## **1. INTRODUCTION**

- 1.1 Bridgend County Borough Council is the local licensing authority with responsibility for licensed premises under the Licensing Act 2003. This Statement of Licensing Policy sets out the policies the licensing authority will apply when making decisions on licensing applications and reviews. This policy has been prepared in accordance with the Licensing Act 2003 having regard to the Statutory Guidance issued under section 182 of the Act. The Statutory Guidance document is available at: <http://www.homeoffice.gov.uk/publications/alcohol>
- 1.2 This Statement of Licensing Policy will be kept under review and published in line with Section 5 of the Licensing Act 2003. Further consideration and review may be required in response to changes in demographics and operating models they may develop in response to increasing financial pressures on local government.
- 1.3 To avoid duplication and to ensure that information is up to date, applicants, residents and other persons, members of the public and responsible authorities will be directed to [www.homeoffice.gov.uk](http://www.homeoffice.gov.uk) for information on the licensing processes.

## **2. PROFILE OF BRIDGEND COUNTY BOROUGH**

- 2.1. The Council area contains a mix of urban and rural communities, and has a population of approximately 139,178. (Source data: ONS website Table KSI01UK 2011 Census).

The main towns are Bridgend, Maesteg and Porthcawl.

The Corporate Plan for the period sets out the vision and priorities for the period 2013 to 2017:

“Our priorities are inspired by our vision to work together to improve lives within the borough. We can only achieve the necessary results if the third sector, families, communities, and you, our citizens, support us and work together with us. After close public consultation and extensive statistical data analysis, we have concluded that we need to focus our efforts on the local economy and the health and education of our citizens, as well as on making the borough a great place in which to live, learn, work and play.

We will develop our town centres, business premises and transport and communications networks to encourage a stronger and more prosperous local economy. We will develop educational opportunities, so that our children and young people can achieve results of which they can be proud and realise their highest aspirations. We will strive to help children and their families to tackle problems early. We will do everything within our means to help vulnerable and older people become or remain independent and we will take all the measures we can to tackle health issues.

The priorities we have set are challenging particularly in the context of significant economy and public spending constraints. However, we are determined to improve lives within the borough and we are confident that by working together with local people, businesses and the third sector we can achieve our goals and deliver the commitments that we have made in this Corporate Plan.

PRIORITY ONE: Working together to develop the local economy.

PRIORITY TWO: Working together to raise ambitions and drive up educational achievement.

PRIORITY THREE: Working with children and families to tackle problems early.

PRIORITY FOUR: Working together to help vulnerable people to stay independent.

PRIORITY FIVE: Working together to tackle health issues and encourage healthy lifestyles.

PRIORITY SIX: Working together to make the best use of our resources.

Source: [www.bridgend.gov.uk](http://www.bridgend.gov.uk) Council priorities and performance pages.

- 2.2 This policy links to many of the corporate themes and strategies of the Council but the ultimate duty of the Council, as the licensing authority is to promote the following licensing objectives.
- The prevention of crime and disorder;
  - Public safety;
  - The prevention of public nuisance; and,
  - The protection of children from harm.
- 2.3 To encourage more performances of live music, the Live Music Act 2012 amended the Licensing Act 2003 by deregulating aspects of the performance of live music so that in certain circumstances live music is not a licensable activity. However, event organisers and authorisation holders should visit [www.homeoffice.gov.uk](http://www.homeoffice.gov.uk) for further information before staging an event.
- 2.4 New businesses or businesses contemplating major refurbishments are also invited to discuss the proposals with the responsible authorities and other Council departments prior to submitting an application.
- 2.5 Whenever possible, the Council will enter partnership arrangements, working closely with the South Wales Police, South Wales Fire and Rescue Service, local businesses, community representatives and local people in developing future Statements of Licensing of Policy and meeting the licensing objectives. The authority has adopted a Memorandum of Understanding and enforcement protocol with partner responsible authorities. The licensing authority also holds regular responsible authority meetings to discuss best practice, share information and to promote the licensing objectives through a risk based and targeted approach to compliance. The group also supports measures to assist and work with the local licensed trade and key partner agencies. Copies of protocols can be accessed at [www.bridgend.gov.uk](http://www.bridgend.gov.uk)
- 2.6 Organisers of local community events must be aware that the licensing authority must have respect and regard for the concerns of local residents, and organisers must be aware of their legal responsibilities with regard to health and safety, noise pollution, temporary structures, pyrotechnics etc., and the sale of alcohol. Organisers are strongly advised to contact the Council's Events Safety Advisory Group for advice on planning and running an event.

### **3. SCOPE AND LIMITATION**

3.1 Bridgend County Borough Council (hereinafter referred to as “the Council”) is the licensing authority as defined in the Licensing Act 2003 (hereinafter referred to as “the Act”).

3.2 In discharging its licensing functions, the licensing authority will promote the licensing objectives which are as follows:

- The prevention of crime and disorder;
- Public safety;
- The prevention of public nuisance; and,
- The protection of children from harm.

Each of the above objectives has equal importance.

3.3 The scope of the Statement of Licensing Policy covers the following licensable activities and any that are defined in the Licensing Act 2003.

- Retail sale of alcohol (including via the internet or mail order).
- The wholesale of alcohol to members of the public.
- The supply of alcohol to members of registered clubs.
- The provision of regulated entertainment when it is performed in the presence of an audience and is provided for the purpose, or for purposes which include the purpose, of entertaining that audience, including performance of a play; film exhibitions; indoor sporting events; boxing or wrestling events; live music; any playing of recorded music; a performance of dance; entertainment of a similar description; provision of facilities for dancing and provision of facilities for making music.

This Statement of Licensing Policy applies to all applications in respect of:

- Personal licences;
- Premises licences;
- Club premises certificates; and
- Temporary Event Notices.

3.4 The Statement of Licensing Policy sets out a general approach to the making of licensing decisions by the licensing authority but does not seek to undermine the right of any individual to apply under the terms of the Act for a variety of permissions and to have any such application considered on its individual merits.

3.5 The Statement of Licensing Policy does not seek to override the right of any person to make representations in relation to an application or seek a review of a licence or certificate where there is provision in the Act to do so.

3.6 Nothing in this policy should be taken as indicating that any requirement of licensing law or any other law may be overridden by the terms of this policy.

## **4.0 APPLICATIONS**

- 4.1 An application or notice for licensing purposes will be accepted as being lawfully made only where it contains all of the required details specified by the Act and/or regulations. The licensing authority will, however, exercise appropriate discretion and not reject applications where they contain minor or factual errors which can easily be rectified.
- 4.2 To avoid unnecessary representations being made in respect of an application, applicants are advised to complete all relevant parts of an application form. Some parts of the form are mandatory and where matters have been considered, but are deemed not to be relevant to the application, it is suggested that, for the avoidance of doubt, the particular section is marked "not applicable".
- 4.3 The grant of an application does not obviate the need for the applicant to satisfy the requirements of any other regulatory regime or statutory requirement.
- 4.4 All persons preparing operating schedules, including those for temporary events, should note that a number of publications are available to assist in the planning of an event. Applicants are advised to contact the bodies shown at Appendix A for further information.

## **5. DECISION MAKING - GENERAL POLICY**

- 5.1 In determining a licensing application, the overriding principle adopted by the licensing authority will be that any individual has a right to apply under the terms of the 2003 Act for a variety of permissions and has a right to have any such application considered on its individual merits. In discharging its functions the licensing authority will have regard to this policy and the guidance issued under Section 182 of the Licensing Act but may depart from it when there are compelling reasons to do so and following receipt of relevant representations.
- 5.2 If an application for a premises licence or club premises certificate has been made lawfully and there have been no representations from responsible authorities or other persons, the licensing authority will grant the application, subject only to conditions that are consistent with the operating schedule and the relevant mandatory conditions.
- 5.3 This policy does not override the right of any person to make representations on an application or to seek a review of a licence or certificate where provision has been made to do so in the 2003 Act. Nothing within this policy will override the right of an individual to a right of appeal to the Bridgend Magistrates' Court against the decisions of the licensing authority.
- 5.4 The licensing authority will not impose any conditions unless its discretion has been engaged following the making of relevant representations, and it has been satisfied at a hearing, of the necessity to impose conditions due to the representations raised. It will then only impose conditions as are necessary to promote the licensing objectives and will not impose standard conditions or those which duplicate other regulatory regimes as far as possible. Conditions will be tailored to individual premises but the authority may draw on pools of conditions where deemed appropriate to do so.

- 5.5 Wherever practical, officers of the licensing authority will endeavour to forward any representations to the applicant as soon as they are received and not at the end of the period given for making representations. The licensing authority would expect responsible authorities to commence discussions with applicants at an early stage of the consultation process in order to seek clarification on any points and prior to submitting representations to the licensing authority. The authority has agreed with responsible authorities that it will accept electronic submission of representations.
- 5.6. In the interests of transparency and fairness, the licensing authority will normally make personal details of persons available as part of the hearing process unless the person withholds permission or there are exceptional and compelling reasons why this is necessary. Each case will be determined on its merits in consultation with the party concerned.
- 5.7 Representations must be in written format and may be amplified at the subsequent hearing or may stand in their own right. Representations may be submitted electronically to the licensing authority via [licensing@bridgend.gov.uk](mailto:licensing@bridgend.gov.uk) to include the name and postal address of the person or persons making representations. In the interests of transparency and fairness, the licensing authority will normally make personal details of residents and other parties available as part of the hearing process unless the person withholds permission or there are exceptional and compelling reasons why this is necessary. Each case will be determined on its merits in consultation with the person concerned.
- 5.8 The licensing authority maintains a register of applications received at [www.bridgend.gov.uk](http://www.bridgend.gov.uk). The licensing authority and its officers have not adopted any measures for notifying persons of applications received beyond the statutory requirements.
- 5.9 Prior to the determination of an application, the licensing authority will determine whether any representation or objection is irrelevant, frivolous or vexatious. The licensing authority may delegate this function to a Sub-Committee or officer.
- 5.10 The decisions taken by the licensing authority will be focused on matters within the control of individual licensees and others granted relevant permissions. These matters will centre on the premises and places being used for licensable activities and the vicinity of those premises and places. In addressing this matter, the authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public living, working or engaged in normal activity in the area concerned. The authority does not seek to define the term “vicinity” and will examine each case on its merits.
- 5.11 When carrying out its functions as a licensing authority under the 2003 Act the licensing authority will have regard to its obligations under Section 17 of the Crime and Disorder Act 1998.
- 5.12 The licensing authority is under a duty to protect the rights of residents to privacy and family life under Article 8 of the European Convention on Human Rights in accordance with the Human Rights Act 1998. At the same time, it respects the rights of commercial organisations to operate their premises without unnecessary restraint.

5.13 The licensing authority is mindful that, once away from the licensed premises, a minority of consumers will behave badly and unlawfully. As outlined in the Home Office Guidance, this policy recognises that there are other mechanisms both within and outside the licensing regime that are available for addressing such issues. These are listed within the Home Office guidance. Applicants are advised that Designated Public Places Orders apply to certain parts of the County Borough and should contact the Licensing Section for further information.

5.14 Policy in respect of determining variations of licences:

The licensing authority may not vary a licence so as to vary substantially the premises to which it relates. The authority considers that any physical addition to the footprint of the premises, including outside areas, where additional licensable activities could take place would constitute a substantial variation of the premises. Each case, however, must be examined on its merits and applicants are therefore encouraged to discuss the proposals with the licensing authority and fire authority prior to commissioning any works. Applicants are invited to consider whether the application falls within the definition of Minor Variation set out in the Licensing Act 2003. When assessing applications in this category, the licensing authority will assess each case on its merits having regard to the latest guidance issued by the Home Office under Section 182 of the Act.

5.15 General policy in respect of licensing hours:

In line with Home Office Guidance, shops, stores and supermarkets will normally be free to provide sales of alcohol for consumption off the premises at any times when the retail outlet is open for shopping unless there are good reasons. There are no local policies in place and each case will be determined on its merits.

5.16 Policy in respect of assessing applications to prevent public nuisance:

The following criteria will be considered when assessing applications within the context of preventing public nuisance:

- Environmental quality;
- Residential amenity;
- Character of function of a particular area; and
- Nature of the proposed activities to be provided at the premises.

The licensing authority will normally consider favouring applicants wishing premises in noise sensitive areas to remain open after the regular closing time on a specified number of occasions (such as on Bank Holidays and weekends preceding Bank Holidays or special occasions) providing that:

The number of extensions has been included in their operating schedule and steps to address public nuisance have been considered;

AND

The authority is given prior notice of each proposed later opening.

In the absence of relevant representations, however, the authority will grant the application.

Applicants may also consider using the Temporary Event Notice procedure for special occasions or Bank or special Holidays.

Where relevant representations are received, the licensing authority will consider stricter conditions with regard to noise control in noise sensitive locations such as residential areas.

5.17 Policy in respect of the protection of children from harm:

Decision making will not seek to limit the access of children to any premises unless it is appropriate for the prevention of physical, moral or psychological harm to them. It is not possible for this licensing policy to anticipate every issue of concern that could arise in respect of children in relation to individual premises and therefore each case will be dealt with on its merits. However, this authority believes that it is completely unacceptable to sell alcohol to children or by proxy to children. Conditions relating to the access of children where alcohol is sold, and which are appropriate to protect them from harm, will be carefully considered on receipt of relevant representations. More detailed provisions are shown in Section 7.

6. **SPECIAL POLICY: CUMULATIVE IMPACT AREA**

6.1 The licensing authority has adopted a special policy in respect of the cumulative impact of premises in Bridgend town centre.

6.2 As part of the consultation process the Council has asked the South Wales Police to identify any negative cumulative impact of licensed premises on all areas of the County Borough. The current policy covers Derwen Road, Market Street, Wyndham Street and Nolton Street (from its junction with Ewenny Road, to its junction with Merthyr Mawr Road, but not the area between Merthyr Mawr Road and the junction with Court Road Bridgend).

The South Wales Police have forwarded statistics to be included within the consultation document and have made the following statement for consideration:

“South Wales Police supports the continual use of a Cumulative Impact Area (CIA) policy in the Bridgend town centre. This has in effect created a rebuttable presumption that applications for new premises licences or variations are likely to impact on the four licensing objectives. The implications of the CIA policy are essential when South Wales Police has made representations against new or varied licence applications. Taking this into account, this has had a direct bearing on the reduction of recorded crime within the town centre and reported anti-social behaviour’.

The information supplied by South Wales Police is shown at Appendix Two to this document.

6.3 The authority will consider the following factors when considering whether to adopt a special policy:

- The identification of serious and chronic concern from a responsible authority about crime and disorder and public nuisance in an area;
- Evidence and assessment that crime and disorder and public nuisance are arising and are caused by the customers of licensed premises;
- Evidence identifying the area from which problems are arising and the boundaries of the area; and
- The results of a consultation process in respect of the general and special policies.

6.4 The effect of adopting a special policy of this kind is to create a rebuttable presumption that applications for new premises licences or club premises certificates or variations which are likely to add to the existing cumulative impact will normally be refused, if relevant representations to that effect are received, unless applicants can demonstrate in their operating schedule that there will be no negative cumulative impact on one or more of the licensing objectives. Whilst each case will be determined on its merits the term variation is taken to mean an increase in the hours during which licensable activities may take place, additional licensable activities, or an increase in the extent of the premises, insofar as these are likely to add to the negative cumulative impact.

6.5 Applicants will need to address the special policy issues in their operating schedules in order to rebut the presumption, i.e. that the operation of the premises would not add to the negative cumulative impact experienced. The licensing authority will give proper regard to the different types of premises and the differing impact they will have on the local community. However, if no relevant representation is received, the licensing authority will grant the application in terms which are consistent with the operating schedule.

6.6 This special policy will be kept under review and will not be used as grounds for revoking an existing licence or certificate.

6.7 Notwithstanding the special policy, applicants are asked to note that each application will be dealt with on its merits. Following receipt of representations in respect of a new application in the above mentioned streets, the licensing authority will and must consider whether it would be justified in departing from its special policy in the light of the individual circumstances of the case.

6.8 The absence of a special policy in other areas of the County Borough does not prevent any responsible authority or person making representations on a new application for the grant, or variation, of a licence on the grounds that the premises will give rise to a negative cumulative impact on one or more of the licensing objectives.

## **7. PROVISIONS IN RESPECT OF THE PROTECTION OF CHILDREN FROM HARM**

7.1 The body designated to advise on the protection of children from harm is The Children's Directorate, Bridgend County Borough Council.

- 7.2 Where relevant representations are received, the licensing authority will consider imposing conditions restricting the access to children to premises in circumstances where:
- Entertainment or services of an adult nature are provided;
  - A member or members of the current management have been convicted for serving alcohol to minors or with a reputation for allowing under-age drinking (other than in the context of the exemption in the 2003 Act relating to 16 and 17 year olds consuming beer, wine and cider when accompanied by an adult during a table meal);
  - It is known that unaccompanied children have been allowed access;
  - There is a known association with drug taking or dealing;
  - Premises where there is a strong element of gambling;
  - The supply of alcohol is the exclusive or primary purpose of the premises; and
  - Premises where children's entertainment is provided and there is insufficient evidence that proper supervision of the access, egress, safety and welfare of children is provided.
- 7.3 The licensing authority is also mindful that activities, such as adult entertainment, may take place at certain times on premises but not at other times. For example, premises may operate as a café bar during the day providing meals for families but also provide entertainment with a sexual content after 8.00pm. It is not possible to give an exhaustive list of what amounts to entertainment or services of an adult or sexual nature. Applicants and the responsible authorities are expected to consider this point carefully. The licensing authority considers this issue to broadly include topless bar staff, striptease, lap-, table- or pole-dancing, performances involving feigned violence or horrific incidents, feigned or actual sexual acts or fetishism, or entertainment involving strong and offensive language.
- 7.4 The licensing authority expects applicants to be clear in their operating schedules about the activities and times at which the events would take place to help determine when it is not appropriate for children to enter the premises. Consideration should also be given to the proximity of premises to schools and youth clubs so that applicants take appropriate steps to ensure that advertising relating to their premises, or relating to events at their premises, is not displayed at a time when children are likely to be near the premises.
- 7.5 The licensing authority will expect applicants, when preparing an operating schedule or club operating schedule, to set out the steps to be taken to protect children from harm when on the premises.
- 7.6 Conditions whether offered, or imposed following the receipt of relevant representations, should reflect the licensable activities taking place on the premises. In addition to the mandatory condition regarding age verification, the licensing authority may consider other conditions relating to the protection of children from harm, for example:
- Restrictions on the hours when children may be present;
  - Restrictions or exclusions on the presence of children under certain ages when particular specified activities are taking place;
  - Restrictions on the parts of the premises to which children may have access;

- Age restrictions (below 18);
- Restrictions or exclusions when certain activities are taking place;
- Requirements for an accompanying adult (including for example, a combination of;
- Requirements which provide that children under a particular age must be accompanied by an adult); and
- Full exclusion of people under 18 from the premises when any licensable activities are taking place.

7.7 On receipt of relevant representations, the licensing authority will consider whether a condition should be attached to a premises licence or club premises certificate which requires the presence of a sufficient number of adult staff on the premises to ensure the wellbeing of the children during any emergency in a theatre offering entertainment aimed primarily for children.

## **8. INTEGRATING STRATEGIES**

8.1 The Council will, as appropriate, take account of any relevant information in relation to community safety, substance misuse, disability, equality, transport, tourism, economic development and cultural issues. The Council will monitor these areas and where it is shown that licensing activities are impacting adversely on these areas it will be reported to the committee having responsibility for these areas.

8.2 The authority's planning, building control and licensing regimes will be properly separated to avoid duplication and inefficiency. Licensing Committees will not be bound by decisions made by a Planning Committee and vice versa. The granting by a Licensing Committee of any variation of a licence which involves a material alteration of a building does not relieve an applicant of the need to apply for planning permission or building control where appropriate. The licensing authority also recognises that terminal hours for planning consents may differ from licensing hours and therefore the operator must observe the earlier closing time.

8.3 Applicants are reminded that the Race Relations Act 1976, as amended by the Race Relations (Amendment) Act 2000, places a legal obligation on public authorities to have due regard to the need to eliminate unlawful discrimination; and to promote equality of opportunity and good relations between persons of different racial groups. Applicants are referred to the Council's Race Equality Scheme published at [www.bridgend.gov.uk](http://www.bridgend.gov.uk).

8.4 Licence conditions will not be imposed where they would duplicate other regulatory regimes or legislation; this includes health and safety at work, fire safety, disability or equalities legislation.

8.5 The licensing authority will have regard to cultural strategies which relate to the wider cultural and economic benefits to the community of the promotion of live music, dance and theatre. In coming to a decision, the potential for disturbance in neighbourhoods will be carefully balanced with these wider benefits and focus on the licensing objectives and the individual merits of the application.

8.6 Copies of Council policies are available on [www.bridgend.gov.uk](http://www.bridgend.gov.uk) or from individual Council Departments. The licensing authority webpages can be found under Licensing in the A-Z of Services.

## **9. STEPS TO PROMOTE THE LICENSING OBJECTIVES**

- 9.1 These sections will be of relevance to all sectors within the licensed trade, including Club Premises, the retail sector and events to which Temporary Event Notices apply. However, the licensing authority recognises that applicants, existing licensees and premises users should consider only those matters which are relevant to the individual style and characteristics of their premises and/or events. The licensing authority encourages liaison between applicants and responsible authorities when drafting operating schedules and risk assessments.
- 9.2 When drawing up an operating schedule applicants must comply with the regulations in respect of completing applications. They may also wish to consider the following points but are under no statutory obligation to do so. Applicants and responsible authorities are reminded that they should not offer conditions which duplicate offences set out in the Licensing Act 2003 or in existing legislation.
- 9.3 The responsibility for ensuring compliance with non-licensing legislation rests with the applicant. The authority considers the most up to date information to be available on the Home Office website.
- 9.4 The following licensing objectives have equal importance. Applicants should note that the licensing authority may also develop pools of conditions based on the Home Office Guidance from which necessary and proportionate conditions may be drawn should relevant representations be received.
- 9.5 The Prevention of Crime and Disorder
- Section 17 of the Crime and Disorder Act 1998 imposes a duty on the Council and licensing authority to consider crime and disorder reduction in the exercise of their duties. When addressing crime and disorder, applicants should initially identify any particular issues (having regard to their particular type of premises and/or activities) which are likely to adversely affect the promotion of the crime and disorder objective. Such steps as are required to deal with these issues should be included within the operating schedule. Conditions should be targeted on deterrence and preventing crime and disorder.
- a) The installation and maintenance of CCTV inside and outside the premises, to include the precise location of cameras on plans to ensure that areas are properly covered.
  - b) A written drugs policy covering searches of patrons, seizures, and storage of seized drugs at the premises.
  - c) The use of SIA registered Door Staff and an agreed per capita rate of door persons to customers.
  - d) A training policy relating to the prevention of crime and disorder at the premises.
  - e) Information on and/or the provision of transport for customers.
  - f) The adoption of Nitenet or similar direct radio link.

- g) Membership of schemes with other licensees to prevent crime and disorder.
- h) Maintenance of incident books to record crime and disorder.
- i) Adherence to the best practice issued in relation to nightclubs, dance venues, outdoor dance events and the like.
- j) The use of plastic containers and toughened glass at all times or at specific times, or for specific events or periods during the year.
- k) A policy with regard to the management of patrons drinking outside the premises in order to minimise the potential for crime, disorder anti-social behaviour and nuisance to the public, which may include measures to prevent glasses and bottles being taken outside.
- l) A written policy to advise staff on protection of young persons and vulnerable adults.
- m) The use of clickers or other measures to prevent overcrowding.
- n) A last admission or re-admission policy at the premises including measures to manage customers who smoke where there is no suitable area within the premises curtilage for such customers.
- o) Measures to prevent crime and disorder arising if entertainment of an adult or sexual nature is provided and/or involves strong or offensive language.
- p) Measures to prevent under age sales, for example till prompts and refusals registers.
- q) Crime prevention/Get Home safely posters.
- r) A prohibition on the admittance of customers carrying open or sealed bottles into the premises.
- s) A prohibition on customers taking alcoholic and other drinks from the premises in glasses and open bottles to prevent the use of these containers as offensive weapons in surrounding streets after individuals have left the premises.
- t) Queue management systems inside and outside the premises.
- u) Internal patrols by management.

## 9.6 Public Safety

Where an applicant identifies an issue with regard to public safety (including fire safety) which is not covered by existing legislation, he or she should identify in their operating schedule the steps which will be taken to ensure public safety.

- a) The number of people attending the premises.

- b) Customer profile (age, disability etc).
- c) Fire safety and fire prevention measures not covered by other regulatory regimes.
- d) Measures of management control within the premises.
- e) Design, construction and operation of premises, including toilets, lighting, strobe lighting etc.
- f) Staff training in disability awareness and evacuation procedures.
- g) The use of special effects such as pyrotechnics, lasers, smoke machines, foam machines.
- h) Regular testing of electrical systems and the provision of RCD protection.
- i) Awareness of the effect of alcohol and other substance misuse.

## 9.7 Public Nuisance

Licensed premises have the potential to have an adverse impact on the local community. The licensing authority recognises that a balance should be struck between local businesses, cultural diversity and the need to protect the local residents from nuisance.

The licensing authority understands public nuisance to include the following: noise and disturbance, odour, litter and anti-social behaviour.

The licensing authority recognises that where there are gardens or tables and chairs placed outside the premises, users of these can cause nuisance. If residential premises overlook tables and chairs on the frontage of the licensed premise or in beer gardens and relevant representations are received, the licensing authority will be likely to adopt the standards contained in the Institute of Acoustics "Good Practice Guide on the Control of Noise from Pubs and Clubs" and not permit the use of these areas before the start of normal trading hours, and after dusk or 9.00 pm whichever is the earlier.

When addressing public nuisance, the applicant should identify any particular issues (having regard to the vicinity of the premises, the type of premises and the type of entertainment or activity) which are likely to adversely affect the promotion of the objective to prevent public nuisance. The licensing authority will expect the operating schedule to indicate that, in respect of those premises which are located in primarily residential areas; steps will be taken to reduce the impact of noise from patrons congregating outside. Other measures could include:

- a) Measures to control amplified and non amplified sound, music and speech within and outside the premises.
- b) Sound proofing measures to contain sound and vibration.
- c) Reducing sound levels and installing a sound limiting device to prevent amplified music exceeding the level agreed by the Council.

- d) Keeping doors and windows closed and providing adequate alternative mechanical ventilation (and ensuring the mechanical ventilation itself does not cause a noise problem).
- e) The management of gardens, play and other outside areas to ensure minimal disruption to the neighbourhood – this may include restricting areas where alcoholic drinks may be consumed or the times they may be consumed.
- f) Providing quieter areas for patrons.
- g) Where there are beer gardens or similar outdoor areas, ensuring the amplified music is not relayed to such areas and that these areas are properly screened.
- h) The operation of plant and machinery so as to minimise disruption to the neighbourhood.
- i) The impact of car parks at the premises and access roads on the local community.
- j) The impact of deliveries on the local community.
- k) The location of premises in relation to residential properties, hospitals, places of worship etc.
- l) The adoption of a “last admission” policy.
- m) Erecting prominent notices at the exits to premises asking customers to leave quietly and not to slam car doors and at appropriate times making announcements to the same effect.
- n) Instructing door staff or other staff to ask customers leaving the premises to leave the area quietly.
- o) Regular assessments by staff or managers to assess whether there are problems and how best to deal with them.
- p) Reducing the volume of music towards the end of the evening and, where appropriate, playing quieter more soothing music as the evening winds down.
- q) Considering excluding people from the premises who often leave in a noisy fashion.
- r) Increasing outside lighting levels (but in such a manner that does not cause a nuisance to the local residents).
- s) Vacating smoking shelters, patios or any other such areas where customers smoke, by no later than 2300 hours.
- t) encouraging patrons to return indoors as quickly as possible e.g. preventing drinks from being taken outdoors, restricting the number of tables and chairs, refraining from erecting smoking shelters and from using patio heaters.

- u) Provision of door staff or other staff to supervise the smoking areas and to ensure that doors are kept closed when amplified music is being played.

## 9.8 The Protection of Children from Harm

Such steps as are required to address this licensing objective may include:

- a) Types of entertainment provided, especially if aimed primarily at children.
- b) Applicants should specify whether entertainment of an adult or sexual nature is involved or involves strong or offensive language to enable the Council to consider the risk to the promotion of the licensing objectives, particularly the protection of children from harm.
- c) Staff training for awareness of offences.
- d) Staff training for the protection of children, young persons and vulnerable adults at the premises including proof of age measures and awareness of proxy sales of alcohol.
- e) Active support and enforcement of a Proof of age Scheme (e.g. Validate Scheme).
- f) Age limitations.
- g) Exclusion of children from certain areas.
- h) Requirements for adult supervision.
- i) Risk assessment of hazards.
- j) The location of cigarette machines in areas that can be easily seen by staff.

The Council's Trading Standards Department can give advice on Proof of Age Schemes.

## 10. COMPLIANCE

10.1 Where necessary, enforcement action will be taken in accordance with the principles of the Enforcement Concordat issued by the Government and the Hampton Principles.

10.2 The Council is developing a strategy with responsible authorities which provides for the targeting of agreed problem and/or high risk premises which require greater attention, while employing a "light touch" approach to low risk premises or those which are well run. The licensing authority and responsible authorities will give licence holders and businesses early warning of problems, clear explanations of what needs to be done, action plans, and timescales in order to resolve problems. Formal action will be taken if this is deemed essential to promote the licensing objectives.

10.3. The licensing authority will carry out inspections to determine if licence conditions are being complied with. These visits may be carried out as joint inspections with other statutory bodies or responsible authorities.

10.4 Although the review process is a key protection for the local community, local residents or businesses who have concerns about premises should contact the relevant agency in the first instance. The Council can also act as the point of contact for concerns via [licensing@bridgend.gov.uk](mailto:licensing@bridgend.gov.uk)

## **11. ADMINISTRATION, EXERCISE AND DELEGATION OF FUNCTIONS**

11.1 In determining applications, the licensing authority will adopt the principle of delegation as laid down in the Act and Guidance in the interests of speed, efficiency and cost effectiveness. The Council's Constitution, Scheme of Delegation to Officers and Member Code of Conduct can be accessed at [www.bridgend.gov.uk](http://www.bridgend.gov.uk)

## **12. REVIEWS OF LICENCE**

12.1 Reviews of premises licences represent a key protection for the local community in respect of problems which may arise during the term of a premises licence. Any person and responsible authority has the right to make representations in respect of an application or seek a review of a licence or certificate within the provisions of the Act. Each case will be dealt with on its merits.

12.2 The licensing authority considers that it is good practice for responsible authorities to give licence holder's early warning of problems and of the need to improve.

12.3 Individuals or groups may request a representative to make representations on their behalf, for example a legal representative, friend, Member of Parliament, Member of the National Assembly for Wales. Licensing authority Members are bound by the Member Code of Conduct when participating in the licensing process.

12.4 Where the licensing authority makes a decision on an application it will provide reasons in writing and in other formats on request. .

12.5 In the interests of transparency and fairness, the licensing authority will normally make personal details of residents and other parties available as part of the hearing process unless the person withholds permission or there are exceptional and compelling reasons why this is necessary. Each case will be determined on its merits in consultation with the person concerned.

12.6 Any person may submit representations electronically to the licensing authority via [licensing@bridgend.gov.uk](mailto:licensing@bridgend.gov.uk) to include the name of the person or persons making the representations and a postal address. Accessibility enquiries should be addressed to the Licensing Section in the first instance.

## **13. TEMPORARY EVENT NOTICES**

13.1 There are no special policies applicable to Temporary Event Notices. Full details of the process can be found at [www.homeoffice.gov.uk](http://www.homeoffice.gov.uk). Event organisers should take particular notice of the references and meaning of the term "working days" when calculating when to serve a Temporary Event Notice.

- 13.2 Whilst not a mandatory requirement, early engagement and discussion with the South Wales Police and Council Public Protection team around proposed TENS may reduce the likelihood of an objection notice on the grounds of crime and disorder or public nuisance. The Council would strongly urge all persons to give the Council at least 28 days notice of an event (and at least two to three months notice or longer for larger outdoor events) in order that the organiser can access Events Safety Information, contact points and advice through the Council.
- 13.3 The South Wales Police request that in order that the crime prevention objectives are not undermined, Temporary Event Notices are served at South Wales Police, F Division, Bridgend, Bridgend Police Station, Brackla Street, Bridgend, CF31 1BZ and that the envelope is marked for the Chief Officer of Police. Although not a mandatory requirement, the envelope should also be marked "Temporary Event Notice".

#### **14. SPECIAL NOTES**

- 14.1 Where extracts from the Licensing Act 2003 are reproduced, they are provided as an information guide only. They are not a full and authoritative statement of the new licensing law. In particular, it must be noted that, although the Council has made every effort to ensure that the information in these pages is correct, changes to the law and the implementation of specific regulations for licensing mean that the supporting information in these pages may be subject to change.

#### **15. CONSULTATION**

- 15.1 The draft policy statement, including the information provided by the South Wales Police at Appendix Two, was published via the Bridgend County Borough Council website between 16<sup>th</sup> July and 3 September 2014. Individual consultation took place with the Responsible Authorities, partner agencies, Members of Bridgend County Borough Council and Town and Community Councils.
- 15.2 This Statement of Licensing Policy was prepared by the Licensing and Registration Section, Legal and Regulatory Services, Bridgend County Borough Council and approved by the Bridgend County Borough Council at their meeting held on

**(section to be updated on completion of the consultation and approval process).**

#### **16. APPEALS**

- 16.1 In the case of a premises licence, an appeal should be made to the magistrates' court for the petty session's area in which the premises are situated. (Bridgend Magistrates' Court).
- 16.2 In the case of a personal licence, an appeal should be made to the magistrates' court for the petty session's area where the personal licence was granted.

16.3 Entitlements to appeal for parties aggrieved by decisions of the licensing authority are set out in Schedule 5 to the Licensing Act 2003.
