Home to School Transport	To provide assurances on rationalisation of Learner Transport as far as possible in order to make budget savings: Update on pilot that school transport team proposing to run in Spring and Summer terms 2017-2018 - to support the enforcement of bus passes on home to school transport contracts. As part of this pilot, the Authority is also investigating opportunities to track the use of our school bus services by individual pupils. Update on Recommendation from BREP: The Panel recommend the need for the Authority to adopt a Corporate approach in relation to Home to School Transport maximising the LA's minibuses such as those used for day centres. It is proposed that this be supported by slightly amending the opening and closing times of day centres so that the buses can be available for school transport. Other aspects that could be considered include the exploration of whether school staff could transport children and young people instead of hiring independent drivers. To test and scrutinise the current licensing and school transport regime to gain assurances that it provides adequate protection against the potential of putting children and vulnerable children at risk from those who are in a position of trust. Changes to the DBS status of their employees to be scrutinised to ensure that children are not being put at undue risk.
