- a) the final report of the Budget Research and Evaluation Panel (BREP) attached at **Appendix A**;
- b) the responses from all the Subject Overview & Scrutiny Committees in relation to Cabinet's draft budget proposals, attached at **Appendix B**.

2. Connection to corporate well-being objectives / other corporate priorities

2.1 This report assists in the achievement of the following corporate well-being objective/objectives under the **Well-being of Future Generations (Wales) Act 2015**:-

1. **Supporting a successful sustainable economy** – taking steps to make the county borough a great place to do business, for people to live, work, study and visit, and to ensure that our schools are focussed on raising the skills, qualifications and ambitions for all people in the county borough.
2. **Helping people and communities to be more healthy and resilient** - taking steps to reduce or prevent people from becoming vulnerable or dependent on the Council and its services. Supporting individuals and communities to build resilience, and enable them to develop solutions to have active, healthy and independent lives.
3. **Smarter use of resources** – ensure that all resources (financial, physical, ecological, human and technological) are used as effectively and efficiently as possible and support the creation of resources throughout the community that can help to deliver the Council's well-being objectives.

3. Background

3.1 In considering the challenges associated with continued budget reductions, Members recognised the need for a 'whole Council' response to be adopted in managing anticipated cuts to services against a backdrop of increasing demand and the challenging financial outlook.

3.2 It was therefore recommended in 2017, that a Budget Research and Evaluation Panel (BREP) be established to engage Members on budget proposals as well as

to enable members to feed in community intelligence gained from their representative role and to engage in shaping future service provision.

3.3 The Corporate Overview and Scrutiny Committee (COSC) has the overall responsibility of scrutinising budget monitoring reports throughout the year. As such, it was agreed at a meeting of Council in September 2017 that it would continue this role and appoint BREP members from within the COSC membership.

3.4 The purpose of the Budget Research and Evaluation Panel was subsequently agreed as the following:

- To achieve consensus on the direction of the budget over the life of the medium term financial strategy;
- To achieve a detailed overview and assessment of the budget proposals where the expertise and knowledge of each Committee contributes to a Corporate understanding and appreciation of the draft budget proposals;
- To assist the Council to develop a budget for the forthcoming year that aims to meet the needs of the communities of Bridgend County Borough;
- To facilitate firmer understanding of the budget setting process and the draft proposals in order to assist the Committees in making informed comments, constructive challenge or recommendations to Cabinet as part of the budget consultation process.

3.5 BREP Members would be presented with the budget reduction proposals and budget pressures, and would have the opportunity to discuss these with the Chief Executive and Corporate Directors, and were asked to consider the information contained in these reports to determine whether they wish to make comments or recommendations for consolidation and inclusion in the report to Cabinet, as part of the budget consultation process.

4. Current situation/proposal

4.3 The September, October and November 2020 meetings of BREP considered individual presentations from all Corporate Directors and the Chief Executive detailing the impact that the budget plans and proposals would make to their Directorate. In addition Members heard from the Consultation Engagement and Equalities Manager in respect of the public consultation.

4.4 The Corporate Overview & Scrutiny Committee is asked to consider the findings of the Budget Research and Evaluation Panel attached at **Appendix A** and determine whether the recommendations should be forwarded to Cabinet along with the consolidated responses from all four Overview and Scrutiny Committees at **Appendix B** as part of the budget consultation process.
