Decision Made	<p><u>RESOLVED:</u></p> <p>Following consideration of the report and detailed discussion with a Cabinet Member and Senior Officers, the Committee made the following recommendations and requests for additional information:</p> <p><u>Recommendations</u></p> <ol style="list-style-type: none">1. In addition to the usual winter challenges, the Committee expressed concern regarding the potential impact on social services, arising from the disruption at Princess of Wales Hospital while essential maintenance takes place. In particular, concern was expressed regarding pressures on the workforce including additional travelling time required and pressures relating to the decision making and payment of top up fees. The Committee therefore recommended that the situation needed to be carefully monitored and that a report be provided, as appropriate, to Corporate Overview and Scrutiny Committee or Subject Overview and Scrutiny Committee 2.2. The Committee expressed concern regarding the risk that next year, many schools could have deficit budgets of over 5% which require a deficit recovery plan, as schools' budgets are being based on this year's figures and not taking account of further indicative budget reduction proposals for 2025-26. The Committee therefore recommended that future reports relating to the budget include projected deficit figures for schools accordingly.3. The Committee recommended that the next quarterly report include details of the actions taken by Cabinet and the Corporate Management Board, to find the full required savings in respect of non-essential recruitment and expenditure. <p><u>Additional Information</u></p> <ol style="list-style-type: none">4.
