recognised that the following benefits can be achieved from the webcasting of public Council, Cabinet and Committee meetings:

- Transparent governance and accountability.
- Citizen engagement and understanding of the democratic process, for example understanding of planning decisions .
- Enablement of the Local Government (Wales) Measure 2011 requirement for engaging public in Scrutiny.
- Incentive for high standards of member attendance, engagement and conduct at meetings .
- Effective means of communicating information and decisions to officers and other members. Archived meetings can also be a useful part of officer induction and training.
- Opportunities for members to learn from peer observation and inform potential candidates about their role to encourage democratic renewal.

4.2 **Current Webcasting Arrangements**

4.2.1 The Council procured and introduced an innovative webcasting service for 2017/18 that combined the existing electronic facilities within the Council Chamber and available broadband technology to webcast Council, Cabinet and Committee meetings. The service arrangements included live streaming, recording and publication of webcast meetings with links to the Bridgend CBC internet website. The service arrangements also enabled for webcast recordings to remain available/accessible to the public for a period of up to 12 months.

4.2.2 The service was re-procured for 2018/19 and the same provider was successful. As part of the contract renewal process Dual Language webcasting facilities were procured with installation taking place during August 2018.

4.2.3 The 2018/19 contract provides for up to 30 hours of Council, Cabinet and Committee meetings to be webcast by 31st March 2019. There is also an arrangement to extend the time period by a further 6 months in the event that the full 30 hour allocation of webcasting hours has not been used up.
