

## WELL-BEING OF FUTURE GENERATIONS (WALES) ACT 2015 ASSESSMENT

<b>Project Description (key aims):</b> <b>ABSORBENT HYGEINE PRODUCTS WELSH GOVERNMENT GRANT</b>	
<b>Section 1 Complete the table below to assess how well you have applied the 5 ways of working.</b>	
<b>Long-term</b>	<b>1. How does your project / activity balance short-term need with the long-term and planning for the future?</b>
	The grant funding is intended to support all local authorities in Wales to collect and recycle AHP. Where these services already exist, the funding can be utilised to offset costs associated with waste services.
<b>Prevention</b>	<b>2. How does your project / activity put resources into preventing problems occurring or getting worse?</b>
	This grant funding secures AHP recycling and reductions in residual waste which will increase recycling levels
<b>Integration</b>	<b>3. How does your project / activity deliver economic, social, environmental &amp; cultural outcomes together?</b>
	The grant funding will support purchases of vehicles and equipment which will reduce the cost of the service through the Council's waste contract.
<b>Collaboration</b>	<b>4. How does your project / activity involve working together with partners (internal and external) to deliver well-being objectives?</b>
	This grant is awarded by Welsh Government in order to generate interest an all Wales resolution for recycling of AHP.
<b>Involvement</b>	<b>5. How does your project / activity involve stakeholders with an interest in achieving the well-being goals? How do those stakeholders reflect the diversity of the area?</b>
	This funding should improve collection methods for service users and create efficiency in the service

**Section 2 Assess how well your project / activity will result in multiple benefits for our communities and contribute to the national well-being goals**

Description of the Well-being goals	How will your project / activity deliver benefits to our communities under the national well-being goals?	Is there any way to maximise the benefits or minimise any negative impacts to our communities (and the contribution to the national well-being goals)?
<p><b>A prosperous Wales</b> An innovative, productive and low carbon society which recognises the limits of the global environment and therefore uses resources efficiently and proportionately (including acting on climate change); and which develops a skilled and well-educated population in an economy which generates wealth and provides employment opportunities, allowing people to take advantage of the wealth generated through securing decent work.</p>	<p>The Welsh Government grant funding is intended to reduce the costs of recycling AHP products</p>	<p>The impact of the service will be monitored.</p>
<p><b>A resilient Wales</b> A nation which maintains and enhances a biodiverse natural environment with healthy functioning ecosystems that support social, economic and ecological resilience and the capacity to adapt to change (for example climate change).</p>	<p>Increased recycling levels would benefit the environment and improve ecology and biodiversity</p>	<p>The impact of the service will be monitored.</p>
<p><b>A healthier Wales</b> A society in which people's physical and mental well-being is maximised and in which choices and behaviours that benefit future health are understood.</p>	<p>Increased recycling would create a healthier and more responsible society</p>	<p>The impact of the service will be monitored.</p>
<p><b>A more equal Wales</b> A society that enables people to fulfil their potential no matter what their</p>	<p>Whilst this service is targeted at certain sectors of the community, the impact of increased recycling levels will benefit all.</p>	<p>The impact of the service will be monitored.</p>

background or circumstances (including their socio economic background and circumstances).		
<b>A Wales of cohesive communities</b> Attractive, viable, safe and well-connected communities.	The grant funding will support the AHP collection service which enhances the waste service for all participants	The impact of the service will be monitored.
<b>A Wales of vibrant culture and thriving Welsh language</b> A society that promotes and protects culture, heritage and the Welsh language, and which encourages people to participate in the arts, and sports and recreation.	No specific requirement as the report relates to the acceptance of grant funding.	The impact of the service will be monitored.
<b>A globally responsible Wales</b> A nation which, when doing anything to improve the economic, social, environmental and cultural well-being of Wales, takes account of whether doing such a thing may make a positive contribution to global well-being.	The grant funding will support financial improvements in the Council's waste contract.	The impact of the service will be monitored.

<b>Section 3 Will your project / activity affect people or groups of people with protected characteristics? Explain what will be done to maximise any positive impacts or minimise any negative impacts</b>			
Protected characteristics	Will your project / activity have any positive impacts on those with a protected characteristic?	Will your project / activity have any negative impacts on those with a protected characteristic?	Is there any way to maximise any positive impacts or minimise any negative impacts?
