**Subject:** Licence Application - Pavilion, Welfare Park, Evanstown, Gilfach Goch, Porth

Dear Sirs,

I would like to formally object to this licence application my reasons are as follows:-

1 – At the moment there is already casual drinking at the premises during the day and evening (With no licence). – This has resulted in drunk behaviour and even worse people parking and driving home clearly in no fit state. – I suggest the council monitor what goes on and visits.

2 – The location is right next to a children's park [REDACTED] is always extremely busy with children and clearly it is no place for drinking and anti-social behaviour. – Especially with people leaving and driving home it has accident waiting to happen written all over it.

3 – A live music and recorded music licence from 8.00am to 11.30pm 7 days a week is totally unacceptable and unnecessary – [REDACTED] do want music waking me up and going on to that time of night – clearly it will be heard as there is no proper sound proofing at the premises.

4 – This whole thing has no clear benefits to the community at all, apart from the chosen few being allowed to drink and party all hours. - There are enough issues in Gilfach already with them being added too.

5 – A significant amount of people that live opposite to the park are very elderly and do not want disturbances from this licence that will occur.

6 – [REDACTED] I cannot imagine the council responsible other local parks would allow drinking in the middle of the child's playground so I would think that Bridgend council would see common sense and refuse the licence.

I sincerely hope that this licence is turned down based on the issues I have raised above.

Yours Faithfully
