The mileage at the time of application should be no greater than 500 miles. The applicant may be the second or a subsequent registered keeper but the applicant must demonstrate that there is no more than 14 days

between the first registration and transfer to the applicant's name. Applications will normally be dealt with under the Scheme of Delegation to Officers.

(2.2) Applications for the first licensing of vehicles falling outside the above policy guidelines will normally be refused but a relaxation of the policy may be considered in exceptional circumstances." The vehicle does not fall within the published guidelines for relaxing the policy, so this case must be dealt with on its merits.

(2.5) Applicants are reminded that if they fail to make application to renew an existing licence before the expiry date any subsequent application must be treated as one of grant. Any relaxation of current policies will only be granted in very exceptional circumstances. The responsibility for making an application rests solely with the licence holder. All applications of this type will normally be reported to the Licensing Sub-Committee for determination.
