Paragraph 2 on page 29 of the committee report that currently reads:

“The Parks and Playing Pitches Manager has advised that onsite provision is not required as there are existing facilities nearby. As such a contribution towards the further enhancement of the recreation space at Heol y Goedwig should therefore be secured through a planning obligation. This should equate to a total of **£8,510 (£470 per dwelling (6 houses) for outdoor use and £569 per unit (10 units) for children’s play space).**”

However, for accuracy, the paragraph should read:

“The Parks and Playing Pitches Manager has advised that onsite provision is not required as there are existing facilities nearby. As such a contribution towards the further enhancement of the recreation space at Heol y Goedwig should therefore be secured through a planning obligation. This should equate to a total of **£8,510 (£470 per dwelling (6 houses) for children’s play space and £569 per unit (10 units) for outdoor use).**”

In addition, over the Christmas period, a late representation was received outlining a number of objections by a local resident which are acknowledged but have already been listed, and addressed, in the report.
