As part of this pilot, the Authority is also investigating opportunities to track the use of our school bus services by individual pupils.</p> <p>Update on Recommendation from BREP: The Panel recommend the need for the Authority to adopt a Corporate approach in relation to Home to School Transport maximising the LA's minibuses such as those used for day centres. It is proposed that this be supported by slightly amending the opening and closing times of day centres so that the buses can be available for school transport. Other aspects that could be considered include the exploration of whether school staff could transport children and young people instead of hiring independent drivers.</p> <p>To test and scrutinise the current licensing and school transport regime to gain assurances that it provides adequate protection against the potential of putting children and vulnerable children at risk from those who are in a position of trust. What is the current relationship between the local authority's licensing and school transport departments in relation to the disclosure of information from South Wales police? Is there sufficient oversight on behalf of the local authority and a risk of contractors withholding information which may prejudice the continuation of their contract?</p> <p>Further proposed that Communities be invited to add to report and attend meeting to update Committee on safe routes assessment to determine what work has been undertaken since funding was allocated to this over a year ago.</p>	<p>To provide assurances on rationalisation of Learner Transport as far as possible in order to make budget savings.
