1. Purpose of the Report

- 1.1 The purpose of this report is to approve the Business Plan and expenditure programme for 2020-21, which includes proposed increases in cremation fees.

2. Connection to Corporate Improvement Objectives / Other Corporate Priorities

- 2.1 This report assists in the achievement of the following corporate priorities:-

1. **Supporting a successful economy** – taking steps to make the county a good place to do business, for people to live, work, study and visit, and to ensure that our schools are focused on raising the skills, qualifications and ambitions of all people in the county.
2. **Helping people to be more self-reliant** – taking early steps to reduce or prevent people from becoming vulnerable or dependent on the Council and its services.
3. **Smarter use of resources** – ensuring that all its resources (financial, physical, human and technological) are used as effectively and efficiently as possible and support the development of resources throughout the community that can help deliver the Council's priorities.

3. Background

- 3.1 A Business Plan is presented annually to the Joint Committee for approval which includes service objectives and proposed maintenance and improvement projects to enhance and maintain the Crematorium grounds and buildings for the forthcoming period.

4. Current situation/proposal

- 4.1. The total number of cremations for 2019 was 1,625, made up of 1,004 from Bridgend, 143 from Vale of Glamorgan and 400 from Rhondda Cynon Taff, with 78 non-residents. An agreement with the Princess of Wales Hospital for the cremation of non-viable foetal remains (NVF)

has resulted in an additional 11 communal cremations. A further 8 individual NVF cremations were arranged directly with families. Statistical records for the period from January to December 2018 and 2019 are included in the Business Plan for comparison.

- 4.2. The proposed Service Level Business Plan for 2020-21 is attached as **Appendix 1** which outlines the service objectives for the period.
- 4.3. The Crematorium's cremation charge was placed at 267 out of 299 cremation authorities in a national fee league table published in summer 2019 by the Cremation Society of Great Britain (where the highest cost is detailed first). It is recommended that the cremation charge is increased by inflation from £680.70 to £696.40. This is based on a general increase in fees of 2.3% (1% plus CPI at 1.3% in line with the most recent CPI figure published in December 2019). The table below indicates comparison on **current** (2019-20) cremation fees for adjoining crematoria:
