'Paying place' i.e. the seat on a school bus that can be offered to those pupils who would not be eligible for a free place.	Following a review approved by Cabinet, to implement an increase to £2.00 per day which equates to an extra £19/year per pupil for a full calendar year	£2 per day
SOCIAL SERVICES AND WELLBEING DIRECTORATE		
Adult Social Care	Whilst charges are adjusted annually in light of the anticipated year's costs of providing services, it is a requirement that the charges reflect the actual costs of delivering services. It is therefore not possible to increase costs simply on the basis of an inflationary amount. Irrespective of the calculated charges for services, the amount an individual pays for any services is based on a financial means test, and for non-residential services is capped in line with the Fairer Charges (Wales) regulations. Welsh Government has advised that there will be a cap of £90 from 8 April 2019 irrespective of the total cost of all services provided to an individual.	There are a wide range of fees and charges levied across the service that will be considered separately for approval under delegated power, in some instances following agreement with service providers.
COMMUNITIES DIRECTORATE		
Bulky Household Waste	Whilst charges for the collection of Bulky Household Waste are adjusted annually in line with inflation, it is now considered appropriate to revisit the charge for the collection of such waste and to adjust it to more accurately reflect the cost of providing the service as permitted by The Controlled Waste (England and Wales) Regulations 2012.	The charge for the collection of 3 bulky waste items will be increased from £15.50 to £20, with the cost for the collection of additional bulky waste items increasing from £5.00 per item to £6.70 per item.
