169. APPLICATION TO LICENCE PRIVATE HIRE VEHICLE

The Team Manager Licensing submitted a report regarding an application by Wayne Davies licence a Mercedes S registration number W8 WDD as a private hire vehicle to seat 4 persons. The vehicle is pre-owned and was first registered at the DVLA on 4 June 2007 and was acquired by the applicant on 8 October 2014.

Mr Davies attended in support of his application and the Sub-Committee adjourned the meeting in order to view the vehicle. On inspecting the vehicle, the mileage was confirmed as 69,071 miles. The Team Manager Licensing informed the Sub-Committee that the application falls outside the Private Hire Vehicle Policy, but a relaxation maybe considered in exceptional circumstances.

The applicant informed the Sub-Committee that he had purchased the vehicle for use as a wedding hire car. In the event of his application being successful, he proposed to use the vehicle as part of his fleet, and had been asked by newlyweds if they could hire the vehicle to be taken to the airport. He had also gained contracts for airport runs with Thomas Cook and Going Places. He informed the Sub-Committee that he did not possess an operator's licence at present but intended to apply for one.

The Sub-Committee retired to consider the application and on their return, it was:

RESOLVED: That the Sub-Committee has considered the application to licence a Mercedes S registration number W8 WDD as a private hire vehicle to seat 4 persons.

The Sub-Committee has noted the application falls outside paragraph 2.1 of the Private Hire Vehicle Policy due to the age of the vehicle. The Sub-Committee has noted the provisions of paragraph 2.2.5 which allow a relaxation of the policy in certain situations.
