Louise Jones	Bridgend, UK	2018-07-06	My children love tennis and we use this facility at least once a week. Having the court introduces this sport to children who perhaps wouldn't normally have the opportunity.
sarah howells	Pencoed, Wales; Cymru, UK	2018-07-06	This facility is used no matter what the council says. I have witnessed frequency of use myself . We cannot lose the last remaining public use tennis court to a new structure that could built elsewhere with ease !
Joan Sheldon	Pontypridd, Wales; Cymru, UK	2018-07-06	I know families use this facility .
Paul Goulden	Pencoed, Wales; Cymru, UK	2018-07-06	There are a number of other areas the skate park could be sited, there is no logical reason to remove the tennis court.
Mandy Turner	Pencoed, Wales; Cymru, UK	2018-07-07	The tennis court should not be compromised. Put the skatepark somewhere else.
Amy Scott	Pencoed, Wales; Cymru, UK	2018-07-07	I frequently see people using this facility. Would be a shame to lose it.
Susan Holland	Lancaster, England, UK	2018-07-07	Why does a fantastic resource for a community have to be sacrificed for another? There should be room for both
Lyn Williams	Bridgend, Wales; Cymru, UK	2018-07-07	I have lived all my life in Pencoed and there has always been tennis courts in the village
Douglas Gibbons	Pencoed, Wales; Cymru, UK	2018-07-07	I'm signing because we should sacrifice one sport for another. Is this just the council attempting to offload assets with no care for the consequences of the community?
Jodie Marshall	Bridgend, Wales; Cymru, UK	2018-07-07	My son and myself are often in Pencoed and frequently use the tennis courts. While the condition of them needs improving it is lovely to be able to use the courts for free and get active and spend quality time with our kids. It is a facility for people to use that is encouraging sport and being active and is free. Why do Pencoed need to lose this in order to gain a skatepark. Why can't they have both?
paul lewis	Pencoed, Wales; Cymru, UK	2018-07-07	The town council are useless they'd much rather waste our money on stupid refurbishment of The toilets that cost an arm and leg by a lazy contractors than keep a worthwhile commodity
Emma Thomas	Pontyclun, Wales; Cymru, UK	2018-07-07	Save the tennis court !with concerns over obesity the diversity of ages that enjoy tennis it would be harmful to close and therefore costing nhs in more loosing weight schemes

Emily Bodell	Pencoed, Bridgend, Wales; Cymru, UK	2018-07-07	We have used the tennis court as a couple and with our kids many times over the summer months these last 6 years of living here. To know there would be no facility (albeit a very run down one) left in the area for tennis is a real shame. Think about those families who do not have a car and cannot afford endless public transport to travel to the nearest courts in Bridgend? Pencoed is not a tiny village but a small town, provide leisure services to accommodate that and promote it within the community!
Anwen Davies	Bridgend, Wales; Cymru, UK	2018-07-08	All sports are important, kids needs to learn a variety of sports... keep the tennis court. !!!
Joanne JENKINS	Pencoed, Wales; Cymru, UK	2018-07-08	I don't see why we have to lose one facility to gain one when there is plenty of other space in Pencoed
Claire Hawkins	Pencoed, Wales; Cymru, UK	2018-07-08	Where is the rationale to remove one leisure facility to replace with another?Both activities will have many users with Pencoeds growing population!
Louise Baynham	Pencoed, Wales; Cymru, UK	2018-07-08	My family enjoy using those tennis courts as do many other people. I don't see the logic in getting rid of them in place of a skate park. Pencoed is big enough for both.
Paula King	Rhondda, Wales; Cymru, UK	2018-07-08	I used the tennis courts throughout my childhood and it was instrumental in my fitness - skate parks are fantastic but the children who favour skate parks tend to not play tennis and vice versa, it would be wrong to deprive one set of people to benefit another therefore I wholeheartedly agree that space should be made for both facilities - there are plenty of other areas that could be utilised.
Paula Smith	Cardiff, Wales; Cymru, UK	2018-07-08	With adequate space in Pencoed there is no need to lose one facility for another one.
Maria Newbold	Swansea, UK	2018-07-08	Totally agree hun!!! There are loads of other places that can be used
David Griffiths	Pencoed, Wales; Cymru, UK	2018-07-08	We need more facilities not less.
Mary Wilson	Tonypandy, Wales; Cymru, UK	2018-07-08	Why does any facility be lost to erect another . Doesn't make sense
Shelly Dummett	UK	2018-07-08	There is plenty of room for both facilities. When healthy living is being encouraged by the government and BCBC for both adults and children, it makes no sense to take away the use of an activity which a wide range of people use and replace it with an activity which only a limited amount of people will use.
Sonia castle	Heol-y-Cyw, Wales; Cymru, UK	2018-07-08	I don't believe that you should get rid of the tennis court to make way for a skate board park there about be room for both

Ivor Betty	Sheffield, England, UK	2018-07-08	Ivor Betty
Carl Powles	Swansea, UK	2018-07-09	Fond memories of the original hard and grass courts , and I believe with a little tlc from the council the remaining tennis court would be a great facility for adults and the youth of pencoed to access.
Myra Thomas	Bridgend, Wales; Cymru, UK	2018-07-09	I don't use it but why should we loose facilities that bring enjoyment to other residents - I feel PTC should find the money to upgrade it. This wouldn't happen in Bridgend
tracey gajda	Pencoed, Wales; Cymru, UK	2018-07-09	Doesn't make sense to remove one facility to make room for another! Surely Pencoed can make room for both.
Ruth Tullis	Thorpe Astley, England, UK	2018-07-10	Ruth Tullis
Mark Wyatt	Pencoed, Wales; Cymru, UK	2018-07-10	We need more facilities for all ages to enjoy and getting rid of one facility for another is not the way forward. There are plenty of other spots for a skate park which would be welcome!

Kay Davey	Penllyn, Wales; Cymru, UK	2018-07-11	I have seven local wonderful nephews and nieces who will want to use this facility. Pencoed needs to provide community areas for local young people.
Scott Russell	Hereford, England, UK	2018-07-11	More people, more importantly kids, will use the tennis courts than a skate park. Having a skate park is a brilliant idea but to lose a tennis facility is just crazy. Sure LTA would love to hear about this, especially as they look to grow the sport. Those in charge use your heads and have it elsewhere, there is room in Pencoed for both!!!
