Report Owner / Corporate Director:	CORPORATE DIRECTOR – EDUCATION AND FAMILY SUPPORT
Responsible Officer:	DAWN DAVIES PRINCIPAL OFFICER – BUSINESS STRATEGY AND PERFORMANCE

Executive Summary:	<p>All governing bodies of maintained schools, including maintained nursery schools, in Wales must be constituted in accordance with The Government of Maintained Schools (Wales) Regulations 2005.</p> <p>All school governing bodies have four compulsory groups of governors. One of these groups is local authority governors. Local authority governors are appointed by the local authority.</p> <p>This report details recommendations for appointments to current local authority governor vacancies</p>

1. Purpose of Report

- 1.1 The purpose of this report is to seek approval from Cabinet for the appointment of local authority governors to the school governing bodies listed at paragraphs 3.1 and 3.2.

2. Background

- 2.1 In accordance with the Council's 'Guidance on the appointment of local education authority governors', approved by Cabinet on 14 October 2008, officers have considered applications received for current vacancies for local authority governor positions on school governing bodies (see paragraphs 3.1, 3.2, 3.3 and Appendix A).

3. Current situation / proposal

- 3.1 For the one current local authority governor vacancy at the one school in the table below, the applicant met the approved criteria for appointment as a local authority

governor and there was no competition for the vacancy. Therefore, the recommended appointment is as follows:

Name of applicant	School
Mrs Helen Whyley	Cynffig Comprehensive School

- 3.2 There was competition for one vacancy at one school and the applicants are detailed in the table below:

Name of applicant	School
Cllr Freya Bletsoe	Héronsbridge School
Mrs Marjorie Nash	Héronsbridge School

- 3.3 The officer panel scrutinised the applications in respect of the aforementioned approved guidance. Although ward members are usually prioritised for local authority governor positions, on this occasion the officer panel determined that the recommended appointment is the reappointment of Mrs Marjorie Nash due to her extensive experience as a local authority governor, having served for many years on the governing body of Heronsbridge School, and most recently in the role of vice chairperson. Mrs Nash also sits on many relevant sub-committees and has an excellent attendance record at previous governing body meetings.

4. Equality implications (including Socio-economic Duty and Welsh Language)

- 4.1 An initial Equality Impact Assessment (EIA) screening has identified that there would be no negative impact on those with one or more of the protected characteristics, on socio-economic disadvantage or the use of the Welsh Language. It is therefore not necessary to carry out a full EIA on this policy or proposal.

5. Well-being of Future Generations implications and connection to Corporate Well-being Objectives

- 5.1 A Well-being of Future Generations (Wales) Act 2015 assessment has been completed. A summary of the implications from the assessment relating to the five ways of working is as follows:

Long-term

While it is desirable for local authority governors to have previous or relevant experience of the role, in the short-term, the local authority may support any person for such an appointment who is interested in supporting schools, is not disqualified from being a school governor and is willing and able to dedicate the necessary time to the role.

Prevention

The local authority assesses the suitability of applicants for the local authority governor vacancy/vacancies applied for. The local authority, in conjunction with the Central South Consortium, supports governors with a comprehensive programme of both mandatory and voluntary training and access to resources, to enable them to

develop and maintain their knowledge and skills, and be successful in fulfilling the role.

Integration

School governing bodies have a strategic role in running schools and ensuring that all pupils are supported to learn and achieve so that they can access opportunities for further learning and employment, know how to maintain their well-being, can play active roles in their communities and can contribute positively to society as a whole.
