Date of Meeting:	5 OCTOBER 2023
Report Title:	LICENSING ACT 2003 SECTION 51: APPLICATION TO REVIEW PREMISES LICENCE, EDEN, 33 MARKET STREET BRIDGEND, CF31 1LJ
Report Owner / Corporate Director:	CHIEF OFFICER – LEGAL AND REGULATORY SERVICES, HR AND CORPORATE POLICY
Responsible Officer:	YVONNE WITCHELL TEAM MANAGER LICENSING
Policy Framework and Procedure Rules:	There is no effect upon the policy framework or procedure rules.
Executive Summary:	For the Sub-Committee to consider and determine an application submitted by South Wales Police to review the premises licence at Eden, 33 Market Street, Bridgend, CF31 1LJ under Section 51 of the Licensing Act 2003

1. Purpose of Report

- 1.1 The purpose of this report is to determine an application received from South Wales Police to review the premises licence in force for the premises known as Eden, 33 Market Street, Bridgend, CF31 1LJ.

2. Background

- 2.1 The Licensing Authority has received an application to review the premises licence which is attached at **Appendix A and attachments A1 to 5**. South Wales Police are a responsible authority for the purposes of this application.
- 2.2 The premises licence BCBCLP740 is jointly held by Zahid and Saima Rasul and a copy is attached at **Appendix B** to this report. Saima Rasul is the Designated Premises Supervisor.

3. Current situation/proposal

- 3.1 In accordance with the requirements of the Licensing Act 2003, the application was served on the premises licence holders and copies of the application were forwarded to the Responsible Authorities.
- 3.2 During the statutory 28-day consultation period the application has been advertised in accordance with the regulations and no representations were received.
- 3.3 Section 51 of the Licensing Act 2003 provides that where a premises licence has effect, a responsible authority or any other person may apply to the relevant licensing authority for a review of the licence. This must relate to a concern arising at the premises in connection with any of the four licensing objectives. The application

states that the application relates to the licensing objectives of the prevention of crime and disorder and public safety. The application summarises that the premises licence holders have failed to provide CCTV footage to South Wales Police as required by a condition of the premises licence.

- 3.4 Before determining the application, the authority must hold a hearing to consider it and any relevant representations received.
- 3.5 The authority must, having regard to the application and any relevant representations, take such of the steps mentioned in subsection (4) (if any) as it considers appropriate for the promotion of the licensing objectives.
- 3.6 The steps in subsection (4) of Section 51 are:
 - (a) to modify the conditions of the licence;
 - (b) to exclude a licensable activity from the scope of the licence;
 - (c) to remove the designated premises supervisor;
 - (d) to suspend the licence for a period not exceeding three months;
 - (e) to revoke the licence; and for this purpose the conditions of the licence are modified if any of them is altered or omitted or any new condition is added.
- 3.7 Equally, the licensing authority may decide that the review does not require it to take any further steps appropriate to promoting the licensing objectives.
- 3.8 The Licensing Act 2003 (Section 4) states that it is the duty of all Licensing Authorities to carry out their functions under the Act with a view to promoting the licensing objectives. The licensing objectives are:
 - a) The prevention of crime and disorder
 - b) Public safety
 - c) The prevention of public nuisance
 - d) Protection of children from harm

Each objective is of equal importance and should be of paramount consideration at all times.

- 3.9 Section 4(3) Licensing Act 2003 states that the Licensing Authority should also have regard to the Council's Statement of Licensing Policy, the Statutory guidance issued under Section 182 of the Licensing Act 2003 and the Licensing Act itself, in this case in particular to:
 - a) Paragraphs 5, 11 and 12 of the 2019-2024 Statement of licensing policy
 - b) Chapters 2, 11, 13 and 14 of the Statutory guidance, as revised August 2023
 - c) Sections 51 to 53, 182 and 183 of the Licensing Act 2003.
- 3.10 It is likely that the parties involved will be providing additional evidence as permitted under the Licensing Act 2003 (Hearings) Regulations 2005. Regulation 18 permits that in considering any representations or notice made by a party the authority may take into account documentary or other information produced by a party in support of their application, representations or notice (as applicable) either before the hearing

or, with the consent of all the other parties, at the hearing. This will be confirmed at the start of the meeting.

4. Equality implications (including Socio-economic Duty and Welsh Language)

4.1 The protected characteristics identified within the Equality Act, Socio-economic Duty and the impact on the use of the Welsh Language have been considered in the preparation of this report. As a public body in Wales the Council must consider the impact of strategic decisions, such as the development or the review of policies, strategies, services and functions. It is considered that there will be no significant or unacceptable equality impacts as a result of this report.

5. Well-being of Future Generations implications and connection to Corporate Well-being Objectives

5.1 The well-being goals identified in the Act were considered in the preparation of this report. It is considered that there will be no significant or unacceptable impacts upon the achievement of well-being goals/objectives as a result of this report.

6. Climate Change Implications

6.1 There are no Climate Change Implications arising from this report.

7. Safeguarding and Corporate Parent Implications

7.1 There are no Safeguarding and Corporate Parent Implications arising from this report.

8. Financial implications

On Friday 17th February 2023 a warning letter was hand delivered to Zahid and Saima Rasul at Eden, 33 Market Street, Bridgend. The letter was compiled on 16th February 2023 after a number of failers by the Premises Licence Holders in producing CCTV to authorised officers, as per a requirement of their premises licence. The licence states:

1) CCTV will be provided in the form of a recordable system capable of provding pictures of evidential quality in particular facial recognition. Cameras will encompass all access to and exits from the premises including fire exits and all areas, with the exception of toilets, to which the public have access. The equipment will be maintained in good working order. The system will continuously record whilst the premises is open for licensable activities and during all times when customers remain at the premises. Recordings will be timed and kept in date for a period of 28 days and will be handed to a police officer or local authority officer upon lawful demand. The designated premises supervisor will ensure at all times a member of staff is on duty and capable to download CCTV recordings in a recordable format either to USB or to disc, upon lawful demand by a police officer or local authority officer. The recording equipment will be kept in a secure environment under the control of the DPS or another responsible named individual. An operational daily log will be maintained indicating that the system has been checked and is compliant. In the event of any failings of the system actions taken to rectify such failings will be recorded. If there is any technical failure of the CCTV equipment the DPS will report such a failure to the police.

Please provide as much information as possible to support the application
(please read guidance note 2)

Since the 8th May 2023 there have been three separate incidents where Zahid and Saima Rasul have failed to provide CCTV to authorised officers. Persons involved in these incidents have been bailed pending further investigation, failure to provide CCTV has a huge detrimental effect on the investigation of such crimes and the persons involved, along with a huge amount of officer time wasted by continually trying to obtain CCTV footage.

Details of the incidents and the log updates on Niche are as follows:

The email address and name is -

25/07/2023 10:04 PS 5344 Beaumont

I have spoken to Mr Rasul on [REDACTED] and asked why the CCTV has not yet been furnished - he informed me that he was expecting an officer to be at the club premises on Saturday 22nd July. I have stipulated that the wait is unacceptable and he is once again frustrating South Wales police investigation's which in turn is having a detrimental impact on those people involved in the investigation.

He has advised he will send the CCTV via NICE today - I have emailed DS Amy Baker and advised her of this. I have requested an officer make contact with him and arrange for the link to be sent as a matter of priority as the CCTV will be lost after 28 days which is 3 days away.

25/07/2023 13:04 DS 5209 Baker

From DS 5209 Baker -

I have sent a NICE link to Mr Rasul requesting the CCTV footage.
I also contacted Mr Rasul on his mobile - [REDACTED] and explained that I had sent the request and that he can upload the CCTV footage straight to us by clicking the link on the text message. Mr Rasul claimed that he did not know what footage he was required to send.

I have clarified with the OIC who is on rest days and sent Mr Rasul an email advising that we require CCTV footage from inside Eden's on 1st July between 0030 and 0330 I have tried to contact him back on his mobile also to confirm however he is not answering now

26/07/2023 09:59 PS 5344 Beaumont

From PS 5344 Beaumont - CSP supervisor

Regarding the below I have telephoned Mr Rasul on [REDACTED] which is the number I spoke to him on yesterday. He is not answering his phone and there is no voice message facility.

I will now send him an email (see attached) which I will keep for my records reinforcing his obligations under the Licensing Act as well as his Licencing conditions which state he must provide CCTV to an officer upon request. He is in my opinion in breach of his condition, this CCTV is required as a matter of urgency as the CCTV will be overwritten on Friday therefore any evidence that may be captured will be lost. CSP will take this matter forward with the Local Authority this week - LO Colwill is fully aware.

28/07/2023 (12:38 and 12:446) - Emails received from Saima Rasul (attached)

28/07/2023 (09:50) Confirmation received from DS 5693 Woolley confirming he has received a USB stick containing footage. Contents of the footage is not known due to DS Woolley currently being on rest days until Monday 7th August 2023

Also, when she viewed the CCTV she didn't recognise them and claimed there wasn't much of the incident caught on camera.

At approximately 11:20 hours I spoke with Mr Rasul on mobile number [REDACTED]

He requested the NICE link be resent to saimarasul [REDACTED] and he has advised he will send the footage across today.

I have spoken to PCSO Tomlinson who will send the NICE link again to the aforementioned address as requested by Mr Rasul.

I stressed over the phone the importance of this footage being provided and requested if he has any issues to make us aware as soon as possible owing to the time that has already elapsed.

Mr Rasul stated that the NICE links usually expire after 24 hours so I assured him that this link had been extended for him to enable the footage to be uploaded. I also requested all the footage from the premises to maximise the evidential opportunities to identify the individuals involved in this matter.

01/06/2023 11:54 - PCSO 58298 Tomlinson

At 11:55 I have resent the link to the [REDACTED] email address as requested by Mr Rasul. The link expires on the 7th June.

Identity of males remains unknown

2300147984 – Criminal Damage 08/05/2023 02:40 – Subject on Bail

Criminal damage

I am the owner of the bar male has smashed a front window - we have him detained and now he is getting really aggressive towards security - we need assistance - not known if he has any weapons

08/05/2023 05:24 – Insp 8029 Davies

NICE request sent to RASUL, ZAHID in order to provide CCTV footage. Attending officers cannot confirm whether or not the CCTV covers the offence location or an up to date mobile number for RASUL, I have therefore send the NICE link to the number provided on the CAD log.

At this time there is no evidence linking the subject to the offence, the CCTV footage and witness statements are required, the victim statement has also not been signed

The witness details are below, however there is unfortunately no record of his availability, whether or not he is a member of staff of MOP, or a record of what he has / has not seen, or how the subject has been identified by staff, I would suggest that as he was at the location at the time of arrest at 0300hrs he now may not be available until later in the day, this will need establishing as his evidence is vital

08/05/2023 08:08 - PC 8099 Thomas

I have tried to phone RASUL, ZAHID to obtain any CCTV and to get the witness statement signed and the phone just rings out.

08/05/2023 14:06 - PC 6103 Hanson

I have contacted the victim via their preferred means and within agreed timescales, however they were not available. I HAVE TRIED CONTACTING THE IP SEVERAL TIMES TODAY IN RELATION TO CCTV AND HAVE LEFT MESSAGES WITH MY CONTACT DETAILS, BUT HAVE RECEIVED NO RESPONSE.

08/06/2023 11:52 - PC 6108 Hoffman
I have still received no response from Bobby around CCTV, i have sent him a text reminding him for the CCTV

20/06/2023 11:52 - PC6108 Hoffman
After numerous times asking Bobby for CCTV he has still not provided any, Bobby is fully aware of the importance of the CCTV.

Without CCTV or a supporting witness there is no evidence to this case

29/06/2023 14:53 - PC 6108 Hoffman
I am still chasing Bobby for CCTV, he has still not provided any. text sent

01/07/2023 16:09 - PC 6108 Hoffman
I attended Eden yesterday (30/06/23) and spoke to Bobby son. They may now not be looking to pursue a complaint and wished for a day or two to discuss this.
The witness ***** is now door staff at Eden, he was also spoken to and stated he did not wish to provide a statement and would not attend court.

09/07/2023 10:23 - PC 6108 Hoffman
I have attempted to contact Saima in relation to this offence however there was no answer, further attempts to be made

18/07/2023 10:54 - PC 6108 Hoffman
I have text Saima Rasul (DPS) - [REDACTED] requesting an update on CCTV.

19/07/2023 10:26 - PC 6108 Hoffman
I have not received a response from Saima.

Currently:
There is no CCTV of the suspect committing the offence
The witness will not provide a statement, even though he is now employed at Edens.
There is a statement of complaint, however can only say the window was not damaged when the club open on the day in question.

There is no other person who can identify the subject committing an offence of criminal damage

I have made a number of attempts to contact Bobby by phone/ text and have also attended Edens to explain the evidential difficulties, however when Bobby tells me he will get back to me he never does

28/07/2023 00:18 - PS 4923 Aitken

Having reviewed the evidence available, we currently have a complaint, however there is no witness to actually identify the suspect. There is also an issue with identification as the IP describes the male detained by doorstaff as wearing jeans and the DP states he was wearing shorts, potentially meaning that the wrong person has been identified.

some CCTV for the incident has been provided. this shows a male in a light blue top and jeans having an altercation with door staff. There is no one in a white top and beige trousers as described by attending officers. no one is seen to cause damage.

The DP themselves does not recall causing any damage.

There is no BWV from attending officers.

Although the IP makes a complaint, he does not witness the incident directly. the other witness has declined to get involved.

There is no realistic prospect of conviction and the DP should be released without charge.

DPS – Mrs Saima Rasul

Dear Mr and Mrs Rasul,

Breaches of Premises Licence – Eden, 33 Market Street, Bridgend

It has been brought to my attention that you have failed to provide CCTV requested by officers on a number of occasions.

On 27th December 2022 it was reported that Mrs Rasul was the victim of a racial attack. Officers have attempted to obtain CCTV footage of the incident on 7 separate occasions. Licensing Officer Colwill also emailed you on Wednesday 25th January requesting the said footage but to date it has not been produced.

An email was also sent to you on Monday 30th January 2023 from PS Beaumont again requesting footage of the incident.

Please can I remind you of your CCTV licence conditions as set out below:

'The Premises Licence Holders will ensure that: 1) CCTV will be provided in the form of a recordable system capable of providing pictures of evidential quality in particular facial recognition. Cameras will encompass all access to and exits from the premises including fire exits and all areas, with the exception of toilets, to which the public have access. The equipment will be maintained in good working order. The system will continuously record whilst the premises is open for licensable activities and during all times when customers remain at the premises. Recordings will be timed and kept in date for a period of 28 days and will be handed to a police officer or local authority officer upon lawful demand. The designated premises supervisor will ensure at all times a member of staff is on duty and capable to download CCTV recordings in a recordable format either to USB or to disc, upon lawful demand by a police officer or local authority officer. The recording equipment will be kept in a secure environment under the control of the DPS or another responsible named individual. An operational daily log will be maintained indicating that the system has been checked and is compliant. In the event of any failings of the system actions taken to rectify such failings will be recorded. If there is any technical failure of the CCTV equipment the DPS will report such a failure to the police.'

South Wales Police take all reports of assault extremely seriously, CCTV footage is paramount to investigating such incidents. Please ensure compliance of the above condition and produce CCTV as soon as practicably possible in order for officers to thoroughly investigate such allegations.

Up until Wednesday 8th February it had been noted that there was no representative from the premises attending the local Pubwatch meetings. Please ensure a representative attends meetings as per your licence conditions.

On 21st January 2023 a male was arrested outside Eden and charged with a public order offence, the male was seen on CCTV to leave Eden prior to the offence. The male in question is currently, and was at the time of the offence, on the Bridgend Pubwatch exclusions list which is a clear breach of the above condition.

The licence conditions for Eden, 33 Market Street state:

9) Either the DPS or manager appointed will attend the Bridgend Pub Watch scheme meetings.

10) The premises will participate in the Nite Net radio communication scheme. Participation is to specifically include a member of staff responsible for signing on the system, monitoring and responding to transmissions, making transmissions when incidents arise to alert at the premises using the system and signing off. Such participation is to take place at all times when the premises is open to customers and trading.

11) The premises will participate in all and any Bridgend Town centre exclusion order schemes.

Evidence has also been received that that the Bridgend Business Against Crime Disc Application which holds the Bridgend Pubwatch exclusions has not been accessed since July 2022. Access to the disc was removed in October 2022 due to non-use by the premises. I appreciate that, during the February Bridgend Pubwatch meeting, access to the disc was reinstated by Bridgend Business Against Crime.

Please ensure all conditions of licence are adhered to, failure to comply with conditions of your licence may result in further action.

If you have any queries regarding this permission, please contact me on the above telephone number.

Yours sincerely

Inspector 3418 Rudall

Dear all,

It has been brought to my attention that you have failed to provide the CCTV in relation to this occurrence despite repeated requests by several officers.

As you know your License stipulates the following condition which states the Premises Licence Holders will ensure that: **1) CCTV will be provided in the form of a recordable system capable of providing pictures of evidential quality in particular facial recognition. Cameras will encompass all access to and exits from the premises including fire exits and all areas, with the exception of toilets, to which the public have access. The equipment will be maintained in good working order. The system will continuously record whilst the premises is open for licensable activities and during all times when customers remain at the premises. Recordings will be timed and kept in date for a period of 28 days and will be handed to a police officer or local authority officer upon lawful demand. The designated premises supervisor will ensure at all times a member of staff is on duty and capable to download CCTV recordings in a recordable format either to USB or to disc, upon lawful demand by a police officer or local authority officer. The recording equipment will be kept in a secure environment under the control of the DPS or another responsible named individual. An operational daily log will be maintained indicating that the system has been checked and is compliant. In the event of any failings of the system actions taken to rectify such failings will be recorded. If there is any technical failure of the CCTV equipment the DPS will report such a failure to the police'.**

Your blatant disregard and unwillingness to provide CCTV at the request of officers is frustrating the course of Justice and undermining the Licensing Act in its entirety. You are morally and duty bound to provide this CCTV as responsible people in charge of this Licensed premises. You have been provided all the necessary support to enable you to expedite this and yet the CCTV has not yet been furnished.

This matter requires your urgent attention and I urge you to act swiftly in ensuring this footage is provided. This behaviour will not be ignored and I intend to work robustly with partners to ensure the necessary action is taken owing to you neglecting your License Condition and your responsibilities under the Licensing Act.

It is my understanding that your CCTV will overwrite this Friday 28th July therefore there is every need for you to action this immediately.

A reminder of what we require from you is as follows: **CCTV footage is required from within EDEN on 1st July between the hours of 00:30 and 03:30 hours.**

Description

Hi Mrs Rasul, As discussed earlier this evening, I was wondering if you could send over the CCTV footage from the incident on the 8th of May please? I believe the time frame for the incident was between 2AM and 4AM. Any footage you have of the males in question and the report females would be great. Thank you, PCSO Holly Tomlinson.
