REPORT OF THE CHIEF INTERNAL AUDITOR

INTERNAL AUDIT – OUTTURN REPORT – APRIL TO MAY 2018

1. Purpose of report

- 3.1 The 2018/19 Internal Audit Plan was submitted to the Audit Committee for consideration and approval on the 26th April 2018. The Plan outlined the assignments to be carried out and their respective priorities.
- 3.2 The Plan provided for a total of 1,000 productive days to cover the period April 2018 to March 2019. These days were split into those reviews considered to be Priority One and those considered to be Priority Two with the aim of completing the whole plan by the end of the financial year.

4. Current situation/proposal

- 4.1 Actual progress against the 2018/19 Risk Based Plan is attached at **Appendix A** and a detailed analysis as extracted from the Internal Audit Shared Service management information system is shown at **Appendix B**.

As previously reported, the Section continues to carry vacant posts, however the recent recruitment campaign has proved to be extremely successful in so much as the Section has managed to fill all the vacant auditors posts and one of the Senior posts. The Section has once again commissioned the services of the South West Audit Partnership in order to address in part some of the shortfall in days necessary to complete the plan; this is likely to continue during the first half of this Financial Year. The information provided in Appendix A and B does not include any of the work allocated or any time utilised by the South West Audit Partnership.

4.3 In order to assist with the effective monitoring of the annual risk based plan, further information is attached at **Appendix C** which details those reviews which have not yet been allocated in the respective quarter and those reviews which have been brought forward from future quarters.
