WELL-BEING OF FUTURE GENERATIONS (WALES) ACT 2015 ASSESSMENT

Project Description (key aims):

Appointment of local authority governors to the governing bodies of maintained schools in Bridgend

Section 1	
Complete the table below to assess how well you have applied the 5 ways of working.	
<p>Long-term</p> <p>(The importance of balancing short term needs with the need to safeguard the ability to also meet long term needs)</p>	<p>1. How does your project / activity balance short-term need with the long-term and planning for the future?</p>
	<p>The governing body of a maintained school is responsible for the conduct of a school. It takes a strategic role in the running of the school, meaning that it must decide what it wants the school to achieve and must set out a framework for getting there. That framework will include a number of short, medium and long-term aims, objectives and targets.</p> <p>Each governing body of a maintained school must be constituted in accordance with the Education Act 2002. All governing bodies have a combination of appointed or elected governors of various types. The four compulsory, common stakeholder groups are parents, teacher, staff and local authority representatives. (Others groups vary according to the category of school and may include foundation, community, representative and partnerships governors.) Local authority governors are appointed by the local authority. All school governors are volunteers.</p> <p>Optimal performance in discharging the governance functions occurs when all roles on the governing body are filled by individuals who have previous experience working as a governor and/or working with schools or in educational settings and/or any experience, at home, at work or elsewhere, that may be relevant to the school governor role. However, the local authority approach to recruitment of local authority governors has to take account of the fact that local authority representatives are one of the compulsory stakeholder groups and, in the short-term, the local authority may support any person for such an appointment who is interested in supporting schools, is not disqualified from being a school governor and is willing and able to dedicate the necessary time to the role. The local authority, in conjunction with the Central South Consortium, supports new governor appointments with a comprehensive programme of both mandatory and voluntary training and access to resources, to enable them to develop their knowledge and skills and be successful in fulfilling the role.</p>

<p>Prevention</p> <p>(How acting to prevent problems occurring or getting worse may help public bodies meet their objectives)</p>	<p>2. How does your project / activity put resources into preventing problems occurring or getting worse?</p> <p>The local authority acts to fill governor vacancies as soon as possible. Vacancies are advertised to elected members and all existing members of governing bodies. Information about the role of governors and how to become a local authority governor is published on the local authority’s website.</p> <p>The local authority seeks information from each applicant for a local authority governor appointment relating to relevant past and present experience and skills, the reasons why the applicant wishes to become a governor and the areas in which the applicant feels able to contribute to the function and work of the governing body. The local authority also seeks information on the reasons for the choice/s of school including the applicant’s knowledge of the school and any past or present associations with the school. The local authority uses this information as part of considering the suitability of the applicant for the vacancy/vacancies applied for.</p> <p>The local authority, in conjunction with the Central South Consortium, supports both new governor appointments and existing governors with a comprehensive programme of both mandatory and voluntary training and access to resources, to enable them to develop and maintain their knowledge and skills, and be successful in fulfilling the role.</p>
<p>Integration</p> <p>(Considering how the public body’s well-being objectives may impact upon each of the wellbeing goals, on their objectives, or on the objectives of other public bodies)</p>	<p>3. How does your project / activity deliver economic, social, environmental & cultural outcomes together?</p> <p>Local authority governors are a key stakeholder group on school governing bodies. School governing bodies take a strategic role in running schools ensuring that all pupils are supported to learn and achieve such that they are able to access opportunities for further learning and employment, know how to maintain their wellbeing, can play active roles in their communities and contribute positively to society as a whole.</p>
<p>Collaboration</p>	<p>4. How does your project / activity involve working together with partners (internal and external) to deliver well-being objectives?</p>

<p>(Acting in collaboration with any other person (or different parts of the body itself) that could help the body meet its well-being objectives)</p>	<p>The governing body of a school oversees the achievement of aims, objectives and targets for ensuring that the school safeguards the health and wellbeing of its pupils and staff. The local authority, in conjunction with the Central South Consortium, provides a training programme for both new governor appointments and existing governors to enable them to develop and maintain their relevant knowledge, skills and effectiveness in this respect.</p>
<p>Involvement</p> <p>(The importance of involving people with an interest in achieving the well-being goals, and ensuring that those people reflect the diversity of the area which the body serves)</p>	<p>5. How does your project / activity involve stakeholders with an interest in achieving the well-being goals? How do those stakeholders reflect the diversity of the area?</p> <p>The governing body of a school oversees the achievement of aims, objectives and targets for ensuring that the school safeguards the health and wellbeing of its pupils and staff. The local authority, in conjunction with the Central South Consortium, provides a training programme for both new governor appointments and existing governors to enable them to develop and maintain their relevant knowledge, skills and effectiveness in this respect.</p> <p>The local authority treats all applications for local authority governor vacancies fairly to ensure equality of opportunity.</p>
