- 1.1 The purpose of this report is to seek approval for the proposed Forward Work Programme for 2023-24.

#### 2. Connections to corporate well-being objectives / other corporate priorities

- 2.1 This report assists in the achievement of the following corporate well-being objective under the **Well-being of Future Generations (Wales) Act 2015**:

- **Smarter use of resources** – ensuring that all resources (financial, physical, ecological, human and technological) are used as effectively and efficiently as possible and support the creation of resources throughout the community that can help to deliver the Council's well-being objectives.

#### 3. Background

- 3.1 The core functions of an effective Governance and Audit Committee include the responsibility to:

- review, scrutinise and issue reports and recommendations in relation to the Authority's financial affairs.
- consider the adequacy of the risk management framework, the internal control environment and the integrity of the financial reporting, governance processes, performance assessment and complaints arrangements.
- seek assurances that action is being taken on risk-related issues identified by auditors and inspectors.
- consider the effectiveness of the Council's anti-fraud and corruption arrangements.
- be satisfied that the Council's assurance statements properly reflect the risk environment and any actions required to improve it.
- oversee the work of internal audit (including the annual plan and strategy) and monitor performance.
- review summary internal audit reports and the main issues arising, and seek assurance that action has been taken where necessary.
- receive the annual report of the Head of Internal Audit.
- consider the reports of external audit and inspection agencies, where applicable.
- ensure that there are effective relationships between external and internal audit, inspection agencies and other relevant bodies, and that the value of the audit process is actively promoted.

- review and approve the financial statements, external auditor’s opinion and reports to Members, and monitor management action in response to the issues raised by external audit.
- review and make any recommendations for change to the Council’s draft self-assessment report.
- consider panel performance assessment reports into how the Council is meeting its performance requirements.

3.2 Effective Governance and Audit Committees help to raise the profile of governance, internal control, risk management and financial reporting issues within an organisation, as well as providing a forum for the discussion of issues raised by internal and external auditors. They enhance public trust and confidence in the financial governance of an authority.
