66. DATGANIADAU O FUDDIANT

Dim.

67. CYMERADWYAETH COFNODION

PENDERFYNWYD: Cymeradwyo bod cofnodion cyfarfod Pwyllgor Cydraddoldeb y Cabinet, dyddiedig 21 Tachwedd 2019, yn gywir.

68. DIWEDDARIAD AR WAITH CYDRADDOLDEBAU MEWN YSGOLION

Cyflwynodd y Rheolwr Ymgynghori, Ymgysylltu a Chydraddoldeb adroddiad er mwyn rhoi'r newyddion diweddaraf i Bwyllgor Cydraddoldeb y Cabinet am waith Cydraddoldeb mewn ysgolion ym Mwrdeistref Sirol Pen-y-bont ar Ogwr, gan gynnwys digwyddiadau bwlio, digwyddiadau hiliol, gwaith partneriaeth, effaith rôl y swyddog cydlyniant cymunedol a gweithio gyda'r heddlu.

Dywedodd wrth yr Aelodau fod canllawiau wedi'u hanfon i'r holl ysgolion ar 18 Mawrth 2019 ar adrodd am ddigwyddiadau hiliol yn yr ysgol.

Cafodd yr ysgolion hefyd fersiwn wedi'i diweddarau o'r Ffurflen Adrodd am Ddigwyddiad Hiliol (Atodiad 1 yr adroddiad y cyfeiriwyd ato).

Amlinellai'r adroddiad hwn y digwyddiadau yr adroddwyd amdanynt yn ystod blynyddoedd academaidd 2018-2019 a 2019-2020, y gwaith a gyflawnwyd mewn ysgolion gan y tîm cynhwysiant a'r gwaith a gyflawnwyd ar y cyd a'r heddlu dros y cyfnod hwn.

Ym mlwyddyn academaidd 2018-2019, adroddodd ysgolion ledled y fwrdeistref sirol am ddeg digwyddiad hiliol. Nodir digwyddiadau a adroddwyd gan yr ysgolion ym mharagraff 4.1 yr adroddiad.

Roedd mwyafrif y digwyddiadau a gofnodwyd yn ôl oed y cyflawnwr a'r dioddefwr yn ddigwyddiadau a oedd yn cynnwys plant rhwng 7 ac 11 oed.

Yn saith o'r digwyddiadau, cofnodwyd y cyflawnwr yn Wyn Prydeinig, yn y tri digwyddiad arall nid oedd ethnigrwydd y cyflawnwr wedi'i gofnodi. Roedd y rhan hon o'r adroddiad hefyd yn cynnwys manylion rhywedd y cyflawnwyr a'r dioddefwyr.

O ganlyniad i'r digwyddiadau hyn, roedd y Rheolwr Ymgynghori, Ymgysylltu a Chydraddoldeb wedi cynghori y dylid trefnu hyfforddiant i ddisgyblion ar ffurf cyfres o Weithdai i ysgolion, grwpiau Cymorth Cynnar a darpariaeth gan y Trydydd Sector.

Aeth yn ei blaen i ddweud bod rhwydwaith LGBTQ ysgolion wedi cael ei sefydlu i gefnogi staff ysgol a disgyblion. Ymunodd aelodau'r rhwydwaith, ynghyd ag aelodau o'r Cyngor Ieuencid â'r Tîm Cydraddoldeb a Chynghorau Balch ar gyfer gorymdaith PRIDE Cymru ym mis Awst 2019.

Hyd yma ym mlwyddyn academaidd 2019-20, roedd ysgolion ar draws y fwrdeistref sirol wedi adrodd am 12 o ddigwyddiadau hiliol. Adroddwyd am ddigwyddiadau gan yr ysgolion a nodir ym mharagraff 4.3 yr adroddiad. Cafwyd dadansoddiad pellach o natur y digwyddiadau yn adrannau dilynol y rhan hon o'r adroddiad, gan gynnwys, unwaith eto, oedrannau'r cyflawnwyr a'r dioddefwyr. Dyna oedd y ffigurau ym mis Mawrth 2020.

Yn nhymor yr Hydref 2019, dywedodd y Rheolwr Ymgynghori, Ymgysylltu a Chydraddoldeb fod Llywodraeth Cymru wedi cyhoeddi nifer o ffrydiau wedi'u cyllido drwy grant i ymdrin â Throseddau Casineb. Ymhlith y rhain yr oedd prosiect i weithio'n benodol mewn 100 o ysgolion. Nod y prosiect oedd cyflwyno sgiliau meddwl beirniadol a chodi ymwybyddiaeth ynghylch pob agwedd ar Droseddau Casineb mewn ysgolion, gyda ffocws ar Gyfnod Allweddol 3. Y nod yw dechrau'r gwaith hwn ym mlwyddyn academaidd 2019-2020.

Aeth ymlaen i esbonio, yn dilyn cyfres o gyfarfodydd rhwng CLILC, y Cydgysylltwyr Cydlyniant Cymunedol a'r darparwyr a ffafirir ar gyfer cyflwyno prosiectau ar droseddau casineb, fod nifer o ysgolion ym Mhen-y-bont ar Ogwr wedi'u dewis yn seiliedig ar ddadansoddiad o adroddiadau am droseddau casineb yn y gymuned, ymddygiad gwrthgymdeithasol yn yr ardal a thrafodaethau â swyddogion cyswllt ysgol.

Nodwyd y pum ysgol a ddewiswyd ym mharagraff 4.4.3 yr adroddiad.

Ym mis Ionawr 2020, roedd CLILC hefyd wedi comisiynu Dangos y Cerdyn Coch i Hiliaeth fel partner i gyflwyno'r prosiect i ysgolion a ddewiswyd ledled Cymru.

Cyfeiriodd Aelod at baragraff 4.2.3 yr adroddiad, a gofynnodd pam bod cynifer o ysgolion, yn enwedig rhai oed Cynradd, heb fod yn bresennol yn y tri gweithdy a oedd wedi cael eu trefnu i hyfforddi disgyblion ar faterion fel Troseddau Casineb a bwlio ar sail statws hoyw, deurywiol a thrawsrywiol ac ati.

Cadarnhaodd y Rheolwr Ymgynghori, Ymgysylltu a Chydraddoldeb y byddai'n ymchwilio i'r cwestiwn yma ac yn rhoi'r newyddion diweddaraf i'r Aelodau naill ai y tu allan i'r cyfarfod neu yng nghyfarfod y Pwyllgor ym mis Hydref.

Nododd Aelod fod data blaenorol wedi dangos bod mwy o achosion o Droseddau Casineb mewn ysgolion Cynradd nag mewn Ysgolion Uwchradd yn y flwyddyn cyn y flwyddyn ddiwethaf, ond bod y duedd honno bellach wedi newid. Teimlai felly y dylai Ysgolion Cynradd o bosib fod wedi derbyn hyfforddiant yn gynharach nag yr oeddent wedi gwneud.

Dywedodd y Rheolwr Ymgynghori, Ymgysylltu a Chydraddoldeb fod Race Council Cymru yn mynd i roi hyfforddiant pellach i ysgolion ac y byddai'r data perthnasol ar

ganlyniadau'r hyfforddiant hwnnw wedyn yn cael eu rhannu â'r Aelodau yn ei gyfarfod ym mis Mawrth 2021.

Tynnodd Aelod sylw at y ffaith bod angen rhoi hyfforddiant ar faterion sy'n ymwneud â gwahaniaethu ar sail rhyw yn ogystal â Throseddau Casineb ac ati, yn enwedig ymhlith plant iau, cyn i arferion drwg yn gysylltiedig â chydaddoldeb a bwlio ac ati gael cyfle i fagu gwraidd.

Cadarnhaodd y Rheolwr Ymgynghori, Ymgysylltu a Chydaddoldeb, fod hyfforddiant Meddwl yn Feirniadol wedi'i gynnwys yn yr hyfforddiant a oedd yn cael ei roi ar waith yn yr ysgolion, yn ogystal â'r cynlluniau y manylwyd arnynt yn yr adroddiad.

Teimlai Aelod ei bod hi'n bwysig gweithio gyda theuluoedd a phlant o oed ifanc drwy'r ysgolion, gan addysgu gwerthoedd i'r disgyblion yn gysylltiedig ag osgoi gweithredoedd lle ceir gwahaniaethu. Ychwanegodd ei bod hi hefyd yn bwysig i athrawon a thiwtoriaid ddeall bod ystyr yr iaith a'r ymadroddion a ddefnyddir gan ddisgyblion hefyd y wahanol i'w hystyr yn y gorffennol. Roedd felly angen dehongli'r hyn yr oedd pobl ifanc yn ei ddweud wrth eraill ar adegau, a chanfod gwir ystyr hynny.

Cyfeiriodd y Cadeirydd at baragraff 4.1.7 yr adroddiad, a gyfeiriai at ymyraethau a fyddai'n cael eu gweithredu i rai a fyddai'n ymddwyn yn ddifrifol neu gamdriniol, gan gynnwys Cynllun Cymorth. Gofynnodd i'r Swyddog arweiniol ymhelaethu ar hyn.

Dywedodd y Rheolwr Ymgynghori, Ymgysylltu a Chydaddoldeb ei bod yn cael gwybod am bob digwyddiad yn yr ysgolion ayb, ac y byddai'r ysgol wedyn yn gweithio gyda'r cyflawnwr a'i rieni/warcheidwad, yr athro o'r Ysgol (lle bo'n briodol) a'r dioddefwr hefyd, er mwyn ceisio canfod beth ddigwyddodd a'r rhesymau wrth wraidd hynny, a datblygu cynllun cymorth unigol. Byddai'r cynllun yn cael ei roi ar waith er mwyn sicrhau na fyddai'r un peth yn digwydd eto. Weithiau bydd y cynllun yn cael ei roi ar waith ar gyfer y cyflawnwr, ond ar adegau, gall effeithio ar y cyflawnwr a'r dioddefwr, y naill a'r llall.

Daeth yr Arweinydd â'r drafodaeth ar yr eitem hon i ben drwy ddweud bod angen ystyried sut i sicrhau yr adroddir am bob digwyddiad y cyfeirir ato yn yr adroddiad. Ychwanegodd fod angen mynd ar drywydd hyfforddiant ar gyfer pob achos o wahaniaethu, yn ogystal â phroblemau'n ymwneud â hiliaeth yn unig.

PENDERFYNWYD: 1) Bod y Pwyllgor wedi derbyn ac ystyried yr adroddiad.

69. DEFNYDDIO'R ENW PICTON MEWN ENWAU STRYDOEDD AC ADEILADAU LEDLED BWRDEISTREF SIROL PEN-Y-BONT AR OGWR

Cyflwynodd y Prif Weithredwr adroddiad er mwyn rhoi gwybodaeth i Bwyllgor Cydraddoldeb y Cabinet am y defnydd o'r enw 'Picton' mewn enwau strydoedd ac adeiladau ledled Bwrdeistref Sirol Pen-y-bont ar Ogwr.

I esbonio'r cefndir, dywedodd y Rheolwr Ymgynghori, Ymgysylltu a Chydaddoldeb fod protestiadau cenedlaethol wedi cael eu cynnal yn rhan o ymgyrch Mae Bywydau Du o Bwys yn dilyn marwolaeth George Floyd yn America. Canlyniad hynny oedd bod amryw o gynghorau'r DU yn cymryd camau i gael gwared â delwau o rai ffigurau hanesyddol. Mae awdurdodau lleol hefyd yn ystyried a allai adeiladau, parciau, caeau chwarae a strydoedd fod yn gysylltiedig ag unigolion sy'n cael eu beirniadu yn rhan o'r protestiadau. Dechreuwyd ymgyrchoedd i gael gwared â chofebau i'r Cadfridog Thomas Picton, gan ganolbwyntio ar ddelw yng Nghaerdydd a chofeb 25 metr o uchder yng Nghaerfyrddin.

Gan fod nifer o strydoedd yn cynnwys yr enw 'Picton' ledled y Fwrdeistref Sirol, mae'r adroddiad yn edrych ar hanes y strydoedd hyn er mwyn ceisio canfod a ydynt yn

gysylltiedig â'r Cadfridog Thomas Picton. Er na fu modd canfod yr union reswm dros gynnwys yr enw mewn enwau strydoedd, dywedodd y Rheolwr Ymgynghori, Ymgysylltu a Chydraddoldeb fod awgrym yn y gwaith ymchwil o gysylltiadau rhwng y teulu Picton a pherchnogaeth tir ym Mhen-y-bont ar Ogwr.

Ychwanegodd fod gwaith ymchwil cychwynnol yn awgrymu bod dwy ffynhonnell bosibl i'r enw Picton ym mwrdeistref Mhen-y-bont ar Ogwr. Argymhellwyd felly, er mwyn gwirio a sicrhau cywirdeb yr wybodaeth hon, y dylai hanesydd lleol gyflawni gwaith pellach ac y bydd canfyddiadau'r gwaith ymchwil hwnnw'n cael eu hystyried wedi i Lywodraeth Cymru gwblhau ei hadolygiad.

Roedd yr adroddiad yn cynnwys enghreifftiau o nifer o enwau strydoedd ac adeiladau a oedd yn cynnwys yr enw 'Picton', a'r rheiny mewn gwahanol leoliadau yn y Fwrdeistref Sirol.

Wedyn rhoddodd y Rheolwr Ymgynghori, Ymgysylltu a Chydraddoldeb wybodaeth gyffredinol am Thomas Picton a oedd wedi bod yn Gadfridog â chysylltiadau â chaethwasiaeth yn yr ail ganrif ar bymtheg/y ddeunawfed ganrif.

Er y gallai nifer o strydoedd ac adeiladau yn ardal Pen-y-bont ar Ogwr fod wedi cael eu henwi ar ôl y Cadfridog, esboniai'r adroddiad y gallai rhai strydoedd ac adeiladau fod wedi cael eu henwi ar ôl yr Is-gapten Thomas Picton-Turbeville neu o bosib Richard Picton-Turbeville. Roedd Richard Picton-Turbeville wedi bod yn un o hoelion wyth y Fwrdeistref Sirol yn y gorffennol, ac wedi cyfrannu'n gadarnhaol at waith o fewn y Fwrdeistref (gan gynnwys gwaith elusennol a gwirfoddol).

Nid oedd rhai Aelodau'n fodlon â'r ffaith y gallai enwau strydoedd ac ati gael eu cysylltu ag enw unigolyn neu unigolion a oedd wedi cyflawni gweithredoedd erchyll yn y gorffennol yn erbyn ei gyd-ddynion. Serch hynny, roedd Aelodau eraill yn cydnabod y gwaith y byddai angen ei wneud gyda deiliaid tai yn yr adeiladau/strydoedd hyn er mwyn newid yr enw stryd i enw arall na fyddai'n cyfeirio at yr enw Picton. Byddai enghreifftiau o hyn yn cynnwys newid enw'r stryd ar weithredoedd eiddo, ar gofnodion meddygol, newid trwyddedau gyrru a biliau cyfleustodau ac ati. Pe bai perchnogion tai yn cael eu gorfodi i wneud hyn, gan orfod cytuno i'r newid(iadau), gallent wneud cais am iawndal gan y Cyngor oherwydd y gost a fyddai'n gysylltiedig â hynny.

Yn deillio o'r trafodaethau a gynhaliwyd yn gysylltiedig â'r adroddiad,

PENDERFYNWYD:

(1) Bod yr Aelodau'n nodi'r adroddiad.

(2) Y dylai hanesydd lleol wneud gwaith pellach i ganfod tarddiad yr enw 'Picton' mewn enwau strydoedd/adeiladau yn y Fwrdeistref Sirol, a bod canfyddiadau'r gwaith ymchwil hwnnw'n cael eu hystyried ochr yn ochr â'r archwiliad a fyddai'n cael ei gwblhau gan Lywodraeth Cymru o henebion, delwau ac enwau strydoedd ac adeiladau cyhoeddus yng Nghymru.

(3) Disgwyl am adroddiadau cynnydd pellach fel y bo'n briodol.

70. **ADRODDIAD CYNLLUN GWEITHREDU'R CYLLUN CYDRADDOLDEB STRATEGOL 2018 - 2019**

Cyflwynodd y Rheolwr Ymgynghori, Ymgysylltu a Chydraddoldeb adroddiad er mwyn rhoi'r newyddion diweddaraf i'r Aelodau am y gwaith a gwblhawyd o fewn Cynllun Cydraddoldeb Strategol (CCS) 2016-2020 ar gyfer y cyfnod 2018-2019.

Roedd yr adroddiad yn cynnwys rhywfaint o wybodaeth gefndir ac ar ôl trafod hynny, esboniodd fod yr Adroddiad Blynyddol (ynghlwm yn Atodiad 1) yn trafod y cyfnod Ebrill 2018 hyd 31 Mawrth 2019.

Yr oedd yn ofynnol ei gyhoeddi ar wefan y Cyngor/ei ddarparu erbyn 1 Ebrill 2020, ond oherwydd effaith COVID-19 roedd y Comisiwn Cydraddoldeb a Hawliau Dynol (EHRC) wedi newid y dyddiad hwn i fis Hydref.

Manylwyd ar y saith amcan cydraddoldeb strategol ar gyfer 2016-2020 ym mharagraff 4.2 yr adroddiad, tra cyfeiriai paragraff 4.3 at rai pwyntiau allweddol ac ymgyrchoedd i'w nodi o'r Adroddiad Blynyddol.

Yna aeth y Rheolwr Ymgynghori, Ymgysylltu a Chydraddoldeb ati i ymhelaethu ar rai o'r ymgyrchoedd hynny er gwybodaeth i'r Aelodau.

Cymeradwyodd y Pwyllgor yr adroddiad a gwaith caled y Swyddogion perthnasol wrth lunio Adroddiad Blynyddol y Cynllun Cydraddoldeb Strategol ar gyfer 2018-2019.

PENDERFYNWYD: Bod y Pwyllgor yn nodi'r cynnydd sydd wedi'i wneud ac yn cymeradwyo Adroddiad Blynyddol Cynllun Cydraddoldeb Strategol 2018-2019.

71. **ADRODDIAD DIWEDDARU AR WEITHREDU MESUR Y GYMRAEG (CYMRU) 2011 A SAFONAU'R GYMRAEG**

Cyflwynodd y Rheolwr Ymgynghori, Ymgysylltu a Chydraddoldeb adroddiad a roddai'r newyddion diweddaraf i'r Pwyllgor ynghylch gweithredu Mesur y Gymraeg (Cymru) 2011 a Safonau'r Gymraeg.

Ers derbyn ei hysbysiad cydymffurfio gan Gomisiynydd y Gymraeg yn 2015, cadarnhaodd fod y Cyngor wedi gwneud cynnydd tuag at weithredu'r 171 o safonau a bennwyd.

Ychwanegodd fod y newyddion diweddaraf am gydymffurfio wedi cael eu cyflwyno ym mhob cyfarfod o'r Pwyllgor ers 28 Ebrill 2016. Cyfeiriwyd at yr adroddiadau hyn fel dogfennau cefndirol i'r adroddiad.

Yna, dywedodd y Rheolwr Ymgynghori, Ymgysylltu a Chydraddoldeb fod CBSPO wedi dathlu Diwrnod Hawliau'r Gymraeg ar 6 Rhagfyr 2019, drwy rannu postiau ar y cyfryngau cymdeithasol, mewn perthynas â'r eitemau a ddangosir wrth bwyntiau bwled ym mharagraff 4.1 yr adroddiad.

Roedd copi o God Ymarfer Comisiynydd y Gymraeg ar gyfer Rheoliadau Safonau'r Gymraeg 2015, ynghlwm yn Gymraeg ac yn Saesneg yn Atodiad 1 a 2 yr adroddiad.

Cyfeiriodd gŵyn newydd i sylw'r Aelodau ynghylch cyfieithiad a oedd wedi'i dderbyn drwy'r Comisiynydd ynghylch Cardiau Pleidleisio Etholiadol. Fodd bynnag, roedd y Cyngor wedi anfon ymateb i'r Comisiynydd, gan gadarnhau nad yw'n gyfrifol yn uniongyrchol am gynllun/gyfieithiad y cardiau pleidleisio. Cyfrifoldeb y Swyddog

Cofrestru a'r Swyddog Canlyniadau yw hynny, y mae eu rolau a'u cylch gwaith i'r perwyl hwnnw yn annibynnol ar yr Awdurdod.

Mewn ymateb i gwestiwn gan yr Aelodau, dywedodd y Rheolwr Ymgynghori, Ymgysylltu a Chydraddoldeb ei bod yn credu ei bod hi'n dal yn ofynnol i'r Swyddogion uchod gydymffurfio â gofynion Safonau'r Gymraeg.

Gofynnodd yr Arweinydd i'r Rheolwr Ymgynghori, Ymgysylltu a Chydraddoldeb wirio bod hynny'n wir, yn hytrach na bod y Comisiwn Etholiadol yn gyfrifol am gynllun a chynhyrchu'r cardiau pleidleisio hynny'n ddwyieithog, mewn pryd ar gyfer cyfarfod Pwyllgor mis Hydref.

Nododd Aelod, ym mharagraff 8.1 yr adroddiad, mai ond £4k o gyfanswm cyllideb o £324,649 ar gyfer cyfieithu i'r Gymraeg, a oedd wedi cael ei wario hyd hynny yn 2019-20. Gofynnodd pam bod y gwariant hwn mor isel o gymharu â'r gyllideb a neilltuwyd ar gyfer hynny.

Cadarnhaodd y Rheolwr Ymgynghori, Ymgysylltu a Chydraddoldeb fod y rhan fwyaf o'r gyllideb hon yn tarddu o wariant yn gysylltiedig â chostau cyfieithu a ddeuai o dan y gyllideb gorfforaethol, yn hytrach na'r rhai a ddyrannwyd fesul Cyfarwyddiaeth. Serch hynny, ychwanegodd y byddai'n ceisio cael rhagor o wybodaeth am hyn ac yn adrodd yr wybodaeth honno'n ôl i'r Aelodau.

- PENDERFYNWYD:
- (1) Bod y Pwyllgor wedi derbyn ac ystyried yr adroddiad.
 - (2) Bod gwybodaeth bellach yn cael ei rhannu â'r Aelodau am lefelau gwariant ar y Gymraeg fesul Cyfarwyddiaeth, o gymharu â'r hyn a gaiff ei wario yn nyraniad cyllideb corfforaethol ehangach y Cyngor.

72. ADRODDIAD BLYNYDDOL SAFONAU'R GYMRAEG 2019-2020

Cyflwynodd y Rheolwr Ymgynghori, Ymgysylltu a Chydraddoldeb adroddiad, a ddisgrifiai'r cynnwys a'r ymagwedd a fabwysiadwyd mewn perthynas â phumed Adroddiad Blynyddol y Cyngor ar Safonau'r Gymraeg ar gyfer 2019-2020.

Esboniodd fod Safonau'r Gymraeg yn rhoi hawliau gwell a gorfodadwy mewn perthynas â'r Gymraeg i siaradwyr Cymraeg. Derbyniodd y Cyngor ei hysbysiad cydymffurfio terfynol ar 30 Medi 2015, a amlinellai 171 o safonau yr oedd angen cydymffurfio â hwy.

Roedd yr adroddiad yn cadarnhau ei bod yn ofynnol yn ôl Safonau 158, 164 a 170 i'r Awdurdod Iunio a chyhoeddi adroddiad blynyddol, yn Gymraeg, erbyn 30 Mehefin bob blwyddyn.

BRIDGEND COUNTY BOROUGH COUNCIL

REPORT TO CABINET COMMITTEE - EQUALITIES

7 OCTOBER 2020

REPORT OF THE CHIEF EXECUTIVE

ANNUAL REPORT ON EQUALITY IN THE WORKFORCE (2019/20)

1. Purpose of report

- 1.1 To provide Cabinet Equalities Committee with a summary of the equality profile of the council's workforce as at 31 March 2020 and information about the requirement for Welsh language skills for vacant posts.

2. Connection to corporate well-being objectives/other corporate priorities

- 2.1 This report will assist in the achievement of the following corporate well-being objective under the **Well-being of Future Generations (Wales) Act 2015**:

Smarter use of resources – ensure that all resources (financial, physical, ecological, human and technological) are used as effectively and efficiently as possible and support the creation of resources throughout the community that can help to deliver the Council's well-being objectives.

3. Background

- 3.1 The provision of relevant and accurate workforce information enables the council to meet its statutory duties and obligations in relation to the Equality Act 2010, the Public Sector Equality Duty and the Welsh Language Standards; and aids decision making.

4. Current situation / proposal

4.1 Workforce data

- 4.1.1 Appendix 1 provides an equality profile of the council's workforce as at 31 March 2020, with comparative data from previous years.
- 4.1.2 The profile includes protective characteristics of the workforce (gender, disability, ethnicity, age and sexual orientation); numbers of employees with caring responsibilities and those who have Welsh language skills.
- 4.1.3 There is a full data set available on gender and age, however, it is not mandatory for employees to disclose their sensitive personal information for equality monitoring purposes. Work is ongoing and planned to encourage employees to provide and/or update such details.

4.2 Welsh Language Skills for Vacant posts

- 4.2.1 At its meeting on 24 August 2020, in considering the Welsh language Annual Report, committee requested information on the criteria used for assessing Welsh language skills for vacant positions as part of the council's recruitment process.

- 4.2.2 When a vacancy arises, managers must undertake an assessment of the Welsh language skills required by considering the duties and responsibilities of the individual post as well as that of the team. In relation to the post, the criteria covers: contact with the public and the expectation to be able to communicate in both English and Welsh, the extent of contact with Welsh speakers; and the need to undertake internal administration in English and Welsh. From a team perspective whether another officer is available who can provide a Welsh language service
- 4.2.3 This information is collected in the Vacancy Management form which will be held and recorded in HR. These details are included in the Annual Monitoring Report.
- 4.2.4 In order to increase the number of Welsh speaking employees and improve the Welsh language service provided by the council, the current Policy on Using Welsh Language in the Workplace, sets out that all posts will be advertised with Welsh as desirable, unless the assessment identifies Welsh is essential.
- 4.2.5 These arrangements have been reviewed internally and recommendations are being developed. These will now be considered alongside the results of the Welsh Language Commissioner's 2019-20 monitoring work, which covered recruitment. At the time of drafting this report the findings were being analysed.

5. Effect upon policy framework & procedure rules

- 8.1 There are no financial implications in this report. Any future proposals will include full cost and budgetary implications.

9. Recommendation

- 9.1 It is recommended that the Cabinet Committee Equalities note the information contained in this report.

BRIDGEND COUNTY BOROUGH COUNCIL

REPORT TO CABINET COMMITTEE EQUALITIES

7 OCTOBER 2020

REPORT OF THE CORPORATE DIRECTOR SOCIAL SERVICES AND WELLBEING

EQUALITIES WORK SUPPORTED BY THE WELLBEING SERVICE INCLUDING THE GIRLS NETWORK, DEMENTIA FRIENDLY SWIMMING AND OLYMPAGE GAMES

1. Purpose of Report

- 1.1 The purpose of the report is to provide information on the programmes of work of the prevention and wellbeing service and the related contribution to the BCBC strategic equalities plan.

2. Connection to corporate well-being objectives/other corporate priorities

- 2.1 This report assists in the achievement of the following corporate well-being objective/objectives under the **Well-being of Future Generations (Wales) Act 2015:-**

1. **Helping people and communities to be more healthy and resilient** - taking steps to reduce or prevent people from becoming vulnerable or dependent on the Council and its services. Supporting individuals and communities to build resilience, and enable them to develop solutions to have active, healthy and independent lives.
2. **Smarter use of resources** – ensure that all resources (financial, physical, ecological, human and technological) are used as effectively and efficiently as possible and support the creation of resources throughout the community that can help to deliver the Council's well-being objectives.

3. Background

- 3.1 The Prevention and Wellbeing service was established as a new provision within the Social Services and Wellbeing Directorate in 2017 and is responsible for a diverse range of services that have grown over the three year period.

- 3.2 The services and activities include:-

- Healthy Living Partnership management with Halo Leisure;
- Cultural services partnership management with Awen including libraries, theatres, community venues;
- Active Bridgend services including the Active Young People's team and community wellbeing programmes;

- Play and early years development with a specific focus on children and young people with additional needs;
- Operation of dual use sports facilities supporting community access to school based assets;
- Ageing Well plan for Bridgend and developing age friendly communities as part of the older persons strategy;
- Local community coordination and community support programmes;
- Partnership working with BAVO and the third sector as part of the 'Building Resilient Communities' approach;
- Carers support and development of carer wellbeing opportunities;
- Community Centres and support for voluntary management committees.

3.3 There has been a unique opportunity for the management of a range of community assets within the directorate which has provided a focus on developing programmes with partners that can :

- Meet health and wellbeing needs in a community setting;
- Engage those with a protected characteristic;
- Support those most vulnerable people in our communities.

The positioning of these services recognises the importance of connecting 'place based' services and 'person centred' services together where achievable and beneficial.

4. Current situation / proposal

4.1 The Prevention and Wellbeing service has conducted an internal review of progress made during 2019-20 and collated the information in a format that can increase awareness of what is being achieved within the Directorate and broader Council, with a number of areas of work being cross cutting.

4.2 A series of extracts from the larger report are included as appendices to further illustrate some of the work that has taken place during the year. There are 6 appendices providing examples of the work that is taking place within the service included as supporting information.

4.3 This report includes headline information on programmes and services that are contributing to the public sector equalities duty and the strategic equalities objectives and action plan. The service holds additional performance information beyond this headline data on what individual programmes have achieved and progress to date. The service aims to capture learning and insight on new programmes and developments to further develop the prevention and wellbeing agenda. The following paragraphs provide examples of the work that the prevention and wellbeing service is developing.

4.4 The 'Our Voice' programme was developed to capture the views of young people on wellbeing and to work in partnership with schools and communities to develop action plans. For example, at one school, investment was secured to develop a 2 year

gender equality project linked to issues identified by young people. This programme, called 'Champions of Wales', has seen pupils selected via peer nomination to provide leadership on understanding girls' rights and gender equality. The programme has upskilled the young people who will further research and campaign for the rights of young people and change within communities.

- 4.5 The "Girls Network" is operating in partnership with six secondary schools with a focus on improving health and wellbeing. The groups conduct research and analyse needs prior to developing supportive opportunities. An evidence file approach was introduced in February 2020 including tools to measure and evidence impact of the network. Over the next year there are plans to move the Girls Network onto a digital platform. The network is supported by an Education and Girls strategic group that meets at 6 monthly intervals to review and evaluate development plans and progress. Further information can be found on this programme in **Appendix 1**.
- 4.6 The service works in partnership with primary and secondary schools to use extra-curricular activity to develop active and healthy lifestyles. Primary schools across Bridgend provided 1,950 opportunities engaging 2,895 boys and 2,568 girls (of those, 809 were eligible for free school meals, 357 have additional learning needs and 98 young people are 'looked after'). At secondary school there were 2,812 opportunities engaging 1,220 boys and 1,508 girls (438 were eligible for free school meals, 384 had additional learning needs and 138 young people are looked after). There are other programmes that indicate a growing focus on looked after children and young carers also within the annual report. During the year, 19 school delegates were supported to attend a Teacher Disability Inclusive Training (DIT) course. The service supports schools to develop their wellbeing plans and further information can be found in **Appendix 2**.
- 4.7 The service supports a partnership with the Urdd to ensure welsh medium opportunities are available via a development officer and apprenticeship role. There were 549 children and young people participating weekly and 57% of weekly attendances are female. The Urdd reported 12 new and developed clubs for females.
- 4.8 The Prevention and Wellbeing service coordinates an extensive leadership pathway aimed at building skills, knowledge and employability. An alternative pathway has been developed to support more vulnerable young people and 24 young people are engaged in this. There is also an ambassador programme who look at tackling issues within their own schools. At one school, the Oasis project is supporting extra-curricular opportunities for pupils with special educational needs.
- 4.9 The service leads on the Ageing Well plan for Bridgend and the development of 'age friendly' communities and where there are appropriate intergenerational opportunities. The Ageing Well Plan for Bridgend has focused on falls prevention, dementia supportive communities, combatting loneliness and isolation and skills/employability. An Ageing Well web platform is operated and 4,000 Ageing Well calendars were produced in January 2020. New themes emerging via the Older Persons Commissioner include ending ageism (including discrimination) and

improving access to services, stopping abuse of older people and enabling everyone to age well.

- 4.10 Local Community Coordination has taken place in the North of Bridgend supported by Legacy Funding with 150 people supported through information and advice, food banks, transport, dealing with loneliness, mental health, caring responsibilities, disability and cognitive impairment. There is strong working with BAVO and the third sector linked to the Transformation agenda and the Integrated Care investment through collaborative working with community navigators.
- 4.11 There is a growing focus on digital exclusion and those impacted. Work has commenced with Wales Cooperative Centre on developing a 'care to cooperate' programme that targets support for 200 vulnerable people and carers to build skills and connections. Aligned to this, the service is developing a "community information champions" programme with organisations and volunteers to support information sharing with those who are not digitally connected.
- 4.12 Developing dementia supportive communities is a strategic objective of the Ageing Well Plan for Wales. The service coordinated a series of training programmes with over 150 attendees including 'Re-Live' experiential training, dementia awareness and first steps in dementia for activity providers. The earlier work on creating 'dementia friendly swimming' has evolved into the 'Feel Good for Life' programme with partners including Halo leisure, Awen, BAVO and Alzheimers Society. During 2019 -20 there were 87 individuals and carers supported through this programme that received a national award from UK Active. Further information on the Feel Good for Life programme is included as **Appendix 3**.
- 4.13 There has been a growth in social prescribing work using cultural activities with Awen that have supported older adults, young people with disabilities and carers. Examples would include the 'Same As' advocacy project with parent carers, the 'Off Duty' carers choir programme, 'Cultural Olympage' programmes focused on reminiscence and the 'creative at home' resources and digital communication platform 'Stronger Together Bridgend'. Further information is provided as **Appendix 4**.
- 4.14 The Olympage programme was launched in Bridgend in 2017 to support older adults to have more socialisation opportunities and to live active and healthy lives. The model developed has seen group activity and local or county events established with partners including care homes, community centres and leisure centres. In 2019 the Prevention and Wellbeing service was successful in securing 400k of investment via the Healthy and Active Fund to develop a regional approach across the Healthy Board footprint.
- 4.15 The subsequent 'Super Agers' programme has been established across Bridgend, RCT and Merthyr. The programme has been identified as a Bevan exemplar. A review of the programme and approach will be required based on regulations during 2020/21. Further information can be found at **Appendix 5**.

- 4.16 Super Agers has the potential to become an early intervention programme prior to the National Exercise Referral Scheme for older adults, people with disabilities and those living with chronic conditions (e.g. cardiac, falls, stroke, cancer). There have been over 2,000 referrals to the scheme during 2019-20.
- 4.17 The approach of working with community owned networks goes beyond the Girls Network identified earlier in the report. During 2019-20 an additional network, Bridgend Inclusive Network Group (BING), has been co-produced and also 'Together for Young People in Bridgend' as a network for youth organisations.
- 4.18 The service leads on the play sufficiency duty for BCBC including assessment and action planning for the range of statutory matters. The assessment framework identifies a range of targeted population groups needing specific consideration. An example of the play and activity pods project is included as **Appendix 6**.
- 4.19 The Council has supported 39 children with disabilities with after school club play opportunities and circa 50 children with school holiday opportunities for young people referred by social workers.
- 4.20 A total of 7,670 visits were recorded to Active for Life programmes in Summer 2019 with inclusive opportunities and 309 children were engaged on what was important to them in their communities.

5. Effect upon policy framework& procedure rules

- 5.1 The report has no direct effect upon the policy framework or procedure rules but it enables us to effectively contribute to the Council's statutory duties in relation to equalities and human rights.

6. Equalities Impact Assessment

- 6.1 The report provides the Committee with information that positively assists in the delivery of the Authority's equality duties.

7. Well-being of Future Generations (Wales) Act 2015 implications

- 7.1 The implementation of the duties and responsibilities under the Social Services and Wellbeing (Wales) Act 2014 (SSWBA) supports the promotion of two of the seven goals of the Well-Being of Future Generations (Wales) Act 2015 within the County Borough of Bridgend. By promoting an environment that maximises people's physical and mental wellbeing and by supporting children, young people, adults and their carers and families to fulfil their potential no matter what their circumstances, the wellbeing goals of a healthier and more equal Bridgend and Wales are supported.
- 7.2 The Well-being of Future Generations (Wales) Act 2015 provides the basis for driving a different kind of public service in Wales, with five ways of working to guide how the Authority should work to deliver wellbeing outcomes for people. The following is a summary to show how the five ways of working to achieve the wellbeing goals have been considered in this report:

- Long Term - the programmes recognise short term needs but focus on developing longer term resilience in people and communities;
- Prevention – the programmes focus on positive physical and mental wellbeing intervention as a prerequisite to good health. The focus is on tackling issues early and supporting people to identify what a good life looks like for them;
- Integration – working with people, organisations and communities to support wellbeing and prevent needs escalating impacts on health, public health, education and social care;
- Collaboration – the programmes are cross cutting within the Council and reliant on stakeholder engagement and collaborative working particularly cross sector;
- Involvement – the programmes are based on co-production and asset based community development to create community ownership of opportunities created.

8. Financial implications

8.1 There are no financial implications arising from the report. A large number of the programmes referenced are supported by external funding, including Welsh Government, Sport Wales, and Disability Sport Wales grants. The list of external funding during the period 2019/20 can be found at **Appendix 7**. There is an ongoing challenge of embedding programmes that are effective within core approaches and developing sustainable models with partners for the medium to longer term.

9. Recommendation.

9.1 That the Cabinet Committee Equalities receives and considers this report.

“The girls are more confident to speak up in front of others and share their ideas and opinions. In recent moderation sessions this year’s Year 6 girls were able to use their debating skills (oracy) to help raise their English marks”.

KESS

Amie Richards

The KESS Bridge-Linx project started in October 2018 and has since benefitted over 500 pupils across numerous primary schools in the borough. The children have the opportunity to take part in a fitness fun day where they challenge themselves to achieve their best in a number of activities. They attend the local college for a few hours where they have the opportunity to engage with college students who also benefit from the experience. The feedback from schools about the fitness report they receive is that it helps children engage with the importance of fitness. They also complete an online survey about their health, wellbeing and lifestyle behaviours from which they can also analyse the report and school councils have found ways to improve the health and wellbeing of the children in their school."

Feel Good For Life

Halo Dementia Swimming

<https://www.youtube.com/watch?v=BtAZcIYvmgg>

Originally developed as a Dementia Friendly swimming opportunity the feel Good for Life programme BAVO and the Alzheimer's Society. The programme aims to remove barriers to leisure services and to support people to 'live well with dementia'.

The programme has been supported by BCBC and healthy board pilot support and has subsequently secured investment from Big Lottery Fund. The programme now offers an expanded range of physical and social activities and participants including carers reflect on their wellbeing at 3 monthly intervals. Participants are leading more active lives and some improvement in memory decline is described by families, increasing the likelihood of participants continuing to live well within their own communities and maintain independence.

The programme has been described by Quest UK as "a very high quality programme and an example of best practice". The programme has developed a range of volunteer opportunities to support sustainability and was successful in achieving the UK Active award for sustaining physical activity.

Social Prescribing

There is a growing focus on the use of social prescribing to improve wellbeing and BCBC has been working with Awen to use cultural activities to engage and support people.

The 'Same As' programme has worked with children and young people and their households to capture their hopes and aspirations and the barriers that they face to create the lives they would like to see. A digital story has been produced and also a podcast on behalf of parent carers as part of the 'Take Care' podcast series.

Building on the physical activity opportunities that 'Olympage' and 'Super Agers' have been creating, Awen have supported the creation of a cultural Olympage programme for older adults including creative writing, poetry, music and reminiscence.

It has also proven possible to support targeted group activities such as the Bridgend Carers Choir 'Off Duty' who produced the song "Strong".

This approach helps people to build on strengths and interests and maintain contact with their communities

Super Agers

Supported by the Healthy and Active Fund BCBC has been building on its learning from the Olympage programmes to develop new approaches to being active with older adults. There is a focus on working with partners and older adults themselves to develop new opportunities in community settings and to lead activities. The achievements to March 2020 include:-

- *Recruitment of the Super Agers project delivery team across Cwm Taf Morgannwg*
- *Development of participant resources for goal setting, activity tracking, data capture and participant reflection*
- *Workshops conducted with Bridgend College Social care students who support activities with older adults including the Olympage programme (70 students)*
- *Partnership with Swansea University Exercise Science and Centre for Innovative Ageing to support project evaluation*
- *Achievement of Bevan Exemplar project status for innovation in social care*
- *Mobilisation of project delivery in initial four hubs across CTM (24 participants in initial hub pilot activities)*
- *Development of 'Active at Home' resources alongside home activity tracker distributed to 124 participants. <https://youtu.be/2mnJsX6OzLA>*
- *Engagements of 239 participants in Olympage community programme for Super Agers launch*

Bryncethin primary school staff following comments on pupil engagement:-

“I noticed that the pupils were happier and playing with children other than the ones they wouldn’t normally play with. There was good turn taking and it was lovely to see them communicating and the role play they showed was amazing.”

“The range of resources ensure that activities are not limited. There is a wealth of problem solving and social interaction that can be gained from using the pod”

“The children from Year 3 really enjoy building dens, filling containers with water and making assault courses”

“It was great to see the collaborative learning that took place. All were engaged and on task during all activities”

Nantymoel Primary School – ***“The skills they’ve gained from using the pod are tremendous and I think having the activity pod has opened our eyes to the fact that it wasn’t just something that was needed at playtime, but that it was something that we could use in curriculum lessons”***

1. Purpose of report

The purpose of this report is to provide Cabinet Committee Equalities with information on the use of the name Picton in street names and buildings across Bridgend County Borough.

2. Connection to corporate well-being objectives / other corporate priorities

2.1 The Strategic Equality Plan sets out our objectives to comply with the Equality Act 2012 and the Public Sector Equality Duty general duties:

- Eliminate discrimination, harassment and victimisation;
- Advance equality of opportunity and;
- Foster good relations between people who share a protected characteristic and those who do not.

2.2 This report assists in the achievement of the following corporate well-being objective/objectives under the **Well-being of Future Generations (Wales) Act 2015**:

1. **Supporting a successful sustainable economy** – taking steps to make the county borough a great place to do business, for people to live, work, study and visit, and to ensure that our schools are focussed on raising the skills, qualifications and ambitions for all people in the county borough.
2. **Helping people and communities to be more healthy and resilient** - taking steps to reduce or prevent people from becoming vulnerable or dependent on the Council and its services. Supporting individuals and communities to build resilience, and enable them to develop solutions to have active, healthy and independent lives.
3. **Smarter use of resources** – ensure that all resources (financial, physical, ecological, human and technological) are used as effectively and efficiently as possible and support the creation of resources throughout the community that can help to deliver the Council's well-being objectives.

3. Background

3.1 The Equality Act introduced a General Duty for public bodies to:

- Eliminate discrimination, harassment and victimisation;
- Advance equality of opportunity and;
- Foster good relations between people who share a protected characteristic and those who do not.

3.2 The Equality Act also introduced specific duties which include:

- Setting Equality Objectives and publishing a Strategic Equality Plan;
- Ensuring it engages with people who have an interest in how the Council's decisions affect them and;
- Carrying out Equality Impact Assessments and publishing the results if there is a substantial impact on the Council's identified.

3.3 An initial report was presented to Cabinet Committee Equalities on 24 August 2020, which recommended that further research be undertaken by a local historian. The report also recommended that Cabinet Committee Equalities await the outcome of the Welsh Government audit of Wales' historic monuments and statues, and the names of streets and public buildings before further consideration is given to action needed within the county borough.

3.4 This report outlines progress made since the last report.

4. Current situation / proposal.

4.1 Streets named 'Picton' in Bridgend County Borough

Bridgend:

Street name	Number of properties

Picton Close	9

Porthcawl:

Street name	Number of properties

Kenfig Hill:

Street name	Number of properties
Picton Street	39

Nantyllyn:

Street name	Number of properties
Picton Place	18
Picton Street	116

4.2 We are currently working with the following organisations to establish capabilities to carry out further research:

- The Royal Commission
- Glamorgan Archives
- Two independent historians

4.3 Welsh Government have commissioned an audit of Wales' historic monuments and statues, and the names of streets and public buildings, and identify those sites and names that are associated with the history of black communities in Wales, and in particular the slave trade.

Two meetings have been held and the group aim to present the audit and accompanying narrative report to the First Minister by the end of October 2020. This report will be used to inform a second stage of the project that will identify appropriate responses to the information gathered by the audit. Welsh Government will appoint a task and finish group to carry out the second stage of this work.

4.4 Carmarthenshire County Borough Council have published a Public Memorials Consultation. The survey asks for views and comments, in particular on the monument to General Thomas Picton in Carmarthen Town.

The survey asks (extracted from survey):

Do you think Carmarthenshire County Council (and key partners) need to take any steps in response to the recent public discussion about the Sir Thomas Picton monument?

If respondents answer Yes, they are then asked 'What steps do you think should be taken?'

If respondents answer No, they are then asked 'What comments do you wish us to consider?'

The consultation period is 21 August to 30 September 2020.

5. Effect upon policy framework and procedure rules

5.1 The report has no direct effect upon the policy framework or procedure rules but supports the council's statutory duties in relation to equalities and human rights.

6. Equality Impact Assessment

6.1 This is an information report to Cabinet Committee Equalities therefore an Equality Impact Assessment is not required at this stage. Further consideration may be given following the outcome of the Welsh Government audit of Wales' historic monuments and statues, and the names of streets and public buildings.

7. Well-being of Future Generations (Wales) Act 2015 implications

- 7.1 The well-being goals identified in the Act were considered in the preparation of this report. It is considered that there will be no significant or unacceptable impacts upon the achievement of well-being goals/objectives as a result of this report. Further consideration may be given following the outcome of the Welsh Government audit of Wales' historic monuments and statues, and the names of streets and public buildings.

8. Financial implications

- 8.1 There would be significant financial implications for the local authority and residents associated with changing street names which would include changes to street signage, legal fees and consultation costs. The exact costs would be unknown until the extent of any changes are determined.

9. Recommendation

- 9.1 That Cabinet considers the update report and awaits research from a local historian and the outcome of the Welsh Government audit before further consideration be given to actions that may need to be taken within Bridgend County Borough.

BRIDGEND COUNTY BOROUGH COUNCIL

REPORT TO CABINET COMMITTEE EQUALITIES

7 OCTOBER 2020

REPORT OF THE CHIEF EXECUTIVE

EQUALITY IMPACT ASSESSMENTS - ANNUAL REVIEW 2019/2020

1. Purpose of report

- 1.1 The purpose of this report is to provide members with an annual update on the council's requirement to undertake Equality Impact Assessments (EIAs), an overview of the council's approach to EIAs and an outline of EIAs undertaken in Bridgend County Borough Council (BCBC) service areas in 2019/20.

2. Connection to corporate well-being objectives / other corporate priorities

- 2.1 The Equality Act 2010 sets out both general and specific duties for local authorities in Wales - one of which relates to assessing the impact of policies and practices.

- 2.2 Undertaking EIAs assists in the achievement of the following corporate well-being objectives under the **Well-being of Future Generations (Wales) Act 2015**:

Helping people and communities to be more healthy and resilient

– taking steps to reduce or prevent people from becoming vulnerable or dependent on the Council and its services. Supporting individuals and communities to build resilience, and enable them to develop solutions to have active, healthy and independent lives.

Smarter use of resources – ensuring that all resources (financial, physical, ecological, human and technological) are used as effectively and efficiently as possible and support the creation of resources throughout the community that can help deliver the Council's well-being objectives.

3. Background

- 3.1 The Equality Act 2010 sets out a general duty that, as a public body in Wales, BCBC is required to have due regard in its decision making processes (including financial decisions) to three factors:

- To eliminate unlawful discrimination, harassment and victimisation;
- To advance equality of opportunity, and;

- To foster good relations between people who share a protected characteristic and those who do not.

3.2 Reports on assessments must set out in particular:

- the purpose of the policy or practice that is being assessed;
- a summary of the steps taken to carry out the assessment, including consultation and engagement;
- a summary of the information used in the assessment;
- results, and any decisions taken in relation to those results.

3.3 In addition, when assessing the impact on protected characteristic groups, listed authorities must:

- comply with the engagement provisions;
- have due regard to any relevant information held.

4. Current situation

EIAs – an overview

4.1 The EIA is a tool to assess whether new (or changes to existing) policies/services/functions, or the removal of services, could impact on different sectors of society in different ways.

EIAs help the council make better decisions, identify how services can be more accessible or improved and consider the nine protected characteristics as well as the impact on the Welsh language.

4.2 Assessing the impact of proposed changes to policies and strategies is not just something the law requires, it is an opportunity to ensure decisions are based on robust evidence and that they:

- include a consideration of actions that would help to avoid or mitigate any impact on individuals or groups;
- are based on evidence;
- are transparent;
- record the equality considerations that have been taken into account.

4.3 The Welsh Language Standards require us to consider:

- whether a policy-related decision could have a positive or negative impact on opportunities for people to use Welsh;
- if we are treating Welsh and English equally;
- ways to demonstrate how positive effects could be increased;
- how any identified adverse effects could be decreased.

Questions related to this were added into the EIA toolkit in 2016 as an existing assessment tool rather than creating an additional impact assessment.

- 4.4 It is important to recognise that our duty to eliminate discrimination is a continuing one. It cannot be exercised once and for all, but must be continually revisited and borne in mind, therefore the EIA should be revisited as policies change and are reviewed.
- 4.5 The lead person drafting or reviewing a policy or strategy within the service area is responsible for conducting the EIA. EIA screenings should be retained by the service area, referenced and summarised in the equalities section of the relevant cabinet report. Where a full EIA is needed this should be included as an appendix to the report.
- 4.6 The EIA toolkit will be revised in readiness for the implementation of the socio-economic duty in March 2021, to include guidance for officers on the socio-economic duty and when this needs to be considered.
- 4.7 The administration of the EIA processes will also be reviewed, and consideration given to an online assessment process to assist in the collation and publication of data. Currently full EIAs are linked to Cabinet reports and as such become public documents. All EIA screenings are retained by the service area.

EIA training

- 4.8 An e-learning module continues to be available for employees which provides an overview of EIAs, their role in improving services and a guide to conducting them. At the end of the module, staff have an opportunity to complete an EIA and compare this against an already completed version to assess how the module has assisted in terms of knowledge and understanding.
- 4.9 During the period February 2019 to March 2020, 18 council employees completed EIA training (via e-learning) per the following table:

Directorate	Completions
SS & WB	9
Communities	2
Education and Family Support	5
Chief Executive	2
Total	18

To date 225 council employees have completed the EIA e-learning module.

EIAs undertaken in 2019/2020

- 4.10 Between February 2019 and March 2020, eight full EIAs were undertaken and accompanied Cabinet reports and these are listed in Appendix 1.
- 4.11 68 EIA screenings were undertaken during this period and these are listed in Appendix 2. These screenings were referenced in the relevant Cabinet report/s and indicated that the policy/ies being assessed could either be “screened out” or would require a full EIA to be undertaken.

Where full EIAs are needed the following timeframes apply:

- Within six months or before approval of policy (high impact);
- Within one year of screening (medium impact);
- Within three years of screening (low impact).

5. Effect upon policy framework & procedure rules

- 5.1 As this is an information report, there are no proposed changes to the policy framework and procedure rules.

6. Equality Impact Assessment

- 6.1 The report provides the committee with information which will positively assist in the delivery of the authority’s equality duties.

7. Well-being of Future Generations (Wales) Act 2015 implications

- 7.1 The well-being goals identified in the Act were considered in the preparation of this report. It is considered that there will be no significant or unacceptable impacts upon the achievement of well-being goals/objectives as a result of this report.

8. Financial implications

- 8.1 There are no financial implications identified as this is an information/update report

9. Recommendation

- 9.1 That the Cabinet Equalities Committee notes the progress made in the council during 2019/2020 in the completion of Equality Impact Assessments, the progress made with training (e-learning and development of face to face training) and the review of the administration processes to support service areas.

Develop systems to monitor school bullying (victims and perpetrators) by protected characteristic	A priority of our anti-bullying network is to develop a consistent approach to identifying, recording and therefore reducing incidences of bullying. The network will utilise internal systems to record and monitor incidences of bullying against the protected characteristics. Schools reporting mechanisms are being considered with a view to developing a single bullying reporting and recording framework. BRIDGEND COUNTY BOROUGH COUNCIL

REPORT TO CABINET COMMITTEE EQUALITIES

7 OCTOBER 2020

REPORT OF THE CHIEF EXECUTIVE

UPDATE REPORT ON IMPLEMENTATION OF THE WELSH LANGUAGE (WALES) MEASURE 2011 AND WELSH LANGUAGE STANDARDS

1. Purpose of report

- 1.1 This report updates the Cabinet Committee Equalities (CCE) on the implementation of the Welsh Language (Wales) Measure 2011 and the Welsh Language Standards.

2. Connection to corporate well-being objectives / other corporate priorities

- 2.1 The Welsh Language (Wales) Measure 2011 and subsequent Welsh Language Standards impact upon the work of the whole council. The standards link to the equalities agenda, form a key component of the council's Transformation Programme and Customer Charter 'Our Promise', and links to the following corporate well-being objectives:

- **Priority 2: Helping people and communities to be more healthy and resilient** - enabling people to use the language of their choice by ensuring our systems and front line services are delivered bilingually. Ensuring that bilingual systems enable people to better equipped to manage situations themselves and the council services can concentrate on those in greatest need.
- **Priority 3: Smarter use of resources** - ensuring that all its resources (financial, physical, human and technological) are used as effectively and efficiently as possible and support the development of resources throughout the community that can help deliver the council's priorities.

3. Background

- 3.1 Since the council received its compliance notice from the Welsh Language Commissioner in 2015, progress towards implementing the 171 assigned standards has continued.

- 3.2 Updates on compliance have been provided at every CCE since 28 April 2016. Those reports are referenced as background documents to this report.

4. Current situation / proposal

- 4.1 Key progress/updates with compliance since the last update report can be summarised as:

- a) Each year the Welsh Language Commissioner annually monitors the user experience by testing specific services, including correspondence, telephone,

website and reception services. BCBC were part of the random sample of organisations selected to be monitored by the Commissioner's office during 2019/2020. We received the results of the monitoring exercise on 12 August 2020 and have prepared a response to the Commissioner on the findings. The response outlines relevant actions we have taken to ensure compliance with the areas that need to be addressed.

- b) On 21 August 2020 the Welsh Language Commissioner has issued a statement to all local authorities. The purpose of the statement was to share the findings of the investigation conducted into Flintshire County Council with other councils to ensure that we are aware of the duty to comply with standards when arranging for third parties to provide services and activities on our behalf.
- c) BCBC were invited to and attended the launch event for the Welsh Language Commissioner assurance report on 15 September 2020. Here the commissioner held a short online event to present the findings of his assurance report for 2019/2020. The report was published on the day of the event. An update on the assurance report will be provided to Cabinet Committee Equalities in November 2020.
- d) One new complaint has been received as detailed below:
 - The Commissioner has received a complaint from a member of the public on 14 August 2020 regarding the fact that the standard of the Welsh language in the update 'Diweddariad Covid-19: Ailagor canolfannau hamdden a phyllau nofio fesul cam ym Mwrdeistref Sirol Pen-y-bont ar Ogwr' is lower than the equivalent update in English. The update was received via e-mail from bridgendcbc@public.govdelivery.com on 13 August 2020.

In the complaint, the complainant identified the following issues:

- The word 'cysgodi' was used in the text of the update, but 'gwarchod' in the corresponding infographic
- 'Addysg a gofal plant cynnar' is used in the text of the update, but 'addysg gynnar a gofal' on the corresponding logo
- He asked why the paragraph on 'Cynnig Gofal Plant Cymru' notes the year 2017
- He asked how VJ Day is linked to adoption, as an infographic about VJ day is placed above a paragraph about adoption

Initial information has been sent to the Commissioner in relation to this complaint.

- e) Previous complaints update:
 - The Commissioner received a complaint from a member of the public on 14 January 2020 regarding the Welsh text on the bottom of the voting card sent to the electorate for the General Election of 12 December 2019. The complainant was of the opinion that "*Os rhoi dychwelyd i'r*" was not the correct translation of "*If undelivered return to*". The commissioner also stated that it appears that the address for returning the card is in English only (Civic Offices, Angel Street, Bridgend, CF31 4WB). The council has provided a response to the Commissioner stating that the council is not the responsible body for maintaining the Register of Electors or sending polling cards to

registered voters. These functions are the responsibility of the Registration Officer and the Returning Officer whose roles are independent of the council. The commissioner has decided not to carry out an investigation into this complaint as the returning officer is not subject to the statutory duties and therefore there is no 'relevant requirement' under section 71 of the Welsh Language measure.

- The Commissioner received a complaint from a member of the public on 16 October 2019 regarding an automatic email the complainant received from the Council acknowledging a council tax payment. The email was sent from the email address AUTOMAILER@E-PAYCAPITA.COM and the same email template was the subject of complaint CSG616. The complainant alleged that the Welsh version contains errors. This has now been fully addressed. The commissioner has been reassured of the actions taken by BCBC and the third parties involved in the management of the database systems to correct the errors identified.

5. Effect upon policy framework & procedure rules

5.1 There is no effect upon the Policy Framework and Procedure Rules.

6. Equality Impact Assessment

6.1 This is an information report. As such, no Equality Impact Assessment is required.

7. Well-being of Future Generations (Wales) Act 2015 implications

7.1 The well-being goals identified in the Act were considered in the preparation of this report. It is considered that there will be no significant or unacceptable impacts upon the achievement of well-being goals/objectives as a result of this report.

8. Financial implications

8.1 There are no financial implications arising from this report.

9. Recommendation

9.1 That the Cabinet Committee Equalities receives and considers this report.
