Question from Cllr Elaine Winstanley to the Cabinet Member for Future Generations.

Having seen the celebrations event regarding the tricentennial of Dr Richard Price of Llangainor take place, can the cabinet member provide an update of what is planned to take place next?

Question from Cllr Eugene Caparros to the Leader

I am aware that Welsh Government are introducing legislation which will change the default speed limit from 30mph to 20mph in built up areas from the 17th of September this year. Whilst Members received a briefing on this in March this year, could you please outline the progress to date within BCBC, how the public consultation was received and whether we will be ready for the roll out of this legislation in Bridgend in September?
