- 1.1 To ask the sub-committee to consider the application to grant a licence for a hackney carriage vehicle.

2. Connection to Corporate Improvement Plan / Other Corporate Priority.

- 2.1 None

3. Background.

- 3.1 It is the duty of the Local Authority to determine applications made under the Local Government (Miscellaneous Provisions) Act 1976 and Town Police Clauses Act 1847. These applications are referred to Licensing Sub-Committee for determination.

4. Current situation / proposal.

- 4.1 Application is made by Philip Evans, to licence a vehicle registration number LV04FVK as a hackney carriage vehicle to seat 8 persons. The date of first registration of the vehicle is 12 March 2004. The previous licence has expired.
- 4.2 The vehicle was previously licensed as a hackney carriage wheelchair accessible vehicle with Bridgend County Borough Council since 2006. The applicant has indicated that the vehicle is not wheelchair accessible now and is applying for a licence for a hackney carriage only. The vehicle licence expired on 20 November 2014. - 4.3 The vehicle is submitted for consideration under the Council's Hackney Carriage Vehicle Policy.
- 4.4 Policy Guidelines

The vehicle policy applicable to this application was approved by the Licensing Committee on 10 March 2008. The relevant extract from the policy is as follows:

(2.1) "Applications for the first licensing of a hackney carriage or private hire vehicle should be submitted to the Council within 14 days of the first registration of the vehicle at the DVLA. The mileage at the time of application should be no greater than 500 miles. The applicant may be the second or a subsequent registered

keeper but the applicant must demonstrate that there is no more than 14 days between the first registration and transfer to the applicant's name. Applications will normally be dealt with under the Scheme of Delegation to Officers.

(2.2) Applications for the first licensing of vehicles falling outside the above policy guidelines will normally be refused but a relaxation of the policy may be considered in exceptional circumstances." The vehicle does not fall within the published guidelines for relaxing the policy, so this case must be dealt with on its merits.

(2.5) Applicants are reminded that if they fail to make application to renew an existing licence before the expiry date any subsequent application must be treated as one of grant. Any relaxation of current policies will only be granted in very exceptional circumstances. The responsibility for making an application rests solely with the licence holder. All applications of this type will normally be reported to the Licensing Sub-Committee for determination.

4.4.1 This case is referred to the Licensing Sub-Committee as the vehicle falls outside the vehicle policy for the first licensing of a hackney carriage. Renewal reminders were sent by post and e-mail to Mr Evans.
