## REPORT TO THE GOVERNANCE AND AUDIT COMMITTEE

22 JULY 2021

### REPORT OF THE INTERIM CHIEF OFFICER - FINANCE, PERFORMANCE AND CHANGE

#### AUDIT WALES GOVERNANCE AND AUDIT COMMITTEE REPORTS

#### 1. Purpose of report

- 1.1 The purpose of this report is to submit to the Committee reports from Audit Wales, including an update on the financial and performance audit work undertaken, and due to be undertaken, by Audit Wales.

#### 2. Connections to corporate well-being objectives / other corporate priorities

- 2.1 This report assists in the achievement of the following corporate well-being objective under the **Well-being of Future Generations (Wales) Act 2015**:
- **Smarter use of resources** – ensuring that all resources (financial, physical, ecological, human and technological) are used as effectively and efficiently as possible and support the creation of resources throughout the community that can help to deliver the Council's well-being objectives.
- 2.2 The Council's performance is an important element in determining the extent to which the well-being objectives can be delivered.

#### 3. Background

- 3.1 Audit Wales undertakes a programme of work during the year to help the Auditor General discharge his duties under the Public Audit (Wales) Act 2004. The Auditor General's functions include auditing accounts and undertaking local performance audit work at a broad range of public bodies, alongside conducting a programme of national value for money examinations and studies. The Auditor General also assesses the extent to which public bodies are complying with the sustainable development principle when setting and taking steps to meet their well-being objectives.
- 3.2 Part 2 of the 2004 Act sets out the powers and duties of the Auditor General to undertake studies in relation to local government bodies in Wales. The most widely used of these provisions is section 41, which requires the Auditor General to undertake studies designed to enable him to make recommendations for, among other things, improving the value for money in the provision of services.
- 3.3 In accordance with Section 89 of the Local Government and Elections (Wales) Act 2021 the Authority is required to keep under review the extent to which it is exercising

its functions effectively, using its resources economically, efficiently and effectively and ensuring its governance is effective for securing these performance requirements.

#### **4. Current situation/proposal**

4.1 Audit Wales has produced a number of reports for the Governance and Audit Committee to consider. These are:

- **The Audit Wales Work Programme and Timetable - (Appendix A)** - , under the Local Government and Elections (Wales) Act 2021, the Auditor General is required to produce a work programme update for each financial year for each principal council covering both his functions and those of 'relevant regulators' (CIW and Estyn). Audit Wales intend to provide this to the Council quarterly and it will replace the previous work programme provided to the Committee.
- **Review of the Council's Arrangements to Become a 'Digital Council' – Bridgend County Borough Council - (Appendix B)** – Audit Wales wanted to understand if the Council has effective arrangements to support its ambitions of becoming a digital council. This included exploring how the Council has learned from its shift to more digital working as a result of the pandemic.

#### **5. Effect upon policy framework and procedure rules**

5.1 There is no impact on the policy framework and procedure rules.

#### **6. Equality Act 2010 implications**

6.1 The protected characteristics identified within the Equality Act, Socio-economic Duty and the impact on the use of the Welsh Language have been considered in the preparation of this report. As a public body in Wales the Council must consider the impact of strategic decisions, such as the development or the review of policies, strategies, services and functions. This is an information report, therefore it is not necessary to carry out an Equality Impact assessment in the production of this report. It is considered that there will be no significant or unacceptable equality impacts as a result of this report.

#### **7. Well-being of Future Generations (Wales) Act 2015 implications**

7.1 The well-being goals identified in the Act were considered in the preparation of this report. It is considered that there will be no significant or unacceptable impacts upon the achievement of well-being goals/objectives as a result of this report.

#### **8. Financial implications**

8.1 There are no financial implications arising from this report.

#### **9. Recommendation**

9.1 That the Committee notes the Audit Wales Governance and Audit Committee Reports at **Appendix A** and **Appendix B**.
