

OBJECTOR D – ROZ STIRMAN

Village Café & Function Room, Bettws Life Centre,

I am writing to oppose the above mentioned licensing application on the following grounds:-

I have concerns about the proximity of these premises to both the current and the new school site in Bettws. After-school clubs and possibility even some community groups may well be making use of the school premises after hours and I would not wish in any way to encourage any form of under-age drinking.

Regards

Roz Stirman
