwelliannau ysgol oedd ar y gweill, ac er mwyn bodloni'r cwricwlwm newydd yng Nghymru.

Dyweddodd Cyfarwyddwr Corfforaethol Dros Dro Addysg a Chymorth Teuluol, ar ben yr uchod, fod rhaglenni arweinyddiaeth a thebyg hefyd yn parhau i gael eu datblygu er

mwyn gwella'r rhyngwyneb rhwng ysgolion a Llywodraeth Cymru ymhellach. Ychwanegodd iddo fynychu sesiwn hyfforddi'n ddiweddar gyda phob Pennaeth a drafododd y pynciau canlynol:-

1. Gofynion statudol newydd o ran Addysg Grefyddol;
2. Newidiadau yng nghyfraith Diogelu Data;
3. Cyfrifoldebau ynghylch rheoli adeiladau;
4. Cwynion ysgol;
5. Diogelu amddiffyn plant;
6. Rheoli (gyda'r Heddlu) gweithgarwch gangiau troseddol;

Dywedodd wrth Aelodau fod yr uchod yn ychwanegol i ddyletswyddau dyddiol staff mewn ysgolion.

Dywedodd Pennaeth BASH fod Penaethiaid hefyd yn monitro perfformiad staff addysgu trwy arolygu gwersi o bryd i'w gilydd er mwyn mesur ansawdd addysgu ar gyfer dysgwyr.

Gofynnodd y Cadeirydd i'r gwahoddedigion a oeddent yn teimlo bod rôl Ymgynghorwyr Her yn creu gwerth am arian, a dywedodd Pennaeth BASH fod hyn yn wir yn ei farn ef.

Gofynnodd aelod a oes gan ysgolion lais o ran pa bryd y mae archwiliadau Estyn yn cael eu gwneud mewn ysgolion, h.y. a all y Pennaeth newid y dyddiad wedi'i gynllunio ar gyfer y rhain.

Ymatebodd Rheolwr Gyfarwyddwr CCD nad oes modd i'r ysgol ddod â'r dyddiad archwiliad a gynigiwyd gan Estyn ynghynt na'i oedi.

Nododd Aelod, o Atodiad B i'r adroddiad na wnaeth ysgolion ym Mhen-y-bont ar Ogwr mor dda â'u hysgolion cyfatebol mewn awdurdodau eraill o ran cyrhaeddiad mewn pynciau craidd. Nododd ymhellach i ysgolion Cyngor Bwrdeistref Sirol Bro Morgannwg gael canlyniadau gwell yn gyffredinol nag ysgolion Pen-y-bont ar Ogwr, er gwaethaf y ffaith iddynt wario llai fesul disgybl na Phen-y-bont ar Ogwr.

Cadarnhaodd Pennaeth BASH fod hyn o ganlyniad i'r ffaith fod mwy o ardaloedd difreintiedig ym Mwrdeistref Sirol Pen-y-bont ar Ogwr o'i gymharu â'r Fro, a gallai gwahaniaethau economaidd o'r fath arwain at hyn.

Gofynnodd Aelod a yw ysgolion Pen-y-bont ar Ogwr yn perfformio'n well yn gyffredinol nag ardaloedd cymdogol yn y Consortia mewn pynciau nad ydynt yn rhai craidd.

Cadarnhaodd Rheolwr Gyfarwyddwr CCD, er nad oedd dim data yn yr adroddiad i adlewyrchu'r gymhariaeth yma rhwng awdurdodau, fod ysgolion ym Mwrdeistref Sirol Pen-y-bont ar Ogwr yn perfformio'n well mewn pynciau nad ydynt yn rhai craidd nag mewn pynciau megis Saesneg a mathemateg. Fodd bynnag roedd camau'n cael eu cymryd i geisio gwella perfformiad yn y pynciau craidd ac roedd cynllun i fonitro hyn yn agos yn y dyfodol.

Nododd y Cadeirydd y gwnaed cyfeiriad trwy'r adroddiad at 'Feysydd Gwella' ond nid oes manylion ar sut y gellir cyflawni hyn naill ai fel Awdurdod Lleol neu ym mhob ysgol.

Cadarnhaodd Ymgynghorydd Her CCD y byddai'r uchod yn cael ei herio trwy Raglenni Gwella Ysgolion yn ogystal ag Ymgynghorwyr Her Ysgolion.

O ran unrhyw ddata sy'n ymwneud ag ysgolion y gallai Aelodau fod am ei archwilio y tu allan i'r cyfarfod, cadarnhaodd Cyfarwyddwr Corfforaethol Dros Dro Addysg a Chymorth

Teuluol y gellir dod o hyd i lawer o hyn ar wefan "Fy Ysgol Leol", yn enwedig mewn perthynas â dyrannu cyllidebau ysgolion a pherfformiad ysgolion ac ati.

Daeth hyn â'r drafodaeth ar yr adroddiad i ben, diolchodd y Cadeirydd i'r Gwahoddedigion am ddod ac ymateb i gwestiynau ac ar ôl hynny gadawon nhw'r cyfarfod.

Casgliadau:

Teimlai'r Pwyllgor, er bod yr adroddiad yn cynnwys swm helaeth o ddata, fod diffyg dadansoddiad mewn perthynas ag ysgolion unigol yn y fwrdeistref sirol ac felly teimlai Aelodau ei bod yn anodd deall y sefyllfa gyfredol gydag ysgolion ym Mhen-y-bont ar Ogwr h.y. pa rai sy'n creu pryderon ac sydd ag angen cymorth sylweddol arnynt ac ati.

Holodd y Pwyllgor hefyd am y ffaith nad oedd yr adroddiad yn rhoi manylion ar sut yn union yr oedd y Consortiwm yn gyntaf wedi cael effaith ar berfformiad ysgolion y llynedd – disgrifiwyd llawer o'r gwaith ond nid oedd effaith uniongyrchol a chanlyniadau hyn ar ysgolion unigol yn amlwg. Yn ail, er i feysydd gwella trwy'r adroddiad gael eu nodi, ni roddodd syniadau neu enghreifftiau o sut y gellid cyflawni'r gwelliannau hyn. Deallodd Aelodau y byddai gwelliannau braidd yn wahanol ym mhob ysgol fodd bynnag, ar gyfer meysydd megis gwell cyrhaeddiad bechgyn ledled y Fwrdeistref Sirol, teimlai'r Pwyllgor y dylai fod cynllun cyffredinol ar gyfer hyn dan gyfarwyddyd y Consortiwm.

Gan ystyried hyn, gofynnodd y Pwyllgor i gael derbyn adroddiad pellach mewn cyfarfod yn y dyfodol agos (i Graffu a Throsolwg gytuno arno), sy'n ymgorffori'r canlynol:

- Gwybodaeth Categorioidio Ysgolion;
- Mewn perthynas â data Ôl 16 yn 4.53 yr adroddiad, gofynnodd y Pwyllgor eu bod yn derbyn y waelodlin i bob ysgol i nodi'r well sut mae pob ysgol wedi gwella;
- Gwybodaeth ar sgôr Pen-y-bont ar Ogwr ar gyfer Cyfnod Allweddol 4 ar sail y canlyniadau diweddaraf;
- Gwybodaeth am ba dargedau gaiff eu gosod ar bob cam er mwyn penderfynu a ddisgwyliwyd y perfformiad ac o bosibl problem cohort neu a yw unrhyw berfformiadau'n gwyo'n sylweddol o'r targedau a bennwyd;
- Gwybodaeth bod y Consortiwm wedi casglu trwy chwilio'n fanwl berfformiad pob ysgol i gael gwybod pa heriau y mae ysgolion yn eu hwynebu;
- Manylion pellach ar berfformiad y rheiny sydd ag ADY sy'n mynychu PRU neu Ysgol Heronsbridge gan y teimlodd Aelodau nad yw hyn wedi'i ymgorffori yn yr adroddiad i raddau helaeth;
- Gwybodaeth am waith y mae'r Consortiwm yn mynd i'w wneud i nodi'r amrywiad ar gyfer pob ysgol uwchradd yng Nghyfnod Allweddol 4, a'r hyn sy'n cael ei wneud ynglŷn ag ef;
- Mwy o wybodaeth mewn perthynas â pherfformiad pob ysgol - nid o reidrwydd fwy o ddata ond manylion am ble, beth a sut mewn perthynas â pherfformiad da ar gyfer pob ysgol fel bod gan y Pwyllgor ddealltwriaeth dda o'r sefyllfa gyfredol ac ysgolion sy'n derbyn blaenoriaeth ym Mhen-y-bont ar Ogwr;
- I ba raddau y mae ysgolion yn ymateb i newidiadau wedi'u cyflwyno'n ddiweddar megis gwaredu Btec ayb, i sicrhau eu bod yn dal i fodloni anghenion disgyblion;
- Pa waith sy'n cael ei wneud i leihau gostyngiadau mewn perfformiad yn y dyfodol sydd o ganlyniad i unrhyw newidiadau i'r cwricwlwm neu newidiadau i fesurau perfformiad;
- Rhoi tystiolaeth ar sut mae'r Consortiwm wedi cael effaith uniongyrchol ar ysgolion a pherfformiad ysgolion, pa ddeilliannau y gellir eu mesur mewn perthynas â Phen-y-bont ar Ogwr i sicrhau Aelodau o werth am arian;

PWYLLGOR CRAFFU TESTUN 1 - DYDD IAU, 8 CHWEFROR 2018

- Beth sy'n cael ei wneud i leihau effaith newidiadau mewn athrawon i sicrhau nad yw hyn yn arwain at gael effaith ar berfformiad disgyblion;
- Perfformiad mewn perthynas â chymwysterau galwedigaethol a phynciau nad ydynt yn rhai craidd – lle bod achosion pryder a lle bod gwaith gwych yn cael ei wneud ac ati.

Sylwadau pellach

Cytunodd y Pwyllgor i gadw llygad ar berfformiad Llenyddiaeth Saesneg o ganlyniad iddo gael ei ddileu o fesur perfformiad Lefel 2+.

Gofynnodd y Pwyllgor eu bod yn gwahodd cynrychiolwyr gan ysgolion eraill i roi barn ehangach gan gynnwys barn cymorth y Consortiwm – cytunodd y Swyddog Craffu i edrych ar hyn ar ran y Pwyllgor.

Gofynnodd y Pwyllgor hefyd fod cynrychiolwyr y fforwm cyllideb ysgolion yn cael eu gwahodd i ddod i gyfarfodydd yn y dyfodol ar berfformiad ysgol i geisio eu barn ar y consortiwm a'r agwedd gwerth am arian a'r effaith posibl o leihau cyllideb arian y Consortiwm ar gyfer 2018-19.

Gofynnodd aelodau i'r Cadeirydd ddrafftio llythyr i Estyn ar ran y Pwyllgor ynghylch profiadau diweddar o rai ysgolion yn cael archwiliadau yn ystod cyfnodau o ail-wampio, adnewyddu neu symud. Mae digwyddiadau o'r fath nid yn unig wedi achosi mwy o straen i staff ond gallent o bosibl effeithio ar ganlyniadau archwiliad yr ysgol er eu bod y tu allan i reolaeth yr ysgol ac y gellid fod wedi eu hosgoi pe bai'r archwiliad wedi ystyried y sefyllfa ac wedi'i amseru'n well.

BRIDGEND COUNTY BOROUGH COUNCIL

REPORT TO THE SUBJECT OVERVIEW AND SCRUTINY COMMITTEE 1

16 APRIL 2018

REPORT OF THE CORPORATE DIRECTOR – OPERATIONAL AND PARTNERSHIP SERVICES

FORWARD WORK PROGRAMME UPDATE

1. Purpose of the Report

- a) To present the items prioritised by the Corporate Overview and Scrutiny Committee including the next item delegated to this Subject Overview and Scrutiny Committee;
- b) To present the Committee with a list of further potential items for comment and prioritisation;
- c) To ask the Committee to identify any further items for consideration using the pre-determined criteria form;
- d) To consider and approve the feedback from the previous meetings of the Subject Overview and Scrutiny Committee 1 and note the list of responses including any still outstanding at Appendix A.

2. Connection to Corporate Improvement Objectives / Other Corporate Priorities

- 2.1 The key improvement objectives identified in the Corporate Plan 2016–2020 have been embodied in the Overview & Scrutiny Forward Work Programmes. The Corporate Improvement Objectives were adopted by Council on 1 March 2017 and formally set out the improvement objectives that the Council will seek to implement between 2016 and 2020. The Overview and Scrutiny Committees engage in review and development of plans, policy or strategies that support the Corporate Themes.

3. Background

- 3.1 Under the terms of Bridgend County Borough Council's Constitution, each Overview and Scrutiny Committee must publish a Forward Work Programme (FWP) as far as it is known.
- 3.2 An effective FWP will identify the issues that the Committee wishes to focus on during the year and provide a clear rationale as to why particular issues have been selected, as well as the approach that will be adopted; i.e. will the Committee be undertaking a policy review/ development role ("Overview") or performance management approach ("Scrutiny").

Feedback

- 3.3 All conclusions made at Subject Overview and Scrutiny Committee (SOSC) meetings, as well as recommendations and requests for information should be responded to by Officers, to ensure that there are clear outcomes from each topic investigated.
- 3.4 These will then be presented to the relevant Scrutiny Committee at their next meeting to ensure that they have had a response.
- 3.5 When each topic has been considered and the Committee is satisfied with the outcome, the SOSC will then present their findings to the Corporate Overview and Scrutiny Committee (COSC) who will determine whether to remove the item from the FWP or to re-add for further prioritisation at a future date.
- 3.6 The FWPs will remain flexible and will be revisited at each COSC meeting with input from each SOSC and any information gathered from FWP meetings with Corporate Directors and Cabinet.

4. Current Situation / Proposal

- 4.1 Attached at **Appendix B** is the overall FWP for the SOSCs which includes the topics prioritised by the COSC for the next set of SOSCs in Table A, as well as topics that were deemed important for future prioritisation at Table B. This has been compiled from suggested items from each of the SOSCs at previous meetings as well as the COSC. It also includes information proposed from Corporate Directors, detail from research undertaken by Scrutiny Officers and information from FWP Development meetings between the Scrutiny Chairs and Cabinet.
- 4.2 The Committee is asked to first consider the next topic they have been allocated by the COSC in Table A and determine what further detail they would like the report to contain, what questions they wish Officers to address and if there are any further invitees they wish to attend for this meeting to assist Members in their investigation.
- 4.3 The Committee is also asked to then prioritise up to six items from the list in Table B to present to the COSC for formal prioritisation and designation to each SOSC for the next set of meetings.

Corporate Parenting

- 4.4 Corporate Parenting is the term used to describe the responsibility of a local authority towards looked after children and young people. This is a legal responsibility given to local authorities by the Children Act 1989 and the Children Act 2004. The role of the Corporate Parent is to seek for children in public care the outcomes every good parent would want for their own children. The Council as a whole is the 'corporate parent', therefore all Members have a level of responsibility for the children and young people looked after by Bridgend.

- 4.5 In this role, it is suggested that Members consider how each item they consider affects children in care and care leavers, and in what way can the Committee assist in these areas.
- 4.6 Scrutiny Champions can greatly support the Committee in this by advising them of the ongoing work of the Cabinet-Committee and particularly any decisions or changes which they should be aware of as Corporate Parents.

Identification of Further Items

- 4.7 The Committee are reminded of the Criteria form which Members can use to propose further items for the FWP which the Committee can then consider for prioritisation at a future meeting. The Criteria Form emphasises the need to consider issues such as impact, risk, performance, budget and community perception when identifying topics for investigation and to ensure a strategic responsibility for Scrutiny and that its work benefits the organisation.

5. Effect upon Policy Framework & Procedure Rules

- 5.1 The work of the Overview & Scrutiny Committees relates to the review and development of plans, policy or strategy that form part of the Council's Policy Framework and consideration of plans, policy or strategy relating to the power to promote or improve economic, social or environmental wellbeing in the County Borough of Bridgend. Any changes to the structure of the Scrutiny Committees and the procedures relating to them would require the Bridgend County Borough Council constitution to be updated.

6. Equality Impact Assessment

- 6.1 There are no equality implications attached to this report.

7. Financial Implications

- 7.1 There are no financial implications attached to this report.

8. Recommendations

- 8.1 The Committee is recommended to:
- (i) Approve the feedback from the previous meetings of the Subject Overview and Scrutiny Committee 1 and note the list of responses including any still outstanding at Appendix A;
 - (ii) Identify any additional information the Committee wish to receive on their next item delegated to them in the FWP including invitees;
 - (iii) Identify any further detail required for other items in the overall FWP at Table B of Appendix B;

- (iv) Identify any additional items using the criteria form, for consideration on the Scrutiny Forward Work Programme following the Annual Meeting of Council in May 2018;

Date of Meeting	Item	Members wished to make the following comments and conclusions:	Response/Comments
12-Mar-2018	School Modernisation	<p>Members recommended that Officers adopt a whole Council approach to the School Modernisation Programme whereby it is ensured that officers from all Directorates including Highways, Transport, Finance and Social Services are consulted throughout the whole of the planning and development stages, are also given the opportunity to provide their input and are present at the relevant Scrutiny Committee to give their representations.</p>	<p>There is excellent representation from officers at programme and project level meetings. Officers contribute to their areas of expertise during project development and delivery, with the make-up of teams evolving as projects progress.</p> <p>Notwithstanding the above, there have been some issues in recent years as a result of re-structuring and resource availability, however as the programme is a priority, resourcing issues have been suitably addressed so as not to hinder schemes. Members' request for officers to be present at the relevant Scrutiny Committee is noted, and this will be conveyed to the appropriate officers.</p>

Members recommended earlier consultation and engagement with Highways and Planning officers to ensure that the Safe Routes to School provision is applied when plans are being developed for each new school

Early engagement is taking place with Highway Officers in relation to Band B schemes of the School Modernisation Programme. Highway officers are part of the project team their views are recognised as being essential in terms of determining the location of any new schools. Highway officers will initially give their views on the suitability of the location from knowledge and experience of the following: accessibility via modes and modal requirements (pedestrian requirements, cycling, busses/minibuses, cars/taxis), proximity to adjacent authorities for travelling pupils, mitigation measures (junctions on periphery, road capacity, speed of vehicles), room for vehicular movements and parking on site, issues arising regarding stopping on the highway outside facilities, competing traffic, incompatible traffic (eg industrial estate movements), community benefits/amenities. When the proposed long-list of sites have been shortlisted, taking into account all educational requirements, then those sites will need to be considered in detail and the previous process repeated.

Members further recommended that plans for new schools include adequate facilities for pupils and staff to store and secure their bicycles to encourage them to cycle safely to school.

Encouraging building users to cycle, and in doing so promoting exercise and helping to reduce congestion and emissions, is an important element of school design. This can only be achieved by ensuring that there is adequate cyclist facilities available for staff and pupils. Cycle infrastructure and links to cycle paths from school sites assist with this, together with the provision of cycle parking. The number of cycle parking spaces are determined by the Council's adopted parking standards (Supplementary Planning Guidance 17) plus BREEAM requirements which together determine the number of spaces and other facilities associated with cycling eg showers, lockers etc. Such facilities aide the cyclist and promote the use of this sustainable mode of travel. The members' recommendations are duly noted and this matter will be given serious consideration in progressing Band B schemes with Highway officers and designers.

The Committee recommended that for the development of any new schools where a private road would be a designated drop off zone, legally compliant parking spaces are incorporated into the plans to ensure the safety of children, staff and parents using the same road to cross and park.

When considering any new school development, a project team is established to consider the design which will include how pupils, staff and parents access the school. Highway officers are part of those project teams. Advice is sought from Highway officers as to best practice with regard to any drop-off zone that may be suggested in order to ensure the safety of children, staff and parents using the facility. It is now usual for a number of layout options to be presented and evaluated by teams, comprising of designers, end users and officers from the 'School Transport Advisory Group', which includes a health and safety adviser. The number and size of parking spaces will need to comply with the Council's adopted parking standards.

Members recommended that Officers take into account the demographic changes when considering the placement of new schools and not just consider the new housing developments but also the changes in current housing where increasingly younger families are moving into homes in and around the Town centres. Many young families currently have to travel out of town by car for school provision as there is not sufficient provision in the immediate area

The supply and demand of school places is one of the fundamental elements which help inform the future investment needs of the School Modernisation Programme. The provision of places for housing developments, for which there are no places currently available, are a priority, as there is a statutory duty on the Council to ensure there are a sufficient supply. Officers regularly monitor places. There are an annual calculations of school capacity and pupil projections. The projections take into consideration a series of demographic data available to the Council including live births, housing data and historical information regarding the take-up of places. This method of calculating projections is a robust, tried and tested methodology. The methodology accounts for a 'pupil drift' of pupils year-on-year and also highlights unusual increases above the norm. However, apart from the 'pupil drift' element, in-year increases in population are not accounted for. We will explore opportunities to identify suitable data which may help inform population changes to existing schools and the impact on the supply/demand for places.

Members recommended that evidence be provided as to how risks relating to a change in political power in Welsh Government have been taken into consideration and mitigated against as this could potentially affect the 25 year financial plan.

Welsh Government (WG) have given a commitment in principle to Band B, however contracts have yet to be entered into on specific schemes. The Council mitigates by not committing to any contracts until there is a signed agreement from WG as to the funding envelope. If anything changes and WG have a change of direction and no longer provides match funding, then we would have to consider this in terms of Bridgend's capital funding availability and priorities. In terms of the 25 year plan, this would only affect the Mutual Investment Model (MIM) and the contract for this would have been entered into at the start of the period so it would be very difficult for WG to break that during the contract period.

Members recommended that Officers engage with Rhondda Cynon Taff Council and the Vale of Glamorgan during the early stages of the planned new housing development near Llanilid to discuss secondary education provision including how the new development could potentially affect the population of

The Communities Directorate and Education and Family Support directorates are engaged in initial discussions regarding the impact of the Cardiff Capital Region City Deal. Furthermore, both directorates work closely together to provide guidance to support the current local development plan and have held initial discussions regarding the revised local development plan from 2021.

Members recommended that as part of Band B of the School Modernisation Programme a solution for the shortfall of pupil places in Bryntirion Comprehensive School is considered as a priority as the school was currently already oversubscribed with children from out of the catchment area opting to be educated there.

Band B has been approved by Council, as has the Strategic Outline Programme. There are 20% surplus places within the county borough's secondary schools so there is no proposal to increase secondary provision for Band B. The issues at Bryntirion Comprehensive School relate to pressure from out-of-catchment applications. The school has sufficient places to meet in-catchment demand ie there are 210 places for the new intake into year 7 in September 2018 with 194 in-catchment applications. Acknowledging the increase pressure from out-of-catchment, the local authority is working to address the issues.

Members recommended that Cabinet and Officers ensure that evidence be provided as to how safety solutions and preventative measures are being addressed in all schools in the Borough, particularly in relation to the newer schools and those that have recently been completed. Members gave the example of schools with mezzanine type floors, which, whilst they complied with safety regulations, were still a cause for concern as children were able to climb onto the safety barriers or throw objects over the top which could cause serious injury to themselves and other pupils

The mezzanine type floor or light well within our schools often takes the form of a cut-out to the floor slab at first floor level, allowing the natural light into areas of the ground floor that would otherwise require artificial lighting. Light wells can also be used to promote ventilation. Certain conditions for their inclusion in designs are likely to be in place eg first floors will be accessed by key stage 2 pupils and management arrangements will be implemented; mostly reliant on one or a combination of supervision, instruction, timing and keeping the first floor landing areas sterile. Building regulations require a guard rail height of 1100mm and for horizontal rails to be avoided; our school designs comply with the requirement of these regulations. Moving forward, it would certainly be advantageous to have an agreed design based on 'normal parameters' which has flexibility if required and technical advice will be sought in this regard. Caerau Primary School, which opened in 2010, has a similar feature and the Headteacher maintains that there have been no known incidents of pupils throwing objects from the first floor to the ground floor. Checks have been made with the Health and Safety adviser to establish whether any incidents have been reported and confirmation has been received that there were two near-miss throwing incidents that occurred at Coety Primary School not long after the school opened in 2015 however, there is no knowledge of any reported incidents regarding this issue since that time.

Further Information Requested

How many pupils that live in walking distance to Brynteg School have opted to go to Bryntirion School

Sixteen pupils have applied for a place at Bryntirion Comprehensive School that reside in the Brynteg Comprehensive School catchment area and live within the 3 miles Welsh Government recommended walking distance to Brynteg.

What criteria is applied when refusing planning applications in relation to new housing developments and provision of school places.

Each application is determined on its own merit plus all material considerations. The Group Manager, Development, is unaware of planning consent being refused based on the lack of school places. Education provision is one of the criteria that Planners consider in making a decision or recommendation. Bridgend's own development plan and supplementary planning guidance provides policy clarification on how schemes are assessed.

Clarification on whether the non MIM spend of approximately £1.1m has been included within the MTFS agreed at last council meeting.

In terms of the £1.1m MIM, this isn't included within the MTFS currently as we have not had confirmation that we have got an approved MIM scheme from WG yet, and also, the pressure would not arise until the school was built (around 2024/25) and this is outside the range of our existing MTFS which currently covers 2018-19 to 2021-22.

Further Points

Members recommended that Scrutiny explore the possibility of having an item on the Local Development Plan and the section 106 contributions and how these contributions can be expended

Scrutiny Forward Work Programme

Table A

The following items were previously prioritised by the Subject OVS Committees and considered by Corporate at its last meeting where the top three items were scheduled in for the next round of meetings:

Date	Subject Committee	Item	Specific Information to request	Rationale for prioritisation	Proposed date	Proposed rationale for timing from Officers	Suggested Invitees	Prioritised by Committees	Webcast
17-Apr-2018	SOSC 2	Dementia Care	<ul style="list-style-type: none"> • Include accurate and up to date figures on the people diagnosed with dementia in Bridgend County Borough for comparison with the number of people predicted to be living with dementia; • Provide Members with the information which can be found on the Local GP Dementia Register which highlights prevalence of dementia by area throughout the borough and type of dementia. The Panel recommend that these statistics are presented on a map diagram for ease of reference. If possible, Members wish that this data be elaborated upon to include age, and whether the numbers show if diagnosis was received prior to moving into the borough; • Provide an update on the review of joint intentions with health and the third sector and include information regarding the production of a dementia strategy and delivery plan - stating milestones, target dates and responsible officers. • Provide an update on existing discussions with nursing care providers in relation to the development of nursing residential care places for people with dementia; <p>Include facts and figures on people with dementia living in Cardiff as well as Neath Port Talbot and Swansea for comparison to Bridgend.</p> <p>Comparisons with other LAs such as Maesteg and the Vale on dementia awareness training to consider how successful the Authority has been in making Bridgend Dementia friendly.</p>			Proposed change from Directorate from 7 March as will take time to get the detailed information as it is not owned by the LA and needs to be gathered from Health etc.	Susan Cooper Corporate Director Social Services and Wellbeing; Cllr Phil White, Cabinet Member – Social Services and Early Help; Jacqueline Davies, Head of Adult Social Care; Representative from Age Concern Wales; Representative from ABMU; Representative from Bavo.		Corporate highlighted this item as suitable for webcasting.

BRIDGEND COUNTY BOROUGH COUNCIL

REPORT TO SUBJECT OVERVIEW AND SCRUTINY COMMITTEE 1

16 APRIL 2018

JOINT REPORT OF THE INTERIM CORPORATE DIRECTOR, EDUCATION AND FAMILY SUPPORT CORPORATE DIRECTOR, SOCIAL SERVICES AND WELLBEING

EARLY HELP AND CHILDREN SOCIAL CARE

1. Purpose of report

1.1 To provide elected members with information that has been requested in a variety of areas, namely:

- information and impact as to how Early Help and Children Social Care are working together;
- the local authority's current looked after children (LAC) population;
- a breakdown on referral figures including those from local pre-school nurseries;
- the services being provided to post-16 care leavers;
- data shared at the Early Help and Safeguarding Board;
- detailed analysis of the causes and demands on Children Social Care; and the
- independent review of the decision-making along the LAC pathway by the Institute of Public Care (IPC).

2. Connection to Corporate Improvement Plan/other corporate priorities

- Helping people become more self-reliant
- Smarter use of resources

3. Background

3.1 The effective oversight and management of the looked after children population is a key priority for the Council and there is a commitment to further improve both early intervention and statutory services for children, young people and their families. It is recognised that this is significantly dependent upon the ability of all directorates to work together and specifically the Social Services and Wellbeing and Education and Family Support Directorates. Since April 2015, Children Social Care Safeguarding teams and the Early Help teams, have been co-located in three separate, shared hubs and this has enabled the teams to work in closer partnership and also develop more effective processes and procedures that assist the transition of families between the two services.

4. Current situation/proposal

Information and impact as to how Early Help and Children Social Care are working together

- 4.1 In April 2015, a significant restructure of Integrated Working and Family Support services was implemented. This re-structure was predicated on the need to support children, young people and families in a more joined-up way with a greater focus on preventative services to avoid escalation into statutory services. Prior to the re-structure, there were significant barriers for families in accessing services due to threshold constraints and lack of consistency with the assessment of needs.
- 4.2 A change programme ran alongside the re-structure which resulted in:
- a common assessment;
 - co-located, multi-disciplinary locality teams (co-located with safeguarding);
 - a greater emphasis on staff development and evidence based interventions; and
 - improved multi-agency working.
- 4.3 The new integrated Early Help Service has been operational since April 2015. It is based on one joint front door for all referrals. It consists of three co-located (with safeguarding teams) locality hubs in the north, west and east of the county borough. In addition, a central hub consisting of a range of specialist family support services (see Appendix 1) offering a range of evidenced based interventions to those children, young people and families open to Children Social Care. An early years and childcare service and a youth development team are also part of the early help portfolio.
- 4.4 Childrens Social Care includes six assessment and care management teams (county-wide front door/information, advice and assistance team, three locality safeguarding hubs, disabled children's team, Just Ask (leaving care)), Bridgend Foster Care, four Residential Units (Harwood House, Bakers Way, Sunnybank and Newbridge House) and the Independent reviewing service. We also have an adoption service that is delivered on a regional basis. All of these teams are involved with looked after children, as case managers or as service providers.
- 4.5 A joint Early Help and Permanence Strategy is in place which describes the services available to children, young people and their families within Bridgend. Such services support and enable where possible children and young people to safely remain in the care of their family and/or safely return to their family or an alternative carer. Where this is not possible, the strategy describes the alternative care arrangements that are provided and commissioned for LAC to improve their outcomes by affording them the opportunities available to all children.
- 4.6 Both directorates within the local authority are driving a whole-system approach to supporting LAC and keeping families together. Together with the Early Help and Permanence Strategy, they form a multi-agency approach to improving outcomes for children, young people and their families.
- 4.7 Early help refers to a way of working which will ensure that children, young people and families who are at risk or vulnerable to poor outcomes are identified early and that their needs are effectively assessed and met by agencies working together. The aim being to prevent their escalation rather than to respond only when the difficulty has become so acute as to demand intervention from statutory services.
- 4.8 The early help hubs, children with eligible care and support needs, child protection (CP), and LAC systems are all multi-disciplinary processes which differ only in

terms of their threshold focus.

- 4.9 The co-location of the early help hubs in the three localities (ie north, west and east) in addition to the central hub based at the Civic Centre, enables timely case discussions and information sharing which inform decisions regarding the need to step up or step down interventions with families.
- 4.10 There have already been a number of changes to the way in which we approach this area of work and the impact of this is evident including:
- joint early help and safeguarding front door/screening arrangements to more effectively channel referrals (see Appendix 1);
 - an agreed step-up and step-down process for cases between Safeguarding and Early Help Services, resulting in a significant increase in the number of cases stepping down to the Early Help Service;
 - a reduction in referrals to Children Social Care; and
 - a reduction in number of care and support cases (formerly child in need cases) open to Children Social Care.
- 4.11 However, there are challenges in managing the impact of these changes. For example, the Early Help Service has experienced:
- an increase of 180% of referrals in 2016-2017 compared with 2015-2016 data;
 - a further increase in referral numbers between April to December 2017 of 33% compared with the same period in 2016-2017;
 - the reliance on predominantly annual grant monies to fund Early Help services and the associated uncertainty of this funding arrangement; and
 - the increased complexity of cases now open to the Early Help Service.
- 4.12 Between April to December 2017, the highest referrers to the Early Help Service are:
- social services (28%);
 - primary health (26%); and
 - schools (24%).
- 4.13 These services account for nearly 80% of referrals to Early Help. In 2017-2018, the Early Help Service has seen a sharp rise in referrals from South Wales Police. The pilot Adverse Childhood Experience (ACE) Project in the north locality will be a contributing factor to this increase as Police colleagues are now appropriately referring directly to the Early Help Service.
- 4.14 Further to this, the co-location within early help hubs alongside Children Social Care teams has seen the development of a process for children and families who are either 'stepped up' into Childrens Social Care where there are child protection concerns or 'stepped' down into the Early Help Service following statutory involvement. The following chart highlights the number of cases being stepped down into the Early Help Service for the periods 2016-2017 and 2017-2018. This is shown in Chart 1 below.

Chart 1 Requests for step-down support between 2016 and 2018

4.15 The step-down process that was implemented in 2016 has contributed to the reduction in the number of care and support cases open to Children Social Care.

	31 March 2017	12 March 2018
Care and Support (formerly child in need)	624	462

4.16 Other services impacting positively on children and young people open to Children Social Care include:

Connecting Families

4.17 Connecting Families is a multi-agency team offering a 12-week intensive intervention to families whose children are at risk of becoming looked after or are already looked after but require additional intervention to return home to family. The service delivers all of the evidenced based interventions outlined earlier within the report. The support consists of intensive support (two to three visits a week). The service has been operational since 2011, but has focused its work since 2014 on preventing children becoming looked after.

4.18 Further to this support, Connecting Families also delivers group support. This includes the delivery of the three parenting programmes (Non-Violent Resistance Parenting, Incredible Years and Grobrain). These groups are delivered as a rolling programme so at any point in time a family who may not be eligible for any of the above elements of Connecting Families support, can access these interventions.

4.19 Outcomes in respect of the support from Connecting Families are extremely positive and confirms that the delivery of evidenced-based interventions (EBIs) within the service have a positive impact on children, young people and families. This can be evidenced in Chart 2 below.

Chart 2 Connecting Families – Edge of Care data 2014 to 2017

- Between April 2014 and December 2017 Connecting Families worked with 431 children* on the edge of coming into the care system.
- Of these 385 (89%)*, remained out of care following the Connecting Families intervention.

*as at December 2017

4.20 In respect of children returning home to family following a period in care, since April 2014, Connecting Families has completed work that has led to the safe return home of 51 children following a period in the care system. Given Connecting Families is unique to Bridgend, comparable data is not available with other local authorities.

Western Bay Integrated Family Support Services (IFSS)

4.21 The Central Hub also delivers the statutory Integrated Family Support Service (IFSS) which is a Welsh Government initiative in working with parental substance misuse to prevent children becoming looked after or those who are in care with a plan to return home. The service is a Western Bay collaboration and delivers intensive (three to four visits a week) evidenced-based interventions to whole families for four to six weeks.

4.22 In respect of outcomes for the Bridgend element of the service, six children supported between April and December 2017 have closed to Children Social Care following an IFSS intervention. A total of six children also closed to Children Social Care in Neath Port Talbot CBC with a further three children ceasing to become looked after. In Swansea, eight children were de-registered from the child protection register (CPR) with a further four children de-commissioned from the Public Law Outline (PLO) process.

Rapid Response Team

4.23 A Rapid Response Team was introduced in August 2017. This service was introduced in recognition that there are occasions when children and families require support in an immediate fashion in order to prevent issues escalating. The service consists of two Rapid Response Team workers (an additional Rapid Response Team worker is planned to commence on 1 April 2018). The workers offer intensive support (three to four visits a week) for a four to six-week period including early mornings, evenings and weekends with the main aim of preventing

children becoming looked after or to enable them to return home to family following a period in care.

- 4.24 Since August 2017, the service has worked with 68 families. From this cohort of families, only two children have become looked after during the time the Rapid Response Team has been operational. Once more, the outcomes linked to the service demonstrate the importance of flexible intensive EBIs being delivered to children and families. In addition to this, the service has also delivered over 68 hours of weekend support to children and families known to Children Social Care evidencing the flexibility of support available from within the service.

New services in development

- 4.25 It is important to note that the Central Hub is in the process of developing new services to assist in the prevention of children becoming looked after. These include the Baby in Mind and Reflect Services.

Baby in Mind Service

- 4.26 The Baby in Mind Service has been developed following additional 'edge of care' grant monies that have become available during the latter part of 2017. The service will provide intensive multi-agency support at a crucial time for parents of pre-birth and post birth babies to ensure that risks can be managed, and plans put into place that would prevent the baby from becoming either separated from its parent(s) or being placed in a mother/parent and baby placement for further assessment. In 2016-2017, the local authority used 23 parent and baby placements. These are high cost placements and raise questions as to whether these families could have been supported in the community. There is a clear need for a service to assist pregnant mothers and their partners to develop the necessary skills to keep their children safe. This service will also assist social workers in assessing and care planning for these children and families where there is a risk of care proceedings and the care system possibly being required. This has been highlighted as an issue within the IPC review.
- 4.27 The Baby in Mind Service consists of a consultant social worker to lead and supervise the delivery of the team, two family support workers to work in partnership and deliver evidenced based interventions to families and a part-time health visitor. The family support workers have been recruited and the health visitor post is currently out to advertisement. It is anticipated that this new service will become fully operational in April 2018.

Reflect Service

- 4.28 The Reflect Service is a Welsh Government initiative developed to work with mothers who have had children removed from their care following care proceedings. There is a wealth of evidence that highlights the vulnerabilities for these individuals in respect of repeat pregnancies. Across Bridgend, of the 67 children who became looked after between 1 April 2017 and 12 March 2018, 18 of these were born to mothers who had previously had children removed suggesting that there were some missed opportunities in preventing repeat pregnancy leading to children social care involvement. The Reflect Service is being developed in response to this and will be delivered as part of a regional arrangement with

Rhondda Cynon Taf and Merthyr Tydfil CBCs. It is anticipated that the service for Reflect will be operational in April 2018.

The local authority's current LAC population

4.29 Bridgend's current LAC population stands at 389. The following table outlines the legal status of the children who have become looked after as at 12 March 2018.

Legal status*	Number of children
Section 76	15
Interim care order	28
Care order	289
Placement order	57
Total LAC	389

*Definitions included at Appendix 4

4.30 The local authority continues to have a high number of LAC per 10,000 population in Bridgend and, at year end 2016-2017, we were the fourth highest in Wales. For the same period overall numbers across Wales had increased by 5.5%; however, Bridgend were below this average as our increase was only 2.2%. Of the 17 local authorities that had shown increases, 7 were over 10%, of which 3 were over 15% and 1 at 30%.

4.31 A comparison of LAC numbers across local authorities in Wales is included at Appendix 2.

4.32 5.7% of looked after children (as at 12 March 2018) have a disability and are supported by our Children with Disabilities Team. This year, together with Adult Social Care, we have piloted our transition team which supports disabled children from the age of 14 years and upwards, aiming to ensure a joined up, seamless approach in supporting disabled children on their path to adulthood. A high proportion of children and young people became looked after during the first year of their life (30%), and, with this in mind, the local authority has used a significant proportion of its 'edge of care' grant to develop a Baby in Mind Service that will focus on support for parents during the pre-birth period and the first six months of a baby's life. This service is due to become operational from April 2018.

4.33 In terms of the legal status of children, only 3.9% (as at 12 March 2018) are looked after under section 76 of the SSWBA 2014 (no order). The local authority holds a weekly legal surgery which is chaired by a senior manager to ensure there is no drift in cases where children have become looked after. The majority of these 2.9% are cases where there is a short period of assessment and a rehabilitation plan is being implemented.

4.34 In addition to the work that has been undertaken to support families earlier, there has also been project work around identifying children within our looked after population that no longer need to be looked after or whose needs could be better met by being cared for under an alternative order. We now have a Permanence Team which focuses on assessing and supporting special guardians. Alongside this, we convene a permanence meeting on a six-weekly basis and scrutinises the

care plans of children focusing on whether Care Orders can be discharged.

Breakdown on referral figures including those from local pre-school nurseries

- 4.35 Referral figures are highlighted in Appendix 3 as part of joint Early Help and Safeguarding dataset. These are considered by the Early Help and Safeguarding Board to review performance across both directorates and to identify areas for development linked to preventing children and young people coming into the care system.
- 4.36 In respect of referrals into Early Help from pre-school settings, from April 2017 to December 2017, a total of 444 referrals were received from education services. Nine of these were received from pre-school settings. It must be noted that although this a low number, during the same period, 487 referrals were received from primary health services of which 380 were from health visitors for children under four years of age.
- 4.37 In addition to the above, 38 referrals were received from the Early Years and Childcare Service.
- 4.38 In summary, therefore, the Early Help Service received 427 referrals for children under four years of age. This equates to 23% of the total number of referrals received for the period April to December 2017.
- 4.39 Pre-school data for referrals into the Safeguarding Team is not available at this point in time.

The services being provided to post-16 care leavers

Inspire 2 Work

- 4.40 Inspire 2 Work (I2W), an employability project for young people 16 to 24-years-old, who are not in education, employment or training (NEET) work in partnership with Just Ask Plus to support our LAC population.
- 4.41 This close partnership involves I2W staff working alongside personal advisers to provide a holistic package of support tailored to meet the needs of each individual young person. I2W staff, following agreement in LAC reviews, take the lead on identifying suitable progression routes and provide transitional support for the young person.
- 4.42 Under a new initiative, linked to a measure with the Corporate Plan 2016 – 2020 (the rate (%) of apprenticeships taken by looked after children), I2W and Just Ask Plus are leading on a project to offer to all LAC young people who are school leavers, an opportunity to undertake a week's work experience within the local authority.
- 4.43 It has been established that there is a currently a cohort of 24 young people that are LAC that will be of school leaving age as of July 2018. As a pathway to securing an employment opportunity, it has been agreed that every young person will be offered at least a week's work experience within BCBC during the summer holiday period. The outcome of this initiative is twofold: getting young people apprenticeship ready;

and enhancing individual CVs with recent and relative work experience relating to their respective educational pathways.

Confident Futures Project

- 4.44 Over the past nine years, Bridgend's Looked After Children in Education Team (LACE) has worked in close partnership with Cardiff University supporting LAC and care leavers to access the Confident Futures project. A total of 68 Bridgend LAC students have participated.
- 4.45 The Confident Futures Project, funded by Cardiff University, is a project run for LAC and care leavers between the ages of 14 and 19 to raise their aspirations and confidence. The sessions run fortnightly from October to April throughout the academic year, and they consist of group activities as well as individual support given by current Cardiff University students. Attending the project provides young people access to workshops which can support their studies and applications to university, as well as university events such as GCSE/A level revision workshops and advice sessions to support personal education plans and pathways.
- 4.46 In brief, the purpose is to provide young people who have a background in care with the skills and information to obtain Higher Education, and to help them become familiar with the main aspects of life at university.

Leaving Care Team

- 4.47 Young People who are leaving the local authority's care, or who have left care (16 years-25 years) are supported by a Personal Advisor from the Leaving Care team. The Personal Advisor is able to provide the young person with practical assistance including making/attending appointments, setting up home, preventing homeless, housing, financial support, developing independent living skills and much more.
- 4.4.9 Emotionally, the Personal Advisors are on hand to listen to a young person, and support them emotionally during any issues that arise eg family relationship issues, past childhood events. We are able to provide them with life story work/ later life letters, referrals to appropriate specialist agencies (eg counselling).

4.5 Data shared at the Early Help and Safeguarding Board

- 4.5.1 The shared dataset regularly considered by the Early Help and Safeguarding Board is at attached Appendix 3.

4.6 Detailed analysis of the causes and demands on Children Social Care

- 4.6.1 On 12 March 2018, Children's Social Care (CSC) were working with 1025 children and young people. 380 of these are looked after, 174 are on the child protection register, 9 are Looked After and on the child protection register, 462 are subject to a care and support plan. Children Social Care are also working with 129 care leavers who are over 18 years old. 74% of children who became looked after in Bridgend in 2017 had been subject to a child protection plan at the time they were accommodated. This would indicate that the local authority had already identified, in a substantial majority of cases that children were at risk of serious harm prior to

them being accommodated and had tried to address these risks through implementing a child protection plan.

4.6.2 On 12 March 2018, our Child Protection Register comprised the following profile:

Age Group	Category of Registration										Total
	Emotional Abuse	Neglect	Neglect and Physical Abuse	Neglect and Sexual Abuse	Neglect, Physical Abuse & Emotional Abuse	Neglect, Physical and Sexual Abuse	Physical Abuse	Physical and Emotional Abuse	Physical and Sexual Abuse	Sexual Abuse

Total	80	63	11	6	6	1	8	1	4	3	183

4.6.3 This information, in addition to the joint dataset described earlier in this report equips us to analyse the reasons why children and young people in Bridgend are deemed to be at risk, issues that are affecting the parenting that they are receiving and the services that need to be available to address these issues with the aim of preventing children from becoming looked after. By collecting and analysing information about the age profile we are also able to target specialist services to relevant groups. An example of this is the Baby in Mind Service described earlier in this report. The IPC report has also provided an analysis of our interventions and potential missed opportunities for unborn babies and children age 0 to 11 years and 13 – 17 years respectively. This will be used to inform the review of our existing service provision and options for the future.

4.7 Independent review of the decision-making along the Looked After Children pathway by the Institute of Public Care

4.7.1 In November 2017, IPC undertook a review of the pathways experienced by children and young people who had become looked after in the last year, to review decision-making and analyse practice across their care pathway and explore with teams how interventions and decision-making might have been more effective. They looked at 35 children who became looked after during the period October 2016 to September 2017. The cases were randomly selected by Bridgend Borough Council from all the children who became looked after in that period. The cases were in the following categories:

- Unborn – where the family were referred during the pregnancy of the child who became looked after;
- Early intervention for children aged 0 to 11 years. Where the child referred was aged 0 to 11 years and there may have been opportunities for early intervention prior to the start of the child becoming looked after; and
- Early intervention for children who were teenagers. Where the child referred was aged 13 to 17 years and there may have been opportunities for early intervention prior to the start of the child becoming looked after.

4.7.2 The project involved four stages:

4.7.3 IPC were asked to look specifically at:

- The quality of decision making, timeliness, and threshold management at the front door including any relevant Information Advice and Assistance (IAA) arrangements;
- How risk was identified, assessed, mitigated and managed;
- Whether there is a coherent model of early intervention and preventative services, and the relationship between children’s social care and these services;
- Whether there is evidence of strength based, outcome focussed assessments and care plans;
- Whether there is evidence of strong partnership working underpinned by a common value base and clear roles and responsibilities;
- Whether there are dynamic quality assurance and quality improvement systems driving continuous improvement within and between teams; and
- Whether there is evidence of the involvement of children, young people and families at a service level and in practice.

4.7.4 The recommendations of the review were:

- Strengthening of earlier assessments of pre-birth families;
- Review services that are available to parents following the removal of their children with a view of preventing future removals;
- Parenting and psychological assessments to be completed at Child Protection or Public Law Outline stage;
- Utilise Family Group Conferencing (FGCs) to assist in developing supportive family networks;
- Ensure completion of chronologies within cases;
- Improve consistency in social work assessment;
- Work with multi-agencies to improve information sharing;
- Ensure good quality supervision of cases is administered; and
- Review the impact early intervention services have to ensure that they are making a difference for children and families.

4.7.5 An action plan is being developed to progress the recommendations and will be overseen by the Early Help and Safeguarding Board.

5. Effect upon Policy Framework and Procedure Rules

5.1 There is no effect on the Policy Framework and Procedure Rules.

6. Equality Impact Assessment

6.1 No Equality Impact Assessment has been completed to date.

7. Financial implications

7.1 There are no financial implications arising directly from this report.

8. Recommendation

8.1 The Committee is requested to note and comment on the developments of the Early Help and Children Social Care services and their whole-system approach across the County Borough in reducing cases open to statutory services.

- Of the 93 requests for Step Down support submitted, 13 (14.0%) families were already receiving support from Early Help services.
- Of the 80 families closed to Safeguarding following a Step Down request, the Assessment team have not received a re-referral for 62.5% (50 / 80) of the families during the 12 month period following receipt of the Step Down request.
 - ➔ Of the 30 families that were re-referred to the Assessment Team 36.7% (11 / 30) of the families were closed & logged, and 63.3% (19 / 30) of the families received a Care & Support Assessment as a result of the new referrals.
- Of the step down requests, 54 of the referrals have closed to Early Help services.
 - ➔ Of these, 40.7% (22 / 54) closed with successful outcomes (*Closed – All Work Completed, or closed to Single Agency Support*).
 - ➔ 29.6% (16 / 54) of these families have been re-referred to Early Help teams during the 12 month period following the step down request. Of the 16, 2 did not engage, 1 was passed on for single agency support, and 13 families have received support from Early Help or Connecting Families services.
 - ➔ 3 families have been referred again for Step Down support.
- Of the 93 requests for Step Down support submitted to Early Help, 30.1% (28 / 93) families have closed fully to both Safeguarding & Early Help Services and have not been re-referred to either services during the 12 month period following the Step Down request.

- Of the children who ceased to be Looked After between April 1 2016 and December 31 2017, 48.9% (67 / 137) were allocated to Early Help for support during the LAC period
- Of the families who were allocated to Early Help for support throughout the LAC period, or since CLA date, 70.8% (51 / 72) were allocated for support from the Connecting Families Team.

Appendix 4 - Breakdown of placement type:

Page 5

Care Order (CO) S.31 Childrens Act 1989 – The Local Authority shares parental responsibility (PR) for children and has placed them in a regulated placement. A regulated placement is with approved foster carers.

Interim Care Orders (ICO) – The Local Authority shares PR for children and has placed them in a regulated placement for the duration of care proceedings, the final care plan for the child has not yet been agreed by the Court.

Voluntary accommodation S76 SSWBA – children have been voluntarily accommodated with the consent of their parents into the care of the Local Authority often whilst assessments are undertaken or via the Public Law Outline (PLO) process where parents retain PR.

Regulation 26 of the Care Planning Placement and Case Review Regulations (Wales 2015) – immediate or emergency placement of children with relatives or family friends under a temporary approval agreement. These placements are overseen and managed within the Local Authority often whilst a full unified assessment is undertaken as part of care proceedings.

Placement with Parents (PWP) S16 Social Services and Wellbeing Act (SSWBA) – Children who are accommodated under a care order but placed with their parents upon the conclusion of care proceedings, (or sometimes under an interim care order whilst the court proceedings are ongoing)

S.38(6) placements, Children Act 1989 – The Court directs that children are placed with family members in an unregulated placement for the purposes of assessment. The Local Authority whilst working the case does not have responsibility or management of those placements and the Court accepts that risk.

Remanded into custody - All children and young people who are remanded into custody become “Looked After” children.

Placed for adoption – Placed with prospective adoptive parents prior to the application and granting of an Adoption Order. Once an Adoption Order is granted children cease to be “Looked After” children.
