RE: OBJECTION NOTICE

RE: APPLICATION TO GRANT A PREMISES LICENCE UNDER SECTION 17 OF THE LICENSING ACT 2003

The South Wales Police (SWP) refer to the above grant application and inform Bridgend County Borough Council Licensing Authority that there are police objections in respect to this application from the premises trading as 35 Market Street Bridgend, CF31 1LJ.

This application is made on behalf of Chief Superintendent Parfitt, the Chief Officer of Police who is of the view that the likely effect of the grant of this application on the licensing objectives would be an increase in Crime and Disorder, Public Safety, Public Nuisance and the Protection of Children from harm in the cumulative impact area of Bridgend.

Having regard to the information submitted in the Operating Schedule, South Wales Police are of the opinion that the operating schedule does not take into consideration the potential impact that extending the current operating hours will have on the licensing objectives and the potential to place an unequivocal demand on South Wales Police and other responsible authorities within this area.

THE CURRENT HOURS

The existing Premises License BCBCLP211 issue 7 5/12/2015 has the operating of Licensable activities as

Monday – Thursday until 0200hrs,
 Friday and Saturday until 03.00hrs
 Sunday until 0030hrs

THE PROPOSED HOURS

This application wishes to operate seven day a week with the closing times

03.00hrs Monday – Thursday

04.30hrs –Friday

05.30hrs –Saturday

03.00hrs - Sunday

For alcohol, late night refreshments, films, indoor sporting events, wrestling or boxing, plays, live music and recorded music being licenced until 05.00hrs.

South Wales Police feel the increase of the operating hours will not support any of the Licensing objectives and therefore will have a detrimental effect on the late night economy in the Bridgend Town Centre.

BACKGROUND TO THE LOCATION OF THE VENUE IN THE “SATURATION AREA”

The premises is situated in Market Street which is one of only 4 streets which form the “saturation area” which is subject of Bridgend County Borough Councils “Statement of licensing policy”.

The area is saturated with licensed premises as it contains the highest concentration of public houses, nightclubs, restaurants, late night refreshment houses and takeaways anywhere in the borough and therefore experiences the highest volume of pedestrian and vehicular traffic and consequently the highest number of reported incidents.

There are continuous problems of crime and public disorder, anti-social behaviour, noise and public nuisance within the town centre on weekends and on BH weekends in particular.

Such incidents can be attributed to intoxicated individuals availing themselves of alcohol at venues which were operating until the very early hours.

Numerous alcohol related incidents are regularly recorded with violent crime in particular being prevalent.

There are significant increases in the level of reported occurrences from 2015 to present along with increases in reported offences which raises concerns of public safety.

This is evidence in support of the need to implement steps to minimise any negative impact upon the saturation area.

Premises within this saturation area have been subject of various and prolonged enforcement over the years due to the failure of staff to promote public safety, protect children, prevent crime & disorder and prevent a public nuisance which are the key licensing objectives.

This area also contains residential properties and the quality of life of the residents needs to be taken into consideration when considering any application in this area, not only the residential properties within the saturation area but other neighbouring streets such as Quarella Road, Derwen Road and Coity Road will also be effected by noise nuisance.

SWP want to support any new business in Bridgend, however it must be run correctly, safely and within the remits of the Licensing Act 2003 and not have a detrimental effect to the general population who attend the Bridgend Town Centre and by objecting to the Licence SWP feel is a fair and proportionate way to help manage the cumulative impact area effectively.

Application

The closing time presently is in the early hours of the morning and the application is to extend the hours of licensable activity and opening on every day of its operating especially at the weekend.

The application does not say how this will not have a significant increase in Crime & Disorder at a time when the footfall in Bridgend town centre is at a high level at night and when the vast majority of incidents take place in the area.

South Wales Police object to the proposal on the grounds that crime and disorder would increase and Public nuisance will also increase and SWP feel this would be detrimental to the locality should this be granted.

The application makes reference to holding specific youth events at the premises with agreement from the Police, this will be aimed at an under 18 age group and raises significant cause for concern, SWP have had a significant increase in incidents in the Bridgend area when these events have taken place.

SWP have dealt with incidents during these events and Officers have located children drunk and in a confused state on the street, in a dishevelled state having clearly been vomiting unsure of where they are and on occasions with injuries, parents have had to be contacted and when no parent is available children not from the local area have had to be conveyed home as the duty of care now lay with the Police who had concerns for their safety.

The applicant has held youth charity events at the premises previously, initially without informing the Police and it is only by chance that the Police became involved, SWP informed Mr Rasul that if he ran the event he would be in breach of his License conditions and that SWP advised him his actions would be unlawful in regard to his License conditions. Mr Rasul remained adamant that the event would go ahead despite SWP concerns of placing Children in potential harm.

Police attended the event and identified further breaches of the License conditions as alcohol was clearly on display in this event.

It was further identified that there were very few adults present to look after the Children.

Incidents of intoxicated females have been previously reported at Berties Bar along with the report of large groups of youths fighting when a Youth birthday event took place and these incidents resulted in children being placed in a more vulnerable position.

SWP have today 26.4.2017 received a request via email from 35 Market Street that they wish to hold a Sixteenth Birthday party, this is a repeat of what has previously occurred and again there will be a breach of the Licence conditions and Mr Rasul will be aware of this.

The event will run from 6pm – 11pm which just supports the fact that they are prepared to place children in potential harm, Bridgend Town Centre at 11pm is no place for persons aged 16 years and possibly younger and even when described as a birthday party these events attract Children from out of the area.

The Police have again not been notified by the management of 35 Market Street but via Council Licensing Department which again is disappointing.

All below refer to incidents of violence at 35 Market Street and during the present operating hours. Although the premises was run by a number of other persons when this crime has occurred, it is quite likely to re-occur under new management.

1600276904 assault

1600164856 assault

1600060282 assault

The Premises

This application is quite unique as it is marketed as Eden Live lounge and Bar which is situated at 33 Market Street Bridgend next door to the Eden Bar and Grill which is situated at 35 Market Street and

primarily operating as a nightclub venue, these two venues are attached to each other in location as well as being owned and managed by the same family.

They share some of the facilities namely the same smoking area to the front of the premises and their customers would be the same who would freely attend either venue during the evening, moving freely from one venue to the other.

In effect this is one premise and the marketing suggests that this is one premise, although we have a situation where we have two separate licenses each containing different operating schedules for a premise which should clearly be covered by one premises license.

Eden Bar & Grill can accommodate numbers up to 500 person and Eden Lounge up to 400 persons so this now makes the venue one of the largest in the Town centre with a combined capacity of 900 persons and which will be one of the last premises to close which really must raise concerns.

With such a large venue the operating hours should be one that does not present any negative impact to this saturation area and which should benefit the Town Centre, however any increase in hours in relation to the current application would not be supported at this time as SWP cannot see how this will support the Licensing objectives.

APPLICANT

Mr Zahid Rasul will be the Designated Premises Supervisor of the venue and therefore have day to day control of the premises

The Premises has just been opened under the current management and therefore SWP have a small time frame to base their evidence on since its recent opening on the 30th April 2017, however incidents of Crime & Disorder were present at 35 Market Street even with the existing hours were in place.

With this in mind the Police have no other alternative and therefore feel it necessary to evidence the concerns they have had with the applicant Mr Rasul who is the Premises License holder of Eden bar & Grill which is situated next door to the application premise and managed by the same people.

As a direct result of the poor management of The Eden Bar & Grill there have been two lengthy meetings recently which the applicant was heavily involved in to identify and address the concerns of SWP have to the management of the premises.

A number of issues were identified by the Police and the management were invited to produce an action plan which would assist in making the necessary improvements to promote the Licensing objectives after a delay and a number of requests by SWP to the applicant the action plan was eventually submitted and the review period is still ongoing.

In the application for the License of the Eden Bar & Grill representations were made that the premises would be partly used as a restaurant and conditions put in place for this but time has passed and we have a situation where there is no restaurant or even a kitchen facility in place and the primary use of the premises is that of a late night bar and nightclub, it is apparent that no restaurant is going to be established at the location and SWP are concerned was this always the intention.

There has been a number of breaches of the License conditions which have been identified and due to the fact that SWP wished to work with the applicant it was agreed that there would be no formal

action regarding the identified Licensed breaches and so it was decided that a fresh start would commence where the management could now begin making improvements and this process has been a challenging period for SWP.

The applicant understands the saturation problems of the Town Centre and the effect of the Special Policy and what steps he will take to mitigate any such impact, however we need to fully understand that Zahid Rasul who is the Designated Premises Supervisor will be responsible for maintaining the Operating Schedule and we have strong concerns that this will not be done responsibly and we can evidence this by his strong involvement in the daily running of Eden at 33 Market Street Bridgend.

Eden Bar & Grill Conditions

Annex 2 – Conditions Consistent with the Operating Schedule

The prevention of crime and disorder:-

The Premises Licence Holder will ensure that the venue actively participates in the local Pub Watch or equivalent scheme.

There shall be no entry /re-entry to the premises after 0230 hours.

The smoking area shall close 30 minutes prior to closing.

Persons who have committed criminal offences will be detained until the arrival of the police

There shall be no entry/ re entry to the premises after 02.30 hours

The applicant or any of the management has not attended any Pub Watch meeting since 2016, persons who have been placed on the Pub Watch banned list have attended the Eden premise and have been involved in further incidents of disorder. (incident 1700070456) refers and this is a Breach of the Licensing conditions.

When Mr Zahid Rasul was recently approached by a member of Pub Watch he would not engage with them which raises concerns of how committed he really is to promoting the Licensing objectives.

There is further information which is subject to an ongoing investigation which can be provided in a closed session and which supports that the applicant was in breach of his Licensing conditions when dealing with a drug related incident (1700151831) refers, breach of Licensing conditions.

There has been a number of incidents of disorder which have gone unreported to Police and a male person who was the victim of an assault and suffered a fractured eye socket in the premises was not provided the right duty of care, incident (1700043558) refers.

In relation to the above incident there was no detention of the suspects at the time so no crime 'golden hour' principals were engaged. This is unfair that victims be penalised for whatever reason and does not support a partnership approach of working with the police and again in breach of the Licensed conditions.

There is Police evidence relating to persons entering the premises after 02.30hours which is in breach of the Licensing conditions incident (1700151831) refers.

Further incidents maybe referred upon at the hearing if reported after the time of this objection notice.

SWP have concerns that the conditions set out in the application may not be sufficient and will add to the existing saturation area and that these conditions may not even be adhered to and therefor will not support the Licensing objectives.

Revised Guidance issued under Section 182 of the Licensing Act 2003: March 2015
Representations from the police

9.12 In their role as a responsible authority, the police are an essential source of advice and information on the impact and potential impact of licensable activities, particularly on the crime and disorder objective. The police have a key role in managing the night-time economy and should have good working relationships with those operating in their local area. The police should be the licensing authority's main source of advice on matters relating to the promotion of the crime and disorder licensing objective, but may also be able to make relevant representations with regard to the other licensing objectives if they have evidence to support such representations. The licensing authority should accept all reasonable and proportionate representations made by the police unless the authority has evidence that to do so would not be appropriate for the promotion of the licensing objectives. However, it remains incumbent on the police to ensure that their representations can withstand the scrutiny to which they would be subject at a hearing.

South Wales Police cannot see how the existing application offered protects customers and supports the Licensing objectives.

At this current time, South Wales Police believes that an objection notice is a necessary and proportionate step in order to address the problems with this application and to advise that as it stands it should not be granted.

Yours sincerely,

MG11 WITNESS STATEMENT

Criminal Procedure Rules, r 27.2; Criminal Justice Act 1967, s.9; Magistrates' Courts Act 1980, s.5B

Occurrence Number:	1700088585	URN:	
Statement of:	THOMAS, CHRISTOPHER		
Age:		Occupation:	Emergency Services: Police service Empl. stat: EmployedPolice officer
This statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it, anything which I know to be false, or do not believe to be true.			

At approximately 0215hrs on Sunday 12 March 2017 I was on duty in police uniform, in company with PS4717 DAVIES, conducting a mobile patrol along Market Street, Bridgend in a marked police vehicle as part of Operation Raven.

Operation Raven is a late night economy Public Order and Public safety Operation that seeks to meet and greet members of the public into the late night economy in Bridgend and through early interventions and licensing strategies tries to prevent and deter more violent offences from occurring later in the evening.

At this time we were travelling past Eden Nightclub, Market Street, Bridgend when I saw a large group of people standing outside the entrance to the premise. PS4717 DAVIES and I decided to maintain observations on the entrance to the premise in order to monitor persons entering and leaving, and so I brought our marked police vehicle to a stop in the lay-by directly outside the club.

Upon alighting from our marked police vehicle I saw that there was a small cordoned smoking area located directly outside the entrance / exit which was not fit for purpose as it was full with only a handful of people. Others smoking were doing so amongst the door staff causing a general obstruction and creating a confusing environment for those door staff to work. It was nigh on impossible to distinguish between current customers and new arriving customers, and door staff were constantly having to look around and keep a check on those smoking and not giving their full attention to the security of the entrance / exit.

In general the system was shambolic, chaotic and unprofessional. It was also extremely unsafe for customers arriving and exiting.

The owner of the premises, a male person I know to be Zahid RASUL, then came out and spoke with PS4717 DAVIES, whereby PS4717 DAVIES informed him of the observations made by us and the concerns we had about the security of the entrance to his establishment and the safety of his customers.

At approximately 0250hrs on the same date PS4717 DAVIES and I decided to check other licensed premises within Bridgend Town Centre, and so drove away from Eden Nightclub, Market Street, Bridgend. Bridgend Town Centre was relatively quiet at this time and, with no issues seen or reported elsewhere, we decided to make our way back to Eden Nightclub, Market Street, Bridgend.

At 0300hrs on the same date I drove up Market Street, Bridgend and stopped just a few metres in front of Dragon Taxis office. At this time I had a clear and unobstructed view of the front entrance of Eden Nightclub, Market Street, Bridgend, and again saw a large group of people smoking and then re-entering the premise. I also saw new customers approaching along the street from both directions.

PS4717 DAVIES then brought my attention to a small group of people standing on York Place, Bridgend, alongside a building that once housed The York Tavern Public House and Munroe's Nightclub. These persons were watching us and it appeared to me that they were waiting for us to leave the area before trying enter Eden Nightclub.

I then drove towards Eden Nightclub, Market Street, Bridgend and again stopped our marked police vehicle in the lay-by located directly outside the premise.

PS4717 DAVIES and I alighted where I then saw and heard door staff informing people that entry and re-entry was now not allowed. It is my belief that this was only because our presence.

I then saw a male wearing a grey t-shirt with a distinctive 'ripped' pattern design on the upper arms and chest walk past me having come from the direction of Derwen Road, Bridgend. I saw this male approach the entrance to Eden Nightclub, Market Street, Bridgend from the pavement and attempt to gain entry. The male was stopped by door staff and informed that entry was now not allowed. The male then stepped back but remained at the location, walking towards the edge of the smoking area. I suspected that this male would make another attempt to gain entry and so I monitored his movements around the entrance and smoking area.

After a few minutes I saw the male walk behind door staff whilst they were distracted by persons smoking around them and enter the premise. He was not seen by door staff or Zahid RASUL, who was also present outside the club.

Upon seeing the male enter the club I immediately shouted to one of the door staff of what I had seen and then proceeded to walk into the entrance foyer myself in order to enter the club and assist with identifying and removing the male.

As I did so I heard Zahid RASUL stood in front of me and attempted to obstruct me from entering the premise. He said to me:

“You can’t go into my club. I haven’t given you my permission”.

I informed RASUL that I did not need his permission as I had a power to enter any licensed premise and to step aside. I then moved passed RASUL and approached the doors that lead into the club.

Before I could open the doors however, Zahid RASUL rushed past me and placed his hands on both the door handles, preventing me from opening them and entering. RASUL then said to me:

“You are not allowed in my club. I have not given you permission. Do you have a warrant? You can’t come in”.

I informed RASUL again that I had a power to enter any licensed premise which was conferred to me under The Licensing Act, which meant that I did not need his permission or a warrant. RASUL continued to refuse to yield and so I informed him that if he did not move out of the way then he would be obstructing a police officer in the execution of their duty.

At this point a young Asian male who I do not know appeared at my right side and began shouting at me to “get out” and that I “was not allowed into the club”.

I then warned RASUL that if he did not move out of the way he would be arrested for obstructing a police officer in the execution of their duty. At this point the doors were forced open from inside the club and I saw a male being escorted out by door staff. I then enter the club followed closely by Zahid RASUL and the young Asian male. I heard RASUL shouting:

“Get out of my club. Get him out of my club”.

I then felt someone push me slightly from behind on my back but I did not see who it was. I turned around and saw Zahid RASUL and the young Asian male standing behind me and shouting at me to get out of the club. I then exited the club and saw that the male with grey t-shirt had been removed from inside.

Zahid RASUL and the young Asian male then stood around me and again were shouting at me with regard to my entering the club. I informed RASUL again of police powers in relation to licensed premises and that he risked arrest and prosecution should he obstruct officers in the execution of their duty. Eventually RASUL agreed and apologised to me and PS4717 DAVIES.

PS4717 DAVIES then explained to Zahid RASUL that we were gathering evidence regarding the operation of the premises and we have reported breaches of planning and licensing conditions. Zahid RASUL's reply to this was to begin to tell a story of mine and his first encounter and how the encounter was not to his satisfaction. Both me and PS4717 DAVIES informed RASUL that this story was irrelevant to the current situation.

PS4717 DAVIES then requested the assistance of other officers and shortly after PS4986 SULLIVAN and PC2398 WARREN attended, whereby we all completed a licensing visit of the premises. This was a full walk around of the premises including the toilets. We were escorted by a member of door staff that insisted on walking with us. At the end of the visit PS4717 DAVIES and PS4986 SULLIVAN were requested to sign a book titled 'DOORMAN' logbook to evidence our licensing visit. This book was not signed by any officer as there was no wording in relation to police visits on it.

No issues were found inside and we exited the club.

At 0400hrs on the same date PS4717 DAVIES, PS4986 SULLIVAN, PC2398 WARREN and I then left Market Street, Bridgend.

The following issues of concern were identified during our time outside the Eden Nightclub, Market Street,, Bridgend:

Poor management of current and arriving customers in a chaotic smoking area - unsafe and dangerous

Physically blocked and refused entry and resistance to allow an officer to enter when pointing out an entry after 0230hrs

Allowing entry to customers after 02:30hrs

Occurrence Number:	1700088585	URN:	
Statement of:	DAVIES, MICHAEL		
Age:	Over 18	Occupation:	Police officer
This statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it, anything which I know to be false, or do not believe to be true.			

I am Police Sergeant 4717 of the South Wales Police currently based on the Bridgend Neighbourhood Policing Team.

On Saturday 11th March 2017 I was on duty in full uniform in the Bridgend area covering Operation Raven in Bridgend town centre. I was in company with PC 2802 Chris Thomas.

Operation Raven is a late night economy Public Order and Public safety Operation that seeks to meet and greet members of the public into the late night economy in Bridgend and through early interventions and licensing strategies tries to prevent and deter more violent offences from occurring later in the evening.

At 02:15hrs I was conducting a mobile patrol of the town centre with PC Thomas. We parked the Police car outside Eden Night club to monitor customers entering and leaving the premises.

At this time I saw a large group of people standing outside the entrance to the premises. The cordoned off smoking area was full and there were people smoking in amongst the door staff causing a general obstruction and creating a confusing environment for the door staff to work, it was difficult to decipher between current customers and new arriving customers.

In general the system was working to a very low standard and myself and PC Thomas described it as a shambles and in chaos. The entrance policy could be hugely improved to separate and professionalise the process and create a safe area for arriving customers.

The owner of the premises Mr Rasul came out to speak to us and I told him my thoughts on the entrance to his establishment. He advised me of the potential solutions he had planned to alleviate this issue by the purchase of adjoining establishments.

Mr Rasul also told me that he had more door staff attending Eden that he was allowing into the premises. He stated that these males were not actually working there but were there as backup if they were needed. These males were not wearing any SIA badges. I would estimate that about 3 of these males arrived whilst we were present between 02:15hrs and 02:50hrs. One of these arrived after 02:30hrs and Mr Rasul explained their presence and role to me on their arrival.

We decided to leave Eden at 02:50hrs to drive around the town centre and check the rest of the licensed premises. As we were mobile and the town was fairly quiet we returned to Eden approx 03:00hrs. As we approached from the Radio cabs office end of Market Street I could see the front entrance to Eden was again a sea of people smoking and re entering the establishment with new customers approaching along the street from both directions.. There were people stood up by the old Munros building and it seems waiting for us to leave before trying to then enter Eden after our departure. The door staff were telling some people that the door was closed now and no further entry was allowed. I believe this was only because they had noticed our presence in the road.

I saw a male with a grey ripped t-shirt (part of the design rather than damaged) has approached the door from along the pavement. We have decided to monitor his movements around the entrance. After a short while he has managed to gain entry and this has been noticed by PC Thomas.

This entry has been pointed out to door staff and PC Thomas has entered the main door. I followed shortly afterwards. PC Thomas was then STOPPED by Mr Rasul at the entrance and refused entry by holding the doors closed. Mr Rasul has blocked his progress into the club. PC Thomas protested to me that he had been stopped by Mr Rasul from entering the premises.

Pc Thomas has stated that he has power to enter licensed premises and that he is causing him to be obstructed in his duty. PC Thomas explained that he would be arrested if he didn't move out of the way. The male with the grey t-shirt was located and removed by door staff through the door. As Pc Thomas entered the premises Mr Rasul was shouting for him to get out. "Get him (PC Thomas) out of my club"

A tense discussion then took place between officers, Mr Rasul and another young Asian male in the foyer area of the club. Mr Rasul was advised about Police powers and that he risked arrest if he caused an obstruction to officers. He then agreed and apologised. I explained to Mr Rasul that we were gathering evidence regarding the operation of the premises and we have reported breaches of Planning / licensing conditions.

I have pointed out to Mr Rasul again that the smoking area is chaos and there is little control over who is a customer and new arrivals. It becomes confusing for door staff.

Instead of listening to our feedback Mr Rasul has taken the opportunity to tell a story of PC Thomas and his first encounter with him and how the encounter was not to his satisfaction. I advised Mr Rasul that this story was irrelevant to the current situation and PC Thomas is the NBM for the town centre and enforces the law correctly.

I called for further officers to attend to assist and extended our tour of duty.

On arrival of PS Sullivan and PC Warren, myself and PC Thomas all completed a licensing visit of the premises. This was a full walk around of the premises including the toilets. We were escorted by a member of door staff that insisted on walking where we walked. At the end of the visit I was requested to sign a book titled DOORMAN logbook to evidence our licensing visit. However there was not specific wording relating to the Police visit so nothing was signed.

Nothing untoward was found and officers returned to the outside of the door. Further discussions with Mr Rasul were done but these were generally repeating previous conversations.

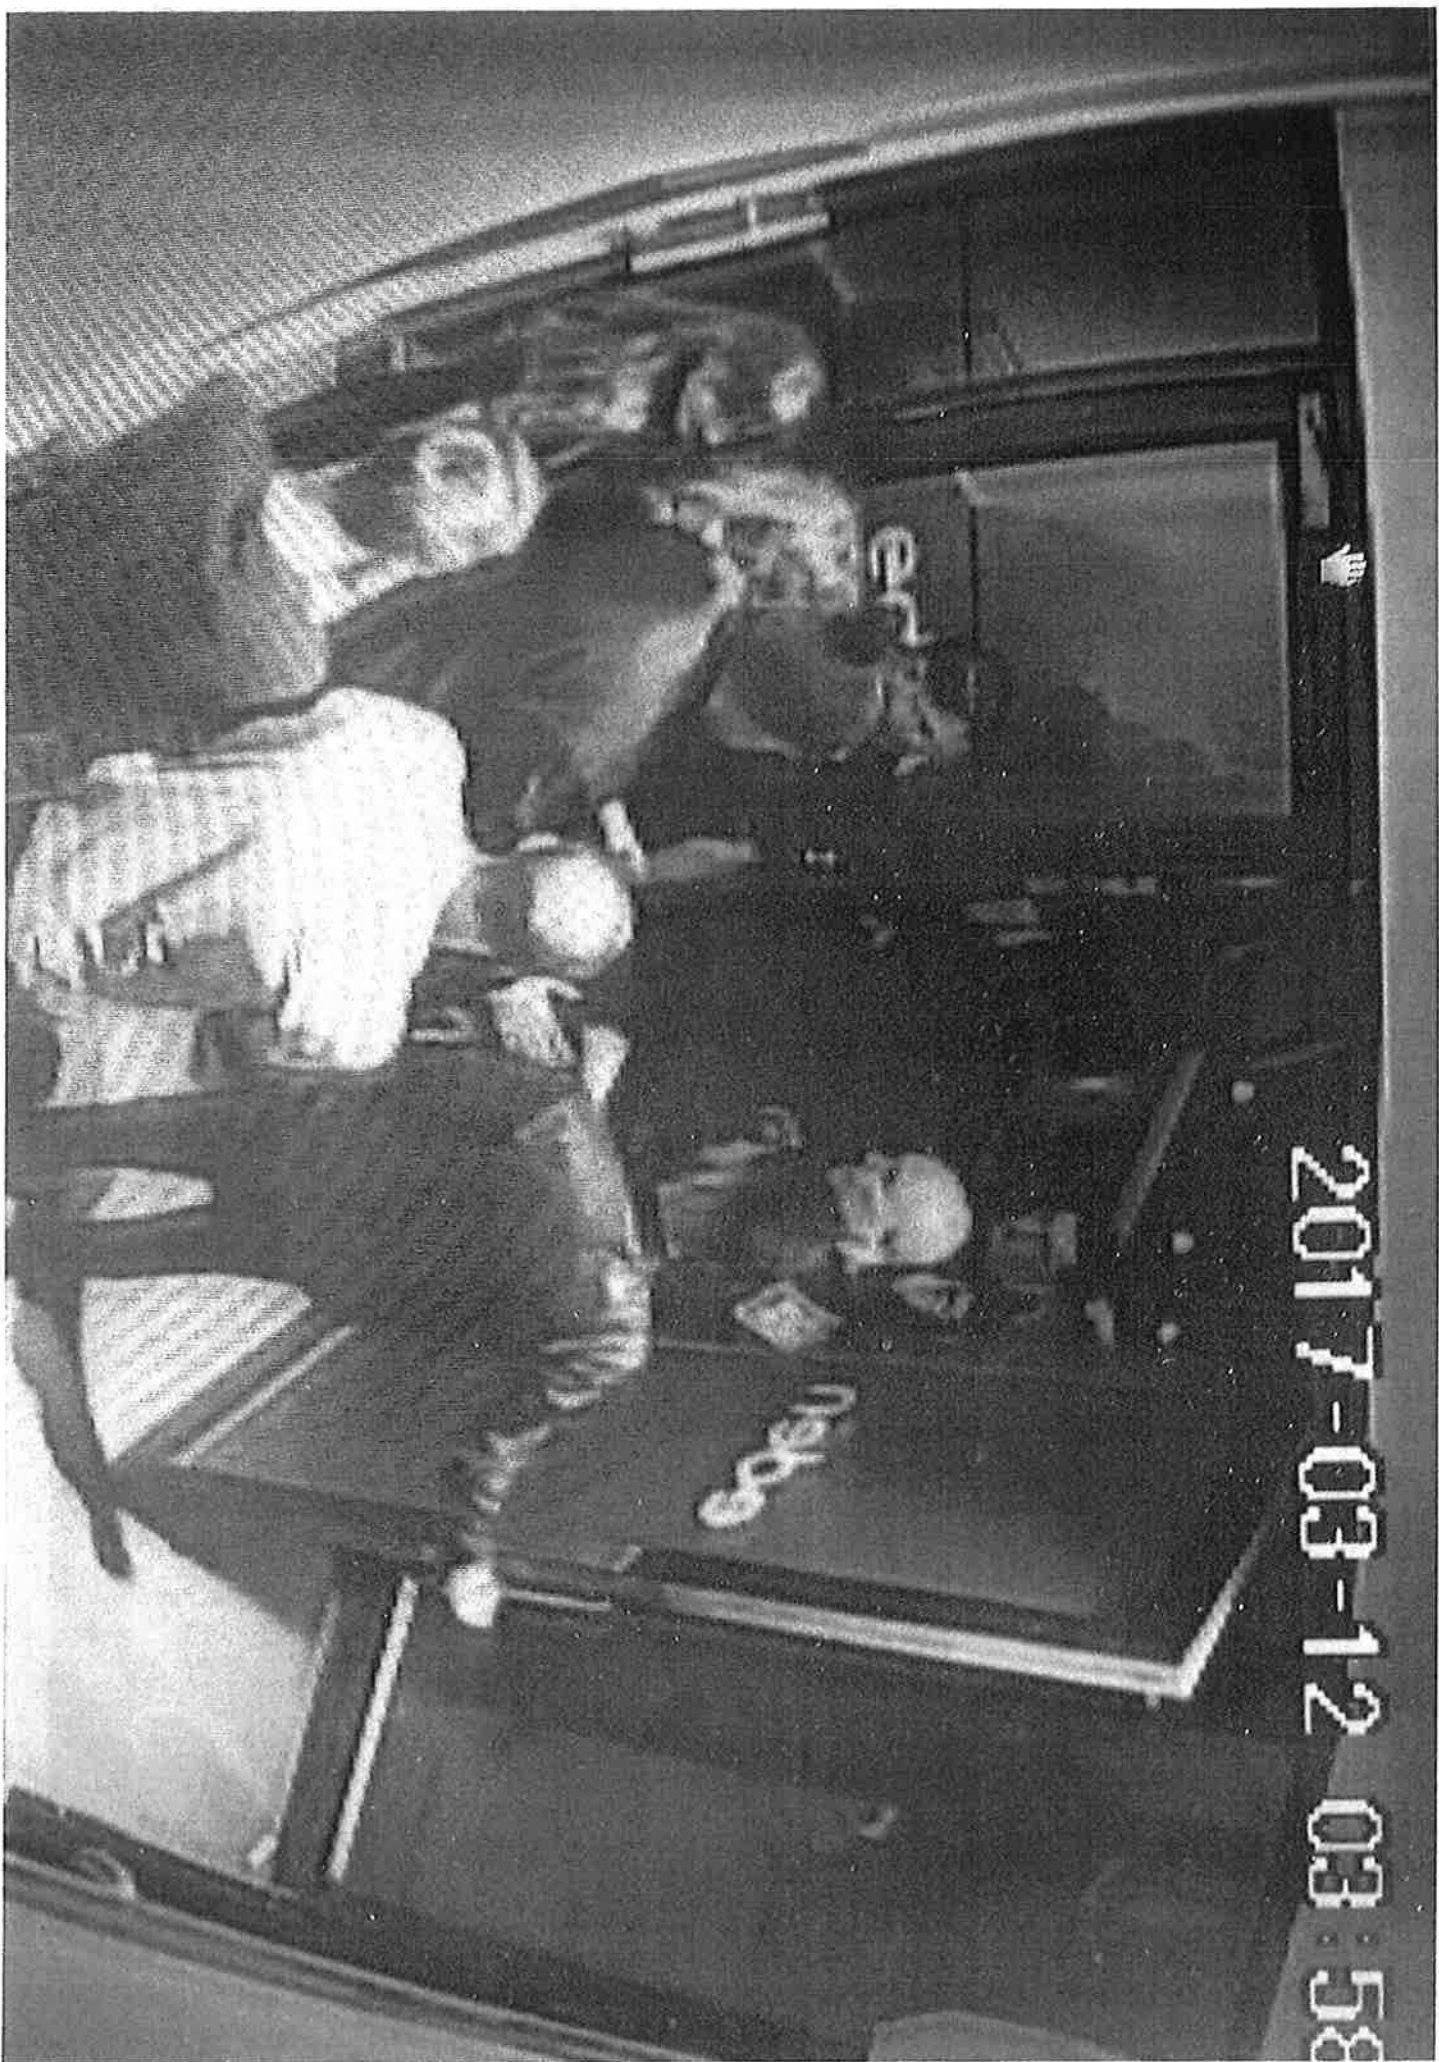

Officers then left after 4am and returned to station.

I identified the following issues that were of concern to me.

- 1 Poor management of current and arriving customers in a chaotic smoking area. Unsafe and dangerous.
- 2 Physically blocked and refused entry and resistance to allow an officer to enter when pointing out an entry after 0230hrs.
- 3 Allowing entry to customers after 02:30hrs.

Eden

Npt stood outside Eden for half an hour between 0215 and 0245

Smoking area a complete shambles. People smoking in the area where people were arriving and departing. Owner trying to advise people to smoke in cordoned area. Too small for volume of people smoking. To be resolved by a rear garden to be purchased in due course at rear.

Mr rashul came out and spoke to us. Very friendly and complying with entry conditions.

At 0230 the door was closed for new entries. Enforced properly as we were there no doubt.

2 SIA doormen present and controlling entry

As the smoking area is a shambles and mixed with paying customers and arriving customers there is little control over entry. There are people waiting up by munro waiting for us to go so they can get in

Officers have witnessed a male in a grey thirty entering the premises.

Supervisor review 12/03/2017 04:14 #SWP4717 DAVIES, M. No T1700679869 No type Closed

Officers left Eden at 0250hrs to drive around the town centre. On return to Eden approx 0300hrs. The front entrance to Eden was again a sea of people smoking and re entering with new customers approaching. There were people stood up by Munros waiting for us to leave, probably to then enter Eden.

A male with a grey ripped tshirt (part of the design rather than damaged) has approached the door from along the pavement. we have decided to monitor his movements. After a while he has managed to gain entry and this has been noticed by Police.

This has been pointed out to staff and PC Thomas has entered the main door. PC Thomas was then STOPPED by Mr Rasul at the entrance and refused entry. Pc Thomas has stated that he has power to enter licensed premises and the male with the grey t-shirt was located and removed by door staff.

A tense discussion then took place between officers, Mr Rasul and another young Asian male. Mr Rasul was advised about Police powers and that he risked arrest if he caused an obstruction. He agreed and apologised.

I have pointed out the smoking area is chaos and there is little control over who is a customer and new arrivals. It becomes confusing for door staff.

Log entry: Instead of listening to our feedback Mr Rasul has taken the opportunity to tell a story of PC Thomas and his first encounter with him and how the encounter was not to his satisfaction. I advised Mr Rasul that this story was irrelevant to the current situation and PC Thomas is the NBM for the town centre and enforces the law correctly.

I called for further officers to attend to assist and extended our tour of duty.

On arrival of PS Sullivan and PC Warren, myself and PC Thomas all completed a licensing visit of the premises. This was a full walk around of the premises including the toilets. We were escorted by a member of door staff that insisted on walking where we walked. Requested to sign a book titled DOORMAN logbook to evidence our licensing visit. However there was not specific wording relating to the Police visit so nothing was signed.

Nothing untoward was found and officers returned to the outside of the door. Further discussions with Mr Rasul were done but generally repeating previous conversations.

1 Poor management of current and arriving customers in a chaotic smoking area
2 Refusal to allow an officer to enter when pointing out an entry after 0230hrs

Pictures attached.

INVESTIGATION UPDATE

(Add free text entry here; detailing Investigation Update)

From PS Sullivan
REPORT FOR SAT 12/03/17

EDEN.

0300HRS AS A REQUEST FROM PS 4717 DAVIES WHO HAD STAYED ON WITH PC 2802 THOMAS MYSELF AND A/PS TOM WARREN (WHO ALSO HAD TO STAY ON) ATTENDED TO BACK THEM UP.

LARGE CROWD IN SMOKING AREA, WAY TO MUCH TO BE HANDLED EFFICIENTLY. I ASKED CCTV TO MONITOR THE FRONT TO GAIN EVIDENCE SO IT SHOULD ALL BE ON THERE BUT HE INSISTS IN PARKING HIS BLUE VAN IN THE TAXI BAY TO TRY AND OBSCURE THE FRONT DOOR CROWD WAS FAR TO BIG TO BE MONITORED EFFECTIVELY AND THE DOOR STAFF CLEARLY HAD NO CONTROL AND NO IDEA WHO WAS GOING IN AND OUT. DIDNT SEE ANY CLICKERS IN USE TO COUNT NUMBERS. (MAY HAVE THEM I DIDNT SEE THEM)

*** THE DOORMAN FROM THE ROOF ALSO WAS THERE BUT TOLD ME HE WAS DOING IT AS A FAVOUR TO **** THE OTHER DOOR MAN TO HELP HIM OUT AND HE WASNT GETTING PAID TO DO IT (NOT SURE IF HE THERE FOR WOULD BE EMPLOYED AND INSURED ETC AND WOULD HE BE ACTING WITHIN HIS DUTIES IF HE IS NOT "EMPLOYED" AS SUCH OR GETTING PAID OR EVEN ON THE BOOKS)

THERE WERE 3 OTHER DOOR STAFF INSIDE THAT I SAW.

MR RASOUL WAS OUTSIDE WATCHING US ALL THE TIME AND HE CAME OVER EVENTUALLY WHERE I ASKED HIM. WHY ARE YOU OPEN AFTER YOUR 0230HRS CLOSING TIME". HE REPLIED. ITS 430 WE CLOSE, THE DOORS CLOSE AT 0230HRS I SAID PLANNING SAYS ITS 2.230. HE SAID NO, I KNOW BUT I CLOSE AT 4.30 AND DOORS SHUT AT 2.30

Log entry:

I WAS AWARE OF THE PREVIOUS INCIDENT INVOLVING PC THOMAS GAINING ENTRY AND BEEN SHOUTED AT AS PS DAVIES HAD BRIEFED ME. I ALSO SPOKE TO MR RASUL ABOUT THIS AND POINTED OUT THAT WE HAVE POWERS OF ENTRY TO ANY LICENSED PREMISES AT ANY TIME AND WARNED HIM THAT IF HE TRIED TO STOP POLICE AGAIN HE WOULD BE ARRESTED INSTANTLY FOR OBSTRUCTION. HE STATED HE UNDERSTOOD AND HAD APOLOGISED FOR HIS ACTIONS.

IN ANY CASE ALL 4 OF US THEN WENT IN TO CONDUCT AN EFFECTIVE LICENSING VISIT AND F OR OFFICER SAFETY

THERE WAS A PARLETIC 18 YR OLD GIRL CELEBRATING HER BIRTHDAY WHO COULDN'T STAND OR SPEAK BY THE FRONT DOOR INSIDE THE CLUB. I TOLD HIM SHE WAS FAR TO DRUNK TO BE SERVED AND HE GOT A DOORMAN TO GET HER AND HER BOYFRIEND TO LEAVE.

THE BAR WAS OPEN AND DRINKS BEEN SERVED. THIS WAS AROUND 0325HRS. WE THEN PROCEEDED THROUGH THE CLUB WHERE IT BECAME APPARENT THAT A DOORMAN HAD BEEN ASSIGNED TO FOLLOW US AROUND AND WHEN I CHALLENGED HIM AS TO HWY HE WAS FOLLOWING US HE STATED HE WAS DOING HIS JOB AS I WAS DOING MINE. I TOLD HIM TO STOP FOLLOWING OFFICERS AROUND THE CLUB AND AFTER COMING BACK DOWN THE STAIRS HE DID SO.

UPSTAIRS ON BOTH PARTS OF THE CUB CHECKED AND THE TOILETS TO. IN BOTH TOILETS THERE WAS A BLACK MALE IN THE MENS AND A BLACK FEMALE IN THE LADIES OFFERING PERFUME, AFTERSHAVE ETC (NOT SURE OF THE LEGALITY OF THAT) MUSIC WAS ON ALL THE TIME

WE WERE IN THERE PROBABLY 10 TO 15 MINUTES THEN REMAINED OUTSIDE UNTIL HE STARTED TO CLOSE AROUND 0400HRS OR SO. I LEFT ABOUT 0410HRS BUT HE WAS STILL OPEN BUT STARTING TO SLOWLY WIND IT DOWN AND PEOPLE WERE BEGINNING TO LEAVE.

MR RASUL EXPLAINED THAT HE HAD BOUGHT BERTIES BAR FOR ***** EVEN THOUGH IT WAS ONLY WORTH ***** AS HE WANTED TO TURN THE REAR AREA INTO AN ADDITIONAL SMOKING AREA.

THE UPSTAIRS BAR WAS CLOSED BUT LIGHTS WERE ON AND THIS WAS CHECKED BUT NO SIGNS THAT IT HAD BEEN USED THAT NIGHT.

ON LEAVING AND STANDING OUTSIDE AGAIN HE KEPT TRYING TO ENGAGE US IN CONVERSATION ABOUT THE NIGHTS EVENTS AND HOW POLICE IN PORT TALBOT AND NEATH ALWAYS SIGNED A VISITORS BOOK TO EXPLAIN WHY THEY HAD BEEN IN
