## REPORT TO CABINET

11 FEBRUARY 2020

### REPORT OF THE CORPORATE OVERVIEW AND SCRUTINY COMMITTEE

#### MEDIUM TERM FINANCIAL STRATEGY 2020-21 TO 2023-24 AND DRAFT BUDGET CONSULTATION PROCESS

#### 1. Purpose of report

- 1.1 The purpose of this report is to present Cabinet with the findings and recommendations of the Corporate Overview and Scrutiny Committee in relation to:
- a) the findings of the Budget Research and Evaluation Panel (BREP) attached at **Appendix A** and **Appendix B**;
  - b) the responses from all the Subject Overview & Scrutiny Committees in relation to Cabinet's draft budget proposals, attached at **Appendix C**.

#### 2. Connection to corporate improvement objectives/other corporate priorities

- 2.1 This report assists in the achievement of the following corporate priority/priorities:
- Supporting a successful economy – taking steps to make the county a good place to do business, for people to live, work, study and visit, and to ensure that our schools are focused on raising the skills, qualifications and ambitions of all people in the county.
  - Helping people to be more self-reliant – taking early steps to reduce or prevent people from becoming vulnerable or dependent on the Council and its services.
  - Smarter use of resources – ensuring that all its resources (financial, physical, human and technological) are used as effectively and efficiently as possible and support the development of resources throughout the community that can help deliver the Council's priorities.

#### 3. Background

- 3.1 In considering the challenges associated with continued budget reductions, Members recognised the need for a 'whole Council' response to be adopted in managing anticipated cuts to services against a backdrop of increasing demand and the challenging financial outlook.

- 3.2 It was therefore recommended that a Budget Research and Evaluation Panel (BREP) be established to engage members on budget proposals as well as to enable members to feed in community intelligence gained from their representative role and to engage in shaping future service provision.
- 3.3 The Corporate Overview and Scrutiny Committee (COSC) has the overall responsibility for budget monitoring throughout the year. As such it was agreed at a meeting of Council in September 2017 that it would continue this role and appoint BREP from within its Members of the COSC.
- 3.4 The purpose of the Budget Research and Evaluation Panel was subsequently agreed as the following:
- To achieve consensus on the direction of the budget over the life of the medium term financial strategy.
  - To achieve a detailed overview and assessment of the budget proposals where the expertise and knowledge of each Committee contributes to a Corporate understanding and appreciation of the draft budget proposals;
  - To assist the Council to develop a budget for the forthcoming year that aims to meet the needs of the communities of Bridgend County Borough;
  - To facilitate firmer understanding of the budget setting process and the draft proposals in order to assist the Committees in making informed comments, constructive challenge or recommendations to Cabinet as part of the budget consultation process.
- 3.5 Members would be presented with the draft Medium Term Financial Strategy 2020-21 to 2023-24 and asked to consider the information contained in the report and determine whether they wish to make comments or recommendations for consolidation and inclusion in the report to Cabinet on the draft budget proposals as part of the budget consultation process.

#### **4. Current situation/proposal**

- 4.1 The Corporate Overview and Scrutiny Committee considered the findings of the BREP and all Subject Overview and Scrutiny Committees on 4 February 2020 to determine whether the recommendations should be forwarded to Cabinet as part of the budget consultation process.
- 4.2 For ease of reference Corporate have split the recommendations into separate appendices. They are set out as follows:

BREP findings and recommendations in relation to Medium Term Financial Strategy 2020-21 to 2023-2024 – **Appendix A** and **Appendix B**

Subject Overview and Scrutiny comments and recommendations on Medium Term Financial Strategy 2020-21 to 2023-24 – **Appendix C**

- 4.3 The Committee accepted the recommendation and comments from both the BREP and all Subject Overview and Scrutiny Committees and agreed to submit them to Cabinet.

## **5. Effect upon policy framework and procedure rules**

- 5.1 This item relates to the role of Overview & Scrutiny Committees as consultees in respect of the budget setting process.

## **6. Equality Impact Assessment**

- 6.1 The draft budget proposals cover a wide range of services and it is inevitable that the necessary budget reductions will impact on the local population in different ways. In developing the proposals contained within the appendices, consideration has been given to their potential impact on protected groups within the community and on how to avoid a disproportionate impact on people within these groups.

- 6.2 All the savings proposals have been reviewed independently and a full Equality Impact Assessment will be undertaken before the final recommendations are made concerning next year's revenue budget.

## **7. Well-being of Future Generations (Wales) Act 2015 implications**

- 7.1 The Act provides the basis for driving a different kind of public service in Wales, with 5 ways of working to guide how public services should work to deliver for people. The following is a summary to show how the 5 ways of working to achieve the well-being goals have been used to formulate the recommendations within this report:

- Long-term - The consideration and approval of this report will assist in the budget setting process for both the short-term and in the long-term.
- Prevention - The consideration and approval of this report will assist in the budget setting process by approving and shaping preventative measures provided by Directorates to generate savings.
- Integration - The report supports all the wellbeing objectives

- Collaboration - The consideration and approval of this report will assist in the budget setting process by approving and shaping collaboration and integrated working to generate savings.
- Involvement - Publication of the report ensures that the public and stakeholders can review the work that has been undertaken by Scrutiny members.
