

BCBC Councillor's Annual Report

Councillor C A Green

Ward: Bryntirion & Laleston

Party: Liberal Democrat – Independent Alliance

This report identifies my key activities during the year ending 30 April 2018. It is provided for the information of all constituents and for no other purpose. The views expressed in this report are those of the Councillor and do not necessarily reflect the views of Bridgend County Borough Council.

Role & Responsibilities

I was elected to Bridgend County Borough Council to represent Bryntirion & Laleston on 4th May 2017. I have undertaken a variety of roles within the council this year including being appointed to several committees.

I have supported the residents of my ward on a variety of issues and have formally raised numerous referrals and constituent queries with the council and other organisations. This is in addition to informally addressing a number of other issues which you have asked me to help you resolve.

To enable me to fulfil my role as your representative, I have attended a number of member development activities which have assisted me to ensure that my knowledge of national and local issues affecting the council and my ward is maintained.

Further information of my [roles, responsibilities and activities](#) can be found by using this link.

Initiatives and Special Activities

In addition to being a borough councillor I am also a community councillor for this ward. I am particularly interested in biodiversity and have been involved in the project to promote this in the ward. In the current year there will be more aesthetically pleasing planting in Bryntirion which following meetings about the previous planting which was not well received. I have always been involved in the fireworks display each year and also with the senior citizens Christmas lunch and concert. Another activity I support and get actively involved in is the Broadlands fun day.

I am currently a governor in Bryntirion Comprehensive and also vice chair of governors in Trelales Primary.

The community council is now taking over responsibility for Bryntirion Community Centre an initiative I fully support and I look forward to developing the centre further for use by all the community. Other ongoing projects I support are the Christmas lights and hanging baskets, both of which have proved popular and enhance our community.

In response to requests for new bus shelters, there are currently two on order and awaiting installation. One is on Tonglas, and the other is on the main road near the

crossroads at the end of the village and was requested by a number of Broadlands residents who regularly use that stop.

Other Activities/Issues

I currently serve on the ABMU Community Health Council.

Councillor C.A. Green

Date: May 30th 2018.
