- A number of cases were stepped down as part of the Care and Support Case Project; however, some of these requests may not be included in these figures.

All Early Help data reflects family referrals, not individual children, unless otherwise indicated

## Outcome of Requests for Step Down support submitted 01 April 2016 – 31 March 2018 (Family Referrals)

- Following submission of the Step Down request, 92.3% (96 / 104) of families referred closed to Safeguarding, and 8 families (7.7%) remain open to Safeguarding.
- Of the families that closed to Safeguarding, the Assessment team have not received a re-referral for 55.2% (53 / 96) of the families during the 12 month period following receipt of the Step Down request.
  - → Of the 43 families that were re-referred to the Assessment Team 39.5% (17 / 43) of the families were closed & logged, and 60.5% (26 / 43) of the families received a Care & Support Assessment as a result of the new referrals.
- Of the step down requests, 70 of the referrals have closed to Early Help services.
  - → Of these, 42.9% (30 / 70) closed with successful outcomes. 30.0% (21 / 70) cases closed due to disengagement following a period of Early Help support, or did not engage with Early Help, 15.7% (11 / 70) appropriately stepped back up to Safeguarding following a period of Early Help support, and 8 (11.4%) cases closed due to a change in circumstances.
  - → 25.7% (18 / 70) of these families have been re-referred to Early Help teams during the 12 month period following the step down request. Of the 18, 16 families have received support from Early Help or Connecting Families services, 1 family did not engage, and 1 was passed on for single agency support.
- Of the 104 requests for Step Down support submitted to Early Help, 28.8% (30 / 104) families have closed fully to both Safeguarding & Early Help Services and have not been re-referred to either services during the 12 month period following the Step Down request.

All Early Help data reflects family referrals, not individual children, unless otherwise indicated

## Number of Requests for Help received by Safeguarding Teams requesting Step Up support 2017-18 (individuals)

Requests for Help received	Quarter 1 2017- 18	Quarter 2 2017- 18	Quarter 3 2017- 18	Quarter 4 2017- 18	Total 2017-18	Total 2017-18 %
Safeguarding East	11	4	8	10	33	38.8%
Safeguarding North	13	3	6	17	39	45.9%
Safeguarding West	3	2	6	2	13	15.3%
Total	27	9	20	29	85	100.0%

- A Care & Support Assessment was undertaken by Safeguarding Hubs following 85 Step Up requests made by Early Help during 2017-18 (46 families). 81 individual children were referred for Step Up support (4 children were referred twice).
- Of the 85 Step Up requests, 8 of requests made by Early Help were for cases that had previously been Stepped Down from Safeguarding to Early Help services.
- 56.5% (48 / 85) of the Care & Support Assessments continued to a Care & Support Plan. In 31.8% (27 / 85) of cases the children were added to the Child Protection Register, and 24 (88.9%) of these remain registered. 2 (2.4%) of referred children became Looked After, and 1 of these remains Looked After.
- In 52.9% (45 / 85) of cases Early Help provided support to the family throughout the period that the Step Up referral was open to Safeguarding.
- 42.4% (36 / 85) of Step Up referrals have closed to Safeguarding. In the 12 month period following submission of the Step Up referral Safeguarding have received re-referrals for 27.8% (10 / 36) of children 8 of these were allocated for a new Care & Support Assessment, and in 2 cases the contact was not progressed.

• Of the 36 Step Up referrals that have closed to Safeguarding, Early Help have received new referrals for 61.1% (22 / 36) of individuals during the 12 month period following submission of the Step Up referral. 7 of these were referred by Safeguarding to Early Help for Step Down support, and 15 were referred to Early Help by another source.
