Subject: Gilfach Goch Welfare Park

To Whom It may Concern

I would like to object to the go ahead of the Welfare hub in Gilfach Goch, on the grounds of the below. I am not against the hub going ahead, I am against the premises selling Alcohol.

Please see below objections

Protection of Children from harm

The premise is located within the Welfare Park, this is a safe area for the children of Gilfach Goch to play and have fun, how can anyone ensure this will be policed and children are safe guarded at all times.

Prevention of Public Nuisance

Again the premise is located with the Welfare Park, I live [REDACTED] opposite the premises, and the noise from the live music and the public gathering of drunken people will have a detrimental effect on the place we call home and more importantly the park in general.

Under age sale of Alcohol – Need I say anymore regarding this

Public Safety

There is hardly any facilities within Gilfach Goch, and the Welfare Park is one of the only places children can go and have fun.

They also need to feel safe and this is why I, as a parent object to the license
