#### Learner travel consultation

## 14 October 2019 to 5 January 2020

## **Emerging themes**

### **Proposal 1**

Withdrawal of transport for all learners benefitting from an available walking route to school, in line with statutory distances of two miles for primary school-age pupils and three miles for secondary school-age pupils

Aspect	Issues raised
Time	Too long to walk, especially in bad weather
Distance	<ul> <li>Too far to walk, especially for younger children</li> <li>Young people should walk/cycle</li> <li>Public transport options need to improve</li> </ul>
Responsibility	<ul> <li>Parents responsibility, not the councils</li> <li>BCBC will be in line with other local authorities</li> <li>The current policy supports families going to work</li> </ul>
Safety	<ul> <li>Children will be unsafe</li> <li>Walking routes should be safe</li> <li>Limit the traffic outside schools</li> <li>Roads are unsafe</li> <li>Walking in cold/wet weather could cause health issues</li> </ul>
Faith-based education	<ul><li>Faith education should be supported</li><li>There should not be preferential treatment</li></ul>
Welsh-medium education	<ul> <li>Welsh-medium education should be supported</li> <li>There will be a negative impact on Welsh-medium schools</li> </ul>
Cost	<ul> <li>Public transport is expensive and there will be additional costs for pupils/families</li> <li>Council should make other internal savings</li> <li>Some parents would be prepared to contribute towards travel costs</li> </ul>
Environment	There will be a negative impact on the environment
Additional learning needs (ALN)	Pupils with ALN should be supported
Attendance/attainment	Attendance/attainment will be negatively impacted

**Proposal 2**Remove escorts from all taxis and minibuses of less than eight passengers

Aspect	Issues raised
Safety	<ul> <li>Drivers should have DBS checks</li> <li>Drivers will need training</li> <li>Safeguarding concerns for children and driver</li> <li>Will compromise child safety</li> <li>A driver should focus on driving</li> <li>As long as children behave themselves</li> <li>CCTV should be provided in vehicles</li> <li>We should be able to trust our children, especially those in secondary school</li> <li>Children need support and supervision</li> <li>This proposal will encourage poor behaviour</li> <li>Children could distract the driver</li> <li>Concern if the driver falls ill/has an accident</li> </ul>
Additional learning needs (ALN)	Pupils with ALN should be supported
Age	<ul> <li>This shouldn't apply to infant age pupils</li> <li>Primary age pupils shouldn't travel without an escort</li> </ul>
Expectation	<ul> <li>Escorts should be on all buses</li> <li>The driver is not responsible for children</li> <li>Each pupil should be assessed on a case-by-case basis</li> </ul>
Cost	<ul><li>Such a proposal might increase costs to parents</li><li>Council should make other internal savings</li></ul>
Welsh-medium education	<ul> <li>Welsh-medium education should be supported</li> <li>There will be a negative impact on Welsh-medium schools</li> </ul>

## **Proposal 3**

Removal from the local authority's Home-to-School/College Transport Policy of specific examples of the special circumstances where the local authority will provide discretionary transport

Aspect	Issues raised
Safety	May compromise child safety
Additional learning needs (ALN)	Pupils with ALN should be supported
Expectation	<ul> <li>Each pupil should be assessed on a case-by-case basis</li> <li>Should keep all school transport</li> <li>The service is needed</li> </ul>

	<ul><li>Children have a right to attend school</li><li>The service supports families to go to work</li></ul>
Cost	<ul> <li>Such a proposal might increase costs to parents especially in deprived areas</li> <li>Council should make other internal savings</li> </ul>
Welsh-medium education	<ul> <li>Welsh-medium education should be supported</li> <li>May allow the council to better exercise its discretion to support Welsh-medium education</li> <li>There will be a negative impact on Welsh-medium schools</li> </ul>
Environmental	Negative environmental impact

## Proposal 4

To stop providing free transport for learners age 16 or over, who go to school or college

Aspect	Issues raised
Safety	Walking will be unsafe
Distance	Too far to walk
Age	Age discrimination
Ongoing education	<ul> <li>It will discourage young people from attending sixth form</li> <li>Will limit the opportunities for progression of young people</li> <li>Young people attending the Bridge provision only have the option of continuing at college</li> </ul>
Additional learning needs (ALN)	<ul> <li>Children with ALN should be supported</li> <li>Vulnerable pupils should be supported</li> </ul>
Expectation	<ul> <li>We should encourage young people to attend sixth form</li> <li>All pupils should have transport</li> <li>Concern over how else pupils will get to school</li> <li>Not all post-16 pupils will need the bus</li> <li>If they are working they can pay for transport</li> </ul>
Cost	<ul> <li>It will be costly to pay for transport</li> <li>There should be free transport for school students but not college students</li> <li>Students could contribute to the cost of transport</li> <li>Could offer a reduced pass/season ticket</li> <li>Educational Maintenance Allowance should be used specifically for transport (EMA)</li> <li>Should be means tested</li> <li>Not everyone will be able to afford transport</li> </ul>

	Council should make other internal savings
Welsh-medium education	<ul> <li>Welsh-medium education should be protected</li> <li>By ensuring free transport for Welsh-medium pupils is retained this will help support decision by parents/carers to choose Welsh-medium education for their children</li> <li>Welsh-medium education should not be protected</li> <li>The location of Ysgol Gyfun Gymraeg Llangynwyd (YGGL) makes it difficult/impossible to attend without transport</li> <li>Children may no longer attend YGGL</li> <li>School transport helps get children to school</li> </ul>
Environmental	Environmental impact from increased traffic
Faith-based education	<ul> <li>Faith-based education should be protected</li> <li>Faith-based education should not be protected</li> </ul>

# Proposal 5

To remove all transport for nursery pupils

Aspect	Issues raised
Safety	<ul> <li>It will be unsafe to walk</li> <li>Will impact on child safety</li> <li>Nursery pupils are too young to go on a bus on their ow</li> </ul>
Distance	Too far to walk
Family	<ul> <li>This will be difficult for working parents</li> <li>May have siblings in primary school already</li> <li>Contradicts free nursery/childcare grant</li> <li>It is the personal choice of parents to send their children to nursery</li> </ul>
Ongoing education	<ul> <li>Nursery education is important</li> <li>Limits the opportunities for children</li> <li>Children have a right to education and therefore transport</li> </ul>
Additional learning needs (ALN)	Children with ALN should be supported
Expectation	<ul> <li>If a nursery place is provided then transport is provided</li> <li>Continue to provide transport for all pupils</li> <li>Build more schools</li> </ul>
Cost	<ul> <li>There will be additional cost to families</li> <li>Will negatively impact deprived areas</li> <li>Council should make other internal savings</li> </ul>

Environmental	There will be an environmental impact
Faith-based education	Faith education should be protected
Welsh-medium education	<ul> <li>This will negatively impact Welsh-medium education</li> <li>Welsh-medium education should be protected</li> <li>This decision would be catastrophic to the growth of Welsh-medium education</li> <li>The geographic location of Welsh-medium schools in the county borough poses an issue and a significant number of pupils live over three miles from home to school. Transport provides equality of opportunity for Welsh-medium pupils</li> <li>School transport helps get children to school</li> <li>Very difficult for Welsh-medium schools to attract pupils without transport</li> <li>Falling numbers of pupils is a real threat to Welsh-medium schools</li> </ul>
