It must, however, bear in mind that if, after consideration of this information, it is minded to refuse the application, it must give the applicant an opportunity to be heard before it concludes its deliberations.

Guidance for Members: Grounds for refusal of application

Under Schedule 3 of Paragraph 12 of the Local Government (Miscellaneous Provisions) Act 1982, the Council may refuse an application on one or more of the following grounds:-

- A. that the applicant is unsuitable to hold the licence by reason of having been convicted of an offence or for any other reason,
- B. that if the licence were to be granted, renewed or transferred the business to which it relates would be managed by or carried on for the benefit of the person, other than the applicant, who would be refused the grant, renewal and transfer of such a licence if he made the application himself.
- C. that the number of sex establishments in the relevant locality at the time of the application is made is equal to or exceeds the number which the authority consider is appropriate for that locality.
- D. that the grant or renewal of the licence would be inappropriate, having regard
 - (i) to the character of the relevant locality; or
 - (ii) to the use to which any premises in the vicinity are put;
or,
 - (iii) to the layout, character or condition of the premises,
vehicle, vessel or stall in respect of which the application is made

The Sub-Committee is advised that if it is minded to grant an application, It can impose conditions, terms and restrictions in addition to the standard and special conditions currently in force.

Similarly, the holder of the licence has 21 days to appeal to the Magistrates' Court if aggrieved by any term, condition or restriction placed upon the licence.

These rights of appeal do not apply if refusal is due to the status of the applicant under section 12(1) of the Act and also do not apply if refusal is due to either Ground C or D referred to in the above-mentioned Grounds for Refusal.
