

WELL-BEING OF FUTURE GENERATIONS (WALES) ACT 2015 ASSESSMENT

Project Description (key aims): LOCAL TOILET STRATEGY

Section 1 Complete the table below to assess how well you have applied the 5 ways of working.

<p>Long-term</p> <p>(The importance of balancing short term needs with the need to safeguard the ability to also meet long term needs)</p>	<p>1. How does your project / activity balance short-term need with the long-term and planning for the future?</p> <p>Securing the future provision of toilet facilities requires a strategic approach that maximises available provision across the public and private sector. The Council's management of public conveniences isn't sustainable within the current financial climate and a Local Toilet Strategy identifies other available facilities within the Council's boundaries. This document will be regularly reviewed and updated.</p>
<p>Prevention</p> <p>(How acting to prevent problems occurring or getting worse may help public bodies meet their objectives)</p>	<p>2. How does your project / activity put resources into preventing problems occurring or getting worse?</p> <p>The Local Toilet Strategy catalogues the local toilet provision within the Council's boundaries and publishes this information. This counteracts the recent loss of public conveniences that were previously managed and maintained by the Council.</p>
<p>Integration</p> <p>(Considering how the public body's well-being objectives may impact upon each of the wellbeing goals, on their objectives, or on the objectives of other public bodies)</p>	<p>3. How does your project / activity deliver economic, social, environmental & cultural outcomes together?</p> <p>Modern toilet provision provides hygienic facilities for residents and visitors and improves the experience of visiting towns, communities and tourist attractions.</p>
<p>Collaboration</p> <p>(Acting in collaboration with any other person (or different parts of the body itself) that could help the body meet its well-</p>	<p>4. How does your project / activity involve working together with partners (internal and external) to deliver well-being objectives?</p> <p>The management responsibilities for some public conveniences has passed to Town and Community Councils and Awen Cultural Trust under the Council's Community Asset Transfers Strategy.</p>

being objectives)	The Council continues to work with some local businesses to provide a Comfort Scheme which allows the public to access toilets in private properties.
<p>Involvement</p> <p>(The importance of involving people with an interest in achieving the well-being goals, and ensuring that those people reflect the diversity of the area which the body serves)</p>	<p>5. How does your project / activity involve stakeholders with an interest in achieving the well-being goals? How do those stakeholders reflect the diversity of the area?</p> <p>The Local Toilet Strategy will be regularly reviewed and requires the Council to engage with the public, Community and Town Councils and interested bodies to encourage greater access to toilet provisions within the Council's boundaries.</p>
