

Date of meeting	Item	Members wished to make the following comments and conclusions:	Response/Comments
07-Mar-2018	Prevention and Wellbeing and Local Community Coordination	The Committee complimented the vast amount of work that was being undertaken and the good services that were being provided for the most vulnerable people in the County Borough.	
		The Committee agreed that the subject of Partnerships and Joint Working in relation to Prevention and Wellbeing, such as in respect of the Police and Fire Service, be put forward for the Corporate Overview and Scrutiny Committee's item of Collaboration Working on their FWP.	
		Additional Information	
		The Committee requested clarification of the statistic that 75% of women over 65 live alone.	
		The Committee expressed concern over any proposed future budget cuts to the third sector as whilst the budget involved is not huge, many of the services provided under the Prevention and Wellbeing banner rely heavily on third sector involvement and the resulting impact of removing such services would be extremely significant to local communities. The Committee asked for clarification over how the Authority expects the third sector to provide more support and take on more provision with less funding.	

		<p>The Committee commented on the fact that whilst a lot of Officers refer to the 'One Council' approach, there seems little evidence of this occurring in practice. Members used the example of this particular item on Prevention and Wellbeing, pointing out that the report shows little of how other Directorates are involved in this work. The Committee requested clarity over this, both in relation to evidence on this particular subject and in the wider context of how corporately the 'One Council' Theme was being disseminated down through the Authority to ensure that all Directorates were working together to achieve joint Corporate Priorities.</p>	
		<p>Further Points The Committee heard evidence that the Public Service Board would be developing indicators that will illustrate how the Ageing Well Plan is contributed to by partners and how the quality of life of older people is impacted. Members proposed that this be picked up by the PSB Overview and Scrutiny Panel.</p>	<p>Scrutiny to pick up</p>
