3. Background

- 3.1 On 23 March 2020 the UK Government imposed a nationwide lockdown in an effort to help minimise the spread of coronavirus. The Council has undergone significant change during this period, in that some services have been created, some services stopped and some staff have been redeployed.
- 3.2 The Chief Executive presented a report to the meeting of Cabinet on 30 June 2020 for a proposed approach to recovery planning from Covid-19. The recovery programme had the following 3 strands - Restart, Recover and Renew.
- 3.3 It was agreed at the meeting of the Corporate Overview and Scrutiny Committee (COSC) on 13 July 2020 to establish a Cross-Party Recovery Panel. Membership of the Recovery Panel comprises the 12 Members of the Corporate Overview and

Scrutiny Committee plus 4 additional Members: 2 Labour; 1 Independent Alliance and 1 Conservative, nominated by Group Leaders. The Panel was established with the aim of shaping, informing and advising Cabinet on the Council's recovery planning to form the basis of the recovery phase for the Covid-19 pandemic.

- 3.4 The Cross-Party Recovery Panel selected key areas for examination in greater depth and made recommendations to Corporate Overview and Scrutiny Committee for onward referral to Cabinet on 15 September 2020, noting the extremely short timescales in order to feed into the realignment of the Council's Medium Term Financial Strategy and Corporate Plan going forward.
- 3.5 The Cross-Party Recovery Panel met on six occasions during August 2020 and were supported by the Senior Democratic Officer – Scrutiny, two Scrutiny Officers and the Group Manager Legal & Democratic Services.
- 3.6 During its meetings, the Cross-Party Recovery Panel considered presentations from requested invitees including: Public Services Board (PSB) Team Officers; Bridgend Association of Voluntary Organisations (BAVO) Chief Executive, Operational Manager and a Community Navigator; the Corporate Director - Social Services and Wellbeing and the Head of Adult Services; the Director of Bridgend County Care and Repair, and the Head of Partnership Services and Group Manager – Housing.
- 3.7 The Cross-Party Recovery Panel had taken a structured approach to the selection of key areas from those identified for priority to feed into the recovery process and had identified key issues following examination.
- 3.8 On 7 September 2020 the Corporate Overview and Scrutiny Committee received a report on the findings of the Cross-Party Recovery Panel and approved that the recommendations of the Panel should be forwarded to Cabinet as part of the recovery process, in order to feed into the realignment of the Council's Medium Term Financial Strategy and the Corporate Plan.
- 3.9 The Corporate Overview and Scrutiny Committee also considered the next steps for the Recovery Panel and agreed that the Panel would meet following the Public Services Board Community Impact Assessment (CIA) being made available for consideration as an assessment of the current circumstances faced by communities, significant consequences and possibly disproportionate impacts on those who are already most disadvantaged. It was noted that any further findings and recommendations will be referred to the Corporate Overview and Scrutiny Committee, for onward reporting to Cabinet.
