Meeting of:	STANDARDS COMMITTEE
Date of Meeting:	8 JULY 2026
Report Title:	STANDARDS OF CONDUCT
Report Owner: Responsible Chief Officer / Cabinet Member	MONITORING OFFICER
Responsible Officer:	LAURA GRIFFITHS GROUP MANAGER LEGAL AND DEMOCRATIC SERVICES
Policy Framework and Procedure Rules:	There is no effect upon the Policy Framework and Procedure Rules.
Executive Summary:	To receive reports from the political Group Leaders in the Council outlining their compliance with their duties in relation to high standards of conduct.

1. Purpose of Report

- 1.1 The purpose of the report is to present to the Standards Committee the reports of the three political Group Leaders of the Council outlining their compliance with their duties in relation to high standards of conduct.

2. Background

- 2.1 On 30 September 2022 the Committee received a report on the new duties placed upon Standards Committees and political Group Leaders under the Local Government and Election (Wales) Act 2021.

- 2.2 A new duty under the Act is placed on the leaders of political groups to take steps to promote and maintain high standards of conduct of their members. Under the Local Government (Committees and Political Groups) Regulations 1990 a political group is constituted where the Proper Officer is notified of two or more members who wish to be treated as a political group, the name of the group and the name of the one member of the group who is to act as its leader. The Proper Officer has been informed of the following political groups and leaders:

- Labour – Group Leader: Cllr John Spanswick, Leader of the Council
- Bridgend County Independents – Group Leader: Cllr Amanda Williams
- Democratic Alliance Group – Group Leader: Cllr Ross Penhale-Thomas

- 2.3 The duty recognises those in positions of leadership and influence within a principal council should have responsibility for combating bullying and harassment amongst elected members and council staff and must act as a positive role model. Among

other things, this duty is designed to support Welsh Government's diversity in democracy agenda and actions in its Race Equality Action Plan. The 2021 Act also requires that a leader of a political group, must co-operate with the Standards Committee in the exercise of the Committee's functions.

- 2.4 Standards Committees play an important role in supporting members, individually and collectively, to develop and maintain a culture which embraces high standards of conduct. The 2021 Act also extends the specific functions of a Standards Committee to include monitoring compliance by leaders of political groups with the new duty imposed on them by the Act to promote and maintain high standards of conduct by members of their group.

3. Current situation / proposal

- 3.1 Group Leaders are required to report compliance with their duty to the Standards Committee. This could take the form of a short letter or report at a frequency agreed by the political Group Leaders in the Council and its Standards Committee. Group Leaders should also report any serious concerns about members' behaviour which has not been remedied by informal actions, in line with the requirement in the Code for councillors to report breaches. The Council's political Group Leaders and the Standards Committee have previously agreed on the form and frequency of a report from each Group Leader to the Committee.
- 3.2 It is recommended that the Committee now consider each report submitted by the Group Leaders (attached as **Appendix 1**) and provide feedback. The Group Leaders have been invited to attend the Committee meeting on 8 July 2026. The Chair may also wish to meet with Group Leaders privately and periodically to review behaviour.

4. Equality implications (including Socio-economic Duty and Welsh Language)

- 4.1 The protected characteristics identified within the Equality Act 2010, Socio-economic Duty and the impact on the use of the Welsh Language have been considered in the preparation of this report. As a public body in Wales, the Council must consider the impact of strategic decisions, such as the development or the review of policies, strategies, services and functions. It is considered that there will be no significant or unacceptable equality impacts as a result of this report

5. Well-being of Future Generations implications and connection to Corporate Well-being Objectives

- 5.1 The well-being goals identified in the Act were considered in the preparation of this report. It is considered that there will be no significant or unacceptable impact upon the achievement of well-being goals/objectives as a result of this report. This report also assists in the achievement of the following well-being objective under the Well-being of Future Generations (Wales) Act 2015:-

A county borough where people feel valued, heard and part of their community.

- 5.2 Standards are an implicit requirement in the successful implementation of the corporate well-being objectives.

6. Climate Change and Nature Implications

6.1 There are no climate change and nature implications.

7. Safeguarding and Corporate Parent Implications

7.1 There are no safeguarding and corporate parent implications.

8. Financial Implications

8.1 There are no financial implications arising from this report.

9. Recommendation

9.1 It is recommended that the Committee consider the reports and provide feedback to the Group Leaders.

<ul style="list-style-type: none"> - demonstrating personal commitment to and attending relevant development or training around equalities and standards; - encouraging group members to attend relevant development or training around equalities and standards; - ensuring nominees to a Committee have received the recommended training for that Committee; 			
<p>All members of my group have attended the Code of Conduct training and as far as possible all have completed the online mandatory training modules. However there has been some concerns around the online training modules not always being easy to access and not suitable for everyone.</p> <p>I continue to encourage members to take up training in relation to committees they may not currently sit on but may be required to in the future. There is ongoing work with group members to discuss their roles and help identify future training needs to help with their personal development plan.</p> <p>Where appropriate Group members are encouraged to attend external training and workshops that may be suitable such as those provided by the WLGA and APSE.</p>			

<ul style="list-style-type: none"> - promoting civility and respect within group communications and meetings and in formal Council meetings; - promoting informal resolution procedures in the Council, and working with the Standards Committee and monitoring officers to achieve local resolution; - promoting a culture within the group which supports high standards of conduct and integrity; - attend a meeting of the Council’s Standards Committee if requested to discuss Code of Conduct issues;
<p>At the start of group meetings we have introduced a standing item on the subject of ‘Member Conduct and Confidentiality’. There is a Group Whip system whereby any issues can be raised confidentially with support and guidance offered as appropriate. This is given priority within my Group as we need to ensure we are promoting high standards of conduct and integrity as that is what is expected by the public as their democratically elected representatives.</p> <p>There have been occasions where I feel the conduct of some opposition members has fallen below an acceptable standard when in Council meetings, whereby the Mayor (as Chair of the meeting) is not always respected. There have also recently been some unfortunate comments on social media against my cabinet members which were totally untrue and took place during the recent election period with an attempt to try influence how people would cast their vote. I duly discussed this with the Group Leader (Cllr.A.Williams) and the Monitoring Officer and it was made clear that this type of behaviour is not acceptable.</p>
<ul style="list-style-type: none"> - work to implement any recommendations from the Standards Committee about improving standards; - work together with other group leaders, within reason, to collectively support high standards of conduct within the Council.
<p>I have an open-door policy for all members and in particular Group Leaders and continue to arrange monthly Group Leaders meetings. There have been occasions over the past year when we have failed to meet on a regular basis and communication has not been as good as it should be. Therefore, I will look to agree a schedule of dates for Group Leaders meeting over the next 12 months so that we have them in our calendars so that we can plan accordingly. Should there be any future recommendation from the Standards Committee then I will endeavour to ensure that they are complied with in full.</p>

On 20 July 2022, Council approved that the membership of the Committee be increased to eight Members and an additional Independent Member (co-opted) be appointed to the Committee. The previous two vacancies on the Committee following the resignation of Mr Shawn Cullen, Independent Member and the term of office ceasing for Mr Phillip Clarke,

Independent Member have now been filled with Mr Martyn Daley and Mrs Janet Evans being appointed to the Standards Committee in July 2025 as Independent Members.

Work of the Committee

The work of the Committee during 2025/6 has continued to centre on the following main areas:

Maintaining high standards

The Council has ensured that Members have been trained to understand:

- Members' Code of Conduct
- Importance of the Register of Member Interests. The declaration of interest forms are published on the Council's website
- The Investigation of Complaints and a local hearing procedure

Monitoring compliance by leaders of political groups

The provisions in the Local Government and Elections (Wales) Act 2021 build on this by supporting a culture where members have a responsibility to act in a manner which respects and values all people. A duty under the Act is placed on the leaders of political groups to take steps to promote and maintain high standards of conduct of their members. Under the Local Government (Committees and Political Groups) Regulations 1990 a political group is constituted where the Proper Officer is notified of two or more members who wish to be treated as a political group, the name of the group and the name of the one member of the group who is to act as its leader. At the Annual Meeting in May 2025, the Proper Officer was informed in writing of the following political groups and leaders:

- Labour – Group Leader: Cllr John Spanswick, Leader of the Council
- Bridgend County Independents – Leader of Largest Opposition Group: Cllr Amanda Williams
- Democratic Alliance Group – Group Leader: Cllr Ross Penhale-Thomas

The three group leaders were invited to the meeting of the Committee on 22 July 2025 to present reports outlining their compliance and support with the new duties including details of attendance at mandatory training sessions, complaints and relevant information.

Looking ahead, a report will be prepared and submitted to the Committee annually from each individual Group including details of attendance at mandatory training sessions, complaints and other relevant information. The reports will be shared with the Monitoring Officer prior to being submitted to the Committee and individual Group Leaders will be invited to attend the Committee when their reports are being considered.

Code of Conduct Complaints

On 30 May 2025 the Committee convened to determine a complaint of an alleged breach of the Member Code Of Conduct against Cllr Lisa Lewis of Brackla Community Council. The Member was alleged to have breached paragraphs 4(b) and 6(1)(a) of the Code of Conduct, which comprise: 4(b) - Members must show respect and consideration for others. 6(1)(a) - Members must not conduct themselves in a manner which could reasonably be regarded as bringing their office or authority into disrepute. The Committee resolved that the Member should be censured in relation to the above breaches of the Code of Conduct. This is in accordance with their powers under s 9(1)(c) of the Local Government Investigations

(Functions of Monitoring Officers and Standards Committees) (Wales) Regulations 2001. The Committee made recommendations that discussions take place around training opportunities for the Member to add real value to the contribution she can make to Brackla Community Council and to ensure she has the relevant skills in a challenging environment. The Committee also recommended that there needs to be a revisit around Code of Conduct training. The Monitoring Officer will also offer their support to other Members of Brackla Community Council.

The Public Services Ombudsman for Wales (PSOW) received the following Town and Community Council Code of Conduct Complaints for 2025/26. At the time of this report, a breakdown of those complaints is not available but will be published as part of the PSOW Annual Letter in September 2026.

Local Resolution Protocol (LRP) Process

In 2025, the PSOW carried out a review of the LRPs of each of the principal local authorities in Wales. The review identified a varied approach to local resolution in terms of:

- the type of complaints which were deemed to be ‘low level’
- the role of the Standards Committee or members of it
- the inclusion of an agreement not to refer a matter to PSOW whilst the protocol is in operation
- reference to the statutory duties on Group Leaders in managing standards of conduct and
- the outcomes available when the protocols are used.

As part of its review, the PSOW sought Counsel’s opinion which was shared with Monitoring Officers for consideration. A Working Group of Monitoring Officers was established to review the advice note and the Group subsequently recommended that each local authority should review its LRP to reflect Counsel’s advice.

At its meeting on 12 February 2026, the Standards Committee approved revisions to the Local Resolution Protocol adopted by the Council and noted that it continues to provide a helpful process for resolving relatively ‘low-level’ behavioural complaints made by County Borough Members about other Members, in a timely and proportionate way.

Dispensations

The Standards Committee has statutory power to grant dispensations to Members with a personal and prejudicial interest in a matter, to allow them to participate in a decision regarding that matter, in appropriate circumstances, which are set out in statutory regulations.

A dispensation was granted to a Member of Council on 14 July 2025 to enable him to speak at a Community Council meeting as a matter of clarification in relation to minutes of a previous meeting held on 19 June 2025 whereby the Member declared a prejudicial interest in accordance with the Code of Conduct.

Other Activities

In addition to the above activities the Standards Committee also:

- Received and noted the Public Services Ombudsman's Annual Report for 2024-25;
- Received and approved the Council's revised Local Resolution Protocol;
- Noted update reports following observations of Town and Community Council meetings;
- Received reports from the Group Leaders outlining their compliance and support with their new duties including details of attendance at mandatory training sessions, complaints and relevant information.

Looking ahead

Looking ahead, much of the work of the Committee is demand led.

- The Committee will identify and support the provision of regular training and refresher events for Elected Members of the Council. This will be particularly relevant in the lead up to and following the local elections scheduled for May 2027;
- Observation of Council and Committee Meetings – the Standards Committee will continue to observe proceedings at Town and Community Council, Council and Committee meetings to give feedback on observations and inform its work priorities;
- Meetings with Group Leaders - to facilitate ongoing engagement with representatives from all political groups and to identify how the approach code of conduct matters in their political group;
- Code of Conduct, Member Training and Development – the Standards Committee will consider the need for any further training on the Members' Code of Conduct focussing on Town and Community Councils;
- To review the Council's Whistleblowing Policy to ensure it remains fit for purpose.

The Agenda and Minutes of the Standards Committee, together with all Reports considered at meetings are published online.
