3. Background

- 3.1 The Green Flag Award is the benchmark national standard for parks and green spaces in England and Wales. It was launched in 1996 to recognise and reward the best green spaces in the country. The first national award was introduced in 1997 and it continues to identify the high standards against which our parks and green spaces are measured. It is also seen as a way of encouraging organisations to achieve high environmental standards, setting a benchmark of excellence in recreational green areas. All green spaces are different and diversity is encouraged with each site being judged on its merits.
