

Subject: Sale of Land at Salt Lake

Dear Ms Watson,

The notice outlining the intended sale of land at Salt Lake was recently discussed at a meeting of the Town Council. In response to this item, I acknowledge that deadline to object is 30th April 2019.

On behalf of the Town Council, I have been instructed to make enquiries with regards to the intended purpose of the sale of the land. Further, will the purpose of the sale be identified to the buyer and included as a legally binding covenant within the transfer document.

I look forward to your response.

Regards

Alison
