BRIDGEND COUNTY BOROUGH COUNCIL
REPORT TO THE ANNUAL MEETING OF COUNCIL
15 MAY 2019

REPORT OF THE MONITORING OFFICER

PROPOSED PROGRAMME OF ORDINARY MEETINGS OF THE COUNCIL AND COUNCIL COMMITTEES

1. Purpose of Report.

- 1.1 The purpose of this report is to propose a programme of ordinary meetings of the Council and Council Committees for the municipal year May 2019 - April 2020 for approval and to note the programme of meetings for the municipal year May 2020 – April 2021.

2. Connection to Corporate Improvement Plan / Other Corporate Priority.

- 2.1 The meetings of Council provide a forum of participation and debate to progress the Corporate Plan and all of the following Corporate Priorities.

1. **Supporting a successful economy** – taking steps to make the county a good place to do business, for people to live, work, study and visit, and to ensure that our schools are focused on raising the skills, qualifications and ambitions of all people in the county.
2. **Helping people to be more self-reliant** – taking early steps to reduce or prevent people from becoming vulnerable or dependent on the Council and its services.
3. **Smarter use of resources** – ensuring that all its resources (financial, physical, human and technological) are used as effectively and efficiently as possible and support the development of resources throughout the community that can help deliver the Council's priorities.

3. Background.

- 3.1 The approval of the programme of ordinary meetings of Council and Council Committees is required in accordance with the Council's Constitution.

4. Current situation / proposal.

- 4.1 The proposed programme of ordinary meetings of Council for the municipal year May 2019 - April 2020 is as follows, and includes the date of the meeting to consider the Budget (26 February 2020):-

<u>2019</u>	<u>2020</u>
19 June 19	22 Jan 20
24 July 19	26 Feb 20

18 Sept 19
23 Oct 19
20 Nov 19
18 Dec 19

11 Mar 20
8 Apr 20

- 4.2 There will be no meeting of Council in August 2019, due to the summer and school holiday periods.
- 4.3 As agreed by Council at its Annual Meeting in 2012, each Council meeting will be held on a Wednesday commencing at 3.00pm. The Annual Meeting of Council for the next municipal year has been included in the programme of meetings and will be held on 13 May 2020.
- 4.4 The proposed programme of Council Committee meetings at **Appendix 1** also requires the approval of Council. The draft Calendar has been circulated to the Corporate Management Board, Heads of Service, and lead officers of each of the Committees, Sub-Committees and Panels etc., for comment. Provisional appointments have been placed in Members' electronic calendars and will be updated as necessary when the schedule is approved.
- 4.5 At a meeting of Council on 26 July 2017, Members considered a report for information purposes, on the outcomes of a timings of meetings survey undertaken for Council and Council Committees (on a Committee by Committee basis), in order to obtain their preferences for starting times of meetings from 1 September 2017 onward. Such a survey is required to be carried out at least once in any term of office for all Committee meetings (that comprise the Council).
- 4.6 Since the above period, and upon either the request of a number of Members of Committees or due to changes to the membership of that particular body, further timing of meetings surveys were recently undertaken for the following Committees:-
- Audit Committee
 - Development Control Committee
 - Town and Community Council Forum
 - Democratic Services Committee
 - Overview and Scrutiny Committees
- 4.7 Following responses that were received to the surveys from Members of each of the above Committees, the timings of meetings for the Audit Committee, Development Control Committee and Town and Community Council Forum remained unchanged. However, the most popular starting time for future meetings of the Democratic Services Committee has changed to that of 10.00am.
- 4.8 The majority of responses received from the membership of the Overview and Scrutiny Committees were as follows:
- Subject Overview & Scrutiny Committee 2 – 9.30am
 - Subject Overview & Scrutiny Committee 3 – 9.30am
 - Corporate Overview & Scrutiny Committee – 9.30am
- 4.9 The responses received for the commencement times of meetings of the Subject Overview & Scrutiny Committee 1 has produced an equality of votes of 9.30am and

2.30pm. It is therefore proposed that of the 8 meetings of the Subject Overview and Scrutiny Committee 1 to be held in the Municipal Year 2019/20, 4 meetings commence at 9.30am and 4 meetings commence at 2.30pm.

- 4.10 Members are requested to note that pre-meetings will continue to take place 30 minutes prior to the commencement time of each Overview and Scrutiny Committee meeting to discuss items on the agenda and agree lines of questioning.
- 4.11 In order to assist with future planning, a programme of meetings for the 2020/21 Municipal Year is attached at **Appendix 2** for noting. Provisional appointments will be made in Members' calendars and will be confirmed when the programme of meetings has been approved by next year's Annual Meeting of Council, and as soon as the composition of all Council bodies is known.
- 4.12 Council is asked to note the meeting dates for Cabinet, Cabinet Committees, and the Coychurch Crematorium Joint Committee which are included in **Appendix 1** for completeness.

5. Effect upon Policy Framework & Procedure Rules.

- 5.1 There will be no direct effect on the Policy Framework, but the approval of the programme of ordinary meetings of Council and Council Committees for the municipal year, is required in accordance with the Council's Constitution.

6. Equality Impact Assessment.

- 6.1 There are no equality implications regarding this report.

7. Well-being of Future Generations (Wales) Act 2015 Implications

- 7.1 The Act provides the basis for driving a different kind of public service in Wales, with 5 ways of working to guide how public services should work to deliver for people. The following is a summary to show how the 5 ways of working to achieve the well-being goals have been used to formulate the recommendations within this report:

- Long-term - The approval of the Programme of meetings for 2019/20 and the noting of the Programme of meetings for 2020/21 will assist in the long term planning of the business of the Council in both the short-term and in the long-term.
- Prevention - The early planning of the programme of meetings for 2020/21 allows for the advance planning of the business of the Council and Committees.
- Integration - The report supports all the wellbeing objectives.
- Collaboration - Consultation has taken place with the Corporate Management Board, Heads of Service, and lead officers of each of the Committees, Sub-Committees and Panels on the proposed programme of meetings.
- Involvement - Advance public notice of the Programme of meetings

can ensure that the public and stakeholders can engage in Council and Committee meetings. Agendas and minutes of all public meetings will be available in the Welsh language in compliance with the Welsh Language Standards.

8.1 Financial Implications.

8.1 There are no financial implications in respect of this report.

9. Recommendation.

15 MAY 2019

REPORT OF THE MONITORING OFFICER

APPOINTMENTS TO THE COUNCIL COMMITTEES AND OTHER COUNCIL BODIES IN ACCORDANCE WITH THE PROVISIONS OF THE LOCAL GOVERNMENT ACT 1972 AND THE LOCAL GOVERNMENT ACT 2000

1. Purpose of Report.

- 1.1 The purpose of this report is to seek Council approval for the appointment of Overview and Scrutiny Committees and such other Committees, Sub-Committees, Panels and bodies as the Council considers appropriate, to deal with matters which are neither reserved to full Council nor are executive functions.

2. Connection to Corporate Improvement Plan / Other Corporate Priority.

- 2.1 The establishment of Committees and other bodies will fulfil the requirements of the Constitution and enable the Council to work towards the successful achievement of its Corporate Priorities.

1. **Supporting a successful economy** – taking steps to make the County a good place to do business, for people to live, work, study and visit, and to ensure that our schools are focused on raising the skills, qualifications and ambitions of all people in the county.
2. **Helping people to be more self-reliant** – taking early steps to reduce or prevent people from becoming vulnerable or dependent on the Council and its services.
3. **Smarter use of resources** – ensuring that all its resources (financial, physical, human and technological) are used as effectively and efficiently as possible and support the development of resources throughout the community that can help deliver the Council's priorities.

3. Background.

- 3.1 The Council is required by legislation and the provisions of Part 4 of the Rules of Procedure (Council Procedure Rules) of the Constitution, to undertake arrangements which will continue to facilitate and carry out the decision making processes of the Authority. The recommendations of this report, if adopted, will seek to ensure that this will be successfully achieved.

4. Current situation / proposal.

- 4.1 Part 3 of the Council's Constitution entitled Responsibility for Council Functions, sets out the Council's Committees, Sub-Committees, Panels and other bodies currently in place. Detailed below are certain Committees, some of which are

governed by provisions of the Local Government (Wales) Measure 2011, in terms of their composition and/or appointment of Chairpersons.

4.2 Audit Committee

4.2.1 The Measure made a number of requirements in relation to the Audit Committee's membership, including Lay Membership and the appointment of the Chairperson. The Chairperson under the Measure is required to be appointed by the Audit Committee at its first scheduled meeting which is scheduled for 28 June 2019. Council are asked to note that not more than one Member of the Audit Committee may be a Member of the Executive (and should not be the Leader), whilst the Chairperson of the Committee must also not be a Member of the Executive group.

4.2.2 In terms of the Lay Membership of this Committee, the current Lay Member Ms J Williams was reappointed for a further term at the Annual Meeting of Council on 17th May 2017 and in accordance with the Measure she is allowed to sit for a maximum of two terms on the Committee in this capacity.

4.2.3 At a meeting of the Audit Committee on 17th January 2019 it was recommended that the Audit Committee Terms of Reference include the following function:

- *Receive a copy of a report concerning the incidents and near misses reported under the Corporate Risk Management Incident and Near Misses Reporting Procedure (Excluding Health and Safety)*

It is therefore recommended that the Terms of Reference of the Audit Committee within Part 3 of the Constitution be amended accordingly.

4.3 Standards Committee

4.3.1 In accordance with the Standards Committees (Wales) Regulations 2001 the Committee shall consist of not less than five nor more than nine members at least two of which shall be County Borough councillors. The Standards Committee currently comprises seven members, namely:-

Four Independent Members;
Two County Borough Council Members;
One Town/Community Council Member;

4.3.2 There is currently a vacancy on the Standards Committee for a second Town and Community Councillor, however it is recommended that the membership remain as at present and that Part 3 of the Constitution in relation to the Standards Committee membership be amended accordingly.

4.4 Appointments Committee

4.4.1 The Council currently has in place an Appointments Committee in order to interview and appoint JNC level staff, which includes designated positions such as the Chief Executive, Directors and Heads of Service. The current membership of this Committee is as detailed below:-

- Leader (Chairperson)

- Deputy Leader
- Cabinet Member (of relevant portfolio to the post)
- 1 x Conservative Member
- 1 x Independent Member
- 1 x Plaid Cymru Member

4.4.2 In order to accommodate all political Group Leaders on the Appointments Committee, it is proposed to increase the membership by 2 Members, namely the Group Leader of the Llynfi Independents and an additional seat to the Labour Group to maintain their appropriate level of representation on Committees overall.

4.4.3 The Appointments Committee will also facilitate the JNC Determination and JNC Appeals Panels. These will comprise of 3 members each with the Leader or Deputy Leader chairing the panel, supported by 1 representative each from the Conservative and Independent groups.

4.4.4 Substitution of Appointments Committee members is permissible but only for the whole of an appointments process. The JNC Panels cannot be substituted and must be comprised from the original membership of the Appointments Committee.

4.5 Chairpersons of Overview and Scrutiny Committees

4.5.1 The Measure also established procedures whereby Overview and Scrutiny Committee Chairs are nominated and appointed. The Measure requires that as a minimum the Chairpersons of these Committees be appointed based on the size and political balance of each of the groups that make up the Council. In line with the political composition of the Council, and the formula used under the Local Government (Wales) Measure with regard to the allocation of Overview and Scrutiny Chairs, these should be allocated to the following political groups:

Political Group	Number of Chairs to be allocated
Labour	1 Chairperson
Conservative	1 Chairperson
Independent Alliance	1 Chairperson
Llynfi Independents	0 Chairperson
Plaid Cymru	0 Chairperson

4.5.2 The Chairperson of the Corporate Overview and Scrutiny Committee is unallocated and therefore in accordance with the Measure, is to be appointed by the members of the Corporate Overview and Scrutiny Committee from one of the Chairpersons of the Subject Overview and Scrutiny Committees but it cannot be the Chairperson representing the Executive group.

4.6 Registered Representatives

4.6.1 Registered representatives of the Church and School Governors will be included with any of the Subject Committees which are dealing with an Education topic.

4.7 Development Control Committee

4.7.1 Under the Size and Composition of Local Planning Authorities Committees (Wales) Regulations 2017, in the case of a multiple member ward, only one of the local authority members of that ward is eligible for appointment to the Development Control Committee. This does not apply to an Authority which is comprised solely of multiple member wards.

4.8 Democratic Services Committee

4.8.1 The Democratic Services Committee must comprise solely of Councillors and cannot include more than one member of the Executive, who must not be the Leader of the Council. It is a function of Council to appoint the Chairperson of this Committee who must not be a Member of any of the political groups represented on the Executive.

4.9 The current remit and functions of Committees and other bodies of the Council remain unchanged as detailed in Part 3 of the Constitution – Responsibility for Council Functions and are attached at **Appendix 1**.

4.10 Political balance is essential to determine the allocation of seats on Committees. The current political balance of Committees and other bodies is shown at **Appendix 2** of the report.

4.11 The current committee structure is shown at **Appendix 3** of the report.

4.12 The existing membership of committees which will form the basis of any changes to the membership of the committees is attached at **Appendix 4**.

5. Effect upon Policy Framework & Procedure Rules.

5.1 The provisions and recommendations of the report accord with the Council's Procedure Rules outlined in Part 4 of the Constitution.

6. Equality Impact Assessment.

6.1 There are no equality implications attached to this report.

BRIDGEND COUNTY BOROUGH COUNCIL
REPORT TO THE ANNUAL MEETING OF COUNCIL
15 MAY 2019

REPORT OF THE MONITORING OFFICER

REPORT OF THE INDEPENDENT REMUNERATION PANEL FOR WALES 2019/2020

1. PURPOSE OF REPORT

- 1.1 To advise Council of the Annual Report of the Independent Remuneration Panel for Wales in respect of the level and range of remuneration the Authority must make available to its Members for the 2019/20 municipal year.

2. CONNECTION TO CORPORATE IMPROVEMENT PLAN / OTHER PRIORITIES

- 2.1 The Independent Remuneration Panel for Wales has acknowledged the need to ensure that financial barriers do not stand in the way of attracting more people to serve in local government. The active participation of all Members contributes to all the following Corporate Priorities.

1. **Supporting a successful economy** – taking steps to make the county a good place to do business, for people to live, work, study and visit, and to ensure that our schools are focused on raising the skills, qualifications and ambitions of all people in the county.
2. **Helping people to be more self-reliant** – taking early steps to reduce or prevent people from becoming vulnerable or dependent on the Council and its services.
3. **Smarter use of resources** – ensuring that all its resources (financial, physical, human and technological) are used as effectively and efficiently as possible and support the development of resources throughout the community that can help deliver the Council's priorities.

3. BACKGROUND

- 3.1 The Local Authorities (Allowances for Members) (Wales) Regulations 2007 provided for the establishment of the Independent Remuneration Panel for Wales.
- 3.2 This is the eleventh Annual Report of the Independent Remuneration Panel for Wales (the Panel), and the eighth published under the requirements of the Local Government (Wales) Measure 2011. The Measure extended the responsibilities of the Panel and its powers under Section 142 to decide (prescribe) payments to members of relevant authorities.
- 3.3 The Local Government (Democracy) (Wales) Act 2013 amended the Local Government (Wales) Measure 2011 by inserting Section 143A. This requires that any principal Council or Fire and Rescue Authority that intends to change the salary

of its Head of Paid Service must consult the Panel unless the change is in keeping with changes applied to other officers. Section 143A also enables the Panel to take a view on anything in the Pay Policy Statement of an authority that relates to the salary of the Head of Paid Service (normally the Chief Executive or Chief Fire Officer). The Local Government (Wales) Act 2015 extended this responsibility, on a temporary basis, to Chief Officers of principal authorities. The Panel's approach to its use of these powers is set out in Section 15 of its report and accords with the guidance issued to the Panel by the Welsh Government.

- 3.4 Representatives of the Panel carried out visits to all principal councils last year to discuss the remuneration framework and how it was implemented in each council. Additionally, representatives of the Panel held consultation meetings on their proposals, which was attended by the Chairperson of the Democratic Services Committee and an officer from the Democratic Services Team.
- 3.5 The determinations of the Independent Remuneration Panel Annual Report 2019/20 are shown at **Appendix 1**.

4. CURRENT SITUATION / PROPOSAL

4.1 Basic Salary

- 4.1.1 Although public sector funding continues to be constrained, the Panel considers that an increase in the basic salary is justified. It has determined there shall be an increase of £268 p.a. (which equates to 1.97%) effective from April 2019 to the basic salary for members of principal councils. The proposed increase applied to the basic salary for members of principal councils is in recognition of the basic duties expected of all Elected Members. The basic salary in 2019/2020 for Elected Members of principal councils shall be £13,868. **(Determination 1)**.

4.2 Senior Salaries

- 4.2.1 The Panel has determined that the senior salary levels in 2019/20 for members of principal councils shall be increased as set out at in Table 5, page 15 of the report (Appendix 1). The Panel considers that the leadership and executive roles carry the greatest individual accountability and that size of population remains a major factor in influencing levels of responsibility and the use of the population groups has therefore been retained. **(Determination 2)**.

4.2.2 Leader and Deputy Leader

The Salary for the Leader and Deputy Leader has been based on the population of the County Borough (100,001 to 199,999). The Leader is entitled to receive £49,100 and the Deputy Leader £34,600.

4.2.3 Cabinet Members

Cabinet members are now all entitled to receive a senior salary of £30,100.

4.2.4 Chairs of Committees

Where chairs of committees are remunerated, the chairs will be paid a salary of £22,568. The Panel has re-iterated that it is a matter for individual authorities to determine which chairs are paid. At its Annual Meeting in May 2018 Council

determined that the following Committee Chairpersons be remunerated as shown below:

- Chairperson Subject Overview and Scrutiny Committee 1
- Chairperson Subject Overview and Scrutiny Committee 2
- Chairperson Subject Overview and Scrutiny Committee 3
- Chairperson of Development Control Committee
- Chairperson of Licensing/Licensing Act 2003 Committee
- Chairperson of Audit Committee
- Chairperson of the Appeals Panel
- An Independent Member chairs the Standards Committee and receives £256 for a meeting lasting over 4 hours or £128 for meeting under 4 Hours

4.2.5 Largest Opposition Group Leader

The Panel has determined that Council must make a senior salary of £22,568 available to the leader of the largest opposition group. The Council currently makes this senior salary available to the leader of the Independent Alliance Group.

4.2.6 Opposition Group Leaders

A senior salary of £17,568 is able to be paid to any another group leader who represents at least 10% (6 Members) of the Council. The Council currently makes a senior salary available to the leader of the Conservative Group.

4.3 Civic Salaries

4.3.1 Councils have strongly expressed to the Panel that Elected Members do not wish to make any choices that require Councils themselves to choose and match the level of activity or duties of a specific member to a given range of salary levels for a role. The Panel has determined (**Determination 3**) that (where paid) a civic head must be paid a salary of £22,568 and (where paid) a deputy civic head must be paid a salary of £17,568.

4.3.2 The Panel recognises the wide range of provision made for civic heads in respect of transport, secretarial support, charitable giving and clothing. Funding decisions in relation to levels of such additional support are not matters of personal remuneration, but of the funding required to carry out the tasks and duties. These matters remain entirely a matter for individual councils. Councils remain free to invest in support at whatever levels they deem appropriate for the levels of civic leadership they have in place.

4.4 Co-Opted Members

4.4.1 The Panel has determined that a daily/half daily fee is appropriate remuneration for the important role undertaken by co-opted members of authorities with voting rights (this includes the co-opted member from a Town or Community Council). The level of payments is equivalent to the current daily rates for chairs and members of the Welsh Government's Band 2 sponsored bodies. The Panel notes there has been no uplift in these payment levels across such bodies since 2010. This Authority must pay the following fees to Co-opted Members (who have voting rights) (**Determination 33**).

Chairs of standards, and audit committees	£256 (4 hours and over) £128 (up to 4 hours)
Ordinary members of standards committees who also chair standards committees for community and town councils	£226 daily fee (4 hours and over) £113 (up to 4 hours)
Ordinary members of standards committees; education scrutiny committee; crime and disorder scrutiny committee and audit committee	£198 (4 hours and over) £99 (up to 4 hours)
Community and town councillors sitting on principal council standards committees	£198 (4 hours and over) £99 (up to 4 hours)

4.5 Compliance with Panel Requirements

- 4.5.1 The Panel is empowered to require the Authority to comply with the requirements imposed on it by the Annual Report of the Panel and further enables the Panel to monitor compliance by the Authority of the Panel's determinations. Details of all remuneration received by Elected Members must be published annually on the Local Authority's website in the prescribed format.

4.6 Consultation

- 4.6.1 The draft Annual Report of the Independent Remuneration Panel (IRP) for Wales was circulated for consultation to all councils in Wales, with comments requested to be returned to the Panel by 27 November 2018.
- 4.6.2 The Democratic Services Committee at its meeting on 25 October 2018 in considering the Panel's Draft report resolved to write to the IRP whilst endorsing the determinations it would make, the IRP needs to bear in mind the budgetary pressures faced by local authorities when setting salary levels as each Council across Wales have very difficult budgetary decisions to make. The Committee endorsed the independence of the IRP but urged restraint in the conclusions it made in determining pay awards as the Council needs to demonstrate to the public that it is mindful of budgetary constraints in the delivery of public services.

5. **EFFECT UPON POLICY FRAMEWORK & PROCEDURE RULES**

- 5.1 There is currently no impact of the Policy Framework or Procedure Rules.

6. **EQUALITIES IMPACT ASSESSMENT**

- 6.1 This report is supportive of the equalities implications for Elected Members by Including care, family and other allowances.

7. **WELL-BEING OF FUTURE GENERATIONS (WALES) ACT 2015 IMPLICATIONS**

- 7.1 The well-being goals identified in the Act were considered in the preparation of this report. It is considered that there will be no significant or unacceptable impacts upon the achievement of wellbeing goals/objectives as a result of this report

8. **FINANCIAL IMPLICATIONS**

- 8.1 The current budget set for 2019/20 for the remuneration of elected members is £1,140,740.
- 8.2 The introduction of these proposals will increase the cost of remuneration of Members by £268 per Elected Member which equates to a total of £14,472. Some of this cost may be negated by some Elected Members electing to forgo some or all of their salaries.

9. RECOMMENDATIONS

- 9.1 Council is recommended to note the determinations and recommendations contained within the Report of the Independent Remuneration Panel for Wales in respect of the level and range of remuneration the Authority must pay its Members for the 2019/20 municipal year.
- 9.2 Council is recommended to approve:
- the adoption of the relevant determinations of the Independent Remuneration Panel contained within its 2019 report (**Appendix 1**);
 - those posts (as shown in the revised Members' Schedule of Remuneration at **Appendix 2**), who will receive a senior/civic salary;
 - the level of remuneration for the Senior and Civic Salaries (where appropriate);
 - the revised Members' Schedule of Remuneration at Appendix 2, and for it to become effective from 15 May 2019 (Annual Meeting of Council).
 - that the Members' Schedule of Remuneration be updated with any changes to Senior/Civic Salary positions subsequently made by Council during the 2019/20 municipal year.

ANNUAL REPORT 2019

FOREWORD

Last year the Panel visited each of the 22 principal councils and met with many members and officers. We produced and published a report setting out our findings from the visit. The report is available on the Panel's website.

In this Annual Report we have reflected some of the issues that arose during our visits. We have previously indicated that payments to councillors have not kept pace with the original comparator the Panel used to establish an appropriate level of remuneration because of pressures on public expenditure. The effect of this can be seen in the tables and graphs that are contained in the introduction section of this report.

We have made a further modest increase in the basic salary of elected members of principal councils which will at least prevent further erosion. For the first time in several years we are also proposing a small increase in the remuneration of leaders and executive members.

Further changes in respect of payments to members of community and town councils are also included in the determinations.

We appreciate the responses to the draft report and thank the 40 respondents for their views. While some of the responses understandably expressed concerns about the increased costs at a time when local government in Wales continues to be financially stretched, we take the view that it is important to recognise the worth of local councillors and that for many, the current payments mean they also struggle financially. As we have consistently indicated representative democracy does not come without a cost. In the current circumstances we consider our determinations are fair to both members and those who pay for local services.

My personal thanks to my Panel members for their commitment and expertise and to our secretariat whose efficiency and diligence ensures that we meet our statutory responsibilities.

Introduction

This is the eleventh Annual Report of the Independent Remuneration Panel for Wales (the Panel), and the eighth published under the requirements of the Local Government (Wales) Measure 2011(as amended).

1. As with all the Panel's Annual Reports the determinations on member remuneration are underpinned by the principles set out in Section 1.
2. The Panel has consistently expressed its view that maintaining the democratic values of local governance cannot be cost free. Members of local authorities (including co-opted and appointed members) are there to represent the interests of local people, undertake the governance of local communities, and secure appropriate value for money public services for local tax-payers through effective scrutiny for which they are accountable to their community. These are significant and important tasks for members of the relevant authorities within the Panel's remit. Payments to members are made available to encourage a diversity of willing and able people to undertake local governance through their elected, appointed or co-opted roles.
3. In determining the level of payments to members of local councils, the Panel seeks to meet the principle of '*acceptability*' by ensuring that these are not '*so great as to require a significant diversion of resources from key council priorities*'. But Section 142(8) of the Measure is more explicit on '*affordability*' when it states that "*when setting an amount¹ ...the Panel must take into account what it considers will be the likely financial impact of doing so on relevant authorities*". Meeting the requirement of the Measure in regard to affordability has been a challenge for the Panel, not least because of public interest in the payments made to members. The Panel acknowledges that the issue of affordability – in relation both to relevant authorities' service budgets and to the electorate's disposable incomes – is likely to impact on the public perception of any increases to members' payments.
4. However, payments to members for their time, worth and responsibility must be, and must be seen to be, fair to those undertaking the role. In 2009 the Panel aligned members' payments to the median gross earnings of all full-time employees resident in Wales as reported in the Annual Survey of Hourly Earnings (ASHE). The basic salary at that time was set at three-fifths of the All Wales Median Salary and senior salaries were set at multiples of this annual median salary. In setting these salaries the Panel recognised that there was an unpaid public service contribution.
5. During our visits to all principal councils last year many members expressed the view that, compared with a traditional paid employment the basic salary is too low to attract younger people and to encourage greater diversity. They also pointed out the significant differences between remuneration and support

available to elected members in other levels of government in Wales. They proposed that the level of the basic salary should therefore be raised significantly in recognition of the importance of the role of an elected member of a principal council.

6. The financial constraints on the public sector and particularly local authorities have meant that the link with average Welsh earnings has not been maintained. The Panel considers that this has undervalued the worth of elected members. To avoid further erosion in relation to average earnings the Panel has decided to increase the basic annual salary to £13,868 (an increase of 1.97%).
7. The salaries of leaders and members of the executive have not been increased for several years (except for the increase in the basic element). We consider that holders of these posts have significant functional responsibility and compared to remuneration of many other public sector roles are not well paid. We have therefore determined a modest increase of £800 (inclusive of the £268 increase in the basic salary).
8. From the discussions during our visits to the principal councils it is clear that very few members are utilising the provision in the framework to reimburse the costs of care. It appears that some members are still reluctant to claim all they are entitled to support them in their role, because of concerns about the adverse publicity this can attract (see Annex 4 for the publication options). We urge Democratic Services Committees to take steps to encourage and facilitate greater use of this element of our framework so that members concerned are not financially disadvantaged.
9. The Panel has continued to contribute wherever possible to enhancing diversity in local government in Wales through its determinations. To take this a step further the Panel has produced a leaflet for prospective candidates on the remuneration of members of councils. We are pleased that several councils have added this leaflet to their website.
10. We have continued to engage with community and town councils and met with several representative groups earlier in the year. We also convened 4 sessions with council clerks to provide an opportunity for clarification about administrative matters. As a result we propose further amendments to our framework in respect of community and town councils. The proposed determinations for community and town councils are in Section 13.
11. The Local Government (Democracy) (Wales) Act 2013 amended the Local Government (Wales) Measure 2011 by inserting Section 143A. This requires that any principal council or fire and rescue authority that intends to change the salary of its Head of Paid Service must consult the Panel unless the change is in keeping with changes applied to other officers. Section 143A also enables the Panel to take a view on anything in the Pay Policy Statement of an authority that relates to the salary of the Head of Paid Service (normally the Chief Executive or Chief Fire Officer). The Local Government (Wales) Act 2015 extended this responsibility, on a temporary basis, to Chief Officers of principal authorities. The Panel's approach to its use of these powers is set out in Section 15 of this Report and accords with the guidance issued to the Panel by the Welsh

Government.

12. Since assuming the additional responsibility in respect of changes to the salaries of chief officers of principal councils the Panel has dealt with several submissions each year. The Panel's decisions in the past year are at Section 15.

1. The Panel's Framework: Principles of Members' Remuneration

Upholding trust and confidence

- 1.1 Citizens rightly expect that all those who choose to serve in local authorities uphold the public trust by embracing the values and ethics implicit in such public service. These principles underpin the contribution that the work of the Panel and its Framework make towards upholding public trust and confidence.

Simplicity

- 1.2 The Framework is clear and understandable. This is essential for the Panel to be able to communicate its determinations effectively to all those who are affected by, or who have an interest in its work.

Remuneration

- 1.3 The Framework provides for payment to members of local authorities who carry a responsibility for serving their communities. The level of payment should not act as a barrier to taking up or continuing in post. There should be no requirement that resources necessary to enable the discharge of duties are funded from the payment. The Framework provides additional payments for those who are given greater levels of responsibility.

Diversity

- 1.4 Democracy is strengthened when the membership of local authorities adequately reflects the demographic and cultural make-up of the communities such authorities serve. The Panel will always take in to account the contribution its Framework can make in encouraging the participation of those who are significantly under-represented at local authority level.

Accountability

- 1.5 Taxpayers and citizens have the right to receive value for money from public funds committed to the remuneration of those who are elected, appointed or co-opted to serve in the public interest. The Panel expects all principal councils to make information readily and appropriately available about the activities and remuneration of their members.

Fairness

- 1.6 The Framework will be capable of being applied consistently to members of all local authorities within the Panel's remit as a means of ensuring that levels of remuneration are fair, affordable and generally acceptable.

Quality

- 1.7 The Panel recognises that the complex mix of governance, scrutiny and regulatory duties incumbent upon members requires them to engage with a process of continuous quality improvement. The Panel expects members to undertake such training and personal development opportunities as required to properly discharge the duties for which they are remunerated.

Transparency

- 1.8 Transparency of members' remuneration is in the public interest. Some members receive additional levels of remuneration by virtue of being elected or appointed to more than one public body. The Framework serves to ensure that knowledge of all members' remuneration is made easily available to the public.

Remuneration of Officers

- 1.9 The Panel applies these principles of fairness, accountability and transparency in all its determinations in relation to remuneration of members of all the authorities that fall within its remit. The same principles also apply when the Panel is required to make recommendations in relation to the remuneration of the paid officers of these authorities.

3. Payments to Elected Members of Principal Councils: Basic, Senior and Civic Salaries

Basic salary for elected members of principal councils

3.1 The Panel in 2009 aligned the basic salary to the median gross earnings of all full-time employees resident in Wales as reported in the Annual Survey of Hourly Earnings (ASHE). Given the pressures on public expenditure it has not been possible for this alignment to be maintained. If this alignment had continued the basic salary would currently be significantly higher than the current prescribed amount (close to £16,000 pa). This is calculated on an assumption that the basic activity required of an elected member (i.e. without the additional work required for a senior salary) is equivalent to three days' work.

3.1.1 The tables below represent IRPW determinations on changes in pay of backbench members in Wales, together with 4 measures of possible alternative rates of increases, over the subsequent 8 years. Table 1 gives the percentage increases. Table 2 gives the actual figures. Retail Price Index (RPI) and Consumer Price Index (CPI) have been adopted by government and many organisations as appropriate inflationary measures. The National Joint Council (NJC) scale (a measure of public sector pay) takes spinal point 27 as an appropriate comparator figure to the members' basic rate. The All Wales Median Salary is published by the National Statistical Office. The 2010 starting figure in all cases is £13,868.

3.1.2 To set this in the context of other Welsh elected members, over this same period assembly members' salaries have increased by 24% (£53,852 to £66,874 - now indexed to Average Salaries in Wales ASHE) and MPs' salaries have increased by 17.7% (£65,738 to £77,379).

3.1.3 Thus, backbench members' salaries have remained relatively static over the last 9 years and, in real terms, have fallen significantly behind by any reasonable measure.

- 3.2 The Panel remains aware that the core activities required of an elected member of a principal council vary. Duties undertaken should enable all members to discharge their core non-executive responsibilities in the governance of their council and in representing those living in their ward. As an elected role, such posts are not readily treated in the same manner as employment with precisely quantified hours. The work that arises in representing ward residents is particularly varied because it is influenced by the very diverse socio-economic conditions, demographics, levels of urbanisation and different ratios of residents to councillors. These circumstances can vary significantly within individual authorities as well as in comparisons of local authorities throughout Wales. Elected positions carry an expectation of a level of personal commitment to community that goes beyond defined remunerated hours. Elected members commonly report time spent is well in excess of the notional three days (extra time worked and previously defined by the Panel as a 'public service discount').
- 3.3 In 2017 Panel members visited all Welsh principal councils to meet with elected members to inform and update their understanding of elected and co-opted member activities. During 2018 the Panel continued its regular liaison with councillors and officers. Panel members met with the Chairs of Democratic Services Committees and their officers. The Panel has also, through varied correspondence with councils and individual council members and others maintained its ongoing dialogue. The position generally expressed by councillors and officers remains, particularly in the context of austerity, that the basic workload discharged by all elected members is substantial and significantly exceeds 3 days per week.
- 3.4 When making financial determinations for this Annual Report, the Panel has considered the progression of a variety of benchmark figures for the period from 2010 to 2018. As well as the ASHE median gross earnings figures for Wales the Panel also considered the RPI, the CPI, NJC Pay Scales and Living Wage figures. As shown in Table 1 above, the gap between the level of basic remuneration for elected members of principal councils and relevant indicators of rises in income and costs of living indicators has continued to grow. In 2017 the Panel began action to narrow the gap and limit the rate of erosion. Any adjustments have been in keeping with the Panel's principle that its determinations should be affordable and acceptable. Although public sector funding continues to be constrained, the information set out in Table 1 and Table 2 supports the Panel's consideration that a further increase in the basic salary is justified. It has determined there shall be an increase of £268 a year which equates to 1.97%. This restores the level of the basic salary to the amount paid in 2011. The proposed increase applies to the basic salary for members of principal councils in recognition of the basic duties expected of all elected members.

Determination 1: Basic salary in 2019/20 for elected members of principal councils shall be £13,868.

Senior salaries for elected members of principal councils

- 3.5 The limit on the number of senior salaries payable ('the cap') will remain in place. In 2019/20 the maximum number of senior salaries payable within each council will not be altered and will be as set out in Table 3. This reflects the increase to the cap for the Isle of Anglesey Council as set out in the Panel's supplementary report issued in 2017.
- 3.6 Table 3 sets out the increases and decreases in senior salaries determined by the panel between 2010 and 2019. These are illustrated by Graph 2.
- 3.7 Despite a slight increasing trend in senior salary levels since 2012, which has been lower than any measure of inflation, the senior salaries remain lower than they were ten years ago. These comparative measures are set out in the paragraph above relating to basic member salary over the same period (Table 1 and graph 1).
- 3.8 For the purposes of this analysis the mid-point (Group B) has been used where there are three rates in a salary band.

Payments to members of the executive, chairs of committees and the leader of the opposition

- 3.9 The Panel has not increased the senior salaries paid to these post holders for six years. They have only received any increase in the basic salary applicable to all members.

The Executive

- 3.9.1 In 2009 the Panel concluded that Executive members should be considered as working the equivalent of full time (up to 40 hours per week) but not necessarily nine to five. Continued discussions with members and officers have reinforced this conclusion. In fact many executive members indicated their workload has increased and concerns were also expressed by many members that the differential in salary between a chair of a committee and a member

of an executive did not recognise the difference in responsibility or workload.

- 3.9.2 In recognition of this the Panel has determined that there should be an increase to the Band 1 and Band 2 senior salaries payable to the Leader, the Deputy Leader and Executive Members.
- 3.9.3 The amount of the increase is £800. This is inclusive of the £268 increase to the basic salary that all members will receive as set out in Determination 2.

Chairs of Committees

- 3.9.4 There is a significant difference in the responsibilities and functions of chairing different committees. Councils are reminded that they do not have to pay chairs of committees. It is a matter for each council to decide which, if any, chairs of committees are remunerated. This allows councils to take account of differing levels of responsibility.
- 3.9.5 Where chairs of committees are paid, the remuneration is: £22,568.

The Senior Salary Bands

Determination 2: Senior salary levels in 2019/20 for members of principal councils shall be as set out in Table 5.

Table 5: Basic salary and senior salaries payable to members of principal councils

Basic salary (payable to all elected members) £13,868			
	Group A (Cardiff, Rhondda Cynon Taf, Swansea)	Group B (Bridgend, Caerphilly, Carmarthenshire, Conwy, Flintshire, Gwynedd, Newport, Neath Port Talbot, Pembrokeshire, Powys, Vale of Glamorgan, Wrexham)	Group C (Blaenau Gwent, Ceredigion, Denbighshire, Merthyr Tydfil, Monmouthshire, Torfaen, Isle of Anglesey)
Senior salaries (inclusive of basic salary)			
Band 1 Leader	£54,100	£49,100	£44,100
Deputy leader	£38,100	£34,600	£31,100
Band 2 Executive members	£33,100	£30,100	£27,100
Band 3 Committee chairs (if remunerated):		£22,568	
Band 4 Leader of largest opposition group ³		£22,568	
Band 5 Leader of other political groups		£17,568	

Table 5 notes:

- a. The Panel considers that leadership and executive roles (Band 1 and 2 salaries respectively) carry the greatest individual accountability and that 'size of population' remains a major factor in influencing levels of responsibility and

the use of the three population groups (A, B and C) has therefore been retained. For information: Group A Population 200,000 and above; Group B Population 100,001 to 199,999; Group C Population up to 100,000.

- b. It is proposed to increase Band 1 and Band 2 senior salaries for Leader, Deputy Leader and Executive Members by £800, inclusive of the £268 increase on the basic salary that all members will receive.
- c. Committee chairs will be paid at Band 3. It is a matter for each council to decide which, if any, chairs of committees are remunerated. This allows councils to take account of differing levels of responsibility.
- d. The stipulation that an opposition group leader or any other group leader must represent at least 10% of the council membership before qualifying for a senior salary remains unchanged.
- e. The Panel has determined that a council must make a senior salary available to the leader of the largest opposition group.
- f. The Panel has determined that, if remunerated, a Band 5 senior salary must be paid to leaders of other political groups.

³ Leader of largest opposition group. See IRPW Regulations, Annex 2, Part 1(2) for a definition of “largest opposition group” and “other political group”.

Payments to Civic Heads and Deputies (Civic Salaries)

- 3.10 The Panel notes that most councils have currently set salaries for civic heads and deputies to accord with their population groups, rather than to reflect the specific responsibilities attached to the roles. Councils have strongly expressed to the Panel that elected members do not wish to make decisions that require Councils themselves to choose and match the level of activity or duties of a specific member to a given range of salary levels for a role. All such choices are now removed. In the case of civic salaries, if paid, the payment for Band 3 is set at £22,568 for a civic head and at the Band 5 salary of £17,568 for a deputy civic head (Determination 3).
- 3.11 A council may decide not to apply any civic salary to the posts of civic head and/or deputy civic head.
- 3.12 The posts of civic head and deputy civic head are not included in the cap (with the exception of Isle of Anglesey and Merthyr Tydfil Councils).

Determination 3: Where paid, a civic head must be paid a Band 3 salary of £22,568 and, where paid, a deputy civic head must be paid a Band 5 salary of £17,568.

- 3.13 Civic heads are senior posts within councils which are distinct from political or executive leadership. In addition to chairing major meetings the civic head is the authorities' 'first citizen' and 'ambassador' representing the council to a wide variety of institutions and organisations. The Panel's requirement that members should not have to pay for the cost of the support (see determination 10) that is needed to carry out their duties applies also in respect of deputy civic heads.
- 3.14 In many instances civic heads receive secretarial support and are provided with transport for official duties and can access a separate hospitality budget which is managed and controlled by council officers.
- 3.15 The Panel recognises the wide range of provision made for civic heads in respect of transport, secretarial support, charitable giving and clothing. Funding decisions in relation to levels of such additional support are not matters of personal remuneration, but of the funding required to carry out the tasks and duties. These matters remain entirely a matter for individual councils. Councils remain free to invest in support at whatever levels they deem appropriate for the levels of civic leadership they have in place.
- 3.16 The Local Government (Democracy) (Wales) Act 2013 allows councils to appoint a presiding member whose role is to chair meetings of the whole council. Where appointed, there would be a consequential reduction in the responsibilities of the respective civic head.

Payments to Presiding Members

- 3.17 Councils are reminded that if a presiding member is appointed they do not have to be remunerated. If they are remunerated the post will count towards the cap and be paid at a Band 3 senior salary of £22,568.

Determination 4: Where appointed and if remunerated, a presiding member must be paid a Band 3 senior salary of £22,568.

Determination 5: The post of deputy presiding member will not be remunerated.

Key factors underpinning the Panel’s determinations:

- 3.18 The basic salary, paid to all elected members, is remuneration for the responsibility of community representation and participation in the scrutiny, regulatory and related functions of local governance for the time equivalent of three days a week. Any time commitment beyond three days is an unpaid public service contribution.
- 3.19 The prescribed salary and expenses must be paid in full to each member unless an individual has independently and voluntarily opted in writing to the authority’s proper officer to forego all or any element of the payment. It is fundamental there is transparency in this process so any possible suggestion that members are put under pressure to forego some of the salaries is avoided.

The following must be applied:

Determination 6:

- a) **An elected member must not be remunerated for more than one senior post within their authority.**
- b) **An elected member must not be paid a senior salary and a civic salary.**
- c) **All senior and civic salaries are paid inclusive of basic salary.**
- d) **If a council chooses to have more than one remunerated deputy leader, the difference between the senior salary for the deputy leader and other executive members should be divided by the number of deputy leaders and added to the senior salary for other executive members in order to calculate the senior salary payable to each deputy leader.**

Determination 7: Members in receipt of a Band 1 or Band 2 senior salary cannot receive a salary from any NPA or FRA to which they have been appointed.

Determination 8: Members in receipt of a Band 1 or Band 2 salary cannot receive any payment from a Community or Town Council of which they are a member other than travel and subsistence expenses and reimbursement of costs of care.

Supporting the work of local authority elected members

- 3.20 Following the local elections in 2017 Panel members undertook visits to all principal authorities in Wales. These visits provided valuable opportunities for members and officers to discuss the variations that occur and to share and understand the benefits gained by properly supporting the ability of members to discharge their basic duties effectively.
- 3.21 The Panel expects the support provided should take account of the specific needs of individual members. The functions of Democratic Services Committees include a requirement to review the level of support provided to members to carry out their duties and the Panel would expect these committees to carry this out and bring forward proposals to the full council as to what is considered to be reasonable. Any proposals should be made with due regard to Determinations 9 and 10 below. For example, the Panel does not consider it appropriate that elected members should be required to pay for any telephone usage to enable them to discharge their council duties as a ward member, committee member or cabinet member.
- 3.22 The Panel considers it is necessary for each elected member to have ready use of e-mail services, and electronic access to appropriate information via an internet connection. The Panel does not consider it appropriate that elected members should be required to pay for internet related services to enable them to discharge their council duties as a ward member, committee member or cabinet member. This comprises the necessary provision for a member to be in proper contact with council services and to maintain contact with those they represent. Many councils in Wales are committed to 'paperless working' and without electronic access members would be significantly limited in their ability to discharge their duties. It is not appropriate for facilities required by members to be available only within council offices within office hours.
- 3.23 The responsibility of each council through its Democratic Services Committee to provide support should be based on an assessment of the needs of its members. When members' additional needs or matters of disability apply, or there are specific training requirements indicated, each authority will need to assess any particular requirements of individual members.
- 3.24 For co-opted members the support requirements are set out in section 9 and determination 38.

Determination 9: Each authority, through its Democratic Services Committee, must ensure that all its elected members are given as much support as is necessary to enable them to fulfil their duties effectively. All elected members should be provided with adequate telephone, email and internet facilities giving electronic access to appropriate information.

Determination 10: Such support should be without cost to the individual member. Deductions must not be made from members' salaries by the respective authority as a contribution towards the cost of support which the authority has decided necessary for the effectiveness and or efficiency of members.

Specific or additional senior salaries

- 3.25 The Panel has allowed for greater flexibility through the provision for authorities to apply for specific or additional senior salaries that do not fall within the current remuneration framework, or which could not be accommodated within the maximum number of senior salaries relating to the authority. If the proposed addition is approved and results in the council exceeding its cap, this will be included in the approval (with exception of Merthyr Tydfil and the Isle of Anglesey Councils – see footnote 4). Some councils have raised the possibility of operating some senior salary posts on a “job share” arrangement. The Panel is supportive of this principle and the process is set out in Paragraph 3.27.

Determination 11: Principal Councils can apply for specific or additional senior salaries that do not fall within the current Remuneration Framework.

- 3.26 Guidance to local authorities on the application process was issued in April 2014 and incorporated the following principles:
- a. The total number of senior salaries cannot exceed fifty percent⁴ of the membership.
 - b. Applications will have to be approved by the authority as a whole (this cannot be delegated) prior to submission to the Panel.
 - c. There must be clear evidence that the post/posts have additional responsibility demonstrated by a description of the role, function and duration.
 - d. Each application will have to indicate the timing for a formal review of the role to be considered by the authority as a whole.

⁴Local Government (Wales) Measure 2011 Section 142 (5) The proportion fixed by the Panel in accordance with subsection (4) may not exceed fifty percent unless the consent of the Welsh Ministers has been obtained.

3.27 **Job Sharing Arrangements**

For members of an executive: Each “sharer” will be paid an appropriate proportion of the salary of the Population Group.

The statutory maximum for cabinets cannot be exceeded so each job sharer will count toward the maximum.

Under the Measure, it is the number of persons in receipt of a senior salary, not the number of senior salary posts that count towards the cap. Therefore, for all job share arrangements the senior salary cap will be increased subject to the statutory maximum of 50% of the council’s membership.

The Panel must be informed of the details of any job share arrangements.

The Panel’s determinations on Travel and Subsistence, Reimbursement of Costs of Care and Family Absence are now set out in separate sections of this Annual Report.

4. Joint Overview and Scrutiny Committees (JOSC)

- 4.1 Little use has been made of the arrangements for JOSCs. Therefore, the Panel has decided to delete the payment from the framework. If, in future, a JOSC is formed by an individual council and it wishes to remunerate, it can apply using the arrangements contained in paragraphs 3.25 and 3.26.

5. Pension Provision for Elected Members of Principal Councils

- 5.1 The Local Government (Wales) Measure 2011 provides a power to the Panel to make determinations on pension entitlement for elected members of principal councils.

Determination 12: The entitlement to join the Local Government Pension Scheme (LGPS) shall apply to all eligible elected members of principal councils.

6. Entitlement to Family Absence

This section applies to elected members of principal authorities.

- 6.1 The Regulations relating to Family Absence for elected members of principal councils were approved by the National Assembly for Wales in November 2013⁶ and cover maternity, new born, adoption and parental absences from official business.
- 6.2 The Panel considered the implications for the remuneration of such members who are given absence under the terms of the Welsh Government Regulations and the Panel's determinations are set out below.

Determination 13: An elected member is entitled to retain a basic salary when taking family absence under the regulations irrespective of the attendance record immediately preceding the commencement of the family absence.

Determination 14: When a senior salary holder is eligible for family absence, they will continue to receive the salary for the duration of the absence.

Determination 15: It is a matter for the authority to decide whether or not to make a substitute appointment. The elected member substituting for a senior salary holder taking family absence will be eligible to be paid a senior salary, if the authority so decides.

Determination 16: If the paid substitution results in the authority exceeding the maximum number of senior salaries which relates to it, as set out in the Panel's Annual Report, an addition to the maximum will be allowed for the duration of the substitution. However, this will not apply to the Isle of Anglesey or Merthyr Tydfil Councils if it would result in the number of senior salaries exceeding fifty percent of the Council membership. Specific approval of Welsh Ministers is required in such circumstances.

Determination 17: When a Council agrees a paid substitution for family absence the Panel must be informed within 14 days of the date of the decision, of the details including the particular post and the duration of the substitution.

Determination 18: The Council's schedule of remuneration must be amended to reflect the implication of the family absence.

7. Payments to Members of National Park Authorities (NPAs)

Structure of National Park Authorities

7.1 The 3 National Parks in Wales - Brecon Beacons, Pembrokeshire Coast and Snowdonia were formed to protect spectacular landscapes and provide recreation opportunities for the public. The Environment Act 1995 led to the creation of the 3 corresponding NPAs. National Park Authorities have two main statutory purposes, namely:

- To protect and improve the natural beauty, wildlife and cultural heritage; and
- To promote opportunities for the public to understand and enjoy the National Park's special features.

In addition to fulfilling the National Park's purposes, it is the duty of the National Park Authority to foster the economic and social wellbeing of local communities within the Park.

7.2 National Park Authorities have a committee of Members who are either elected members nominated by the Principal Councils within the National Park area or are members appointed by the Welsh Government through the Public Appointments Process. Welsh Government appointed and council nominated members are treated equally in relation to remuneration.

7.3 The structure of the Members' Committee at each of the 3 national parks is set out in Table 6.

Table 6: Membership of Welsh National Park Authorities

National Park Authority	Total Membership	Principal Council Members	Welsh Government appointed Members
Brecon Beacons	24	16: Blaenau Gwent County Borough Council – 1 Carmarthenshire County Council – 2 Merthyr Tydfil County Borough Council – 1 Monmouthshire County Council – 2 Powys County Council – 8 Rhondda Cynon Taf County Borough Council - 1 Torfaen County Borough Council – 1	8
Pembrokeshire Coast	18	12: Pembrokeshire County Council – 12	6
Snowdonia	18	12: Conwy County Borough Council – 3 Gwynedd Council – 9	6

- 7.4 In addition, Standards Committees of NPAs have Independent Co-opted members whose remuneration is included in the Framework as set out in Section 9.
- 7.5 In considering remuneration of members of NPAs, the Panel has based its determinations on the following key points:
- NPAs manage their work via formal authority meetings, committees and task and finish groups. Each has a Development/Management/Planning Committee, and other committees include Performance and Resources and Audit and Scrutiny. Ordinary NPA members are members of at least one committee as well as being involved in site visits and inspection panels.
 - There is an expectation that members will participate in training and development.
 - The Chair of an NPA has a leadership and influencing role in the authority, a representational role similar in some respects to that of a civic head and a high level of accountability. The chair is not only the leader of the authority but is also the public face of the particular national park and is the link with the Minister and AMs with whom they have regular meetings. The role requires a high level of commitment and time.

Basic and senior salaries

- 7.6 The Panel has previously determined that the role of ordinary members of a NPA should be aligned to the basic salary of a member of a principal council, and that the time commitment required is a notional 42 days per year. This remains the basis of the Panel's determinations.
- 7.7 Over time, the salaries to members of NPAs and those of principal councils have become misaligned. This is due to cumulative rounding of increases in previous years, the Panel wishes to correct this. Therefore, the salary for ordinary members of NPAs will increase by £60 to £3,735.
- 7.8 The Panel has also previously determined that the remuneration of a NPA Chair should be aligned to that part of a Band 3 Level 1 senior salary received by a committee chair of a principal council. This salary will increase to £12,435.
- 7.9 The Panel has provided local flexibility so that a NPA can decide at which of two levels the roles of deputy chair and up to 2 other committee Chairs can be remunerated. A NPA may choose to pay its deputy chair and/or committee chairs a salary of either £7,435 or £6,135, commensurate with the significant and sustained duties to be discharged in a particular role.

Additional Senior Salaries

- 7.10 Feedback was received during the Panel's visits to NPAs that its determination that up to two NPA Committee Chairs could receive a senior salary could be restrictive in the NPAs discharging their governance requirements.
- 7.11 The Panel allows principal councils greater flexibility to apply for specific or additional senior salaries that do not fall within the current Remuneration Framework. The Panel extends this provision to NPAs as reflected in the following principles:
- a. Applications will have to be approved by the authority as a whole (this cannot be delegated) prior to submission to the Panel.
 - b. There must be clear evidence that the post/posts have additional responsibility demonstrated by a description of the role, function and duration.
 - c. Each application will have to indicate the timing for a formal review of the role to be considered by the authority as a whole.
- 7.12 The Panel has made the following determinations:

Determination 19: The basic salary for NPA ordinary members shall be £3,735.

Determination 20: The senior salary of the Chair of an NPA shall be £12,435.

Determination 21: A NPA senior salary can be paid to a Deputy Chair and up to two committee Chairs where there is significant and sustained responsibility. This can be paid at either of the following levels to be decided by the authority to reflect the appropriate responsibility £7,435 or £6,135.

Determination 22: NPAs can apply for specific or additional senior salaries that do not fall within the current Remuneration Framework.

Determination 23: Members must not receive more than one NPA senior salary.

Determination 24: A NPA senior salary is paid inclusive of the NPA basic salary and must reflect significant and sustained responsibility.

Determination 25: Members of a principal council in receipt of a Band 1 or Band 2 senior salary cannot receive a salary from any NPA to which they have been appointed.

The Panel's determinations on Travel and Subsistence, Reimbursements of Costs of Care and Family Absence are now set out in separate sections of this Annual Report.

Note: Family absence does not apply to Welsh Government appointed members and local authority nominees are covered by their principal council so NPAs are not required to make any arrangements in this respect.

8. Payments to Members of Welsh Fire and Rescue Authorities (FRAs)

Structure of Fire and Rescue Authorities

- 8.1 The 3 Fire and Rescue Services (FRAs) in Wales: Mid and West Wales, North Wales and South Wales were formed as part of Local Government re-organisation in 1996.
- 8.2 FRAs comprise elected members who are nominated by the Principal Councils within the Fire and Rescue Service area.
- 8.3 The structure of the each of the 3 FRAs is set out in Table 7.

Table 7: Membership of Fire and Rescue Authorities

Name of Fire and Rescue Authority	Number of Local Authority Members
Mid and West Wales	25: Carmarthenshire County Council – 5 Ceredigion County Council – 2 Neath Port Talbot County Borough Council – 4 Pembrokeshire County Council – 3 Powys County Council – 4 Swansea City and County Council – 7
North Wales	28: Conwy County Borough Council – 5 Denbighshire County Council – 4 Flintshire County Council – 6 Gwynedd Council – 5 Isle of Anglesey County Council – 3 Wrexham County Borough Council – 5
South Wales	24: Bridgend County Borough Council – 2 Blaenau Gwent County Borough Council – 1 Caerphilly County Borough Council – 3 Cardiff City Council – 5 Merthyr Tydfil County Borough Council – 1 Monmouthshire County Council – 2 Newport City Council - 2 Rhondda Cynon Taf County Borough Council - 4 Torfaen County Borough Council – 2 Vale of Glamorgan Council -2

- 8.4 In addition, Standards Committees of FRAs have independent co-opted members whose remuneration is included in the Framework as set out in Section 9.

8.5 In considering remuneration of members of FRAs, the Panel has based its determinations on the following key points:

- The Chair has a leadership and influencing role in the authority, and a high level of accountability especially when controversial issues relating to the emergency service arise. In addition to fire authority meetings, all FRAs have committees that include in different combinations: audit, performance management, scrutiny, human resources, resource management as well as task and finish groups and disciplinary panels. As well as attending formal meetings of the authority and committees, members are encouraged to take on a community engagement role, including visiting fire stations.
- There is a strong training ethos in FRAs. Members are expected to participate in training and development. Induction programmes are available as well as specialist training for appeals and disciplinary hearings.
- Training sessions often follow on from authority meetings to make the training accessible.

Basic and Senior Salaries

8.6 The Panel has previously determined the remuneration of ordinary members of a FRA should be aligned to the basic salary of a member of a principal council and the time commitment required is a notional 20 days per year. This remains the basis of the Panel's determinations.

8.7 Over time, the salaries of members of FRAs and those of principal councils have become misaligned. This is due to cumulative rounding of increases in previous years, the Panel wishes to correct this. The salary for ordinary members of FRAs will increase by £35 to £1,780.

8.8 The Panel determined that the remuneration of a FRA Chair should be aligned to that part of a Band 3 Level 1 senior salary received by a committee chair of a principal council. This salary will increase to £10,480.

8.9 The Panel determined that the remuneration of a FRA Deputy Chair where there is significant and sustained senior responsibility will be aligned with the Band 5 senior salary. This salary will increase to £5,480.

8.10 The Panel has determined that up to two FRA committee chairs where there is significant and sustained responsibility can be remunerated.

Additional Senior Salaries

- 8.11 The Panel allows principal councils greater flexibility to apply for specific or additional senior salaries that do not fall within the current Remuneration Framework. The Panel extends this provision to FRAs as reflected in the following principles:
- a. Applications will have to be approved by the authority as a whole (this cannot be delegated) prior to submission to the Panel.
 - b. There must be clear evidence that the post/posts have additional responsibility demonstrated by a description of the role, function and duration.
 - c. Each application will have to indicate the timing for a formal review of the role to be considered by the authority as a whole.

Local Pension Boards

8.12 The Panel has considered requests from FRAs to allow them to pay salaries to Chairs of local pension boards established under the Firefighters' Pension Scheme (Wales) Regulations 2015. Those Regulations already give FRAs the power to decide how local pension boards are to work and to pay the Chair and members if they wish. Therefore it is not appropriate for the Panel to make a determination empowering FRAs to pay salaries to local pension board Chairs. The senior salaries in Determination 27 or 28 cannot be used exclusively for this role.

8.13 The Panel has made the following determinations:

Determination 26: The basic salary for FRA ordinary members shall be £1,780.

Determination 27: The senior salary of the Chair of an FRA shall be £10,480.

Determination 28: An FRA senior salary can be paid to the Deputy Chair and up to two Chairs of committees where there is significant and sustained responsibility. This shall be paid at £5,480.

Determination 29: FRAs can apply for specific or additional senior salaries that do not fall within the current Remuneration Framework.

Determination 30: Members must not receive more than one FRA senior salary.

Determination 31: A FRA senior salary is paid inclusive of the FRA basic salary and must reflect significant and sustained responsibility.

Determination 32: Members of a principal council in receipt of a Band 1 or Band 2 senior salary cannot receive a salary from any FRA to which they have been nominated.

The Panel's determinations on Travel and Subsistence, Reimbursement of Costs of Care and Family Absence are now set out in separate sections of this Annual Report.

9. Payments to Co-opted Members of Principal Councils, National Park Authorities and Fire & Rescue Authorities ⁷

- 9.1 The Panel has determined that a daily/half daily fee is appropriate remuneration for the important role undertaken by co-opted members of authorities with voting rights (this includes the co-opted member from a Town or Community council). The level of payments is equivalent to the current daily rates for chairs and members of the Welsh Government's Band 2 sponsored bodies. The Panel notes there has been no uplift in these payment levels across such bodies since 2010.
- 9.2 Principal councils, NPAs and FRAs can decide on the maximum number of days in any one year for which co-opted members may be paid. Recognising the important role that co-opted members have, payment must be made for preparation time, committee and other types of meetings as well as other activities, including training, as set out in Determination 34.
- 9.3 The determinations are set out below and principal councils, NPAs and FRAs must tell co-opted members the name of the appropriate officer who will provide them with the information required for their claims; and make the appropriate officer aware of the range of payments that should be made.

Determination 33: Principal councils, NPAs and FRAs must pay the following fees to co-opted members who have voting rights (Table 8).

Table 8: Fees for co-opted members (with voting rights)

Chairs of standards, and audit committees	£256 (4 hours and over) £128 (up to 4 hours)
Ordinary members of standards committees who also chair standards committees for community and town councils	£226 daily fee (4 hours and over) £113 (up to 4 hours)
Ordinary members of standards committees; education scrutiny committee; crime and disorder scrutiny committee and audit committee	£198 (4 hours and over) £99 (up to 4 hours)
Community and town councillors sitting on principal council standards committees	£198 (4 hours and over) £99 (up to 4 hours)

Determination 34: Reasonable time for pre-meeting preparation is to be included in claims made by co-opted members the extent of which can be determined by the appropriate officer in advance of the meeting.

Determination 35: Travelling time to and from the place of the meeting is to be included in the claims for payments made by co-opted members (up to the maximum of the daily rate).

Determination 36: The appropriate officer within the authority must determine in advance whether a meeting is programmed for a full day and the fee will be paid on the basis of this determination even if the meeting finishes before four hours has elapsed.

Determination 37: Fees must be paid for meetings and other activities including other committees and working groups (including task and finish groups), pre-meetings with officers, training and attendance at conferences or any other formal meeting to which co-opted members are requested to attend.

Support for co-opted members

- 9.4 The Panel's visits to principal councils in 2017 identified some good practice in how the important role of co-opted members was reflected in the communication and support they receive. In the best cases, they received the same range of support as elected members, enabling them to undertake their role fully. However, concerns were raised in several councils where the Panel's determinations were not being fully implemented and there was limited support available for co-opted members.

Determination 38: Each authority, through its Democratic Services Committee or other appropriate committee, must ensure that all voting co-opted members are given as much support as is necessary to enable them to fulfil their duties effectively. Such support should be without cost to the individual member.

The Panel's determinations on Travel and Subsistence, Reimbursement of Costs of Care and Family Absence are now set out in separate sections of this Annual Report.

⁷ This section does not apply to co-opted members to community and town councils.

10. Reimbursement of Costs of Care

- 10.1 This section applies to members of principal councils, National Park Authorities, Fire and Rescue Authorities and to Co-opted members of these authorities. The same provision for Community and Town Councils is set out in section 13.
- 10.2 The purpose of this section is to enable people who have personal support needs and or caring responsibilities to carry out their duties effectively as a member of an authority. The Panel believes that additional costs of care required to carry out approved duties should not deter any individual from becoming and remaining a member of an authority or limit their ability to carry out the role.
- 10.3 The Panel recognises the issues relating to the publication of this legitimate expense. This is reflected in the options for publication as set out in Annex 4. To support current members and to encourage diversity the Panel urges authorities to promote and encourage greater take-up of the reimbursement of costs of care.

Determination 39: All authorities must provide for the reimbursement of necessary costs for the care of dependent children and adults (provided by informal or formal carers) and for personal assistance needs up to a maximum of £403 per month. Reimbursement must be for the additional costs incurred by members in order for them to carry out their approved duties. Reimbursement shall only be made on production of receipts from the carer.

11. Sickness Absence for Senior Salary Holders

- 11.1 The Family Absence Regulations (approved by the National Assembly in 2014) are very specific relating to entitlement and only available for elected members of principal councils. Absence for reasons of ill-health is not included.
- 11.2 Instances have been raised with the Panel of senior salary holders on long term sickness and the perceived unfairness in comparison with the arrangements for family absence. In consequence, councils are faced with the dilemma of:
- Operating without the individual member but still paying them the senior salary.
 - Replacing the member who therefore loses the senior salary (but retains the basic salary).
- 11.3 The Panel's Framework provides specific arrangements for long term sickness as set out below:
- a) Long term sickness is defined as certified absences in excess of 4 weeks.
 - b) The maximum length of sickness absence within these proposals is 26 weeks or until the individual's term of office ends, whichever is sooner (but if reappointed any remaining balance of the 26 weeks will be included).
 - c) Within these parameters a senior salary holder on long term sickness can, if the authority decides continue to receive remuneration for the post held.
 - d) It is a decision of the authority whether to make a substitute appointment but the substitute will be eligible to be paid the senior salary appropriate to the post.
 - e) If the paid substitution results in the authority exceeding the maximum number of senior salaries payable for that authority as set out in the Annual Report, an addition will be allowed for the duration of the substitution. (However this would not apply to Merthyr Tydfil or the Isle of Anglesey councils if it would result in more than 50% of the membership receiving a senior salary. It would also not apply in respect of a council executive member if it would result in the cabinet exceeding 10 posts - the statutory maximum).
 - f) When an authority agrees a paid substitution the Panel must be informed within 14 days of the decision of the details including the specific post and the estimated length of the substitution. The authorities' Schedule of Remuneration must be amended accordingly.
 - g) It does not apply to elected members of principal councils who are not senior post holders as they continue to receive basic salary for at least

six months irrespective of attendance and any extension beyond this timescale is a matter for the authority.

- 11.4 This arrangement applies to members of principal councils, National Park Authorities and Fire and Rescue Authorities who are senior salary holders, including Welsh Government appointed members, but does not apply to co-opted members.

Note:

The Family Absence Regulations apply to elected members in cases of maternity, new born, adoption and parental absences from official business. They do not apply to Welsh Government appointed members of National Park Authorities.

12. Reimbursement of Travel and Subsistence Costs when on Official Business

- 12.1 This section applies to members of principal authorities, National Park Authorities, Fire and Rescue Authorities and to co-opted members of these authorities. (Similar provision for Community and Town Councils is contained in section 13 as there is a different approach to such members, principally that the provision is permissive.)
- 12.2 Members may claim reimbursement for travel and subsistence (meals and accommodation) costs where these have arisen as a result of undertaking official duties. Expenses reimbursed to members by their local authority are exempt from Income Tax and employee NICs.
- 12.3 The Panel is aware that in some instances members with disabilities have been reluctant to claim legitimate travel expenses because of an adverse response following the publication of their travel costs. As an alternative, travel arrangements could be made directly by the authority in such circumstances.
- 12.4 The Panel has determined there will be no change to mileage rates which members are entitled to claim. All authorities may only reimburse travel costs for their members undertaking official business within and/or outside the authority's boundaries at the current HM Revenue and Customs (HMRC) rates which are:

Reimbursement of mileage costs

45p per mile	Up to 10,000 miles in a year by car
25p per mile	Over 10,000 miles in a year by car
5p per mile	Per passenger carried on authority business
24p per mile	Motor cycles
20p per mile	Bicycles

- 12.5 Where a member who is on official business is driven by a third party (not a member or officer of that authority), the member can claim mileage at the prescribed rates plus any parking or toll fees provided the authority is satisfied that the member has incurred these costs.

Reimbursement of other travel costs

- 12.6 All other claims for travel must only be reimbursed on production of receipts showing the actual cost and will be subject to any requirement or further limitation that an authority may determine. Members should always be mindful of choosing the most cost effective method of travel.

Reimbursement of subsistence costs

£28 per day	Day allowance for meals, including breakfast, where not provided in the overnight charge
£200 per night	London
£95 per night	Elsewhere
£30 per night	Staying with friends and/or family

- 12.7 These rates are in line with Welsh Government rates. Recommended practice is that overnight accommodation should usually be reserved and paid for on behalf of members by the relevant authority, in which case an authority may set its own reasonable limits and the limits which apply when an individual member claims in arrears for overnight accommodation costs do not then apply.
- 12.8 All authorities must continue to reimburse subsistence expenses for their members up to the maximum rates set out above on the basis of receipted claims except for occasions when members stay with friends and/or family.
- 12.9 There may be instances where an authority has determined that travel costs within its boundaries are payable and require a journey to be repeated on consecutive days. Where it is reasonable and cost effective to reimburse overnight accommodation costs, instead of repeated daily mileage costs, then it is permissible to do so.
- 12.10 It is not necessary to allocate the maximum daily rate (£28 per day) between different meals as the maximum daily rate reimbursable covers a 24 hour period and can be claimed for any meal if relevant, provided such a claim is accompanied by receipts.

Car Parking for Members

Several councils have specific arrangements for their members in respect of car parking. The Panel considers that it is a matter for individual councils to determine arrangements including payments to and from members providing that it is a decision made formally by the council.

13. Payments to Members of Community and Town Councils

- 13.1 The Panel recognises a wide variation in geography, scope and scale across the 735 community and town councils in Wales, from small community councils with relatively minimal expenditure and few meetings to large town councils with significant assets and responsibilities.
- 13.2 Since producing the 2018 Annual Report, the Panel has met with over 244 Councillors and Clerks representing 243 community and town councils in 13 meetings it held across Wales. The Panel also gave evidence to the Welsh Government's review of Community and Town Councils. The discussions re-confirmed the widely held view that the roles individual councils undertake varied significantly and in accordance with this wide variation, the responsibilities and accountabilities of councillors must also vary. Councillors managing income or expenditure of £1m and those delivering significant services, including some that might have been delegated from principal councils, are operating in a much more complex environment than a council with an annual budget of less than £30,000.
- 13.3 In the 2018 Annual Report the Panel formed 3 groups of community and town councils to reflect these differences based on the level of income *or* expenditure, whichever is the highest, in the previous financial year. These remain unchanged as set out in Table 9.

Table 9: Community and Town Council Groupings

Community and Town Council Group	Income <i>or</i> Expenditure in 2018-19 of:
A	£200,000 and above
B	£30,000 - £199,999
C	Below £30,000

- 13.4 The discussions held with community and town councils during 2018 raised a number of queries in respect of which the following paragraphs provide further clarification.
- 13.5 In order to act and carry out duties as a member of a community or town council all persons are required to make a formal declaration of acceptance of office. Following this declaration, members of community or town councils are then holders of elected office and occupy a role that is part of the Welsh local government structure. It is important to note that a person who follows this path is in a different position to those in other forms of activity, for example such as volunteering or charitable work, typically governed by the Charity Commission for England and Wales.
- 13.6 Under the Local Government (Wales) Measure 2011, community and town

councils are relevant authorities for the purpose of remuneration.

- 13.7 Consequently, individuals who have accepted office as a member of a community or town council are entitled to receive payments as determined by the Independent Remuneration Panel for Wales. It is the duty of the proper officer of a council (usually the Council Clerk) to make arrangements for correct payments to be made to all individuals entitled to receive them.
- 13.8 Members should receive monies to which they are properly entitled as a matter of course. There must be no requirement for individuals to 'opt in' to receive payments.
- 13.9 An individual may decline to receive part, or all, of the payments if they so wish. This must be done in writing and is an individual matter. A community or town council member wishing to decline payments must themselves write to their proper officer to do so.
- 13.10 The Panel wants any member who has personal costs, support needs or caring responsibilities to be able to fulfil their role. To reflect this, the Panel is mandating payment of a contribution to costs and expenses for members of all community and town councils as set out in Determination 40. The Panel is also mandating reimbursement of cost of care for all members of community and town councils as set out in Determination 46.
- 13.11 In each community and town council the proper officer should ensure there is ready access to proper reimbursements of costs of care to enable those eligible for reimbursement to participate in the democratic process. It is inappropriate for councils or councillors to create a climate, or otherwise pressurise others, in order to prevent persons accessing any monies to which they are entitled that may support them to participate in local democracy.
- 13.12 Members in receipt of a Band 1 or Band 2 senior salary from a principal council cannot receive any payment from any community or town council, other than travel and subsistence expenses and reimbursement of costs of care. However, this does not preclude them from holding a senior role (Leader, Deputy Leader) without payment.
- 13.13 Table 10 sets out the actions that community and town councils must take annually in respect of each determination that follows.

Payments towards costs and expenses

- 13.14 The Panel is mandating a payment of £150 as a contribution to costs and expenses for members of all community and town councils. Previously this was not mandated for all groups, but feedback expressed disappointment in this and the Panel felt that any member who wanted to receive this payment should be entitled to do so.

- 13.15 For the avoidance of doubt this determination now includes councils in Group C as well as Groups A and B. Receipts are not required for these payments.

Determination 40: All community and town councils must make available a payment to each of their members of £150 per year as a contribution to costs and expenses.

Senior roles

- 13.16 The Panel recognises that specific member roles especially within the larger community and town councils, for example a committee chair, will involve greater responsibility. It is also likely that larger councils will have a greater number of committees, reflecting its level of activity. The Panel has therefore determined that councils in Group A must make available a payment for a minimum of one senior role and a maximum of five senior roles of up to £500 each. Councils in Groups B and C can pay up to five responsibility payments (of up to £500) for specified roles.
- 13.17 In all cases, a Councillor can only have one payment of £500 regardless of how many senior roles they hold within their Council.

Determination 41: Community and town councils in Group A must make available an annual payment of £500 each to a minimum of 1 and a maximum of 5 members in recognition of specific responsibilities. This is in addition to the £150 payment for costs and expenses.

Determination 42: Community and town councils in Groups B or C can make an annual payment of up to £500 each to up to 5 members in recognition of specific responsibilities. This is in addition to the £150 payment for costs and expenses.

- 13.18 Where a person is a member of more than one town or community council, they are eligible to receive the £150 and, if appropriate, £500 from each council of which they are a member.

Reimbursement of travel costs and subsistence costs

- 13.19 The Panel recognises there can be significant travel and subsistence costs associated with the work of community and town council members, especially where the council area is geographically large and/or when engaging in duties outside this area. Each council has an option to pay travel and subsistence costs and where it does the following determinations apply.

Determination 43: Community and town councils can make payments to each of their members in respect of travel costs for attending approved duties.⁸ Such payments must be the actual costs of travel by public transport or the HMRC mileage allowances as below:

- 45p per mile up to 10,000 miles in the year.
- 25p per mile over 10,000 miles.
- 5p per mile per passenger carried on authority business.
- 24p per mile for private motor cycles.
- 20p per mile for bicycles.

Determination 44: If a community or town council resolves that a particular duty requires an overnight stay, it can authorise reimbursement of subsistence expenses to its members at the maximum rates set out below on the basis of receipted claims:

- £28 per 24-hour period allowance for meals, including breakfast where not provided.
- £200 – London overnight.
- £95 – elsewhere overnight.
- £30 – staying with friends and/or family overnight.

Compensation for financial loss

13.20 The Panel has retained the facility which councils may pay as compensation to their members where they suffer financial loss when attending approved duties. This figure had not been adjusted for a number of years and therefore the Panel has updated it in line with the most recent *Office for National Statistics Annual Survey of Hours and Earnings - median salary for full time employees in Wales and Average Actual Weekly Hours of Work for full-time workers (seasonally adjusted)*. Members must be able to demonstrate that the financial loss has actually been incurred. Each council has an option to pay compensation for financial loss and where it does the following determination applies.

⁸ Where a member who is on official business is driven by a third party (not a member or officer of that authority), the member can claim mileage at the prescribed rates plus any parking or toll fees provided the authority is satisfied that the member has incurred these costs.

Determination 45: Community and town councils can pay financial loss compensation to each of their members, where such loss has actually occurred, for attending approved duties as follows:

- Up to £54.00 for each period not exceeding 4 hours
- Up to £108.00 for each period exceeding 4 hours but not exceeding 24 hours

Reimbursement of the costs of care

13.21 The purpose of this is to enable people who have personal support needs and or caring responsibilities to carry out their duties effectively as a member of an authority. The Panel believes that the additional costs of care required to carry out approved duties should not deter people from becoming and remaining a member of an authority or limit their ability to carry out the role.

13.22 The Panel recognises the issues relating to the publication of this legitimate expense. This is reflected in the options for publication as set out in Annex 4. To support current members and to encourage diversity the Panel urges authorities to promote and encourage greater take-up of the reimbursement of costs of care.

Determination 46: All community and town councils must provide for the reimbursement of necessary costs for the care of dependent children and adults (provided by informal or formal carers) and for personal assistance needs up to a maximum of £403 per month. Reimbursement must be for the additional costs incurred by members in order for them to carry out their approved duties. Reimbursement shall only be made on production of receipts from the carer.

Civic Head / Deputy Civic Head

13.23 Civic heads are senior posts within community and town councils. In addition to chairing major meetings the civic head is the 'ambassador' representing the council to a variety of institutions and organisations. The Panel requires that members should not have to pay for the cost of the support that is needed to carry out these duties. This requirement also applies in respect of deputy civic heads.

13.24 The Panel recognises the wide range of provision made for civic heads in respect of transport, secretarial support, charitable giving and clothing. Funding decisions in relation to levels of such additional support are not matters of personal remuneration, but of the funding required to carry out the tasks and duties. These matters remain entirely a matter for individual councils. Councils remain free to invest in support at whatever levels they deem appropriate for the levels of civic leadership they have in place.

- 13.25 For the avoidance of doubt, support in respect of, for example, transport (physical transport or mileage costs), secretarial support, charitable giving (purchasing tickets, making donations or buying raffle tickets) and clothing are not matters of personal remuneration for the individual holding the senior post.
- 13.26 These support costs relate to the tasks and duties of the roles and individual councils will make funding decisions in relation to such support, as they deem appropriate for the levels of civic leadership they have in place.
- 13.27 Recognising that some mayors and chairs of community and town councils and their deputies are very active during their year of office, the Panel has determined that community and town councils can make a payment to the individuals holding these roles.
- 13.28 This payment is to be used or retained at the individual's discretion and does not relate to the support costs set out above.
- 13.29 The Panel has determined that the maximum amount that can be paid to a chair/mayor of a community or town council is £1,500. The maximum amount that can be paid to a deputy mayor/chair is £500.

Determination 47: Community and town councils can provide a Civic Head payment to the mayor/chair of the council up to a maximum of £1,500. This is in addition to the £150 payment for costs and expenses and the £500 senior salary if these are claimed.

Determination 48: Community and town councils can provide a Deputy Civic Head payment to the deputy mayor/deputy chair of the council up to a maximum of £500. This is in addition to the £150 payment for costs and expenses and the £500 senior salary if these are claimed.

Making Payments to members

- 13.30 Table 10 sets out each of the above determinations and if a decision is required by the council in respect of each one.
- 13.31 In respect of the mandated payments where no decision is required by a council, members should receive monies to which they are properly entitled as a matter of course.
- 13.32 Where a decision is required by the council, this should be done at the first meeting following receipt of the Annual Report.
- 13.33 A council can adopt any, or all, of the non-mandated determinations but if it does make such a decision, it must apply to all its members.
- 13.34 When payments take effect from is set out in paragraphs 13.38 to 13.40 below.
- 13.35 On receipt of the draft Annual Report the previous autumn, councils should consider the determinations for the next financial year and use this to inform budget plans.

Table 10

49 - Members in receipt of a Band 1 or Band 2 senior salary from a principal council (that is Leader, Deputy Leader or Executive Member) cannot receive any payment from any community or town council, other than travel and subsistence expenses and reimbursement of costs of care.	No - Members in receipt of a Band 1 or Band 2 senior salary from a principal council (that is Leader, Deputy Leader or Executive Member) can only receive travel and subsistence expenses and reimbursement of costs of care; if they are eligible to claim, and wish to do so.

13.36 All members are eligible to be paid the £150 as set out in Determination 40 from the start of the financial year (unless they are elected later in the financial year).

13.37 Other amounts payable to members in recognition of specific responsibilities or as a civic head or deputy civic head as set out in Determinations 41,42, 47 and 48 are payable from the date when the member takes up the role during the financial year.

13.38 It is a matter for each council to decide:

- when the payment is actually made to the member;
- how many payments the total amount payable is broken down into;
- and, whether and how to recover any payments made to a member who leaves their role during the financial year.

13.39 Payments in respect of Determinations 43, 44, 45 and 46 are payable when the activity they relate to has taken place.

13.40 As stated in paragraph 13.9, any individual member may make a personal decision to elect to forgo part or all of the entitlement to any of these payments by giving notice in writing to the proper officer of the council.

Determination 49: Members in receipt of a Band 1 or Band 2 senior salary from a principal council (that is Leader, Deputy Leader or Executive Member) cannot receive any payment from any community or town council, other than travel and subsistence expenses and reimbursement of costs of care.

Publicity requirements

13.41 There is a requirement on community and town councils to publish details of all payments made to individual members in an annual Statement of Payments for each financial year. This information must be published on council noticeboards and/or websites (with easy access) and provided to the Panel by email or by post no later than 30 September following the end of the previous financial year. The Panel draws attention to the requirements stipulated at Annex 4. The Panel is concerned that a significant number of councils are still in breach of this requirement.

14. Compliance with Panel Requirements

The Panel's remit under the Measure

- 14.1 Section 153 of the Measure empowers the Panel to require a relevant authority⁹ to comply with the requirements imposed on it by an Annual Report of the Panel and further enables the Panel to monitor the compliance of relevant authorities with the Panel's determinations.
- 14.2 A relevant authority must implement the Panel's determinations in this report from the date of its annual meeting or a date specified within the Annual Report.

Monitoring compliance

- 14.3 The Panel will monitor the compliance with the determinations in this Annual Report by relevant authorities against the following requirements:
- (i) A relevant authority must maintain an annual **Schedule of Member Remuneration** (IRPW Regulations 4 and 5). Guidance at Annex 3 sets out the content which must be included in the Schedule.
 - (ii) A relevant authority must make arrangements for the Schedule's publication within the authority area (IRPW Regulation 46) and send the Schedule to the Panel as soon as practicable and not later than 31 July in the year to which it applies. Annex 4 provides further details of the publicity requirements.
 - (iii) Any amendments to the Schedule made during the year must be conveyed to the Panel as soon as possible after the amendment is made.

Note: The above requirements do not apply to Community and town councils at this time. The following applies to all authorities including Community and town councils.

- (iv) A relevant authority must make arrangements for publication within the authority area of the total sum paid by it in the previous financial year to each member and co-opted member in respect of salary (basic, senior and civic), allowances, fees and reimbursements in a Statement of Payments (in accordance with Annex 4 that sets out the content that must be included in the Publicity Requirements). This must be published as soon as practicable and no later than 30 September following the end of the previous financial year- and must be submitted to the Panel no later than that date.

⁹ Interpretation of "Relevant Authority" provided in the Independent Remuneration Panel for Wales (IRPW) Regulations, Part 1, 'Interpretation'.

15. Salaries of Heads of Paid Service of Principal Councils and Fire and Rescue Authorities and Chief Officers of Principal Councils

- 15.1 Section 63 of the Local Government (Democracy) (Wales) Act 2013 amended the Local Government (Wales) Measure 2011 by inserting section 143A. This enables the Panel to take a view on anything in the Pay Policy Statements of these authorities that relates to the salary of the head of paid service (normally the chief executive or chief fire officer). Section 39 of the Local Government (Wales) Act 2015 further amended the Measure extending this function to include Chief Officers of Principal Councils.
- 15.2 The Welsh Government issued amended guidance to the Panel which can be found at <http://gov.wales/docs/dsjlg/publications/localgov/160212-irp-guide-salaries-en-v2.pdf>. This sets the basis on which the Panel will carry out the function contained in the legislation.
- 15.3 In essence the functions of the Panel and the requirements on authorities established by the legislation and the subsequent guidance are:
- a) If a principal council intends to change the salary of the head of paid service or chief officer, or if a fire and rescue authority intends to change the salary of its head of paid service it must consult the Panel unless the change is in keeping with changes applied to other officers of that authority (whether the change is an increase or decrease). 'Salary' includes payments under a contract for services as well as payments of salary under an employment contract.
 - b) The authority must have regard to the recommendation(s) of the Panel when reaching its decision.
 - c) The Panel may seek any information that it considers necessary to reach a conclusion and produce a recommendation. The authority is obliged to provide the information sought by the Panel.
 - d) The Panel may publish any recommendation that it makes. It is the intention that, in the interests of transparency, it will normally do so.
 - e) The Panel's recommendation(s) could indicate:
 - approval of the authority's proposal
 - express concerns about the proposal
 - recommend variations to the proposal
- as long as these comply with any guidance issued by the Welsh Government.
- 15.4 The Panel also has a general power to review the Pay Policy Statements of authorities so far as they relate to the heads of paid service (and chief officers

until 2020).

- 15.5 It is important to note the Panel will not decide the amount an individual head of paid service will receive.
- 15.6 The Panel is very aware that this additional function is significantly different from its statutory responsibilities in relation to members' remuneration. However, it will ensure that it undertakes this role with clarity and openness, taking into account all the relevant factors in respect of specific individual cases. Authorities are encouraged to consult the Panel at an early stage in their decision making on such matters. This will enable the Panel to respond in a timely manner.

Pay Policy Statements

- 15.7 Paragraph 3.7 of the guidance to the Panel from the Welsh Government states that "The legislation does not restrict the Panel to a reactive role". It allows the Panel to use its power to make recommendations relating to provisions within local authorities Pay Policy Statements. The Panel has considered this in the context of its resources and has decided that these limit the time that could be applied to this open power. So it will examine changes from year to year of the salaries of Chief Executives and Chief Officers to ensure that these comply with the requirements of the legislation.

Mr Darren Mepham

Bridgend County Borough Council

Dear Mr Mepham

Proposed Senior Management Structure

I agreed with Kelly Watson that I would confirm my observations on your proposals that I discussed with her by telephone on Wednesday 14th February.

Your proposed restructure has been approved by Council and the next stage is to seek approval to consult and move to a job evaluation exercise. This is entirely a matter for the Council and is not within the Panel's remit as determined by the legislation and Welsh Government guidance.

However, following the job evaluation it is the intention to "slot" members of staff into posts within the new structure. If this results in a change in salary (increase or decrease) for any individual this would be a matter for our consideration. I asked Kelly Watson the intention in respect of the post of Deputy Chief Executive and was advised that this role would be added to the responsibilities of one of the corporate directors. I consider that this would be a matter for the Panel.

I hope that this explanation is helpful.

Dear Ms Hayden

Application for Additional Specific Senior Salaries

Your submission sent on the 9 and 15 March for two additional senior salaries was considered by the Panel in its meeting on the 22 March.

Having examined the submission from your authority the Panel consider that the nomination of two councillors to Silent Valley Waste Service Ltd (SVWS) as directors and the payment of those directors by the company falls outside the Panel's remit.

This is because SVWS is a separate legal entity and the duty of the directors is directly owed to the company which is an outside body distinct from Blaenau Gwent county borough council. Payment to directors is not within the Panel's remuneration Framework.

SVWS can therefore decide to pay its directors as it chooses.

Dear Sophie,

Your email of 17 October with summary report and supporting documents for your proposal to increase the Head of Highways and Environment salary has been considered by the Independent Remuneration Panel for Wales at its meeting on 24 October. All members of the Panel were present and therefore the meeting was quorate.

In respect of the function of the Panel related to the salaries of chief officers the remit and guidance from the Welsh Government allows the Panel to:

- a) Approve the proposals
- b) Express concerns about the proposals
- c) Recommend a variation to the proposals

Having examined your submission the Panel it is the decision of the Panel to express concerns about your proposal to increase the Head of Highways and Environment salary from £68,889 - £71,002 to £84,009-£86,589.

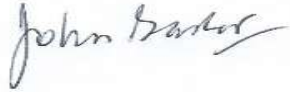

The omission of service responsibilities from the original job description is an odd circumstance which does not change the Panel's view that those services are typical of the range of duties which would be expected to be carried out by a head of highways.

The job as described does not differ from other comparable posts in north Wales and the information provided does not convince the Panel that the scope of the post has changed so much to justify the re-grading.

The Panel also queried which portfolio these missing service responsibilities were

placed previously. If these responsibilities are now going to be moved to the Head of Highways portfolio, is there a financial consequence for the post which will lose a significant part of the responsibilities.

Yours sincerely

30 October 2018

Dear Carys,

Your email dated 11 October and the enclosed report have been considered by the Independent Remuneration Panel for Wales at its meeting on 24 October. All members of the Panel were present and therefore the meeting was quorate.

In respect of the function of the Panel related to the salaries of chief officers the remit and guidance from the Welsh Government allows the Panel to:

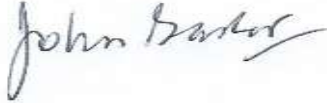

- a) Approve the proposals
- b) Express concerns about the proposals
- c) Recommend a variation to the proposals

Having examined the submission from your authority it is the decision of the Panel to recommend a variation to your proposal to increase the current salary level of the vacant Head of Highways from £61,554 – £67,923 to a maximum salary not exceeding £75,410.

The Panel noted that the proposed salary takes it above and beyond the highest comparators cited in your report. The Panel recognise the principle of the market rate for the post being used as the baseline as occurred in other hard to fill posts within Ynys Mon but the comparators used in that case were higher and the additional supplement did not take the salary above the highest paid range, but rather to a mid way point.

The variation the Panel recommend is for the salary level of the post to not exceed £71,606. This figure is at the top of the comparator salary ranges cited in your report and conforms to the previous case.

Yours sincerely

Thank you for your email of 10 December to the IRP mail box and the enclosed additional information provided. The papers have been considered by the Independent Remuneration Panel for Wales at its meeting on 17 January. All members of the Panel were present and therefore the meeting was quorate.

In respect of the function of the Panel related to the salaries of chief officers the remit and guidance from the Welsh Government allows the Panel to:

The Panel continue to note that the proposed salary takes it above and beyond the highest comparators cited in your report.

The variation the Panel recommend is for the salary level of the post to not exceed £71,606 as stated in the Panels previous letter of 30 October, the Panel cannot see any justification for changing their previous position despite the additional information you have provided.

10. Where a member is suspended or partially suspended from being a member of an authority (Part 3 of the 2000 Act refers) the part of the basic salary payable to that member in respect of the responsibilities or duties from which that member is suspended or partially suspended must be withheld by the authority (Section 155(1) of the Measure).

Senior salary

12. The Panel will prescribe in its Annual or Supplementary Reports the following:

 15. The Panel in its Annual or Supplementary Reports will determine either the maximum proportion of its membership or the total number of members that an authority can pay as senior salaries. The percentage may not exceed fifty percent without the express approval of Welsh Ministers (Section 142(5) of the Measure). For principal councils only, the maximum proportion or number may be exceeded to include payment of a senior salary to an additional member who is appointed to provide temporary cover for the family absence of a senior salary office holder (subject to the 50% limit).
 - 15(a). For principal councils, Fire and Rescue Authorities and National Park Authorities the maximum proportion or number may be exceeded to include the payment of a senior salary to an additional member who is appointed to provide temporary cover for the sickness absence of a senior salary holder as determined in the Annual Report or a Supplementary Report.
 - 15(b). Payments to chairs of Joint Overview and Scrutiny Committees or Sub Committees are additional to the maximum proportion of its membership that an authority can pay as senior salaries subject to the overall maximum of fifty percent as contained in Section 142(5) of the Measure. The Panel will determine the amounts of such payments in an Annual or Supplementary Report.
 16. An authority must not pay more than one senior salary to any member. A principal council member in receipt of a senior salary as leader or executive member of a local authority (determined as full-time by the Panel) may not receive a second salary as a member appointed to serve on a national park authority or a Welsh fire and rescue authority.
 - 16(a). Paragraph 16 does not apply to payments made to a chair of a Joint Overview and Scrutiny Committee or Sub Committee who is in receipt of a senior salary for a role that is not classified as full time equivalent. It continues to apply to leaders or members of the executive.
 17. Where a member does not have, throughout the year specific responsibilities that allow entitlement to a senior salary, that member's payment is to be such proportion of the salary as the number of days during which that member has such special responsibility bears to the number of days in that year.
 18. Where a member is suspended or partially suspended from being a member of the authority (Part 3 of the 2000 Act refers) the authority must not make

payments of the member's senior salary for the duration of the suspension (Section 155(1) of the Measure). If the partial suspension relates only to the specific responsibility element of the payment, the member may retain the basic salary.

Co-opted member payment

19. A relevant authority must provide for the payment of a fee to a co-opted member as determined by the Panel in its Annual or Supplementary Reports. In relation to this regulation 'co-opted member' means a member as determined in Section 144(5) of the Measure and set out in paragraph 2 of these Regulations.

Costs of Care

21. Authorities must provide for the payment to members and co-opted members of an authority the reimbursement in respect of such expenses of arranging the care of children or dependants or for the individual member as are necessarily incurred in carrying out official business as a member or co-opted member of that authority. Payments under this paragraph must not be made:
 - In respect of any child over the age of fifteen years or dependant unless the member/co-opted member satisfies the authority that the child or dependant required supervision which has caused the member to incur expenses that were necessary in respect of the care of that child or dependant in the carrying out of the duties of a member or co-opted member.
 - To more than one member/co-opted member of the authority in relation to the care of the same child or dependant.
 - Of more than one reimbursement for care to a member or co-opted member of the authority who is unable to demonstrate to the satisfaction of the authority that the member/co-opted member has to make separate arrangements for the care of different children or dependants.
22. The maximum amount of the cost of care payable by an authority is to be determined by the Panel in its Annual or Supplementary Reports.
23. Where a member/co-opted member is suspended or partially suspended from being a member or co-opted member of the authority (Part 3 of the 2000 Act refers) the part of the reimbursement of the cost of care payable to that member/co-opted member in receipt of the responsibilities or duties from

24. An authority's Schedule must stipulate the maximum amount of the reimbursement of costs of care payable each month and its arrangements for making claims, taking full account of the Panel's determinations in this respect.

Travel and subsistence allowances

25. Subject to paragraphs 26 and 27 below a member or co-opted member is entitled to receive payments from the authority by way of travelling and subsistence allowances at rates determined by the Panel in its Annual or Supplementary Reports. Such allowances are in respect of expenditure incurred by a member or co-opted member in the performance of the official business of the authority.

(Paragraphs 26 & 27 apply only to principal councils)

26. Payment of a subsistence allowance to a local authority member for the performance of official business within the boundaries of a county or county borough where s/he is a member should only be made when the authority is satisfied that it can be justified on economic grounds. This does not apply in respect of co-opted members of a local authority who live outside that authority.
27. A local authority may make provision, subject to any limitations it thinks fit, for members to claim mileage expenses for official business in connection with constituency or ward responsibilities where they arise out of the discharge of the functions of the county or county borough.
28. Where a member or co-opted member is suspended or partially suspended from being a member or co-opted member of the authority (Part 3 of the 2000 Act refers), travelling and subsistence allowances payable to that member/co-opted member in respect of the responsibilities or duties from which that member is suspended or partially suspended must be withheld by the authority (Section 155(1) of the Measure).

12. Travel and Subsistence Allowances

12.1 General Principles

- 12.2 Members, Co-opted Members and Members of Educational Appeals Panels may claim travelling expenses when travelling on the Authority's business for 'approved duties' as set out in **Schedule 2**. Where Members travel on the Authority's business they are expected to travel by the most cost effective means. In assessing cost effectiveness regard will be given to journey time. A Member who does not travel by the most cost effective means may have his/her claim abated by an appropriate amount.
- 12.3 Where possible Members should share transport.
- 12.4 The distance claimed for mileage should be the shortest reasonable journey by road from the point of departure to the point at which the duty is performed, and similarly from the duty point to the place of return.
- 12.5 The rates of Members' Travel and Subsistence Allowances are set out in **Schedule 3** and are subject to annual review by the Independent Remuneration Panel for Wales.
- 12.6 Where a Member is suspended or partially suspended from his or her responsibilities or duties as a Member of the Authority in accordance with Part III of the Local Government Act 2000 (Conduct of Members), or regulations made under the Act, any travel and subsistence allowances payable to him/her in respect of that period for which he or she is suspended or partially suspended must be withheld by the Authority.
- 12.7 "Approved duties" as set out in **Schedule 2** does not include constituency responsibilities.

13. Travel by Private Vehicle

- 13.1 The Independent Remuneration Panel for Wales has determined that the maximum travel rates payable should be the rates set out by Her Majesty's Revenue & Customs for the use of private cars, motor cycles and pedal cycles plus any passenger supplement.
- 13.2 The mileage rates for private vehicles as determined by the Independent Remuneration Panel for Wales are set out in **Schedule 3**.
- 13.3 Where a Member makes use of his/her private vehicle for approved duty purposes, the vehicle must be insured for business use. Proof of appropriate insurance must be provided to the Authority on request.
- 13.4 Mileage allowances can only be paid where claims are accompanied by VAT fuel receipts. The receipt date must be prior to the time/date of the journey for which allowances are being claimed.

14. Travel by Public Transport

14.1 Rail/Coach Travel

Democratic Services will purchase requisite rail and coach tickets for Members in advance of journeys. Unless otherwise authorised rail tickets will be second-class. In the unlikely event that a Member needs to purchase a ticket directly, payment will be reimbursed upon production of the used ticket and/or a receipt.

14.2 Taxi Fares

Taxi fares will only be reimbursed where their use has been authorised for cases of urgency or where no public transport is reasonably available. Re-imbusement will be upon receipt only.

14.3 Air Fare

Travel by air is permissible if it is the most cost effective means of transport. Authorisation of the Assistant Chief Executive Legal & Regulatory Services & Monitoring Officer is required and tickets will be purchased by Democratic Services.

14.4 Travel Abroad

Travel abroad on the Authority's business will only be permitted where authorised by the Assistant Chief Executive Legal & Regulatory Services & Monitoring Officer. Democratic Services will arrange travel and accommodation.

14.5 Other Travel Expenses

Members will be entitled to reimbursement of toll fees, parking fees, overnight garaging and other necessary travel associated expenses. Re-imbusement will be upon receipt only.

15. Overnight Accommodation

- 15.1 Overnight stays will only be permitted where the Authority's business extends to two days or more, or the venue is at such a distance that early morning or late night travel would be unreasonable. All overnight stays must receive prior authorisation from the Director of Operational and Partnership Services & Monitoring Officer.

15.2 Overnight accommodation will be booked by Democratic Services. Wherever possible the overnight accommodation will be pre-paid or invoiced. Where this is not possible a cheque payable to the establishment will be provided to the Member prior to travel.

15.3 Direct booking of overnight accommodation by a Member will only be permitted in the event of an emergency. Reimbursement will only be made upon the production of a receipt and will be at a level deemed reasonable and not in excess of the rates set out in **Schedule 3**.

16 Subsistence Allowance

16.1 The day subsistence rate to meet the costs of meals and refreshments in connection with approved duties (including breakfast when not provided as part of overnight accommodation) is set out in **Schedule 3**. The maximum daily rate covers a 24 hour period and can be claimed for any meal that is relevant, providing such a claim is supported by receipt(s)

16.2 No provision is made for subsistence claims within the County Borough.

17. Claims and Payments

17.1 A claim for travel and subsistence allowances must be made in writing within two months of the end of the calendar month in which entitlement to allowances arises and must be accompanied by the relevant receipts.

17.2 Allowances will be paid by the Chief Finance Officer by direct bank credit.

18. Pensions

18.1 The Authority shall enable its Members who are eligible to join the Local Government Pension Scheme.

19. Compliance

19.1 In accordance with the Regulations, the Authority must comply with the requirements of the Panel in respect of the monitoring and publication of payments made to members and co-opted members as set out in **Schedule 4**.

Members are reminded that expense claims are subject to both internal and external audit.
