Role & Responsibilities

I was elected to Bridgend County Borough Council to represent Bryncethin in May 2003. I have undertaken a variety of roles within the Council this year including being appointed to several committees.

I have supported the residents of my ward on a variety of issues and have formally raised a number of constituent queries with the Council and other organisations. This is in addition to informally addressing a number of other issues which you have asked me to help you resolve.

To enable me to fulfil my role as your representative, I have attended a number of Member Development Activities which have assisted me to ensure that my knowledge of national and local issues affecting the Council and my ward is maintained.
