

BRIDGEND COUNTY BOROUGH COUNCIL

REPORT TO THE SUBJECT OVERVIEW AND SCRUTINY COMMITTEE 2

5 JUNE 2019

REPORT OF THE HEAD OF LEGAL AND REGULATORY SERVICES

FORWARD WORK PROGRAMME UPDATE

1. Purpose of the Report

- a) To present the items prioritised by the Corporate Overview and Scrutiny Committee including the next item delegated to this Subject Overview and Scrutiny Committee;
- b) To present the Committee with a list of further potential items for comment and prioritisation;
- c) To ask the Committee to identify any further items for consideration using the pre-determined criteria form;
- d) To consider and approve the feedback from the previous meetings of the Subject Overview and Scrutiny Committee 2 and note the list of responses including any still outstanding at **Appendix A**.

2. Connection to Corporate Improvement Objectives / Other Corporate Priorities

- 2.1 The key improvement objectives identified in the Corporate Plan 2018–2022 have been embodied in the Overview & Scrutiny Forward Work Programmes. The Corporate Improvement Objectives were adopted by Council on 22 February 2018 and formally set out the improvement objectives that the Council will seek to implement between 2018 and 2022. The Overview and Scrutiny Committees engage in review and development of plans, policy or strategies that support the Corporate Themes.

3. Background

- 3.1 Under the terms of Bridgend County Borough Council's Constitution, each Overview and Scrutiny Committee must publish a Forward Work Programme (FWP) as far as it is known.
- 3.2 An effective FWP will identify the issues that the Committee wishes to focus on during the year and provide a clear rationale as to why particular issues have been selected, as well as the approach that will be adopted; i.e. will the Committee be undertaking a policy review/ development role ("Overview") or performance management approach ("Scrutiny").

Feedback

- 3.3 All conclusions made at Subject Overview and Scrutiny Committee (SOSC) meetings, as well as recommendations and requests for information should be responded to by Officers, to ensure that there are clear outcomes from each topic investigated.
- 3.4 These will then be presented to the relevant Scrutiny Committee at their next meeting to ensure that they have had a response.
- 3.5 When each topic has been considered and the Committee is satisfied with the outcome, the SOSC will then present their findings to the Corporate Overview and Scrutiny Committee (COSC) who will determine whether to remove the item from the FWP or to re-add for further prioritisation at a future date.
- 3.6 The FWPs will remain flexible and will be revisited at each COSC meeting with input from each SOSC and any information gathered from FWP meetings with Corporate Directors and Cabinet.

4. Current Situation / Proposal

- 4.1 Attached at **Appendix B** is the overall FWP for the SOSCs which includes the topics prioritised by the COSC for the next set of SOSCs in Table A, as well as topics that were deemed important for future prioritisation at Table B. This has been compiled from suggested items from each of the SOSCs at previous meetings as well as the COSC. It also includes information proposed from Corporate Directors, detail from research undertaken by Scrutiny Officers and information from FWP Development meetings between the Scrutiny Chairs and Cabinet.
- 4.2 The Committee is asked to first consider the next topic they have been allocated by the COSC in Table A and determine what further detail they would like the report to contain, what questions they wish Officers to address and if there are any further invitees they wish to attend for this meeting to assist Members in their investigation.
- 4.3 The Committee is also asked to then prioritise up to six items from the list in Table B to present to the COSC for formal prioritisation and designation to each SOSC for the next set of meetings.

Corporate Parenting

- 4.4 Corporate Parenting is the term used to describe the responsibility of a local authority towards looked after children and young people. This is a legal responsibility given to local authorities by the Children Act 1989 and the Children Act 2004. The role of the Corporate Parent is to seek for children in public care the outcomes every good parent would want for their own children. The Council as a whole is the 'corporate parent', therefore all Members have a level of responsibility for the children and young people looked after by Bridgend.

- 4.5 In this role, it is suggested that Members consider how each item they consider affects children in care and care leavers, and in what way can the Committee assist in these areas.
- 4.6 Scrutiny Champions can greatly support the Committee in this by advising them of the ongoing work of the Cabinet-Committee and particularly any decisions or changes which they should be aware of as Corporate Parents.

Identification of Further Items

- 4.7 The Committee are reminded of the Criteria form which Members can use to propose further items for the FWP which the Committee can then consider for prioritisation at a future meeting. The Criteria Form emphasises the need to consider issues such as impact, risk, performance, budget and community perception when identifying topics for investigation and to ensure a strategic responsibility for Scrutiny and that its work benefits the organisation.

5. Effect upon Policy Framework & Procedure Rules

- 5.1 The work of the Overview & Scrutiny Committees relates to the review and development of plans, policy or strategy that form part of the Council's Policy Framework and consideration of plans, policy or strategy relating to the power to promote or improve economic, social or environmental wellbeing in the County Borough of Bridgend. Any changes to the structure of the Scrutiny Committees and the procedures relating to them would require the Bridgend County Borough Council constitution to be updated.

6. Equality Impact Assessment

- 6.1 There are no equality implications attached to this report.

7. Well-being of Future Generations (Wales) Act 2015 Assessment

- 7.1 The Act provides the basis for driving a different kind of public service in Wales, with 5 ways of working to guide how public services should work to deliver for people. The following is a summary to show how the 5 ways of working to achieve the well-being goals have been used to formulate the recommendations within this report:

- Long-term - The approval of this report will assist in the Planning of Scrutiny business in both the short-term and in the long-term on its policies, budget and service delivery
- Prevention - The early preparation of the Forward Work Programme allows for the advance planning of Scrutiny business where Members are provided an opportunity to influence and improve decisions before they are made by Cabinet
- Integration - The report supports all the wellbeing objectives

- Collaboration - Consultation on the content of the Forward Work Programme has taken place with the Corporate Management Board, Heads of Service, Elected Members and members of the public
- Involvement - Advanced publication of the Forward Work Programme ensures that the public and stakeholders can view topics that will be discussed in Committee meetings and are provided with the opportunity to engage.

8. Financial Implications
