

# BRIDGEND COUNTY BOROUGH COUNCIL

## INFORMATION REPORT TO CABINET

18 JANUARY 2022

### REPORT OF THE MONITORING OFFICER

#### REGULATION OF INVESTIGATORY POWERS ACT 2000

##### 1. Purpose of report

1.1 The report provides details of the current policy under the Regulation and Investigatory Powers Act 2000 (RIPA).

##### 2. Connection to corporate well-being objectives/other corporate priorities

2.1 This report assists in the achievement of the following corporate well-being objective/objectives under the **Well-being of Future Generations (Wales) Act 2015**:

- **Supporting a successful sustainable economy** – taking steps to make the county borough a great place to do business, for people to live, work, study and visit, and to ensure that our schools are focussed on raising the skills, qualifications and ambitions for all people in the county borough.
- **Smarter use of resources** – ensure that all resources (financial, physical, ecological, human and technological) are used as effectively and efficiently as possible and support the creation of resources throughout the community that can help to deliver the Council's well-being objectives.

##### 3. Background

3.1 RIPA provides a framework for certain public bodies, including local authorities, to use covert surveillance to gather information about individuals without their knowledge for the purposes of undertaking statutory functions in connection with the prevention and detection of crime.

3.2 RIPA activity and authorisations are governed by Codes of Practice and Guidance issued by the Investigatory Powers Commissioner's Office (IPCO) and the Home Office.

3.3 Local authorities are subject to regular inspections from the IPCO, the most recent Council inspection having taken place successfully in October 2020. During the inspection the Council was praised for the oversight and administration and a recommendation was issued in relation to training.

##### 4. Current situation/proposal

- 4.1 Members are required to review the use of RIPA and set the policy at least once a year. Elected Members cannot be involved in decisions on specific authorisations, but have oversight of the process.
- 4.2 The Council has always been very sparing in its use of RIPA. It is only used in cases where it is important to obtain information to support potential criminal proceedings, and only where that information cannot be obtained by any other means. There have been no authorisations for RIPA since April 2014. It is clear that the general policy is that it should not be used unless absolutely necessary.
- 4.3 Other reasons likely to account for the reduction in the number of authorisations being sought are:
- a reduction in the number of incidents requiring investigation, and
  - increased awareness of the scope of RIPA and the alternatives to covert surveillance as a result of training delivered to all Investigating and Authorising officers.
- 4.4 Overall responsibility for the use of RIPA lies with the Monitoring Officer who acts as the Senior Responsible Officer. The policy attached as **Appendix 1** has been reviewed to ensure it remains fit for purpose and in accordance with the Codes of Practice issued by the Home Office.

## **5. Effect upon policy framework and procedure rules**

- 5.1 There is no impact on the policy framework and procedure rules.

## **6. Equality Act 2010 implications**

- 6.1 The protected characteristics identified within the Equality Act, Socio-economic Duty and the impact on the use of the Welsh language have been considered in the preparation of this report. As a public body in Wales, the Council must consider the impact of strategic decisions, such as the development or the review of policies, strategies, services and functions. This is an information report and therefore it is not necessary to carry out an EIA in the production of this report. It is considered that there will be no significant or unacceptable equality impacts as a result of this report.

## **7. Well-being of Future Generations (Wales) Act 2015 implications**

- 7.1 The well-being goals identified in the Act were considered in the preparation of this report. As the report is for information only it is considered that there will be no significant or unacceptable impacts upon the achievement of well-being goals/objectives as a result of this report.

## **8. Financial implications**

- 8.1 There are no financial implications arising from this report.

## **9. Recommendation**

- 9.1 Cabinet is recommended to note the report.
