- b) Note that the work of the Cross-Party Recovery Panel will continue with regular reviews of the work to help ensure effectiveness and respond to any emerging issues.

2. Connection to corporate well-being objectives / other corporate priorities

2.1 This report assists in the achievement of the following corporate well-being objectives under the **Well-being of Future Generations (Wales) Act 2015**:

1. **Supporting a successful sustainable economy** – taking steps to make the county borough a great place to do business, for people to live, work, study and visit, and to ensure that our schools are focussed on raising the skills, qualifications and ambitions for all people in the county borough.
2. **Helping people and communities to be more healthy and resilient** - taking steps to reduce or prevent people from becoming vulnerable or dependent on the Council and its services. Supporting individuals and communities to build resilience, and enable them to develop solutions to have active, healthy and independent lives.
3. **Smarter use of resources** – ensure that all resources (financial, physical, ecological, human and technological) are used as effectively and efficiently as possible and support the creation of resources throughout the community that can help to deliver the Council's well-being objectives.

3. Background

3.1 On 23 March 2020 the UK Government imposed a nationwide lockdown in an effort to help minimise the spread of coronavirus. The Council has undergone significant

change during this period, in that some services have been created, some services stopped and some staff have been redeployed.

- 3.2 The Chief Executive presented a report to the meeting of Cabinet on 30 June 2020 for a proposed approach to recovery planning from Covid-19. The recovery programme had the following 3 strands - Restart, Recover and Renew.
- 3.3 It was agreed at the meeting of the Corporate Overview and Scrutiny Committee on 13 July 2020 to establish a Cross-Party Recovery Panel. Membership of the Recovery Panel comprises the 12 Members of the Corporate Overview and Scrutiny Committee plus 4 additional Members: 2 Labour; 1 Independent Alliance and 1 Conservative, nominated by Group Leaders. The Panel was established with the aim of shaping, informing and advising Cabinet on the Council's recovery planning to form the basis of the recovery phase for the Covid-19 pandemic.
- 3.4 The Cross-Party Recovery Panel would select key areas for examination in greater depth and make recommendations to Corporate Overview and Scrutiny Committee for onward referral to Cabinet on 15 September 2020, noting the extremely short timescales in order to feed into the realignment of the Council's Medium Term Financial Strategy and Corporate Plan going forward.
- 3.5 The Cross-Party Recovery Panel met on six occasions during August and were supported by the Senior Democratic Officer – Scrutiny, two Scrutiny Officers and the Group Manager Legal & Democratic Services. During its meetings, the Cross-Party Recovery Panel considered presentations from requested invitees including: Public Services Board (PSB) Team Officers; Bridgend Association of Voluntary Organisations (BAVO) Chief Executive, Operational Manager and a Community Navigator; the Corporate Director - Social Services and Wellbeing and the Head of Adult Services; the Director of Bridgend County Care and Repair, and the Head of Partnership Services and Group Manager – Housing.
- 3.6 In Phase 1, the Cross-Party Recovery Panel has taken a structured approach to the selection of key areas from those identified for priority to feed into the recovery process and has identified key issues following examination.

4. Current situation/proposal

- 4.1 On 7 September 2020 the Corporate Overview and Scrutiny Committee received a report on the findings of the Cross-Party Recovery Panel and approved that the recommendations of the Panel should be forwarded to Cabinet as part of the recovery process, in order to feed into the realignment of the Council's Medium Term Financial Strategy and the Corporate Plan.
- 4.2 The Corporate Overview and Scrutiny Committee also considered the next steps proposed for the Recovery Panel and considered whether it wished the work of the

Panel to continue beyond September. It was acknowledged that the recovery of the County Borough following the Covid-19 pandemic is a significant and a complex programme that has a key role to play in the economic vitality and community resilience of the county borough and its residents. The Public Services Board Community Impact Assessment (CIA) will be published shortly and will outline a detailed assessment of the current circumstances faced by our communities. The Committee acknowledged that the seismic shifts in our living, working and studying arrangements will have significant consequences and, unfortunately, may impact disproportionately on those who are already most disadvantaged in our communities. The Committee therefore agreed that the work of the Cross-Party Recovery Panel should continue, with regular reviews of the work to help ensure effectiveness and respond to any emerging issues. It was noted that any further findings and recommendations will be referred to the Corporate Overview and Scrutiny Committee, for onward reporting to Cabinet.
